### **Our Company**

Through our wholly-owned operating subsidiaries, Shanghai Chengtong Precision Strip Company Limited, or Chengtong and Shanghai Blessford Alloy Company Limited, or Shanghai Blessford, we are a niche and high value-added steel processing company principally engaged in the manufacture and sale of high precision cold-rolled steel products and in the provision of heat treatment and cutting of medium and high carbon hot-rolled steel strips. We use commodity steel to create a specialty premium steel intended to yield above-average industry gross margins. Specialty precision steel pertains to the precision of measurements and tolerances of thickness, shape, width, surface finish and other special quality features of highly-engineered end-use applications. We manufacture and sell precision ultra-thin and high strength cold-rolled steel products with thicknesses ranging from 7.5 mm to 0.03 mm. We also provide heat treatment and cutting and slitting of cold-rolled steel strips not exceeding 7.5 mm thickness. Our process puts hot-rolled de-scaled (pickled) steel coils through a cold-rolling mill, utilizing our patented systems and high technology reduction processing procedures, to make steel coils and sheets in customized thicknesses, according to customer specifications. Currently, our specialty precision products are mainly used in the manufacture of automobile parts and components, steel roofing, plane friction discs, appliances, food packaging materials, saw blades, textile needles and microelectronics.

Most of our sales are made domestically in China, however, over the course of the past two years, we have begun to alter our product mix to meet market demands in our primary market, as well as to expand into overseas markets. During fiscal 2007, we began exporting our cold-rolled steel products to Nigeria, Thailand, Indonesia and the Philippines. We intend to expand into additional overseas markets in the future, subject to suitable market conditions and favorable regulatory controls. We continue to focus on the production of higher margin products, although we have increased production of certain of our lower margin products due to market demand. These changes in our strategy have created increased capital requirements as we have sought to construct additional rolling mills to accommodate our planned growth.

Our market is highly competitive, although we have focused on a niche market that allows us to compete effectively as we continue to grow our business. We face significant competition for raw materials, especially crude steel, and our financial results may be impacted by changes in the market prices for these materials. Given our size, we do not have the ability to influence the prices at which we must purchase raw materials. However, the nature of our products enable us to pass on all or part of the price fluctuations in raw materials to our customers.

As of June 30, 2008, we had an annual production capacity of approximately 120,000 tons. Our second cold-rolling mill, which has been operating since October 2006 with a production design capacity of 120,000 tons, has an approximately 50% utilization rate as of June 30, 2008, and is expected to reach 80% to 90% capacity by the end of calendar year 2009. We plan to commence construction of our third mill in the last quarter of calendar year 2008, which has an equivalent design capacity. Each mill takes approximately three to four years to reach full operating capacity. The second and third mills will focus on the production of high carbon, high strength cold-rolled steel products and the production of more complex precision steel products that cannot be manufactured in our first rolling mill. Our first rolling mill, which has an operating capacity of 60,000 to 70,000 tons depending on the thickness of the steel processed, will continue to primarily manufacture low carbon precision cold-rolled steel products.

During the fiscal years ended June 30, 2008, 2007 and 2006, we earned net income before discontinued operations of \$18,583,111, \$7,472,661, and \$7,514,101, respectively. The discontinued operations represent those of OraLabs, Inc. which was spun off from the Company in December of 2006. At June 30, 2008, we had total assets of \$165,535,370. Chengtong and Shanghai Blessford currently have approximately 283 employees, including 45 senior management and technical staff members, and leases 20,000 square meters of production facilities in Jiading District, Shanghai, on four acres of property.

## Corporate Information

We are a Delaware company. We became a public company in May 1997 through a reverse merger with SSI Capital Corporation. At that time, we changed our name to OraLabs Holding Corp. and our principal business was the production and sale of consumer products relating to oral care and lip care and the distribution of nutritional supplements through our wholly-owned subsidiary, OraLabs, Inc. In December 2006, we merged with Partner Success Holdings Limited, or PSHL, a British Virgin Islands business company which owns Chengtong. In connection with that transaction, we subsequently redeemed all of the shares of our outstanding common stock owned by our former President, Gary Schlatter, in exchange for all of the issued shares of OraLabs, Inc. Thereafter, we renamed ourselves China Precision Steel, Inc. to reflect our continuing operations.

Our business is conducted principally through Chengtong and through Shanghai Blessford in Shanghai, China. Both Chengtong and Shanghai Blessford are Wholly Foreign Owned Enterprises, or WFOEs, under Chinese law.

