PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
INTRODUCTION

The accompanying form of proxy is solicited on behalf of the board of trustees (the “Board”) of American Mortgage Acceptance Company (which we refer to as our “Company”, “we”, “our” or “us”) for use at the annual meeting of shareholders to be held Wednesday, June 11, 2008, at 10:00 A.M. (local time), at the law offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York, and at any adjournment or postponement thereof (the “Annual Meeting”). On or about April 28, 2008, we first mailed these proxy materials to holders of record of our common shares as of the close of business on April 14, 2008. Our executive offices are located at 625 Madison Avenue, New York, New York, 10022 (telephone: (212) 317-5700).

Common shares represented by properly executed proxy cards received by us at or prior to the Annual Meeting will be voted according to the instructions you indicate on the proxy card. If you do not give any instructions, the persons named on your signed proxy card intend to vote your common shares so represented “FOR” the election of each of the trustee (the “Trustee”) nominees and ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

You may revoke your proxy and reclaim your right to vote by: (i) delivering to our secretary a written notice of revocation bearing a later date than the date of the proxy at or prior to the Annual Meeting; (ii) delivering to our secretary a duly executed, subsequently dated proxy with respect to the same common shares at or prior to the Annual Meeting; or (iii) attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, by itself, constitute revocation. Any written notice revoking a proxy should be delivered at or prior to the Annual Meeting to the attention of the Secretary, American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York, 10022.

Our Board recommends a vote “FOR” the election of each of the Trustee nominees and ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

As of April 14, 2008, approximately 8,433,470 common shares were outstanding, with each common share entitled to one vote on all matters that may come before the Annual Meeting.

PROPOSALS BEFORE THE MEETING

Proposal #1: Election of Trustees

At the Annual Meeting, seven Trustees are to be elected for one-year terms expiring in 2009. All of the nominees are currently Trustees of our Company. Trustees are elected by a plurality of the votes cast (assuming the presence of a quorum consisting of holders of a majority of our common shares, whether present in person or by proxy).

The Board has adopted independence standards for Trustees that conform to the independence standards of the American Stock Exchange (“AMEX”). The Board has affirmatively determined that each of the nominees for election at the Annual Meeting, other than Messrs. Schnitzer, Duggins and Blau, is independent in accordance with these standards.

Unless holders of our common shares otherwise specify, the common shares represented by duly executed proxies will be voted “FOR” the indicated nominees for election as Trustees.

Our Board has no reason to believe that any of the nominees will be unable or unwilling to continue to serve as a Trustee if elected. However, in the event that any nominee should be unable or unwilling to serve, the common shares represented by proxies received will be voted for another nominee selected by our Board. Each of the nominees listed below has consented to being named as a Trustee nominee in this proxy statement. Our Board recommends a vote “FOR” each of the listed nominees.

The following table sets forth information with respect to each nominee nominated to serve as a Trustee for a term to expire in 2009.

Proposal #2: Ratification of Appointment of Independent Auditor

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008, and the Board has directed that the selection of the independent registered public accounting firm be submitted for ratification by the shareholders at the Annual Meeting.

Shareholder ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm is not required by the Company's trust agreement, bylaws or otherwise. However, the Board is submitting the selection of Deloitte & Touche LLP to the shareholders for ratification as a matter of what it considers to be good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee of the Board in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting.

MANAGEMENT

Our Board directs the management of the business of our Company but retains Centerline/AMAC Manager Inc, as our advisor (our “Advisor”) to manage our day-to-day affairs. Meetings and Attendance

During 2007, our Board held fourteen (14) meetings, the Audit Committee held five (5) meetings, the Compensation Committee held one (1) meeting and the Nominating and Governance Committee held one (1) meeting. Mr. Rosan and Mr. Hirmes attended 66.7 % of all Board meetings and the committees on which they served. On March 15, 2007, Mr. Hirmes retired from his position as a member of the Board. On March 19, 2007, the Board approved a reduction in the size of the Board to seven members with Mr. Rosan not standing for re-election after his term expired on June 12, 2007.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and Trustees, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

During the fiscal year ended December 31, 2007, all of our Trustees, executive officers and greater-than-ten-percent beneficial owners complied with all applicable Section 16(a) filing requirements, except that Centerline inadvertently filed one Form 4 one day late.

