Item 1.01

Entry into a Material Definitive Agreement.

On December 23, 2008, the United States Bankruptcy Court for the Eastern District of Virginia, which has jurisdiction over the reorganization proceedings under Chapter 11 of the United States Bankruptcy Code for Circuit City Stores, Inc. (the "Company") and each of its wholly-owned United States and Puerto Rican subsidiaries, entered on its docket a final order (the "Final Order") granting approval of the Company's Senior Secured, Super-Priority, Debtor-in-Possession Credit Agreement, as amended, modified, supplemented or waived to date (the "DIP Credit Agreement"). The Bankruptcy Court had granted interim approval of the original DIP Credit Agreement on November 10, 2008.

The parties to the DIP Credit Agreement and a summary of its material terms, except for certain amendments that the parties agreed to prior to the entry of the Final Order, were set forth in the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on November 12, 2008, and such information is incorporated by reference into this Item 1.01. The amendments to the DIP Credit Agreement included the elimination of the Company's requirement to obtain additional term loan financing in an amount equal to at least \$75 million on or before January 17, 2009 in order to prepay amounts outstanding under the DIP Credit Agreement and the elimination of a covenant requiring minimum net availability during certain periods. The DIP Credit Agreement also includes a covenant that was amended to accelerate deadlines and procedures related to a potential sale of assets.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 above is incorporated by reference into this Item 2.03.

---