Our corporate headquarters are located at 18<sup>th</sup> Floor, Teda Building, 87 Wing Lok Street, Sheung Wan, Hong Kong, and our telephone number is (011) 852-2543-2290. Our agent for service of process in the United States is Corporation Service Company, 2711 Centerville Road, Wilmington, Delaware 19808. Our common stock is listed on The NASDAQ Capital Market under the symbol “CPSL.” Although we maintain a website at [www.chinaprecisionsteelinc.com](http://www.chinaprecisionsteelinc.com), we do not intend that information available on our website be incorporated into this filing. As used herein, the “Group” refers to the Company, PSHL, BFI, Chengtong and Shanghai Blessford on a consolidated basis.

## **Common Stock**

We are authorized to issue up to 62,000,000 shares of common stock, par value \$0.00. As of September 17, 2008, there were 46,562,955 shares of our common stock outstanding held by approximately 879 stockholders, and no preferred shares issued and outstanding. Holders of our common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of common stock entitled to vote in any election of directors may elect all of the directors standing for election. Holders of our common stock are entitled to receive proportionately any dividends as may be declared by our board of directors. Upon our liquidation, dissolution or winding up, the holders of our common stock are entitled to receive proportionately our net assets available for distribution after the payment of all debts and other liabilities. Holders of our common stock have no preemptive, subscription, redemption or conversion rights.

Our common stock is traded on The NASDAQ Capital Market under the symbol "CPSL."

All of our issued and outstanding shares of common stock are duly authorized, validly issued, fully paid and nonassessable. The rights, preferences and privileges of holders of our common stock are subject to and may be adversely affected by, the rights of the holders of shares of any series of preferred stock which we may, subject to stockholder approval, authorize, designate and issue in the future. To the extent that additional shares of our common stock are issued, the relative interests of existing stockholders will be diluted.

## **Preferred Stock**

We are authorized to issue up to 8,000,000 shares of preferred shares, par value \$0.001, issuable in series. No shares of preferred stock are currently outstanding. Our board of directors is authorized, subject to limits imposed by relevant Delaware laws, to issue shares of preferred stock in one or more classes or series within a class upon authority of the board without further stockholder approval. Any preferred stock issued in the future may rank senior to the common stock with respect to the payment of dividends or amounts upon liquidation, dissolution or winding up of us, or both. In addition, any such shares of preferred stock may have class or series voting rights.

## **Anti-takeover Effects of Our Certificate of Incorporation and By-laws**

Our Certificate of Incorporation and By-laws, as well as Delaware corporate law, contain provisions that could delay or prevent a change of control or changes in our management that a stockholder might consider favorable and may prevent you from receiving a takeover premium for your shares. These provisions include, for example: (i) our certificate of incorporation provides that only our Chairman or any 3 board members may call a special meeting of stockholders; (ii) our Certificate of Incorporation cannot be amended unless our board of directors recommends the amendment; (iii) our stockholders cannot increase the size of our board of directors to more than 9 without the approval of the board of directors; (iv) our board of directors is authorized to issue up to 8,000,000 preferred shares without a stockholder vote; and (v) our stockholders may not remove members from our board of directors except for cause.

We are a Delaware corporation subject to the provisions of Section 203 of the Delaware General Corporation Law, an anti-takeover law. Generally, this statute prohibits a publicly-held Delaware corporation from engaging in a business combination with an interested stockholder (generally, persons who beneficially own 15% or more of our outstanding voting stock), for a period of three years after the date of the transaction in which such person became an interested stockholder, unless the business combination is approved in a prescribed manner. A business combination includes a merger, asset sale or other transaction resulting in a financial benefit to the stockholder. We anticipate that the provisions of Section 203 may encourage parties interested in acquiring us to negotiate in advance with our board of directors, because the stockholder approval requirement would be avoided if a majority of the directors then in office approve either the business combination or the transaction that results in the stockholder becoming an interested

stockholder. These provisions apply even if the offer may be considered beneficial by some of our stockholders.

**Transfer Agent and Registrar**

The transfer agent and registrar for our common stock is Corporate Stock Transfer, Inc., 3200 Cherry Creek Drive South, Suite 430, Denver, Colorado 80209, and its telephone number is (303) 282-4800.

### PLAN OF DISTRIBUTION

We are registering the shares of common stock previously issued to the Selling Stockholders to permit the resale of these shares of common stock by the holders of the shares from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the Selling Stockholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock.

