In addition to the use of mails, proxies may be solicited by employees of the Company (who will receive no additional compensation therefor) personally or by telephone or other electronic communications, and arrangements may be made with banks, brokerage houses and other institutions, nominees and/or fiduciaries to forward the soliciting material to their principals and to obtain authorization for the execution of proxies. VOTING INFORMATION

The record date for determining shares entitled to vote has been fixed at the close of business on May 17, 2010. On such date there were outstanding 2,237,371 shares of common stock of the Company, \$.20 par value ("Common Stock"), entitled to one vote each.

The presence, in person or by properly executed proxy, of the holders of shares of Common Stock entitled to cast a majority of the votes entitled to be cast by the holders of all outstanding shares of Common Stock is necessary to constitute a quorum. Directors will be elected by a plurality of all the votes cast at the 2010 Annual Meeting with each share being voted for as many individuals as there are Directors to be elected and for whose election the share is entitled to vote. Ratification of the appointment of Freed Maxick & Battaglia, CPAs, PC as the Company's independent registered public accounting firm for the 2010 fiscal year requires the affirmative vote of a majority of the votes cast on the proposal. Pursuant to SEC rules, shareholder proposals must have been received by April 20, 2010, which date is 45 days before the date (June 3) on which the Company mailed its proxy materials for last year's annual

meeting, to be considered at the 2010 Annual Meeting. At April 20, 2010, the Company had not received notice of any intention to submit any other matter; and, therefore, the named proxies have discretion to vote on any other matter that comes before the meeting.

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (i) present for purposes of determining the presence of a quorum and (ii) as having voted in accordance with the directions and statements on the form of proxy.

The Audit Committee is also charged with the responsibility of submitting to the Board of Directors any recommendations it may have from time to time with respect to financial reporting and accounting practices, policies and financial accounting and operation controls and safeguards.

The Board has (i) determined that Dr. Duerig and Mr. Hedges are Independent Directors pursuant to the listing standards of the NYSE Amex; and (ii) designated Dr. Duerig as the Company's "Audit Committee financial expert".

The Company has a formal Audit Committee which performs all the functions required to be performed by the Company's Independent Directors. The Company's full Board of Directors performs the functions of all other committees and in lieu thereof as permitted by the Company's By-Laws and the current NYSE Amex listing standards. The Board of Directors does not have a standing nominating or compensation committee. Pursuant to Board resolutions, the full Board of Directors approves/ratifies all Director nominees after they are determined by the Independent Directors. See "Director Nominating Process" on page 7. Additionally, the Independent Directors determine the compensation of the Chief Executive Officer and all Executive Officers and such determinations are subsequently submitted to the full Board of Directors for approval/ratification. During the fiscal year ended December 31, 2009, the Audit Committee met 9 times and the Board of Directors met 14 times. No Director attended less than 100% of the meetings held. Each Director is expected to attend the Annual Meeting of Shareholders. In 2009, the Annual Meeting of Shareholders was attended by all Directors.

Report of the Audit Committee of the Board of Directors

The Audit Committee serves as the representative of the Board of Directors for general oversight of the Company's financial accounting and reporting, systems of internal control, audit process and monitoring compliance with standards of business conduct. The Audit Committee operates under a written charter which is available on the Company's website at www.servotronics.com. Management of the Company has primary responsibility for preparing financial statements of the Company as well as the Company's financial reporting process. Freed Maxick & Battaglia, CPAs, PC ("FM&B"), acting as Independent Auditors, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with U.S. generally accepted accounting principles.

AUDIT COMMITTEE

Dr. William H. Duerig, Chairman

Mr. Donald W. Hedges

Leadership Structure

Dr. Nicholas D. Trbovich is the Company's Chairman of the Board and Chief Executive Officer. The Company believes that having one person hold the roles of Chairman of the Board and Chief Executive Officer is the most effective way at this time to organize the leadership structure of the Board of Directors. Having one person hold the roles of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for the Board and executive management and it allows for a single and clear focus for the chain of command to execute the Company's strategic initiatives and business plans. Because Dr. Trbovich is primarily responsible for managing the Company's day-to-day operations and strategic plan implementations, he is in the best position to chair meetings of the Board of Directors where key business and strategic issues are discussed. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer coupled with the existence of the Independent Directors is the appropriate leadership structure for the Board of Directors at this time. It provides sufficient independent oversight while avoiding unnecessary confusion regarding the Board's oversight responsibilities and the day-to-day management of the Company's business operations and strategic plan implementations. The Independent Directors periodically review this structure to assess its effectiveness on a continuing basis.

