PROXY STATEMENT
For the Annual Meeting of Stockholders
To be held on Thursday, September 6, 2007

The enclosed proxy is solicited by the Board of Directors of SMITH-MIDLAND CORPORATION (the "Company") for use at the Annual Meeting of Stockholders to be held on Thursday, September 6, 2007 at 5:00 PM at the Company's Corporate Headquarters, located at 5119 Catlett Road, Midland, Virginia 22728 and at any adjournment or adjournments thereof.

Stockholders of record at the close of business on July 13, 2007 will be entitled to vote at the Annual Meeting or any adjournment thereof. On or about that date, 4,669,382 shares of the Company's Common Stock, \$.01 par value per share ("Common Stock"), were issued and outstanding. The Company has no other outstanding voting securities.

Each share of Common Stock entitles the holder to one vote with respect to all matters submitted to Stockholders at the Annual Meeting. A quorum for the Annual Meeting is a majority of the shares outstanding. Directors will be elected by plurality vote. Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because (1) the broker does not receive voting instructions from the beneficial owner and (2) the broker lacks discretionary authority to vote the shares.

Abstentions or broker non-votes or failures to vote will have no effect in the election of directors, who will be elected by a plurality of the affirmative votes cast.

An Annual Report, containing the Company's audited financial statements for the years ended December 31, 2006 and December 31, 2005, is being mailed to all stockholders entitled to vote. This Proxy Statement and the accompanying proxy were first mailed to Stockholders on or about July 31, 2007.

Execution of a proxy will not in any way affect a Stockholder's right to attend the Annual Meeting and vote in person. The proxy may be revoked at any time before it is exercised by written notice to the Secretary prior to the Annual Meeting, or by giving to the Secretary a duly executed proxy bearing a later date than the proxy being revoked at any time before such proxy is voted, or by appearing at the Annual Meeting and voting in person. The shares represented by all properly executed proxies received in time for the Annual Meeting will be voted as specified therein. In the absence of a special choice, shares will be voted in favor of the election of Directors of those persons named in this Proxy Statement.

The Board of Directors knows of no other matter to be presented at the Annual Meeting. If any other matter should be presented at the Annual Meeting upon which a vote may be taken, such shares represented by all proxies received by the Board of Directors will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies. The Board of Directors knows of no matter to be acted upon at the Annual Meeting that would give rise to appraisal rights for dissenting stockholders.

Proposal #1**ELECTION OF DIRECTORS**

Four Directors, constituting the entire Board of Directors, are to be elected at the Annual Meeting. Each Director of the Company is elected at the Company's Annual Meeting of Stockholders and serves until his successor is elected or qualified. Vacancies and newly created directorships resulting from any increase in the number of authorized Directors may be filled by a majority vote of Directors then remaining in office. Officers are elected by and serve at the direction of the Board of Directors.

Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for an individual Director, or for all Directors, will be voted (unless one or more nominees are unable or unwilling to serve) for the election of the nominees named below. The Board of Directors knows of no reason why any such nominee should be unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person or for fixing the number of Directors at a lesser number.

The Board unanimously recommends that Stockholders vote FOR election of the four nominees for Director.

The following table sets forth certain information concerning each nominee for election as a Director of the Company:

Name	Age	Director Since	Position

GENERAL INFORMATION RELATING TO THE BOARD OF DIRECTORS AND OFFICERS

Meetings and Committees of the Board of Directors

The Board of Directors has a Compensation Committee. The Compensation Committee consists of Andrew Kavounis and Wesley A. Taylor. The Compensation Committee was established to set and administer the policies that govern annual compensation for the Company's executives. Following review and approval by the Compensation Committee of the compensation policies, all issues pertaining to executive compensation are submitted to the Board of Directors for approval. The Compensation Committee negotiates and approves compensation arrangements for officers, employees, consultants and directors of the Company, including, but not limited to, the grant of options to purchase the Common Stock pursuant to the Company's 2004 Stock Option Plan or other plans which may be established. The Compensation Committee did not meet during 2006. Instead, the Board of Directors as a whole addressed these matters. The Company also does not have a Compensation Committee charter.

The Company believes that a standing nominating committee is not necessary or cost efficient for a company its size. All directors participate in the consideration of director nominees, including Andrew Kavounis, who is independent as defined by the Nasdaq Marketplace Rules. The other directors are not considered independent in view of their positions as executive officers of the Company. The Company does not have a formal nominating committee charter. For at least the past four years, the Board of Directors has not received a recommendation from a stockholder as to a candidate for nomination to the Board of Directors and therefore has not previously formed a policy with respect to consideration of such a candidate. However, it is the Board's intent to consider any stockholder nominees that may be put forth in the future. The Board has not identified any specific minimum qualifications or skills that it believes must be met by a nominee for director. It is the intent of the Board to review from time to time the appropriate skills and characteristics of directors in the context of the current make-up of the Board and the requirements and needs of the Company at a given time. Given the current composition, stability and size of the Board of Directors of the Company, the fact that all director-nominees are standing for re-election and that the Board has received no nominee candidates from stockholders, the Board has not considered other candidates for election at the upcoming annual meeting of stockholders.

The Board of Directors met formally four times during 2006 and met informally on a number of occasions, voting on corporate actions, in some cases, by written consent. All of the Company's current directors attended all of the meetings of the Board of Directors either in person or by telephone.

With the exception of Rodney I. Smith and Ashley B. Smith, who are father and son, respectively, no Director or executive officer of the Company is related by blood, marriage, or adoption to any of the Company's other Directors or executive officers.

