#### **Item 4. Purpose of Transaction.**

The second paragraph of Item 4 of Schedule 13D is hereby amended and restated in its entirety as follows:

On February 13, 2019, the Issuer entered into an agreement and plan of merger (the IDR Merger Agreement) with ETRN, the General Partner, EQGP, EQGP GP, Equitrans Merger Sub, LP, a Delaware limited partnership (Merger Sub), and certain other parties thereto, pursuant to which, among other things, the parties to the IDR Merger Agreement have agreed to the exchange and cancellation of the outstanding incentive distribution rights in the Issuer (the IDRs) and the restructuring of the general partner interest in the Issuer pursuant to a series of transactions, including the merger of Merger Sub with and into EQGP, collectively resulting in, among other things, the cancellation of (a) the IDRs in the Issuer, (b) the economic portion of the general partner interest in the Issuer and (c) the issued and outstanding common units representing limited partner interests in EQGP and, as consideration for such cancellation, the receipt by certain affiliates of ETRN of (i) 101,811,643 million newly-issued Common Units (21,811,643 of which are being issued in exchange for the cancellation of the 21,811,643 Common Units held by EQGP immediately prior to the transactions contemplated by the IDR Merger Agreement) and seven million newly-issued Class B units (Class B units), both representing limited partner interests in the Issuer, and (ii) the retention of the non-economic general partner interest in the Issuer (collectively, the EQM IDR Transaction). Upon closing of the EQM IDR Transaction, (i) EQGP GP will replace the General Partner as the general partner of the Issuer and (ii) the IDRs and economic general partner interest in the Issuer will be cancelled and will no longer be outstanding.

The Class B units will be divided into three tranches, with the first tranche of 2.5 million Class B units becoming convertible into Common Units at the holder's option on April 1, 2021, the second tranche of 2.5 million Class B units becoming convertible at the holder's option into Common Units on April 1, 2022, and the third tranche of two million Class B units becoming convertible at the holder's option into Common Units on April 1, 2023 (each, a Class B unit conversion date). Additionally, the Class B units will become convertible at the holder's option into Common Units immediately before a Change of Control (as defined in the Amended and Restated EQM Partnership Agreement (defined below) that will be entered into in connection with the closing of the EQM IDR Transaction) of the Issuer. Until the applicable Class B unit conversion date (or, if earlier, a Change of Control), the Class B units will not be entitled to receive any distributions of available cash. After the applicable Class B unit conversion date (or, if earlier, a Change of Control), whether or not such Class B units have been converted into Common Units, the Class B units will participate pro rata with the Common Units in distributions of available cash.

Except with respect to the right to receive distributions prior to the applicable Class B conversion date (or Change of Control), the Class B units have the same rights and obligations as Common Units. The Class B units will vote as a single class with Common Units, subject to certain exceptions, including that the Class B units shall have the right to vote as a separate class on matters that adversely affect the rights or preferences of Class B units in relation to other classes of EQM partnership interests in any material respect or as required by law.

## Edgar Filing: EQM Midstream Partners, LP - Form SC 13D/A

In connection with the closing of the EQM IDR Transaction, the Partnership Agreement (as defined below) will be amended and restated to, among other things, reflect the cancellation of the IDRs and the restructuring of the general partner interest in the Issuer, the issuance of the Common Units and the issuance of the Class B units pursuant to the EQM IDR Transaction and the admission of the EQGP GP as the general partner of the Issuer (as amended and restated, the Amended and Restated EQM Partnership Agreement).

After giving effect to the EQM IDR Transaction, ETRN will indirectly own 117,245,455 Common Units and all seven million Class B units, collectively representing a 59.9% limited partner interest in the Issuer.

The foregoing description of the IDR Merger Agreement and the EQM IDR Transaction does not purport to be complete and is subject to, and qualified in its entirety by, the full text of IDR Merger Agreement filed herewith as Exhibit E, which is incorporated herein by reference.

Item 4(j) of Schedule 13D is hereby amended and restated in its entirety as follows:

Other than the EQM IDR Transaction, as of the date of this Amendment No. 2, the Reporting Persons have not formulated any definitive plan or proposal relating to or which would result in any of the matters specified in clauses (a) through (i) of Item 4 of Schedule 13D with respect to the Issuer or its subsidiaries (the Enumerated Matters). There can be no assurance that the signing of the IDR Merger Agreement will result in a transaction of interest to the Reporting Persons or the Issuer. The Reporting Persons undertake no obligation to make additional disclosures in connection with the matters described herein except to the extent required by law.
