(e) Adoption of Executive Incentive Compensation Recoupment Policy

On October 13, 2009, the Board of Directors of MSC Industrial Direct Co., Inc. (the “Company”) adopted an Executive Incentive Compensation Recoupment Policy (the “Policy”). The Policy covers all executive officers of the Company, as well as the Company’s corporate controller, and applies to incentive awards under the Company’s Annual Incentive Compensation Plan and equity awards under the Company’s equity plans, granted or awarded after the adoption of the Policy. The Policy (which will be incorporated into future awards) provides the Board with discretion to obtain recoupment of awards as follows:

- In the event of a significant restatement of financial results, other than as a result of a change in accounting principles (a “Restatement”), the Board may recoup cash incentive bonuses and equity awards that were paid or that vested to the extent that the amount paid or that vested would have been lower if the financial results had been properly reported;
- In the event of a Restatement where a covered officer engaged in misconduct that caused or partially caused the need for the Restatement, the Board may take any or all of the following actions with respect to such covered officer: (i) recoup all cash incentive bonuses and equity awards that were paid or that vested based upon the achievement of financial results that were subsequently reduced due to the Restatement, (ii) cancel outstanding equity awards, (iii) recoup any shares received from the vesting or exercise of equity awards, and (iv) recoup any net proceeds from any sale of shares upon or following the vesting or exercise of equity awards;
- In the event that following termination of employment, a covered officer breaches his or her non-competition, non-solicitation or non-disclosure covenants owed to the Company, the Board may take any or all of the following actions with respect to such covered officer: (i) cancel outstanding equity awards, (ii) recoup any shares received from the vesting or exercise of equity awards during the period beginning two years before and ending two years after the covered officer’s termination of employment, and (iii) recoup any net proceeds from any sale of shares upon or following the vesting or exercise of equity awards during the period beginning two years before and ending two years after the covered officer’s termination of employment.

The Board only may seek recoupment in cases of a Restatement if either the Restatement shall have occurred within 36 months of the publication of the audited financial statements that have been restated, or the Audit Committee of the Board shall have taken steps to consider a Restatement prior to the end of such 36 months and the Restatement occurs within 48 months of the publication of the audited financial statements.

In the event of a change in control, as defined in the Company’s 2005 Omnibus Equity Plan, the Company’s right to seek recoupment shall terminate.
