These telephone and Internet voting procedures are designed to authenticate your vote and to confirm that your voting instructions are followed. Specific instructions for Stockholders of record who wish to use telephone or Internet voting procedures are set forth on the enclosed proxy. You may revoke your proxy at any time before the vote is taken by (a) delivering to the Secretary of Rite Aid a written revocation or a proxy with a later date (including a proxy by telephone or via the Internet) or (b) voting your shares in person at the Annual Meeting.

PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS
To Be Held on June 26, 2002

The Board of Directors of Rite Aid Corporation, a Delaware corporation ("Rite Aid" or the "Company"), seeks your proxy for use in voting at our 2002 Annual Meeting of Stockholders to be held at the Harrisburg East Holiday Inn, 4751 Lindle Road, Harrisburg, Pennsylvania 17111, on June 26, 2002 at 10:00 a.m., local time, or any adjournment or postponement thereof (the "Meeting"). This proxy statement, the foregoing notice and the enclosed proxy are first being mailed on or about May 23, 2002 to all holders of our common stock, par value \$1.00 per share ("Common Stock") and 8% Series D Cumulative Convertible Pay-in-Kind Preferred Stock ("Series D Preferred Stock") (collectively, "Stockholders") entitled to vote at the Meeting.

Edgar Filing: RITE AID CORP - Form DEF 14A

Purpose of the Meeting

At the Meeting, the Stockholders will be asked to vote on the following proposals:

- Proposal No. 1: To elect two directors to hold office until the 2005 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified; and
- Proposal No. 2: To consider and vote upon a stockholder proposal, if properly presented at a meeting, requesting the Board of Directors to establish a policy that it will make its best efforts to appoint only independent directors to serve on its Audit, Compensation and Nominating Committees.

Record Date

Only Stockholders of record at the close of business on May 20, 2002 (the "Record Date") will receive notice of, and be entitled to vote at, the Meeting. At the close of business on the Record Date, the Company had outstanding and entitled to vote 515,113,894 shares of Common Stock and 3,637,228.6454 shares of Series D Preferred Stock (each of which is entitled to approximately 18.18 votes per share, or an aggregate of approximately 66,124,816 votes).

Quorum and Voting

The presence at the Meeting, in person or by proxy, of the holders of 290,619,355 shares (a majority of the aggregate number of shares of Common Stock and Series D Preferred Stock (on an as-if-converted basis) issued and outstanding and entitled to vote as of the Record Date) is necessary to constitute a quorum to transact business. Proxies marked "Abstain" and broker proxies that have not voted on a particular proposal ("Broker Non-Votes"), if any, will be counted in determining the presence of a quorum. In deciding all matters that come before the Meeting, each holder of Common Stock as of the Record Date is entitled to one vote per share of Common Stock and each holder of Series D Preferred Stock as of the Record Date is entitled to approximately 18.18 votes per share (one vote per share of Common Stock issuable upon conversion of the Series D Preferred Stock). As of the Record Date, the Series D Preferred Stock was convertible into an aggregate of approximately 66,124,816 shares of Common Stock. The holders of the Common Stock and Series D Preferred Stock vote together as a single class.

Required Votes

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the total number of votes voted at the Meeting by the holders of shares of Common Stock and Series D

Preferred Stock, voting together as a single class. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and Broker Non-Votes, if any, will not be counted as having been voted and will have no effect on the outcome on the vote on the election of directors, except to the extent the failure to vote for a nominee results in another nominee receiving a larger number of votes. Stockholders may not cumulate votes in the election of directors.

Proposal No. 2 requires the affirmative vote of a majority of the total number of votes of the Common Stock and the Series D Preferred Stock

Edgar Filing: RITE AID CORP - Form DEF 14A

represented and entitled to vote at the meeting, voting together as a single class. In determining whether Proposal No. 2 has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as votes against the proposal, and Broker Non-Votes, if any, will have no effect on the votes for this proposal.

Voting Procedures

Stockholders of record can choose one of the following three ways to vote:

1. By mail: Sign, date and return the proxy in the enclosed pre-paid envelope.

2. By telephone: Call (TOLL FREE (800) 213-3668) and follow the instructions.

3. Via the Internet: Access "<http://www.computershare.com/us/proxy>" and follow the instructions.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. If you want to vote in person at the Meeting and you hold Common Stock in street name, you must obtain a proxy from your broker and bring that proxy to the meeting.

