Item 5. Other Events and Regulation FD Disclosure.

On December 19, 2002, we received a Nasdaq Staff Determination notifying us that we are not in compliance with the minimum stockholders' equity requirement of \$10 million for continued listing, as set forth in Marketplace Rule 4450(a)(3), and that our common stock is, therefore, subject to delisting from the Nasdaq National Market. On December 20, 2002, we requested a hearing before the Nasdaq Listing Qualifications Panel to review the Staff Determination. According to Nasdaq procedures, the hearing date will be set, to the extent practicable, within 45 days of the request, and DSSI will continue to trade on

the Nasdaq National Market pending the Panel's decision.

We currently meet all the requirements for listing on The Nasdaq SmallCap Market and would transfer our listing to The Nasdaq SmallCap Market if our appeal to the Panel is unsuccessful.

There can be no assurance the Panel will grant our request for continued National Market listing or that we will be able to transfer our listing to The SmallCap Market and maintain such listing.