Board Oversight of Risk Management

The Board of Directors oversees the Company's risk management process. This oversight is primarily accomplished through the Board's committees and management's reporting processes. The Company does not have a formal risk committee; however, the Audit Committee focuses on risk related to accounting, internal controls, and financial and tax reporting. The Audit Committee also assesses economic and business risks and monitors compliance with ethical standards. The Independent Directors identify and oversee risks associated with the Company's executive compensation policies and practices, Director independence, related party transactions and the implementation of corporate governance policies.

Directors' Compensation

Under the Company's compensation arrangements, non-employee Directors are paid a yearly Director's fee of \$18,000 plus a per meeting fee of \$900 and reimbursement of actual expenses for attendance at Board meetings. Directors who are also employees do not receive the Director's and/or meeting fees. Members of the Audit Committee of the Board are paid a yearly Audit Committee fee of \$5,000 plus a per-meeting fee of \$650 and reimbursement of actual expenses for attendance at Audit Committee meetings.

The following table contains information with respect to the compensation paid to the non-employee Directors for the year ended December 31, 2009.

Name	Fees Earned or Paid in Cash (1)	Option Awards (2)	Total
William H. Duerig	\$41,450	--	\$41,450
Donald W. Hedges	\$41,450	--	\$41,450

(1) Includes cash compensation earned by the Directors during the fiscal year 2009.

(2) No options were awarded in 2009. As of December 31, 2009, each of Dr. Duerig's and Mr. Hedges' stock option holdings in the Company consisted of: 15,000 options with an exercise price of \$3.8125 expiring on July 6, 2010; 16,000 options with an exercise price of \$4.38 expiring on September 5, 2011; 18,000 options with an exercise price of \$2.045 expiring on April 10, 2013; and 7,500 options with an exercise price of \$4.70 expiring on December 29, 2015. Code of Ethics

The Company has adopted a Code of Ethics and Business Conduct that applies to all Directors, Officers and Employees of the Company as required by the listing standards of the NYSE Amex. The Code is available on the Company's website at www.servotronics.com and the Company intends to disclose on this website any amendment to the Code. Waivers under the Code, if any, will be disclosed under the rules of the SEC and the NYSE Amex.

Director Nominating Process

The determination of the individuals to be nominated for the Board of Directors is made by the Independent Directors. This determination is then subsequently submitted to the full Board of Directors for approval/ratification. The Board has determined that Dr. Duerig and Mr. Hedges are independent under the NYSE Amex listing standards.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. Consistent with the concept of diversity, the Company recognizes the value of having a Board that encompasses a broad range of skills, expertise, contacts, industry knowledge and diversity of opinion.

The Board will consider Director nominees from any reasonable source, including nominees suggested by incumbent Board Members and Management as well as Shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Shareholder Communications with the Board of Directors

Shareholders who wish to contact the Board of Directors or any of its members may do so by addressing their written correspondence to Board of Directors, 1110 Maple Street, P.O. Box 300, Elma, New York 14059. Correspondence directed to an individual Board member will be referred, if appropriate, to that member. Correspondence not directed

**PROPOSAL 2: RATIFICATION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Freed Maxick & Battaglia, CPAs, PC (FM&B) has been selected by the Board of Directors as the independent public accountants for the Company's current fiscal year. A representative of FM&B is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.

At the Annual Meeting, the shareholders will be asked to ratify the selection of FM&B as the Company's independent registered public accounting firm. Pursuant to the rules and regulations of the Securities and Exchange Commission, the Audit Committee has the direct responsibility to appoint, retain, fix the compensation and oversee the work of the Company's independent registered public accounting firm. In the event that the shareholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of a majority of the votes cast on the proposal, assuming a quorum is present at the Annual Meeting, is required to ratify the appointment of FM&B. The Directors of the Company unanimously recommend a vote "FOR" the ratification of FM&B as the Company's independent registered public accounting firm for 2010. Unless otherwise instructed, proxies will be voted "FOR" ratification of the appointment of FM&B.