Audit Committee

The Company does not have an audit committee, a nominating committee, or a committee performing functions similar to either committee. The entire Board of Directors acts as the audit committee. The Company also does not have an audit committee charter. The Board has determined that the Company does not have a person serving on its

audit committee that qualifies as an "Audit Committee Financial Expert", as defined by Securities and Exchange Commission Rules.

-5-

The Board of Directors reviewed and discussed our audited financial statements as of and for the year ended December 31, 2006 with management.

The Board of Directors reviewed and discussed with representatives of BDO Seidman, LLP, our independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380), as amended. The Board of Directors has also received and reviewed the written disclosures and the letter from BDO Seidman, LLP required by Independence Standard No. 1, "Independence Discussions with Audit Committees," as amended by the Independence Standards Board, and has discussed with BDO Seidman, LLP their independence.

Communication Between Stockholders and the Board of Directors

Stockholders wishing to communicate with members of the Board of Directors should send a letter to the Secretary of the Company with instructions as to which director(s) is to receive the communication. The Secretary will forward the written communication to each member of the Board of Directors identified by the stockholder or, if no individual director is identified, to all members of the Board of Directors. The Company has not in the past required members of the Board of Directors to attend each annual meeting of the stockholders because the formal meetings have been attended by very few stockholders, and have generally been brief and procedural in nature. All of the Company's directors, however, attended the 2005 and 2006 annual meetings of stockholders. The Board will continue to monitor stockholder interest and attendance at future meetings and re-evaluate this policy as appropriate.

Compensation of Directors

All non-employee Directors receive \$1,000 per meeting as compensation for their services as Directors and are reimbursed for expenses incurred in connection with the performance of their duties. All employee Directors, except Rodney I Smith, receive \$250 per meeting as compensation for their services and are reimbursed for expenses incurred in connection with the performance of their duties. Rodney I. Smith receives no compensation as a Director, but is reimbursed for expenses incurred in connection with the performance of his duties as a Director. For the twelve months ended December 31, 2006, total payments made to all Directors was \$55,680.

Employment Contracts and Termination of Employment and Change in Control Arrangements.

The Company entered into a four-year Employment Agreement with Rodney I. Smith, its current President and Chief Executive Officer, effective as of September 30, 2002. The term of employment automatically renews commencing on the date one year after the effective date, and on an annual basis thereafter, for an additional one year, unless earlier terminated or not renewed as provided for therein. The agreement provides for an annual base salary of \$99,000 ("Base Salary"), which will be reviewed at least annually and adjusted from time to time at the determination of the Board of Directors. It also provides for an annual royalty fee of \$99,000 payable as consideration for Mr. Smith's assignment to the Company of all of his rights, title and interest in and to the Patents (as defined in the agreement). Payment of the royalty continues only for as long as the Company is using the inventions underlying the non-expired Patents. Mr. Smith is also entitled to bonuses as follows (the "Bonus"): (i) a performance-based bonus as determined by the Board each calendar year, and (ii) a \$27,000 quarterly bonus equal to one-twentieth of the then outstanding principal balance on the loan (the "Loan") made by the Company to Mr. Smith in the aggregate amount of \$540,000, at the date of the employment agreement, and the unpaid interest accrued thereon during the quarter, and a cash amount which reimburses Mr. Smith for certain taxes payable by him as a result of such quarterly bonus. Payment of the Bonuses that are equal to one-twentieth of the Loan and the quarterly interest thereon are paid in the form of forgiveness of such principal and interest. Once the Loan has been fully repaid, no further quarterly Bonus in respect of the Loan shall be payable.

With respect to repayment of the Loan, the Board of Directors approved the acceleration of the accrual of all bonuses and related expenses necessary to pay off the Loan as of December 31, 2006. All related and accrued amounts required to fully payoff the Loan in the amount of \$242,276, including a grossed up amount for income taxes, were recognized as general and administration expense for the year ended December 31, 2006.

Mr. Smith's employment agreement provides further that if Mr. Smith (i) voluntarily leaves the employ of the Company within six months of his becoming aware of a Change of Control (as defined in the agreement) of the Company, then he shall be entitled to receive a lump sum amount equal to three times the five-year average of his combined total annual compensation, which includes the Base Salary and Bonus, less one dollar (\$1.00), and certain other unpaid accrued amounts as of the date of his termination, or (ii) is terminated by the Company without Cause (as defined in the agreement) or leaves the Company with Good Reason (as defined in the agreement), Mr. Smith shall be entitled to a lump sum payment equal to three times the combined Base Salary and Bonus paid during the immediately preceding calendar year, and such other unpaid accrued amounts. In any of such cases, the Company will provide Mr. Smith with certain Company fringe benefits for two years, subject to certain conditions as provided for in the agreement, and all of Mr.

Smith's unvested options to purchase Company stock shall become fully vested and exercisable on the date of termination. Mr. Smith will be entitled to exercise all such options for three years from the date of termination. The Company will have no further obligations to Mr. Smith, other than with respect to the payment of royalties.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on a review of the copies of such forms furnished to the Company and written representations from the executive officers and Directors, the Company believes that all Section 16(a) filing requirements applicable to its executive officers, Directors and greater than ten per cent (10%) beneficial owners were satisfied during 2006, except that Andrew G. Kavounis filed a Form 4 in February 2006 that reported late, by one day, the exercise of options and sale of shares of common stock of the Company on two different days.
