Re: Small Shareholder Selling Program for Holders of 99 or Fewer Common Shares of Canadian Pacific Railway Limited

Dear Shareholder: November 15, 2002

Canadian Pacific Railway Limited (the Company) is pleased to announce that the Company has established an Odd-Lot Selling Program (the Program) for holders of 99 or fewer Common Shares of the Company held as of November 7, 2002 (the Record Date). The Program will run until February 7, 2003, unless extended and will operate through the facilities of the Toronto Stock Exchange (the TSX) in compliance with the TSX s policy on Small Shareholder Selling and Purchase Arrangements. Registered and beneficial holders of Common Shares of the Company are eligible to participate.

The Company has arranged for Computershare Trust Company of Canada (Computershare) to manage the program.

The Company values its shareholders and is aware of the inconvenience that shareholders experience when trying to sell small shareholdings. A minimum brokerage commission for selling 99 or fewer shares could constitute a significant percentage of the total value of the sale of the shares.

THE PROGRAM WILL ALLOW ELIGIBLE SHAREHOLDERS TO SELL THEIR SHARES WITHOUT INCURRING BROKERAGE FEES, TO CONVENIENTLY COMPLETE THE SALE OF THEIR SHARES BY MAIL, AND TO PARTICIPATE IN THE PROGRAM EVEN THOUGH THEIR SHARE CERTIFICATES HAVE BEEN LOST. If you choose to participate in the Program, you will be required to sell all, but not less than all, of your 99 or fewer Common Shares in the Company.

The Program is voluntary and neither the Company nor Computershare makes any recommendation with respect to participation in the Program. Your decision to participate should be based on your financial objectives and particular circumstances and it is recommended that you seek advice from your stock broker or financial advisor.

Please turn page over

Further details regarding the Program are set forth in the enclosed Shareholder Information Booklet and Question and Answer Booklet. Please read all enclosed material carefully to help you decide whether to participate in the Program. If you do not wish to participate in the Program, there is no need to return the enclosed Letter of Transmittal or to notify the Company or Computershare.

If you have any questions about the Program, please contact **Computershare** toll free (Canada or the U.S.) at **1-866-982-7999** (International at 1-514-982-7800), or by email to **caregistryinfo@computershare.com**, during their hours of operation (8:30am 8:00pm EST).

Re: Small Shareholder Selling Programs for Holders of 99 or Fewer Common Shares of Canadian Pacific Railway Limited and / or CPShips Limited

Dear Shareholder: November 15, 2002

Canadian Pacific Railway Limited and CP Ships Limited (collectively referred to as We or the Companies) are pleased to announce that We have each established Odd-Lot Selling Programs (the Programs) for holders of 99 or fewer Common Shares of either of the Companies held as of November 7, 2002 (the Record Date). The Programs will run until February 7, 2003, unless extended and will operate through the facilities of the Toronto Stock Exchange (the TSX) in compliance with the TSX s policy on Small Shareholder Selling and Purchase Arrangements. Registered and beneficial holders of Common Shares of either or both Companies are eligible to participate.

The Companies have arranged for Computershare Trust Company of Canada (Computershare) to manage each respective program.

Each of the Companies value their shareholders and are aware of the inconvenience that shareholders experience when trying to sell small shareholdings. A minimum brokerage commission for selling 99 or fewer shares could constitute a significant percentage of the total value of the sale of the shares.

THE PROGRAMS WILL ALLOW ELIGIBLE SHAREHOLDERS TO SELL THEIR SHARES WITHOUT INCURRING BROKERAGE FEES, TO CONVENIENTLY COMPLETE THE SALE OF THEIR SHARES BY MAIL, AND TO PARTICIPATE IN THE PROGRAMS EVEN THOUGH THEIR SHARE CERTIFICATES HAVE BEEN LOST. If you choose to participate in either one or both Programs, you will be required to sell all, but not less than all, of your 99 or fewer Common Shares in either one or both of the Companies.