COMPENSATION COMMITTEE :
Harry Levine, Chairman
George P. Jahn
Scott M. Mannes

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate by reference this proxy statement or future filings made by the Company under those statutes, the Compensation Committee Report and the Audit Committee Report are not deemed filed with the Securities and Exchange Commission and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by the Company under those statutes.

COMPENSATION DISCUSSION AND ANALYSIS

Our Advisor, at its expense, provides all personnel necessary to conduct our regular business, including our executive officers. Accordingly, we do not pay cash compensation to our executive officers. The only element of compensation that the Company may provide for executive officers is long term incentive compensation pursuant to our Share Option Plan. The purpose of the Share Option Plan is (i) to attract and retain qualified persons as Trustees and officers, (ii) to enhance shareholder value by aligning the financial interests of our executive officers (who are employees of our Advisor or its affiliates) with those of our shareholders, and (iii) provide our executive officers with an incentive to manage the Company from the perspective of owners of the Company. Maintaining the plan allows the Company the opportunity to carry out the purpose of the long-term incentive plan, if the Compensation Committee chooses to do so. The Compensation Committee did not make option awards to the executive officers during 2007 because the executive officers were fully compensated by our Advisor.

Cash and Other Compensation

Our executive officers and other personnel who conduct our regular business are employees of our Advisor or its affiliates. We do not pay or accrue any salaries, bonuses or other compensation to our officers, other than options which may be granted under our Share Option Plan. We pay various fees and reimbursements to our Advisor for advisory and other services performed under an Advisory Agreement, as further described in the "CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS — Advisory Agreement" section of this proxy statement. An affiliate of our Advisor pays all salaries, bonuses and other compensation (other than options which may be received under our Share Option Plan) to the officers of our Advisor, including such officers who also serve as officers of our Company. We understand that our Advisor takes into account the performance of the Company as a factor in determining the compensation of its officers, and such compensation may be increased or decreased depending on the Company's performance. In addition to compensation for services performed for the Company, our executive officers may receive compensation for services performed for various affiliated entities of our Advisor. Such compensation may be based in part on our performance. However, our Advisor cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our officers that relates exclusively to their services to us.

Equity-based Compensation

Our Share Option Plan is structured to link the compensation of our executive officers and other personnel with our performance. Therefore, the Compensation Committee may only grant options if certain performance metrics as described below are met. Additionally, the number of options which may be granted under the plan each year is limited.

Pursuant to our Share Option Plan, if our distributions per common share in the immediately preceding calendar year exceed \$1.45 per common share, the Compensation Committee has the authority to issue options to purchase shares (in discretionary amounts up to the maximum reserve authorized under the Share Option Plan). The number of options which may be granted to any executive or other employee will be set at levels that the Compensation Committee believes to be consistent with others in our industry. The Compensation Committee has not retained an outside compensation consultant because there are no present plans to issue equity awards under the Share Option Plan. If such awards are granted in the future, they will be grants with the intention to enhance the Company's ability to retain qualified executives and to provide appropriate incentives to executives by aligning their compensation with Company performance. However, the aggregate amount of options that may be granted for any particular year is limited to that number of common shares which is equal to 10% of the aggregate number of common shares outstanding as of December 31 of the immediately preceding calendar year (subject to any limitations imposed by the national securities exchange or national quotation system upon which the Company is listed). This is the "life maximum" for our Share Option Plan.

All options granted by the Compensation Committee pursuant to our Share Option Plan will have an exercise price equal to or greater than the fair market value of the common shares on the date of the grant. The maximum option term is ten years from the grant date. The options may vest immediately upon issuance or in accordance with the determination of the Compensation Committee.

