Date

Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 5(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) On January 29, 2014, Google Inc. declared a stock dividend, as a result of which all holders of record of Class A Common Stock on March 27, 2014 received on April 2, 2014 one share of Class C Capital Stock for each share of Class A Common Stock outstanding (the "Stock Dividend"). This option was previously outstanding as an option for 12,789 shares of Class A Common Stock at an exercise price of \$308.57 per share, but was adjusted to reflect the Stock Dividend. As a result of adjustment, the option now entitles the Reporting Person to exercise a portion of the option for 12,789 shares of Class C Capital Stock, and the exercise price has been adjusted so that the portion of the option covering Class A Common Stock now has an exercise price of \$154.59 and the portion of the option covering Class C Capital Stock has an exercise price of \$153.98 per share.
- (2) The option is fully vested.

Remarks:

This Form 3/A is filed to report an option to purchase Class A common stock granted to the Reporting Person.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
