## **ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT**

On June 27, 2007, Innovo Group Inc. (the “Company”) entered into Securities Purchase Agreements (the “Agreements”) with two “Accredited Investors,” as defined in Regulation D promulgated under the Securities Act of 1933, as amended (the “Investors” and “Securities Act”) for the sale of an aggregate of (i) 1,600,000 shares of its common stock at a purchase price of \$1.25 per share; and (ii) warrants to purchase an additional 480,000 shares of its common stock at an exercise price of \$1.36 per share. The aggregate purchase price of the shares was approximately \$2,000,000 initially and approximately \$2,652,000 assuming the full exercise of all of the warrants issued in connection with the private placement. The Company intends to use the proceeds solely for general working capital purposes.

In connection with the private placement, each of the Investors entered into substantially identical Agreements and Warrants to Purchase Shares of Common Stock (the “Warrant”) with the Company which include customary representations, warranties and indemnification provisions. The Agreements further provide the Investors with certain registration rights whereby the Company agreed to prepare and file with the Securities and Exchange Commission (“SEC”) a registration statement for the resale of the shares and the shares underlying the Warrants within 60 days from the closing date. Under the Agreement, the Company granted to the Investors certain preemptive rights to participate in future offerings, as well as certain rights to future payments in the event of certain future issuances of convertible debt, equity, warrants or options at less than the exercise price of the Warrants.

The Warrants issued in connection with the private placement have a term of 5 years and are first exercisable on December 25, 2007. The Warrants contain a cashless or net-share exercise feature whereby the Investor can elect to receive an amount of shares less that number of shares equal in market value to the aggregate exercise price.

Each Investor represented to the Company that they are an “Accredited Investor,” as that term is defined in Rule 501(a) of Regulation D under the Securities Act. The common stock and warrants were offered and sold to each Investor in reliance upon an exemption from registration under Rule 506 of Regulation D the Securities Act. In connection with the Agreement and the Warrants, Pacific Wave Partners Limited acted as a financial advisor to the Company and was a paid a success fee of \$20,000.

The foregoing matters are further described in a press release issued by the Company on June 28, 2007, a copy of which is filed herewith as Exhibit 99.1 and incorporated herein by reference. The preceding descriptions of the Agreements and Warrant are summaries of the material terms of the agreements and do not purport to be complete, and are qualified in their entirety by the copy of the agreement which are filed herewith as Exhibit 4.1 and 4.2 respectively and incorporated herein by reference.