The role of the chief executive officer in determining whether any grants are made to executive officers under the Share Option Plan is recommending compensation grants, if any and other than for himself, for approval the the Compensation Committee. No options, were granted in 2007 or previous years to our current named executive officers, because the chief executive officer of the Company did not request that the Compensation Committee approve the grant of any awards on the premise that the executive officers' compensation from our Advisor was appropriate and sufficient. Since no equity awards or other compensation were issued to the Company's executive officers, the Compensation Committee did not need to review any comparative compensation information to determine the appropriate level of executive officer total annual compensation.

Policies Regarding Equity-Based Compensation

The Company has a "claw-back" policy that permits it to recover incentive compensation (cash or equity) that was based on achievement of financial results that were subsequently the subject of a restatement if an executive officer engaged in intentional misconduct that caused or partially caused the need for the restatement and the effect of the wrongdoing was to increase the amount of bonus or incentive compensation. There are no outstanding awards subject to this policy because no executive officers have received grants under the Share Option Plan.

The Company does not presently have equity or ownership requirements or guidelines for our executive officers. The Company has a policy prohibiting executive officers from hedging the economic risk of such ownership. Because the Company does not directly compensate its executive officers, the Company does not consider prior amounts of compensation received by executive officer from the Company in setting future compensation levels.

The Company does not in any way plan to time future option awards to the release of material non-public information. Finally, the Company did not engage in any benchmarking of long-term compensation levels in 2007.

Accounting and Tax Considerations

Under Statement of Financial Accounting Standards No. 123 (revised 2004), Share-Based Payment ("FAS 123(R)"), grants of share options result in an accounting charge for the Company. The accounting charge is equal to the fair value of the options being issued. Before making option grants, the Compensation Committee considers any financial

expense associated with them.

Section 162(m) of the Internal Revenue Code (the “Code”) limits the deduction for compensation paid to the chief executive officer and next four highest compensated executive officers to the extent that compensation of a

12

particular executive exceeds \$1,000,000 in any one year. Exceptions are made for qualified performance-based compensation in accordance with the Code and corresponding regulations. It is our goal to have compensation paid to our executive officers qualify as performance-based compensation deductible for federal income tax purposes under Section 162(m). Given the fact that we are presently externally managed by our Advisor and the only compensation that currently may be paid to our executive officers are options pursuant to our Share Option Plan, it is unlikely that Section 162(m) will present any concerns.

TRUSTEE COMPENSATION

Our Board is comprised of a majority of members that are independent of management. We currently have seven Trustees (four of whom are independent Trustees). Prior to June 2007, Independent Trustees received compensation for serving as independent Trustees at the rate of \$20,000 per year payable in cash (or in common shares at the Trustee's discretion) in addition to an expense reimbursement for attending meetings of our Board. The Chairman of the Audit Committee received an additional \$5,000 in cash for serving on the Audit Committee. The independent Trustees also received \$500 for each in-person meeting and \$250 for each telephonic meeting of the Board they attended. Subsequent to June 2007, Independent Trustees received compensation for serving as independent Trustees at the rate of \$30,000 per year payable in cash (or in common shares at the Trustee's discretion) in addition to an expense reimbursement for attending meetings of our Board. The Chairman of the Audit Committee received an additional \$10,000 in cash for serving on the Audit Committee. The independent Trustees also received \$1,000 for each in-person meeting and \$500 for each telephonic meeting of the Board they attended. The table below summarizes the compensation paid by the Company to independent Trustees, each of whom are non-employees of the Company or our Advisor, for the fiscal year ended December 31, 2007, pro-rated for the June 2007 increase in compensation. Non-independent Trustees do not receive any compensation for serving as Trustees.

