Item 1.01. Entry into a Material Definitive Agreement.

Indenture and the Notes

On April 9, 2015, Hilltop Holdings Inc., a Maryland corporation (the "Company"), completed an offering of \$150.0 million aggregate principal amount of its 5.00% senior notes due 2025 (the "notes"). The notes were sold only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"). The notes have not been registered under the Securities Act or any state securities law and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from the registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws. The notes were issued pursuant to an indenture, dated as of April 9, 2015 (the "indenture"), by and between the Company and U.S. Bank National Association, as trustee (the "Trustee").

The Company intends to use the net proceeds from the offering of the notes to redeem all of its Non-Cumulative Perpetual Preferred Stock, Series B at an aggregate liquidation value of \$114.1 million, plus accrued but unpaid dividends, and the remainder for general corporate purposes. Any redemption of such preferred stock will be subject to any necessary approvals of governmental agencies. If the Company does not use the net proceeds immediately, the Company will temporarily invest them in short-term, interest-bearing obligations. In the event that the necessary approvals are not received, the proceeds will be used for general corporate purposes. The notes are unsecured, unsubordinated obligations of the Company and are not guaranteed by any of the Company's subsidiaries.

The notes will mature on April 15, 2025. The Company will pay interest on the notes semiannually on April 15 and October 15 of each year, commencing on October 15, 2015.

The Company may redeem the notes, in whole at any time or in part from time to time, on or after January 15, 2025 (three months prior to the maturity date of the notes) at the Company's election at a redemption price equal to 100% of the principal amount of the notes to be redeemed plus accrued and unpaid interest to, but excluding, the redemption date.

The indenture contains covenants that will limit the ability of the Company and its subsidiaries to, among other things and subject to certain significant exceptions: (i) dispose of or issue voting stock of certain of the Company's bank subsidiaries or subsidiaries that own voting stock of the Company's bank subsidiaries, (ii) incur or permit to exist any mortgage, pledge, encumbrance or lien or charge on the capital stock of certain of the Company's bank subsidiaries or subsidiaries that own capital stock of the Company's bank subsidiaries and (iii) sell all or substantially all of the Company's assets or merge or consolidate with or into other companies. The indenture also provide for certain events of default, which, if any of them occurs, would permit or require the principal amount, premium, if any, and accrued and unpaid interest on the then outstanding notes to be declared immediately due and payable.

The foregoing description of the indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the indenture, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

Registration Rights Agreement

In connection with the issuance of the notes, on April 9, 2015, the Company entered into a registration rights agreement (the Registration Rights Agreement) by and among the Company and Barclays Capital Inc. and Sandler O'Neill & Partners, L.P.