Proxies

If the enclosed proxy card is properly signed and returned prior to voting at the Meeting, the shares represented thereby will be voted at the Meeting in accordance with the instructions specified thereon. If the proxy card is signed and returned without instructions, the shares will be voted as follows:

Proposal No. 1: FOR the nominees of the Board in the election of directors; and

Proposal No. 2: AGAINST the stockholder proposal.

Management does not intend to bring any matter before the Meeting other than as indicated in the notice and does not know of anyone else who intends to do so. If any other matters properly come before the Meeting, however, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Meeting, will be deemed authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

You may revoke your proxy by doing any of the following:

- o Delivering a written notice of revocation to the Secretary of Rite Aid, dated later than the proxy, before the vote is taken at the Meeting;
- o Delivering a duly executed proxy bearing a later date (including proxy by telephone or via the Internet) before the vote is taken at the Meeting; or
- o Voting in person at the Meeting (your attendance at the Meeting, in and of itself, will not revoke the proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Rite Aid Corporation
30 Hunter Lane
Camp Hill, Pennsylvania 17011

Edgar Filing: RITE AID CORP - Form DEF 14A

Attention: Robert B. Sari, Secretary

Alternatively, you may hand deliver a written revocation notice, or a later dated proxy, to our Secretary at the Meeting before we begin voting.

2

PROPOSAL NO. 1 ELECTION OF DIRECTORS

General

Rite Aid's Board of Directors is divided into three classes, with each class to be composed as equally as possible. The Board of Directors currently consists of three directors whose terms expire this year, three directors whose terms expire in 2003 and three directors whose terms expire in 2004. The term of one class of directors expires at each annual meeting of Stockholders and each class serves a three-year term. Although the Board of Directors has a nominating committee, the nominees for directors were nominated by the entire Board.

The Company's By-Laws provide that the Board of Directors may be composed of up to 15 members, with the number to be fixed from time to time by the Board of Directors. The Board of Directors has fixed the number of directors for the year commencing at the Meeting at nine.

Director Nominees

The Board of Directors has nominated Robert G. Miller and Alfred M. Gleason to be elected directors at the Meeting. Each of the nominees for director to be elected at the Meeting currently serves as a director of the Company. Both directors elected at the Meeting will hold office until 2005. The other directors will remain in office for the remainder of their respective terms, as indicated below.

If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election, and as a consequence thereof other nominees are designated, then the persons named in the proxy or their substitutes will have the discretion and authority to vote or to refrain from voting for other nominees in accordance with their judgment.

Nancy Lieberman, whose term as director expires this year, has decided not to stand for re-election as a director of the Company. At this time the Board of Directors has not completed its search for an appropriate candidate for nomination to the Board of Directors in place of Ms. Lieberman. As a result, one vacancy on the Board of Directors will remain after the Annual Meeting. Pursuant to the terms of the Company's Bylaws, the Board of Directors may fill this vacancy by a majority vote, and the director chosen to fill the vacancy will hold office until the next annual election at which the term of the directors of the class to which such director is elected expires, which in this case would be 2005.

The following table sets forth certain information with respect to the Company's directors and the director nominees as of the Record Date:

Directors' Attendance at Meetings

The Board of Directors held four regular meetings and four special meetings during fiscal year 2002. Each incumbent director of the Company attended at least 75% of the meetings of the Board of Directors and meetings held by all committees on which such director served after appointment to such committees, except that William J. Bratton attended 50% of the Board meetings and 71% of the Audit Committee meetings and Leonard I. Green attended 60% of the Compensation Committee meetings.

Committees of the Board of Directors

Executive Committee. The Executive Committee met two times during fiscal year 2002. The Executive Committee, except as limited by Delaware law, is empowered to exercise all of the powers of the Board of Directors. The members of the Executive Committee are Robert G. Miller (Chairman), Leonard I. Green, Stuart M. Sloan and Alfred M. Gleason.

Audit Committee. The Audit Committee, which held seven meetings during fiscal year 2002, currently consists of Alfred M. Gleason (Chairman), William J. Bratton and Stuart M. Sloan. The Audit Committee:

Edgar Filing: RITE AID CORP - Form DEF 14A

- o oversees management's fulfillment of its financial reporting and disclosure responsibilities and its maintenance of appropriate internal control systems,
- o recommends appointment of the Company's independent public accountants, and
- o oversees the activities of the Company's internal audit function.

The independent public accountants and internal auditors meet with the Audit Committee with and without the presence of management representatives.

