Underwriting Agreement

On July 14, 2016, Laredo Petroleum, Inc. (the *Company*) entered into an underwriting agreement (the *Underwriting Agreement*) with Credit Suisse Securities (USA) LLC, as representative of the several underwriters named in Schedule 1 thereto (together, the *Underwriters*), providing for the offer and sale by the Company (the *Offering*) of 13,000,000 shares of the Company's common stock, par value \$0.01 per share (the *Common Stock*), at a purchase price to the Underwriters of \$10.5127500 per share. Pursuant to the Underwriting Agreement, the Company granted the Underwriters a 30-day option (the *Option*) to purchase up to an additional 1,950,000 shares of Common Stock on the same terms. The Underwriters intend to offer the shares of Common Stock from time to time for sale in one or more transactions on the New York Stock Exchange, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices.

The Offering is expected to close on July 19, 2016. The Company will receive net proceeds of approximately \$136.3 million (after deducting estimated offering expenses) from the Offering. The Company intends to use the net proceeds from the Offering to repay borrowings under its senior secured credit facility.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company and customary conditions to closing, obligations of the parties and termination provisions. The Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the *Securities Act*), or to contribute to payments the Underwriters may be required to make because of any of those liabilities. The Offering is being made pursuant to a prospectus supplement dated July 14, 2016 and the base prospectus dated March 2, 2016, relating to the Company's effective shelf registration statement on Form S-3 (File No. 333-209887).

The Underwriters and their respective affiliates have from time to time performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Company and for its affiliates in the ordinary course of business for which they have received and would receive customary compensation. Affiliates of each of the Underwriters are lenders under the Company's senior secured credit facility and will receive a portion of the net proceeds from the Offering.
