B.

Management's Discussion & Analysis

For management's discussion & analysis, see pages 31 through 68 of the TransAlta Corporation 2005 Annual Report to Shareholders included herein under the heading Management's Discussion & Analysis.

For the purposes of this Form 40-F, only pages 69 through 109 and 31 through 68 of the TransAlta Corporation 2005 Annual Report to Shareholders as referred to above shall be deemed incorporated herein by reference and filed, and the balance of such 2005 Annual Report, except as otherwise specifically incorporated by reference in the TransAlta Corporation Annual Information Form filed as Exhibit 13.1 hereto, shall not be deemed to be filed under the Exchange Act with the Securities and Exchange Commission as part of this Form 40-F.

DISCLOSURE CONTROLS AND PROCEDURES

TransAlta Corporation (the Company) has designed disclosure controls and procedures to ensure that material information relating to the Company, including its consolidated subsidiaries, is made known to the Chief Executive Officer and Chief Financial Officer by others within the Company, including its consolidated subsidiaries, on a regular basis, and in particular during the period in which its Annual Report on Form 40-F relating to financial results for the fiscal year ended December 31, 2005 is being prepared. The Chief Executive Officer and Chief Financial Officer have evaluated the effectiveness of the disclosure controls and procedures as of the end of the period covered by this report. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded, as of that evaluation date, that the Company's disclosure controls and procedures were effective to ensure that material information relating to the Company, including its consolidated subsidiaries, was made known to them by others within those entities during the period in which this report was being prepared. There have been no significant changes in the internal controls or in other factors that could significantly affect internal controls subsequent to the date of the most recent evaluation by the Chief Executive Officer and Chief Financial Officer, including any corrective actions with regard to significant deficiencies and material weaknesses.

AUDIT COMMITTEE FINANCIAL EXPERT

The Registrant's board of directors has determined that it has at least one audit committee financial expert serving on its Audit and Environment Committee (the "AEC"). Mr. William D. Anderson has been determined to be such audit committee financial expert, within the meaning of Section 407 of the United States Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley"), and is independent, as that term is defined by the New York Stock Exchange's listing standards applicable to the Registrant. Under Securities and Exchange Commission rules the designation of persons as audit committee financial experts does not make them "experts" for any other purpose, impose any duties, obligations or liability on them that are greater than those imposed on members of their committee and the board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of their committee.

CODE OF ETHICS

The Registrant has adopted a code of ethics as part of its Corporate Code of Conduct that applies to all employees and officers. In addition, the Registrant has adopted a code of conduct applicable to all directors of the Company and a separate financial code of conduct which applies to all financial management employees. The Registrant's Corporate Code of Conduct is available on its Internet website at www.transalta.com. There has been no waiver of the code during the 2005 fiscal year.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

For the years ended December 31, 2005 and 2004, Ernst & Young LLP and its affiliates were paid approximately \$2.0 million and \$2.7 million, respectively, as detailed below:

	Year-ended December 31	
	2005	2004
Ernst & Young LLP		
Audit Fees	\$ 2,006,504	\$ 1,336,999
Audit-Related Fees	\$ -----	\$ 201,866
Tax Fees	\$ 6,250	\$ 1,062,479
All Other Fees	\$ -----	\$ 146,282
Total	\$ 2,012,754	\$ 2,747,626

No other audit firms provided audit services in 2005 or 2004.

The nature of each category of fees is described below.

Audit Fees

Audit fees were paid for professional services rendered by the auditors for the audit of the Company's annual financial statements or services provided in connection with statutory and regulatory filings or engagements, including the

translation from English into French of the Company's financial statements and other documents.

Audit-Related Fees

The audit-related fees in 2004 were primarily for work performed by Ernst & Young LLP in relation to the Company's financings and the sale of one of its plants.

Tax Fees

The tax fees for 2005 related to the Southern Cross stamp duty appeal. The majority of tax fees for 2004 related to the finalization of tax credit recoveries for work which commenced prior to 2002.

All Other Fees

The majority of the amounts in All Other Fees in 2004 related to the sublease of office space in Australia.

Pre-Approval Policies and Procedures

The AEC has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence. In May 2002, the AEC adopted a policy that prohibits the Company from engaging the auditors for prohibited categories of non-audit services and requires pre-approval of the AEC for other permissible categories of non-audit services, such categories as determined under Sarbanes-Oxley.

Percentage of Services Approved by the AE Committee

For the year ended December 31, 2005, none of the services described above were approved by the AEC pursuant to paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.