Compensation Committee. The Compensation Committee, which met five times during fiscal year 2002, currently consists of Stuart Sloan (Chairman), Leonard I. Green, Jonathan D. Sokoloff and Nancy A. Lieberman (until her term as a director expires). The Compensation Committee administers the Company's stock option and other equity incentive plans and reviews and recommends to the Board of Directors senior officers' salaries and bonuses. See "Report of the Compensation Committee on Executive Compensation."

Nominating Committee. The Nominating Committee did not meet during fiscal year 2002. Current members of the Nominating Committee are Leonard I. Green (Chairman), Jonathan D. Sokoloff and Nancy A. Lieberman (until her term as a director expires). The Nominating Committee may develop general criteria regarding the qualifications and selection of board members and may recommend candidates for election to the Board of Directors. The Nominating Committee will consider persons recommended by stockholders for inclusion as nominees for election to the Board of Directors if the names of such persons are submitted in writing in a timely manner to the Secretary of the Company. All recommendations should be accompanied by a complete statement of such person's qualifications and an indication of the person's willingness to serve.

Directors' Compensation

In fiscal year 2002, Rite Aid's non-employee directors received \$1,000 for each Board of Directors and committee meeting attended or \$1,500 for each meeting attended at which such non-employee director served as the chairman of a committee, except that Leonard I. Green, Jonathan D. Sokoloff and Nancy A. Lieberman received no compensation. In fiscal year 2002, the same non-employee directors received 5,655 restricted shares of Common Stock which represented the number of shares having a value of \$50,000, based on the average trading price of the Common Stock on the five trading days preceding July 31, 2002. A new compensation plan for directors was approved earlier this year, and pursuant to that new plan, on January 30, 2002, the same non-employee directors, other than Mr. Golleher, each received non-qualified stock options to purchase 50,000 shares of Common Stock under the Rite Aid Omnibus Equity Plan, with an exercise price of \$2.26 per share. On the date Mr. Golleher was appointed to the Board of Directors, he received non-qualified stock options to purchase 100,000 shares of Common Stock with an exercise price of \$2.26 per share, in accordance with provisions of a new Board of Directors compensation plan applicable to directors first elected or appointed after January 1, 2002. All of the options received by the directors vest ratably over a three-year period beginning on the first anniversary of the date they were granted. None of such options vests

after the non-employee director ceases to be a director, except in the case of a director whose service terminates after he or she reaches age 72 and who has served as a director for eighteen months or more following the date of grant of options, in which case such options will vest immediately upon termination.

Edgar Filing: RITE AID CORP - Form DEF 14A

All of the options vest immediately upon a change in control. Under the new director compensation plan put in place earlier this year, all non-employee directors who are not affiliated with entities that provide services to the Company will continue to receive the meeting fees and the annual stock option grant discussed above, and, beginning on June 26, 2002, will receive an annual payment of \$50,000 in cash, payable quarterly in arrears, but will no longer receive the Common Stock issuance noted above. Directors who are officers and full-time employees of the Company or who are affiliated with entities that provide services to the Company receive no separate compensation for service as directors or committee members. Directors are reimbursed for travel and lodging expenses associated with attending Board of Directors meetings.

RECOMMENDATION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
YOU VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES LISTED ABOVE

PROPOSAL NO. 2

STOCKHOLDER PROPOSAL -- APPOINT ONLY INDEPENDENT DIRECTORS ON
AUDIT, COMPENSATION AND NOMINATING COMMITTEES

The Massachusetts State Carpenters Pension Fund, the owner of 5,885 shares of Common Stock, has notified the Company, through the Carpenters Combined Benefits Funds of Massachusetts, 350 Fordham Road, Wilmington, Massachusetts 01887, that it intends to present the following proposal at the Annual Meeting:

Independent Committees Proposal

Resolved, that the shareholders of Rite Aid Corporation ("Company") request that the Company's Board of Directors establish a policy that it will make its best efforts to appoint only independent directors to serve on its key committees (Audit Committee, Compensation Committee, and Nominating Committee). In the event that this Proposal is implemented, the Board and its Nominating Committee should endeavor to nominate a sufficient number of independent directors so that adequate independent directors will be available to serve on these committees should shareholders vote to elect management-sponsored nominees to the Board.