Fees and Other Compensation Terms of Advisory Agreement Effective During 2007

During 2007, pursuant to the terms of our Advisory Agreement, our Advisor was entitled to receive the fees and other compensation set forth below:

Fees / Compensation / Points (1)	Amount
-------------------------------------	--------

Asset management fee The Advisor will receive an asset management fee equal to 1.75% per annum of shareholders' equity for the first \$300 million of shareholders' equity and 1.5% per annum of shareholders' equity in excess of \$300 million.

Annual incentive fee The Advisor will be entitled to receive compensation for each fiscal year in an

amount equal to:

25% of the dollar amount by which (A) adjusted funds from operations of the Company (before the annual incentive fee) per common share (based on the weighted average number of shares outstanding), excluding non-cash gains or losses due to the recording of fair value hedges, exceeds (B) the weighted average of (1) \$20 (the price per common share in the Company's initial public offering) and (2) the prices per common share of any follow-on offerings by the Company multiplied by the greater of (a) 9.0%; and (b) the ten-year U.S. treasury rate plus 2% per annum, multiplied by the weighted average number of common shares outstanding during such year.

Subject to any restrictions on the number of common shares that may be held by Advisor pursuant to the Company's governing documents or law, a minimum of ten percent (10%) and a maximum of fifty percent (50%) of the annual incentive fee, as established by the Board in its sole discretion, may be paid in common shares using the fair market value of the common shares as of the due date (without extension) of the Company's annual report on Form 10-K for the fiscal year in question.

Loan origination fees

Our Advisor is entitled to receive, with respect to each mortgage investment originated by us, all of the origination fees paid by borrowers under mortgages or other loans made by the Company. Notwithstanding the foregoing, in the event our Advisor is not entitled to an origination fee payable by a borrower under a loan originated for investment by the Company, the Advisor shall be entitled to an origination fee or a referral fee consistent with industry practice, amount and terms, to be paid by the Company.

Termination fee

If the Advisory Agreement is terminated without cause or not renewed pursuant to the terms of the Advisory Agreement, the Advisor will be entitled to receive a termination fee on the termination date: (A) if the termination date occurs on or prior to March 28, 2010, a fee equal to (1) four times the asset management fee the Advisor would have been entitled to receive from us during the four-calendar-quarter period immediately preceding the effective date of such termination, plus (2) four times the annual incentive fee the Advisor would have been entitled to receive from us during the four-calendar-quarter period immediately preceding the effective date of such termination; or (B) if the termination date occurs after March 28, 2010, the greater of (1) (a) two times the asset management fee the Advisor would have been entitled to receive from us during the four-calendar-quarter period immediately preceding the effective date of such termination, plus (b) two times the annual incentive fee the Advisor would have been entitled to receive from us during the four-calendar-quarter period

immediately preceding the effective date of such termination and (2) a fee equal to outside advisors of real estate investments trusts.

Expense reimbursement Our Advisor is reimbursed by us for (i) the actual costs to the Advisor of goods, materials and services used for and by us obtained from unaffiliated parties, (ii) the cost of certain personnel employed by the Advisor and directly involved in the organization and business of our Company and for legal, accounting, transfer agent, reinvestment and redemption plan administration, data processing, duplication and investor communications services performed by employees or officers of the Advisor.

Incentive share options Our Advisor could receive options to acquire additional common shares pursuant to our Share Option Plan only if our distributions in any year exceed \$1.45 per common share and the Compensation Committee of our Board determines to grant such options.

1) Our Advisor is also permitted to earn miscellaneous compensation, which may include, without limitation, construction fees, escrow interest, property management fees, leasing commissions, and insurance brokerage fees. The payment of any such compensation is generally limited to the competitive rate for the services being performed.

Affiliated Transactions

During April 2007, we amended our revolving credit facility with Centerline to increase our borrowing capacity from \$50.0 million to \$80.0 million. The maturity date of the facility was also extended to June 2008 with a one-year optional extension. In the opinion of our Advisor, the terms of this facility are consistent with those of transactions with independent third parties. As of December 31, 2007, and December 31, 2006, we had \$77.7 million and \$15.0 million, respectively, in borrowings outstanding, bearing interest at a rate of 7.60% and 8.35%, respectively.

