No Investment Advice	In creating this term sheet Bear Stearns is not providing you with investment advice or a personal recommendation. In the event Bear Stearns is deemed to have provided you with investment advice, you acknowledge and agree that Bear Stearns has only done so to the extent that you have provided Bear Stearns with your investment objectives with respect to the Notes and only such investment objectives have been taken into account when assessing the suitability of the Notes for your purposes.
Risk Factors	<p><u>Credit and Principal.</u> The Note is an unsecured senior unsubordinated obligation of the Issuer. The Note is principal protected only at maturity and, if called by the Issuer, on the relevant Call Date.</p> <p><u>Liquidity Risk.</u> Neither Bear Stearns nor the Issuer makes any representation as to the existence of a secondary market for the Note. The market value can be expected to fluctuate significantly and investors should be prepared to assume the market risks associated with these Notes. However, under ordinary market conditions, Bear Stearns will offer to repurchase part or all of the Notes outstanding, although there can be no assurance at which price such a bid would be made. The price given, if any, may also be affected by many factors, including, but not limited to: the remaining term of the Notes, the general level of interest rates, implied volatility and the cost to the Issuer of unwinding any related hedging activity or any funding arrangement.</p>
