- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.02. Results of Operations and Financial Condition.

Ford Motor Company ("Ford") hereby incorporates by reference its news release dated January 24, 2008, which is herewith provided as Exhibit 99.1.

Ford will conduct two conference calls on January 24, 2008 to review preliminary fourth quarter and full year 2007 financial results. Beginning at 9:00 a.m., Ford's President and Chief Executive Officer Alan Mulally and Executive Vice President and Chief Financial Officer Don Leclair will host a presentation for the investment community and news media to review Ford's preliminary fourth quarter and full year 2007 financial results. Investors may access this presentation by dialing 800-798-2884 (or 1-617-614-6207 from outside the United States). The passcode for either telephone number is a verbal response of "Ford Earnings."

At 11:00 a.m., Ford Senior Vice President and Controller Peter Daniel, Ford Vice President and Treasurer Neil Schloss, and Ford Motor Credit Company Vice Chairman and Chief Financial Officer K.R. Kent will host a presentation for fixed income analysts and investors. Investors may access this presentation using the same dial-in information as above, with the passcode being a verbal response of "Ford Fixed Income."

A listen-only webcast and supporting presentation materials for these calls will be available on the Internet at www.shareholder.ford.com. Investors may also access replays for one week following the presentations by visiting www.shareholder.ford.com, or by dialing 888-286-8010 (or 1-617-801-6888 from outside the United States). The passcode for replays of the earnings call is 29481628; the passcode for replays of the fixed income call is 55865600. All times referenced above are in Eastern Time.

Please note that Exhibit 99.1 to this Form 8-K discusses revenue and pre-tax profits excluding special items for Ford's Automotive sector and the primary operating segments and business units within the Automotive sector. The most directly comparable financial measures calculated and presented in accordance with U.S. Generally Accepted Accounting Principles are revenue and pre-tax profits including special items. We believe that revenue and pre-tax profits excluding special items are useful measures to provide investors, because they exclude those items that we do not consider to be indicative of earnings from ongoing operating activities. As a result, revenue and pre-tax profits excluding special items provide investors with more relevant measures of the results generated by our operations.

Item 8.01. Other Events.

Attached hereto as Exhibit 99.2 is our news release dated January 23, 2008 regarding the sale of one of our Automotive Components Holdings facilities.

Item 9.01. Financial Statements and Exhibits.