During 2006 and 2007, we funded four mortgage loans and two mezzanine loans aggregating \$143.4 million to properties developed by a company partly owned by the chairman of Centerline. These transactions were approved by the independent members of our Board of Trustees and, in the opinion of management; the terms were consistent with independent third-party transactions.

During March 2007, Centerline entered into a 10b5-1 Plan whereby it may purchase our common shares in open market purchases based on pre-determined parameters, up to the 9.8% share ownership limit in our trust agreement. On December 31, 2007, it has purchased 580,000 common shares under this plan, amounting to 6.9% of our outstanding common shares on December 31, 2007. Centerline has also purchased 280,000 of our preferred shares that we issued in July 2007, which amounts to an aggregate economic ownership percentage of over 10%, assuming all preferred shares were converted to common shares.

Transactions with Centerline Real Estate Special Situations Mortgage Fund LLC (“Cress”), an affiliate of our advisor

During 2006, we entered into a co-investment agreement with CRESS, whereby we participate with CRESS in investment opportunities that are originated by affiliates and which meet the investment criteria of both companies. Certain of our 2007 investments were made pursuant to this agreement.

During March 2007, we sold our economic interest in the Concord properties to CRESS.

During December 2007, we sold our investment in CDO securities to CRESS.

During January and February 2008, we sold 11 mortgage loans to CRESS.

Transactions with Centerline Mortgage Capital Inc. (“CMC”), an affiliate of our advisor

During September 2006, CMC funded a first mortgage loan in the amount of \$27.3 million as part of a refinancing of one of our loans.

During December 2007, we sold four mortgage loans to CMC.

During 2007, we partially or fully funded 22 first mortgage, bridge and mezzanine loans and subordinated notes, totaling \$255.1 million, originated by CMC. CMC received \$0.9 million in loan origination fees related to these originations, all of which were paid by the borrowers. During 2006, we partially or fully funded 58 first mortgage, bridge and mezzanine loans and subordinated notes, totaling \$500.1 million. CMC received \$2.0 million in loan

origination fees related to these originations.

Transactions Related Special Assets LLC (“Related Special”), an affiliate of TRLCP

On April 8, 2008, the Company entered into a secured loan with Related Special in the amount of \$4,000,000.00 at an interest rate equal to 8.74% per annum. The loan is due on May 19, 2008.

Review and Approval of Related Person Transactions

We review all relationships and transactions in which the Company and our Advisor and its affiliates, as well as our Trustees and executive officers or their immediate family members are participants to determine whether the Advisor or such persons have a direct or indirect material interest. The Company’s legal staff is primarily responsible for the development and implementation of processes and controls to obtain information from the Advisor, Trustees and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction.

With respect to our Advisor, our bylaws contain our written policy requiring that any transaction with our Advisor or its affiliates requires approval of a majority of our independent Trustees. Our Advisory Agreement, and each of the transactions noted above, were all approved by our independent Trustees and the Board in accordance with our bylaws.

Costs of internal control audits represent an allocation from Centerline.

(2) No audit-related services were rendered by Deloitte & Touche in 2007 or 2006.

(3) For REIT compliance and similar services in 2007. Deloitte & Touche provided no tax compliance services in 2006.

Policy on Pre-Approval of Independent Registered Public Accounting Firm Services

The Audit Committee is responsible for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. The Audit Committee has established a policy regarding pre-approval of all audit and non-audit services provided by our Company’s independent registered public accounting firm.

On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of the independent registered public accounting firm. The Audit Committee may also delegate the ability to pre-approve audit and permitted non-audit services to one or more of its members, provided that any pre-approvals are reported to the Audit Committee at its next regularly scheduled meeting.