Statement of Support: The board of directors must operate independently of the corporation's chief executive officer and senior management if it is to fulfill its duty to hire, oversee, compensate, and if necessary replace management. Independence has been referred to as "a director's greatest virtue" (Robert Rock, Chair of National Association of Corporate Directors, "Directors and Boards," Summer edition 1996) and we believe independent boards are better positioned to remove non-performing senior executives.

While the Company's Board is free under the Proposal to define "independent" as it believes appropriate, the following criteria may be useful for it to consider. We believe that a director should not be considered independent if he or she is currently or during the past five years has been:

- o Employed by the company or an affiliate in an executive capacity;
- o Affiliated with a firm that is one of the Company's paid advisors or consultants;
- o Affiliated with a significant customer or supplier;

Edgar Filing: RITE AID CORP - Form DEF 14A

- o Affiliated with a tax-exempt organization that receives significant contributions from the Company;
- o Paid by the Company pursuant to any personal services contract with the Company;
- o Serving in an executive capacity or as a director of a corporation on which the Company's chairman or chief executive officer is a board member; or
- o Related to a member of management of the Company.

6

In our opinion none of the Company's key committees currently is comprised only of independent directors. The Company's most recent proxy statement disclosed that during fiscal year 2001 the Company paid Leonard Green & Partners, L.P. \$5.5 million in fees. Leonard Green and Jonathan D. Sokoloff, members of Rite Aid's Board of Directors, are equity owners in Leonard Green & Partners, L.P. Messrs. Green and Sokoloff serve on the Compensation and Nominating Committees.

The Hartz Mountain Corporation, which was owned by Leonard N. Stern, sold merchandise to the Company and its subsidiaries in the approximate amount of \$5,000,000 during the year ended December 31, 2000. Mr. Stern sold his interest in The Hartz Mountain Corporation on December 29, 2000. Mr. Stern serves on the Audit Committee.

The law firm of Skadden, Arps, Slate, Meagher & Flom LLP provides legal services to Rite Aid. Nancy Lieberman, a director of Rite Aid, is a partner of that law firm. Ms. Lieberman serves on the Compensation and Nominating Committees.

THE BOARD OF DIRECTORS' STATEMENT IN OPPOSITION:

The Board of Directors recommends a vote "against" Proposal No. 2.

The Board of Directors has considered this proposal and believes that it is not in the best interests of the stockholders of the Company.

We benefit greatly by having highly qualified directors, with diverse skills and backgrounds, serving on our Board and on its committees. In some cases, as the proposal notes, members or former members of our committees have relationships with Rite Aid in addition to Board and committee memberships. However, the Board views such relationships as advantageous to Rite Aid because, as a result of such relationships, those individuals have a better understanding of Rite Aid's business and can contribute more effectively to informed decision-making by the Board and its committees.

Rite Aid is already subject to, or otherwise favors, some restrictions on Audit, Compensation and Nominating Committee membership. The members of our Audit Committee must be "independent" directors as that term is defined by the listing standards of the New York Stock Exchange, and the current members of our Compensation Committee and Nominating Committee all are non-employee directors. In addition, relationships between the Company and any of its directors are disclosed in this Proxy Statement to the extent required by the proxy rules of the Securities and Exchange Commission.

Edgar Filing: RITE AID CORP - Form DEF 14A

The Board is a strong proponent of board and committee independence, but believes that a formal independence policy would make it more difficult for Rite Aid to select directors (and potential members of the Audit, Compensation and Nominating Committees) based on their experience, judgment and knowledge.

We urge you to vote against Proposal No. 2.

RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE
"AGAINST" THE STOCKHOLDER PROPOSAL

-
- (1) Options in the amount of 431,762, 297,216, 153,296, 153,296 and 18,750 granted to Mr. Miller, Ms. Sammons, Mr. Jessick, Mr. Standley and Mr. Mastrian, respectively, vested on the date of grant and were granted to these Executives based on the amounts of restricted shares of Common Stock surrendered by these Executives to the Company in consideration of the Company's cancellation of certain loans to these Executives. See "Certain Relationships and Related Transactions." Options in the amount of 200,000, 150,000, and 150,000 granted to Ms. Sammons, Mr. Standley and Mr. Mastrian, respectively, vest ratably over a four-year period beginning on the first anniversary of the date of grant.
 - (2) All options have an exercise price equal to the fair market value on the date of grant.
 - (3) The hypothetical present values on the grant date were calculated under the Black-Scholes option pricing model, which is a mathematical formula used to value options traded on stock exchanges. The formula considers a number of assumptions in hypothesizing an option's present value. Assumptions used to value the options include the stock's expected volatility rate of 67.62% projected dividend yield of 0%, a risk-free rate of return of 4.25% and projected time of exercise being one year after vesting. The ultimate realizable value of an option will depend on the actual market value of the Common Stock on the date of exercise as compared to the exercise price of the option. Consequently, there is no assurance that the hypothetical present value of the stock options reflected in this table will be realized.