The Selling Stockholders may sell all or a portion of the shares of common stock beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the shares of common stock are sold through underwriters or broker-dealers, the Selling Stockholders will be responsible for underwriting discounts or commissions or agent's commissions. The shares of common stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

- on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;
- in the over-the-counter market;
- in transactions otherwise than on these exchanges or systems or in the over-the-counter market;
- through the writing of options, whether such options are listed on an options exchange or otherwise;
- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales;
- sales pursuant to Rule 144;

- broker-dealers may agree with the selling securityholders to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

If the Selling Stockholders effect such transactions by selling shares of common stock to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the Selling Stockholders or commissions from purchasers of the shares of common stock for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved). In connection with sales of the shares of common stock or otherwise, the Selling Stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the shares of common stock in the course of hedging in positions they assume. The Selling Stockholders may also sell shares of common stock short and deliver shares of common stock covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The Selling Stockholders may also loan or pledge shares of common stock to broker-dealers that in turn may sell such shares.

The Selling Stockholders may pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act of 1933, as amended, amending, if necessary, the list of Selling Stockholders to include the pledgee, transferee or other successors in interest as Selling Stockholders under this prospectus. The Selling Stockholders also may transfer and donate the shares of common stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The Selling Stockholders and any broker-dealer participating in the distribution of the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. At the time a particular offering of the shares of common stock is made, a prospectus supplement, if required, will be distributed which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the Selling Stockholders and any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any Selling Stockholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

The Selling Stockholders and any other person participating in such distribution will be subject to applicable provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of common stock by the Selling Stockholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock. All of the foregoing may affect the marketability of the shares of common stock and the ability of any person or entity to engage in market-making activities with respect to the shares of common stock.

We will pay all expenses of the registration of the shares of common stock pursuant to the registration rights agreement, estimated to be \$12,283 in total, including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with state securities or “blue sky” laws; provided, however, that a Selling Stockholder

will pay all underwriting discounts and selling commissions, if any. We will indemnify the Selling Stockholders against liabilities, including some liabilities under the Securities Act, in accordance with the registration rights agreements, or the Selling Stockholders will be entitled to contribution. We may be indemnified by the Selling Stockholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the Selling Stockholder specifically for use in this prospectus, in accordance with the related registration rights agreement, or we may be entitled to contribution.

Once sold under the registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

**Item 15. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware permits a corporation, under specified circumstances, to indemnify its directors, officers, employees or agents against expenses (including attorneys' fees), judgments, fines and amounts paid in settlements actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties by reason of the fact that they were or are directors, officers, employees or agents of the corporation, if such directors, officers, employees or agents acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reason to believe their conduct was unlawful. In a derivative action, i.e., one by or in the right of the corporation, indemnification may be made only for expenses actually or reasonably incurred by directors, officers, employees or agents in connection with the defense or settlement of an action or suit, and only with respect to a matter as to which they have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made if such person shall have been adjudged liable to the corporation, unless and only to the extent that the court in which the action or suit was brought shall determine upon application that the defendant directors, officers, employees or agents are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Our certificate of incorporation states that our directors will not have personal liability for monetary damages for any breach of fiduciary duty as a director, except to the extent that the Delaware General Corporation Law prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty. We also carry liability insurance covering each of our directors and officers.

Under our bylaws, we are required to indemnify our former and current directors and officers of the Company against expenses incurred in any action brought against those persons as a result of their role with the Company, to the fullest extent permitted by law. Our board of directors has the discretion to indemnify other persons acting in their capacity as authorized representatives of the Company to the same extent. Similarly, we may, in some circumstances, advance to a person potentially eligible for indemnification the expenses incurred in defending such an action.

Insofar as indemnification by us for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling the company pursuant to provisions of our articles of incorporation and bylaws, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification by such director, officer or controlling person of us in the successful defense of any action, suit or proceeding is asserted by such director, officer or controlling person in connection with the securities being offered, we will, unless in the

opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The majority of our directors and all of our executive officers reside outside the United States. In addition, our principal executive office is located in Hong Kong. Outside the United States, it may be difficult for investors to enforce judgments obtained against the Company, our director or our officers in actions brought in the United States, including actions predicated upon the civil liability provisions of U.S. federal securities laws.

II-2

---

At the present time, there is no pending litigation or proceeding involving a director, officer, employee or other agent of ours in which indemnification would be required or permitted. We are not aware of any threatened litigation or proceeding, which may result in a claim for such indemnification.

**Item 17. Undertakings.**

(A) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(a) To include any prospectus required by Section 10(a) (3) of the Securities Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

II-4

---

(c) To include any additional or changed material information with respect to the plan of distribution not previously disclosed in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(a) Each prospectus filed by the registrant pursuant to 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(B) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(C) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
