Item 1.01 Entry into a Material Definitive Agreement.

On March 29, 2019 PNM Resources, Inc.'s indirect wholly-owned subsidiary, Texas-New Mexico Power Company ("TNMP"), issued \$75,000,000 aggregate principal amount of its 3.79% First Mortgage Bonds, due 2034, Series 2019B (the "2019B Bonds"), \$75,000,000 aggregate principal amount of its 3.92% First Mortgage Bonds, due 2039, Series 2019C (the "2019C Bonds") and \$75,000,000 aggregate principal amount of its 4.06% First Mortgage Bonds, due 2044, Series 2019D (the "2019D Bonds" and, together with the 2019B Bonds and the 2019C Bonds, the "Bonds") in a private placement in reliance on an exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"). The Bonds were sold by TNMP to institutional accredited investors (as defined by Rule 501(a) of the Securities Act) pursuant to a Bond Purchase Agreement dated February 26, 2019 (the "Bond Purchase Agreement"). In the Bond Purchase Agreement, TNMP agreed to sell the Bonds subject to the satisfaction of certain terms and conditions. The Bond Purchase Agreement also provides for the sale of an additional \$80,000,000 aggregate principal amount of 3.60% First Mortgage Bonds, due 2029, Series 2019A, on or before July 1, 2019, subject to the satisfaction of certain terms and conditions. The Bond Purchase Agreement was filed as Exhibit 10.3 to TNMP's Annual Report on Form 10-K filed with the Securities and Exchange Commission on March 1, 2019.

The Bonds were issued pursuant to TNMP's First Mortgage Indenture dated as of March 23, 2009 (the "First Mortgage Indenture"), between TNMP and MUFG Union Bank, N.A. (formerly known as Union Bank, N.A.) (as successor to The Bank of New York Mellon Trust Company, N.A.), as trustee (the "Trustee"), as previously supplemented and amended and as further supplemented by the Tenth Supplemental Indenture thereto, dated as of March 29, 2019, between TNMP and the Trustee (the "Tenth Supplemental Indenture" and, together with the First Mortgage Indenture, the "Indenture"). The Bonds are secured by a first mortgage lien on substantially all of TNMP's property, subject to excepted encumbrances, reservations, contracts and other exceptions as are permitted by the Indenture, and rank equally in right of payment with all other securities theretofore or thereafter issued under the First Mortgage Indenture.

Interest on the Bonds is payable semiannually on March 29 and September 29 of each year, commencing on September 29, 2019, at a fixed rate of 3.79% per annum with respect to the 2019B Bonds, 3.92% per annum with respect to the 2019C Bonds and 4.06% per annum with respect to the 2019D Bonds. TNMP may, upon not less than ten nor more than sixty days' prior written notice (unless the holders of more than 50% of the principal amount of the then-outstanding Bonds of the applicable series agree in writing to another time period), prepay at any time all, or from time to time any part of, the Bonds of any series, in an amount not less than ten percent of the aggregate principal amount of the Bonds of such series then outstanding in the case of a partial prepayment, at a prepayment price equal to the sum of (a) 100% of the principal amount so prepaid, (b) accrued and unpaid interest thereon and (c) a make-whole amount, if any, determined for the prepayment date with respect to such principal amount. The principal amount of the 2019B Bonds is payable on March 29, 2034, the principal amount of the 2019C Bonds is payable on March 29, 2039 and the principal amount of the 2019D Bonds is payable on March 29, 2044.

The Indenture contains events of default customary for such a transaction, including, without limitation: failure to pay interest on any Security (as defined in the Indenture) for sixty days after becoming due; failure to pay the principal of or premium on any Security when due; failure to comply with or breach of any covenant or warranty contained in the Indenture, subject to a ninety day cure period after written notice of default has been delivered; and certain events relating to reorganization, bankruptcy and insolvency of TNMP. If an "Event of Default" (as defined in the Indenture) occurs and is continuing, the Trustee or the holders of not less than thirty-three percent in principal amount of the Securities then outstanding may declare the principal amount of all Securities then outstanding to be immediately due and payable.

In addition, the Tenth Supplemental Indenture contains bond repurchase events (subject to a fifteen day cure period), including, without limitation: actions by TNMP or any Controlled Entity (as defined in the Tenth Supplemental Indenture) which subject a Bond holder to terrorism sanctions regulations; the sale or lease of TNMP's assets in excess of specified thresholds during any calendar year; defaults in respect to obligations relating to certain debt; failure to deliver to each institutional investor Bond holder certain financial and business information related to TNMP; failure to maintain a ratio of consolidated indebtedness to consolidated capitalization of less than or equal to 0.65 to 1.0; and material misrepresentations of any representation or warranty contained in the Tenth Supplemental Indenture. If a "Bond Repurchase Event" (as defined in the Tenth Supplemental Indenture) occurs and is continuing, TNMP must repurchase the Bonds for a purchase price equal to the aggregate principal amount of the Bonds then outstanding, plus all accrued and unpaid interest thereon and a make-whole amount determined for the Bond Repurchase Event date with respect to such principal amount.

The Tenth Supplemental Indenture further includes a provision whereby a change in control in TNMP or PNM Resources Inc. would obligate TNMP to offer to prepay all of the Bonds at one-hundred percent (100%) of the principal amount of the Bonds, plus all accrued and unpaid interest thereon, but without any make-whole amount or other premium.

The above description of the Indenture does not purport to be a complete statement of the parties' rights and obligations thereunder. Such description is qualified in its entirety by reference to the Tenth Supplemental Indenture, a copy of which is attached to this Current Report on Form 8-K as Exhibit 4.1, and the First Mortgage Indenture, as previously amended and supplemented, and as previously filed, each of which is incorporated herein by reference. The forms of Bonds, which are included as a part of the Tenth Supplemental Indenture, are attached hereto as Exhibits 4.2, 4.3 and 4.4 and incorporated herein by reference.

The Bonds are not registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements and applicable state laws. This Current Report on Form 8-K does not constitute an offer to sell nor a solicitation of an offer to purchase the Bonds or any other securities, and shall not constitute an offer, solicitation or sale in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