Option Exercises and Year-End Value Table

The following table summarizes the value at March 2, 2002 of all shares subject to options granted to the Named Executive Officers. No options were exercised during fiscal year 2002.

(1) "In-the-Money" options are options with a base (or exercise) price less than the market price of the Common Stock on March 2, 2002. The value of such options is calculated using a stock price of \$3.02, which was the closing price of the Common Stock on the NYSE on March 1, 2002.

- o any portion of any then-outstanding stock option grant that was not exercised prior to the date of termination shall immediately terminate, and
- o any portion of any restricted stock award, or other equity incentive award, as to which the restrictions have not lapsed or as to which any other conditions were not satisfied prior to the date of termination shall be forfeited.

Under Mr. Miller's, Ms. Sammons's, Mr. Jessick's and Mr. Standley's employment agreements, any termination of employment by the Executive within the six month period commencing on the date of a "change in control" of Rite Aid will be treated as a termination of employment by the Executive for "good reason." Under Mr. Mastrian's employment agreement, upon a "change in control" of Rite Aid, all of his stock options will immediately vest and be exercisable and any restrictions on the restricted stock will immediately lapse. Each employment agreement provides that the Executive will receive an additional payment to reimburse the Executive for any excise taxes imposed pursuant to Section 4999 of the Internal Revenue Code. Each employment agreement also provides for certain benefits upon termination of the Executive by reason of death or disability, by Rite Aid "for cause" or by the Executive other than for "good reason." The employment agreement of each Executive prohibits the Executive from competing with Rite Aid during his or her Employment Period and for a period of one year, or with respect to Mr. Mastrian, two years, thereafter.

Pursuant to amendments to the employment agreements with Mr. Miller and Ms. Sammons dated May 7, 2001, the Company agreed to pay them, as an additional incentive bonus, the difference between certain amounts called for under their severance agreements with their prior employer and the amount they actually receive from that employer, plus interest at the rate of 9% per annum from December 5, 1999. Mr. Miller and Ms. Sammons were to receive \$5,022,685 and \$1,624,000, respectively, under those severance agreements, and they each retain control over their claims against their former employer. A summary judgment order has been filed in Mr. Miller's favor by the Court hearing his case, and this order has been appealed. Pursuant to the amendments to the employment agreements, the Company paid such bonuses, plus interest, in January, 2002, which amounted to \$5,971,321 for Mr. Miller and \$1,930,736 for Ms. Sammons.

Pursuant to the terms of the amendments, the Executive must repay to the Company any amount that is paid to him or her by the former employer, net of any excess taxes payable by the Executive on account of the repayment and any legal expenses not reimbursed by the Company under the employment agreement. Neither Executive is obligated to reimburse the Company more than the amount of the bonus paid to him or her. If Mr. Miller's employment is terminated by him without good reason or by the Company for cause between January 1, 2002 and December 5, 2002, there has not been a change in control of the Company, and Mr. Miller no longer serves as a Director (by reason of a voluntary resignation or a removal simultaneous with an employment termination for cause), Mr. Miller will be entitled to retain only a portion of the bonus that is prorated for the number of days between December 5, 1999 and the date of termination.

Deferred Compensation Plans

In addition to the base salary and bonus provisions of the Executives' employment agreements, Rite Aid established a new Deferred Compensation Plan (the "New Plan") for the benefit of Mr. Miller, Ms. Sammons, Mr. Jessick and Mr. Standley. Under the New Plan, Rite Aid credits a specific sum to individual accounts established for each of Mr. Miller, Ms. Sammons, Mr. Jessick and Mr. Standley. The sums are credited on the first day of each

Edgar Filing: RITE AID CORP - Form DEF 14A

month during the term of the Executives' Employment Period with Rite Aid. Each of Mr. Miller, Ms. Sammons, Mr. Jessick and Mr. Standley is fully vested, at all times, in his or her account balance; although, generally they may not receive payments from their accounts until three years after an election to receive a payment. Each month, \$20,000 is credited to Mr. Miller's account (and such amount will continue to be credited as long as he is an officer or the Chairman of the Board of Directors of the Company), \$15,000 is credited to Ms. Sammons' account and \$10,000 is credited to each of Mr. Jessick's

16

and Mr. Standley's account. Beginning in fiscal year 2003, \$20,000 will be credited to Ms. Sammons' account and \$15,000 to Mr. Standley's account in connection with amendments to the New Plan. Under the New Plan, the Executives are able to direct the investment of the amounts credited to their individual accounts by selecting one or more investment vehicles from a group of deemed investments offered pursuant to the New Plan.