The Programs are voluntary and neither the Companies nor Computershare makes any recommendation with respect to participation in either of the Programs. Your decision to participate should be based on your financial objectives and particular circumstances and it is recommended that you seek advice from your stock broker or financial advisor.

Please turn page over

Further details regarding the Programs are set forth in the enclosed Shareholder Information Booklet and Question and Answer Booklet. Please read all enclosed material carefully to help you decide whether to participate in either one or both of the Programs. If you do not wish to participate in the Program(s), there is no need to return the enclosed Letters of Transmittal or to notify the Companies or Computershare.

In an effort to reduce expenses associated with the Programs, the Companies have combined the mailings to the Odd-Lot Shareholders of both Companies since, as a result of the Canadian Pacific Limited spin-off, We share many of the same shareholders. **Shareholders should be aware that they are under no obligation and may choose to participate or not to participate in either one or both of the Programs.**

If you have any questions about the Programs, please contact **Computershare** toll free (Canada or the U.S.) at **1-866-982-7999** (International at 1-514-982-7800), or by email to **caregistryinfo@computershare.com**, during their hours of operation (8:30am 8:00pm EST).

1. Am I eligible to participate in the Program?

All Canadian Pacific Railway Limited (the Company) common shareholders (Shareholders) who, as of November 7, 2002 (the Record Date), were the registered or beneficial owners of 99 or fewer common shares (an Odd-Lot) of the Company are eligible to participate in the Program.

2. How does the Program benefit me?

You can save brokerage commissions and, if you do not already have one, the inconvenience of opening a brokerage account. The Program permits you to sell all, but not less than all, of your 99 or fewer common shares of the Company (the Common Shares) without paying any brokerage commissions or other processing costs. In the absence of the Program, Odd-Lot common share transactions are generally more expensive to transact, compared to board lot transactions (100 common share multiples).

3. I have decided to participate in the Program. What do I have to do now?

Step 1: Attach all of your Common Share certificate(s) that represent your ownership of 99 or fewer Common Shares to the Letter of Transmittal.

Step 2: Sign the Letter of Transmittal exactly as your name(s) appears on the Letter of Transmittal.

Step 3: Check the appropriate box to receive payment in either Canadian or US currency.

Step 4: Send your Letter of Transmittal and Common Share certificate(s) in the enclosed envelope as per the Procedure for Registered Shareholders to Transmit Common Shares to the Program as outlined in the Shareholder Information Booklet.

DO NOT SIGN THE BACK OF YOUR COMMON SHARE CERTIFICATE(S).

4. I have decided to participate in the Program and my Common Shares are held by my broker, bank, or other nominee. What do I have to do now?

Step 1: Contact your broker, bank, or other nominee and clearly indicate your intention to participate in the Program to sell your existing Common Shares.

Step 2: If you indicate your intention to sell your Common Shares, please also inform your broker, bank, or other nominee whether you wish to receive payment in either Canadian or US currency.

DO NOT ATTEMPT TO COMMUNICATE YOUR INTENTIONS BY MAIL TO EITHER COMPUTERSHARE TRUST COMPANY OF CANADA OR YOUR BROKER, BANK, OR OTHER NOMINEE. CONTACT YOUR BROKER, BANK, OR OTHER NOMINEE BY TELEPHONE OR BY ALTERNATIVE MEANS.

5. Do I have to participate in the Program?

No. The decision to participate in the Program and to submit your Common Shares of the Company is entirely up to you and should be based upon your particular financial circumstances. Eligible Shareholders may wish to obtain advice from their stock broker or financial advisor as to the advisability of participating in the Program.

6. Will partial sales be accepted?

No. To participate you must submit ALL Common Shares that represent 99 or fewer Common Shares that are registered in your name. There are no withdrawal rights.

7. Can I participate if I am a non-resident of Canada?

Yes. The Program is available to ALL shareholders of the Company who, as of the Record Date, November 7, 2002, were the registered or beneficial owner of 99 or fewer Common Shares of the Company.