EXPENSES OF SOLICITATION

We will bear the costs of the solicitation of proxies in connection with the Annual Meeting, including the costs of preparing, assembling and mailing proxy materials and the handling and tabulation of proxies received. In

addition to the solicitation of proxies by mail, proxies may be solicited by Trustees of our Company, or officers and employees of our Advisor, for no additional compensation, by telephone, telegram, personal interviews or otherwise. Arrangements have also been made with brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of common shares held of record by these persons or firms with their nominees, and, in connection therewith, these firms will be reimbursed for their reasonable out-of-pocket expenses in forwarding these materials.

Other than as set forth above, neither we nor any other person acting on our behalf has retained any other person to make solicitations or recommendations to shareholders with respect to the approval of the proposals submitted to the shareholders for consideration at the Annual Meeting.

VOTING PROCEDURES

General

Computershare Trust Company, N.A. (the "Inspector"), has been appointed the inspector of elections. The Inspector will count all votes cast, in person or by submission of a properly executed proxy, received at or prior to the Annual Meeting. Abstentions and "broker non-votes" (nominees holding common shares for beneficial owners who have not voted on a specific matter) will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting.

However, abstentions and broker non-votes will have no effect on the vote for the election of the Trustees or the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

Voting

You may vote by completing, signing and mailing the enclosed proxy card in the enclosed return envelope. In the alternative, you may also submit a proxy by telephone or on the Internet by following the instructions on the enclosed proxy card. Record Date

Only holders of our common shares of record at the close of business on April 14, 2008 are entitled to receive notice of, and to vote at, the Annual Meeting, or any postponements or adjournments thereof. As of that date, there were approximately 8,433,470 common shares issued and outstanding. Each common share entitles the record holder thereof to one vote, exercisable in person or by properly executed proxy, on all matters which properly come before the Annual Meeting (or any postponement or adjournment thereof).

Quorum; Adjournments

For purposes of the Annual Meeting, the presence, in person or by proxy, of shareholders entitled to cast a majority of all votes entitled to be cast at the Annual Meeting will constitute a quorum. If a quorum is not obtained, the Annual

Meeting may be adjourned for the purpose of obtaining additional proxies or votes or for any other purpose and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies which have theretofore effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same day for any other matter at a previous meeting.

Vote Required

The affirmative vote of a plurality of the votes actually cast by the holders of our common shares either in person or by proxy at the Annual Meeting is required for the election of each of the Trustee nominees. The affirmative vote of the holders of a majority of the common shares voting either in person or by proxy at the Annual Meeting is required to approve ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm.

SHAREHOLDER PROPOSALS

Under SEC rule 14a-8, shareholder proposals for consideration at our 2008 Annual Meeting must be received by us at our principal executive office on or before December 24, 2008, in order to be included in the proxy statement and form of proxy relating to that Meeting. In addition, our bylaws provide that for trustees to be nominated by shareholders to be properly presented at the Annual Meeting, we must receive a written notice at our principal executive office not later than March 15, 2009. For any other proposal other than Trustee nominations, the notice must be received by us at our principal executive office by March 9, 2009, in order to be considered timely.

ANNUAL REPORT ON FORM 10-K

Upon written request by any shareholder entitled to vote at the meeting, we will furnish that person without charge a copy of our annual report on Form 10-K for the fiscal year ended December 31, 2007, which is filed with the SEC, including the financial statements and schedules thereto. Requests should be addressed to Brenda Abuaf at American Mortgage Acceptance Company, 625 Madison Avenue, New York, New York, 10022.

OTHER BUSINESS

Our Board does not know of any other matters to be brought before the Annual Meeting except those set forth in the notice thereof. If other business is properly presented for consideration at the Annual Meeting, it is intended that the proxies will be voted by the persons named therein in accordance with their judgment on such matters.

It is important that your common shares be represented at the Annual Meeting. If you are unable to be present in person, please complete, date, sign and return the enclosed stamped, self-addressed proxy card, submit a proxy on the Internet at <http://www.investorvote.com>, or submit a proxy by telephone by calling toll free (800) 652-VOTE ((800) 652-8683). Your failure to do so will increase the costs of operating our Company and decrease the return on your investment.