Mr. Mastrian receives benefits under a separate deferred compensation plan from the one noted above. The Company has established a Supplemental Executive Retirement Plan (the "SERP"), effective March 1, 2001, pursuant to which Rite Aid credits a specific sum to an individual account established for Mr. Mastrian, and other participating executive officers, on a monthly basis. The amount credited is equal to 2% of the Executive's annual base compensation, up to a maximum of \$7,000 per month. The Executives participating in the SERP are able to select among a choice of earnings indexes, and their accounts are credited with earnings which mirror the investment results of such indexes. Executives participating in the SERP vest in their accounts at the rate of 20% per year for each full year of participation in the SERP at a five-year rolling rate, with the period from March 1, 2001 through December 31, 2001 counting as a full calendar year of participation. Participants will receive their vested account balance upon the earlier to occur of: (i) their retirement at age 60 or greater, with at least five years of participation in the SERP; (ii) termination of employment with the Company (including due to death or disability); (iii) change in control of the Company; (iv) a hardship withdrawal pursuant to the terms of the SERP; and (v) a withdrawal election pursuant to the terms of the SERP.

The Officer Retirement Plan

Rite Aid has established the Non-Qualified Executive Retirement Plan (the "Plan") to provide retirement benefits to certain long-term employees who hold a position of vice president or higher and to select executives who may, pursuant to their employment agreements, be deemed to be long term employees. Participants generally are entitled to receive benefits upon retirement after age 65 if they have or are credited with 20 years or more of service or upon death, in which case any length of service requirement is disregarded.

Generally, eligible participants receive an annual benefit, payable monthly over 15 years, equal to a percentage, ranging from 40% to 50%, of the highest base salaries and highest bonus paid or accrued for each participant within the 10 fiscal years prior to the date of the event giving rise to payment of the benefit.

The Plan provides that benefits will not be paid to employees whose employment is terminated for any reason other than retirement, disability or death. Additionally, if, during the time a benefit is being paid to a former employee, it is determined that the former employee committed an act that could have resulted in a good cause discharge, the Company will cease paying benefits to the former employee.

Edgar Filing: RITE AID CORP - Form DEF 14A

In fiscal year 2002, Mr. Miller, Ms. Sammons, Mr. Jessick and Mr. Standley agreed to give up their rights to receive benefits in the future under the Plan. Mr. Mastrian is not entitled to receive any benefits under the Plan. Accordingly, no estimate of the annual benefits payable at normal retirement age is provided for any of the Named Executive Officers.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the "Committee"), composed of outside directors of the Board of Directors, reviews the performance of the Company's senior personnel and develops and makes recommendations to the Board of Directors with respect to senior compensation policies. The Compensation Committee is empowered by the Board of Directors to award to senior officers appropriate bonuses, stock options, stock appreciation rights ("SARs") and stock-based awards. The Compensation Committee met five times during fiscal 2002.

The Compensation Committee has access to independent compensation data and from time to time engages outside compensation consultants. In fiscal year 2002, the Compensation Committee considered the report of outside compensation consultants with respect to the issuance of stock options for the senior officers in fiscal year 2002. The objectives of the Compensation Committee are to support the achievement of desired Company performance, to provide compensation and benefits that will attract and retain superior talent and reward performance and to fix a portion of compensation to the outcome of the Company's performance.

The senior compensation program is generally composed of base salary, discretionary performance bonuses and long-term incentives in the form of stock options, SARs, stock-based awards and restricted stock awards. The compensation program also includes various benefits, including the deferred compensation plans, and health insurance plans and programs and pension and profit sharing and retirement plans in which substantially all of the Company's full-time employees participate.