8. If I choose to sell my Common Shares, when will I receive my money?

The order to sell your Common Shares will be placed on the Thursday following receipt of your properly completed Letter of Transmittal and Common Share certificate(s) for any deposits

made prior to the close of business on the preceding Tuesday. The price to be received for each Common Share of the Company sold will be the average price of all sales made under the Program pursuant to that sell order. Computershare Trust Company of Canada (Computershare) will mail you a cheque for the proceeds of the sale of your Common Shares approximately 10 business days after they are sold. If a broker or other nominee holds your Common Shares, the funds will be paid to your broker or nominee who will be responsible for payment to you. Please contact your broker or other nominee for confirmation of receipt of your payment.

9. If I choose to sell my Common Shares, can I receive my payment in U.S. funds?

Yes. Scotia Capital Inc. and Computershare will arrange for the proceeds from the sale of your Common Shares to be payable in either Canadian or US currency. Please ensure that you check the appropriate box on the Letter of Transmittal. If you do not make an election, the default will be to pay you in Canadian funds. Conversion of funds will be completed using the prevailing exchange rate at the time of sale.

10. If I instruct my broker, bank, or other nominee to deposit my Common Shares to the Program, can I be paid in US dollars?

Yes. When you contact your broker, bank, or other nominee to indicate your intention to sell your Common Shares, also indicate if you wish to be paid in US dollars. Your broker, bank, or other nominee will complete the Letter of Transmittal on your behalf indicating your intention.

11. How much time do I have?

The Program will expire on February 7, 2003 (the Expiry Date), unless extended. If you wish to participate in the Program, your Common Share certificate(s) and Letter of Transmittal must be received no later than 4:30 pm MST on that date. If you wish to participate, you are urged to submit your documents as soon as possible.

12. Should I participate?

That decision is up to you. There are various reasons to sell or hold Common Shares. Neither the Company nor Computershare make any recommendation as to whether or not you should participate in the Program. You may wish to talk to your broker or financial advisor for advice.

13. What do I do if my Common Share certificate(s) has been lost or destroyed?

If a Common Share certificate(s) for the Company has been lost or destroyed, the Letter of Transmittal should be completed as fully as possible and you must also complete the enclosed Affidavit of Loss. These documents should be mailed to the Toronto mailing address of Computershare listed in the Shareholder Information Booklet and on the Letter of Transmittal. In addition, to cover the premium for the Surety Bond which is required to replace your lost certificate(s), you will be charged CDN $1.50 per share (if you chose to receive U.S funds, the rate will be US$1.00 per share). This amount will be deducted from the proceeds of the sale of your Common Shares.

14. What if I need assistance in completing the Letter of Transmittal?

If you have any further questions about the Program, or require assistance in completing your Letter of Transmittal, please call Computershare, toll-free (Canada or U.S.) at 1-866-982-7999 (International at 1-514-982-7800), during their hours of operation (8:30am 8:00 pm EST). They will be happy to assist you.

15. What if my broker, bank, or other nominee holds my Common Shares and I have questions?

If you have any questions regarding the Program, please contact your broker, bank, or other nominee directly.

4. I have decided to participate in the Programs and my Common Shares are held by my broker, bank, or other nominee. What do I have to do now?

Step 1: Contact your broker, bank, or other nominee and clearly indicate your intention to participate in either or both of the Programs to sell your existing Common Shares.

DO NOT ATTEMPT TO COMMUNICATE YOUR INTENTIONS BY MAIL TO EITHER COMPUTERSHARE TRUST COMPANY OF CANADA OR YOUR BROKER, BANK, OR OTHER NOMINEE. CONTACT YOUR BROKER, BANK, OR OTHER NOMINEE BY TELEPHONE OR BY ALTERNATIVE MEANS.

5. I am a holder of Canadian Pacific Railway Limited Common Shares and CP Ships Limited Common Shares. Do I have to participate in the Programs and if so, do I have to send in my shares for both Companies?

