Item 2.02 Results of Operations and Financial Condition.

As previously reported, on March 5, 2008, Entertainment Distribution Company, Inc. (the “Company”) issued a news release which was included as an exhibit to a Form 8-K filed on such date (the “March 5th release”), that provided preliminary financial results for the quarter and fiscal year ended December 31, 2007. Subsequently, on March 10, 2008, the Compensation Committee of the Board of Directors for the Company elected to reduce 2007 incentive compensation from the level reflected in the March 5th release, which resulted in a reduction to both Accrued Expense and Other Liabilities and SG&A Expense of \$875,000 as of December 31, 2007. The decision was based on the Compensation Committee’s evaluation of current and expected future market conditions for pre-recorded entertainment products and distribution services. The effect of this change is to reduce 2007 SG&A Expense by \$875,000 and decrease Net Loss by \$700,000 after tax, or \$0.01 per share, from the unaudited financial statements presented in the March 5th release. Contemporaneously with the filing of this Form 8-K, the Company is filing its annual report on Form 10-K which includes the audited financial statements reflecting this change from the March 5th release.