Base salaries for the executive officers of the Company are generally competitively set relative to salaries of officers of companies comparable in business and size included in the Standard & Poor's Retail Stores Composite Index. The base salary and other compensation arrangements for Mr. Miller, Ms. Sammons, Mr. Jessick and Mr. Standley were individually negotiated with the executive in connection with their hiring and are reviewed periodically by the Compensation Committee for a possible increase. In each instance, base salary takes into account individual experience and performance specific to the Company. The Compensation Committee generally attempts to provide compensation approximating the median of comparable companies. Except for increases associated with promotions or increased responsibility, increases in base salaries for executive officers of the Company from year to year are generally limited to adjustments to reflect increases in the rate of inflation.

The Compensation Committee is aware that the Internal Revenue Code of 1986, as amended (the "Code"), treats certain elements of executive compensation in excess of \$1,000,000 a year as an expense not deductible by the Company for federal income tax purposes. To the extent compensation to an executive officer exceeds the cap, the Compensation Committee considers the facts and circumstances in each instance to reach a determination regarding the impact

Edgar Filing: RITE AID CORP - Form DEF 14A

of the cap on such compensation.

The Compensation Committee is empowered to approve the payment of cash performance bonuses to employees, including executive officers, of the Company. During fiscal year 2002, the Compensation Committee established the Annual Performance-Based Incentive Program (the "Annual Incentive Plan"). The purpose of the Annual Incentive Plan is to provide an incentive for executives of the Company and to reward them in relation to the degree to which specified goals relating to the Company's earnings before interest, taxes, depreciation and amortization and noncash and nonrecurring items ("EBITDA") are achieved. Each year, the Compensation Committee determines an EBITDA goal and a targeted incentive as a percentage of salary. Depending upon the EBITDA achieved during such year, participants are entitled to a percentage, ranging from 0% to 150%, of the targeted incentive award fixed by the Compensation Committee. For fiscal year 2002, the EBITDA goals established under the Annual Incentive Plan were not achieved. However, on the recommendation of the Compensation Committee and at the direction of the Board of Directors, bonuses of 50% of the targeted incentive were paid in fiscal year 2003 with respect to fiscal year 2002 to all participants in the Annual Incentive Plan, including the Named Executive Officers.

The Compensation Committee believes that employee equity ownership provides significant additional motivation to executive officers to maximize value for the Company's stockholders and, therefore, periodically grants stock options to the Company's employees, including executive officers. Stock options are

18

granted typically at the prevailing market price and, therefore, will only have value if the Company's stock price increases over the exercise price. The Compensation Committee believes that the grant of stock options and stock-based awards provides a long-term incentive to such persons to contribute to the growth of the Company and establishes a direct link between compensation and stockholder return, measured by the same index used by stockholders to measure Company performance. The terms of options granted by the Compensation Committee, including vesting, exercisability and option term, are determined by the Compensation Committee, based upon relative position and responsibilities of each executive officer, historical and expected contributions of each officer, previous option grants to executive officers and a review of competitive equity compensation for executive officers of similar rank in companies that are comparable to the Company's industry and size.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of three of the Company's outside directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the New York Stock Exchange ("NYSE") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by

Edgar Filing: RITE AID CORP - Form DEF 14A

Sections 303.02(B)(2)(a) and (3) of the NYSE's listing standards.

The Audit Committee oversees the Company's financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Board has adopted a written charter of the Audit Committee.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including Statement on Auditing Standards No. 61. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures and the letter from the independent auditors required by the Independence Standards Board, Standard No. 1.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their audit, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held seven meetings during fiscal year 2002. The Company incurred the following fees, including expenses billed to the Company for the fiscal year ended March 2, 2002 by the Company's principal accounting firm, Deloitte & Touche LLP, member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively, "Deloitte & Touche"):

Description of Fee	Amount (in millions)
Audit Fees for fiscal year 2002, including reviews of interim financial statements.....	\$ 5.0
Financial Information Systems Design and Implementation Fees...	\$ --
All Other Fees	
Audit-Related Fees, primarily consents, registration statement filings and audits of	
Company employee benefit plans.....	\$ 2.7
Other, primarily tax services.....	\$ 0.2

Total of All Other Fees.....	\$ 2.9
	=====

The Audit Committee has considered whether the level of non-audit services provided by Deloitte & Touche is consistent with maintaining Deloitte & Touche's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual

Edgar Filing: RITE AID CORP - Form DEF 14A

Report on Form 10-K for the fiscal year ended March 2, 2002 for filing with the Securities and Exchange Commission.