No. The decision to participate in the Programs and to submit your Common Shares of either Company or both Companies is entirely up to you and should be based upon your particular financial circumstances. Eligible shareholders may wish to obtain advice from their stock broker or financial advisor as to the advisability of participating in the Programs. If you do decide to submit your Common Shares for both Companies, you will receive two separate cheques representing the sale of Common Shares in each Company.

6. Will partial sales be accepted?

No. To participate, you must submit ALL Common Shares that represent 99 or fewer Common Shares that are registered in your name. There are no withdrawal rights. You may, if you wish, sell all of your Common shares of one Company and none of your shares in the other Company.

---

7. Can I participate if I am a non-resident of Canada?

Yes. The Programs are available to ALL shareholders of the Companies who, as of the Record Date, November 7, 2002, were the registered or beneficial owner of 99 or fewer Common Shares of either of the Companies.

8. If I choose to sell my Common Shares, when will I receive my money?

The order to sell your Common Shares will be placed on the Thursday following receipt of your properly completed Letter(s) of Transmittal and Common Share certificate(s) for any deposits made prior to the close of business on the preceding Tuesday. The price to be received for each Common Share of each Company sold will be the average price of all sales made under each of the Programs pursuant to that sell order. Computershare Trust Company of Canada (Computershare) will mail you a cheque for the proceeds of the sale of your Common Shares approximately 10 business days after they are sold. If a broker or other nominee holds your Common Shares, the funds will be paid to your broker or nominee who will be responsible for payment to you. Please contact your broker or other nominee for confirmation of receipt of your payment.

9. If I choose to sell my Common Shares, can I receive my payment in U.S. funds?

Yes. Scotia Capital Inc. and Computershare will arrange for the proceeds from the sale of your Common Shares to be payable in either Canadian or US currency. Please ensure that you check the appropriate box on the Letter(s) of Transmittal. If you do not make an election, the default will be to pay you in Canadian funds. Conversion of funds will be completed using the prevailing exchange rate at the time of sale.

10. If I instruct my broker, bank, or other nominee to deposit my Common Shares to the Programs, can I be paid in US dollars?

Yes. When you contact your broker, bank, or other nominee to indicate your intention to sell your Common Shares, also indicate if you wish to be paid in US dollars. Your broker,

bank, or other nominee will complete the Letters of Transmittal on your behalf indicating your intention.

11. How much time do I have?

The Programs will expire on February 7, 2003 (the Expiry Date), unless extended. If you wish to participate in the Programs, your Common Share certificate(s) and Letter(s) of Transmittal must be received no later than 4:30 pm MST on that date. If you wish to participate, you are urged to submit your documents as soon as possible.

12. Should I participate?

That decision is up to you. There are various reasons to sell or hold Common Shares. Neither Company nor Computershare make any recommendation as to whether or not you should participate in the Programs. You may wish to talk with your broker or financial advisor for advice.

13. What do I do if my Common Share certificate(s) has been lost or destroyed?

If a Common Share certificate(s) for either one (or both) of the Companies has been lost or destroyed, the corresponding Letter of Transmittal should be completed as fully as possible and you must also complete the enclosed Affidavit of Loss. These documents should be mailed to the Toronto mailing address of Computershare listed in the Shareholder Information Booklet and on the Letters of Transmittal. In addition, to cover the premium for the Surety Bond which is required to replace your lost certificate(s), you will be charged CDN $1.50 per share (if you chose to receive U.S. funds, the rate will be US$1.00 per share). This amount will be deducted from the proceeds of the sale of your Common Shares.

For the purposes of the Programs, you will be the customer of Scotia Capital and that firm is required to obtain the best available price for you.

Sale orders for Common Shares will be placed each Thursday for Letter(s) of Transmittal and Common Share certificate(s) received in good order by Computershare before the close of business on the preceding Tuesday. Shareholders will receive a price per Common Share under each Program equal to the average price of all Common Shares sold under each Program on that day.