STOCK PERFORMANCE GRAPH

The graph below compares the yearly percentage change in the cumulative total stockholder return on the Common Stock for the last five fiscal years with the cumulative total return on (i) the Russell 1000 Consumer Staples Index, and (ii) the Russell 1000 Index, over the same period (assuming the investment of \$100.00 in the Common Stock and such indexes on February 28, 1997 and reinvestment of dividends).

For comparison of cumulative total return, the Company has elected to use the Russell 1000 Consumer Staples Index, consisting of 88 companies including the three largest drugstore chains, and the Russell 1000 Index. This allows comparison of the Company to a peer group of similar sized companies. We are one of the companies included in Russell 1000 Consumer Staples Index and the Russell 1000 Index. The Russell 1000 Consumer Staples Index is a capitalization-weighted index of companies that provide products directly to consumers that are typically considered nondiscretionary items based on consumer purchasing habits. The Russell 1000 Index consists of the largest 1000 companies in the Russell 3000 Index and represents the universe of large capitalization stocks from which many active money managers typically select.

Such persons are required by SEC regulations to furnish Rite Aid with copies of all Section 16(a) forms they file. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In fiscal year 2002, Rite Aid paid to J.P. Morgan Chase & Co. ("J.P. Morgan"), one of Rite Aid's lenders and a beneficial owner of more than 5% of Common Stock, fees and other amounts in connection with the Company's financing activities of \$15.5 million.

During fiscal 2002, Rite Aid paid Leonard Green & Partners, L.P. an annual fee of \$1.5 million and a \$2.5 million fee for advisory services in connection with the financial restructuring transactions that were completed during fiscal 2002. Leonard Green and Jonathan D. Sokoloff, members of Rite Aid's Board of Directors, are equity owners of Leonard Green & Partners, L.P. The consulting agreement also provides for the reimbursement of out-of-pocket expenses incurred by Leonard Green & Partners, L.P. In fiscal 2002, the Series B Preferred Stock held by Green Equity Investors III, L.P. was exchanged for an equal amount of Series D Preferred Stock. The Series D Preferred Stock has all of the same voting powers, preferences, rights, qualifications, and limitations as the Series B Preferred Stock, except that the consent of the holders of the Series D Preferred Stock is not required in order for Rite Aid to issue shares of its capital stock that are on parity with the Series D Preferred Stock with respect to dividends and distributions upon the liquidation, distribution or winding up of the Company. Rite Aid has agreed to register the Common Stock issuable upon conversion of the Series D Preferred Stock and to pay all expenses and fees (other than underwriting discounts and commission) related to any registration.

The law firm of Skadden, Arps, Slate, Meagher & Flom LLP provides legal services to Rite Aid. Nancy Lieberman, a director of Rite Aid, is a partner of that law firm. Fees paid by Rite Aid to Skadden, Arps, Slate, Meagher & Flom LLP did not exceed five percent of the law firm's gross revenues for its last fiscal year.

On June 15, 2001 and September 1, 2001, executive officers Elliot S. Gerson, Christopher Hall, David R. Jessick, James P. Mastrian, Robert G. Miller, Mary F. Sammons and John T. Standley received loans from the Company aggregating \$72,152, \$172,127, \$751,126, \$72,152, \$2,130,182, \$1,283,723 and \$659,902, respectively, with the largest aggregate principal and interest amount of such indebtedness for each executive officer, outstanding at any time during the loan period, equal to \$73,428, \$175,555, \$766,521, \$73,428, \$2,173,222,

Edgar Filing: RITE AID CORP - Form DEF 14A

\$1,310,136 and \$673,427, respectively. The interest rate on the loans was set at 4.25% (for loans issued on June 15, 2001) and 3.82% (for loans issued September 1, 2001). The loans were non-recourse loans which were secured solely by the restricted stock held by the executive officers. The purpose of the loans was to pay for the income tax consequences arising from the June 15, 2001 and September 1, 2001 vesting of restricted stock held by them. On December 10, 2001, with the approval of the Executive Committee, the executive officers surrendered all restricted shares issued to them on June 15, 2001 and September 1, 2001 in satisfaction of the loans. The value of all the restricted shares pledged by the executive officers on June 15, 2001 and September 1, 2001 was roughly equivalent in value to the loans satisfied. The Executive Committee also approved the payment to David R. Jessick, Robert G. Miller, Mary F. Sammons and John T. Standley of \$96,734, \$285,523, \$22,926 and \$10,011 respectively, to compensate them for the income tax consequences to them arising from the surrender of the restricted shares.
