Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The validity of the securities offered hereby will be passed upon for us by Harris Cramer LLP, West Palm Beach, Florida. An attorney employed by this firm owns 50,000 shares of our common stock.

Item 6. Indemnification of Directors and Officers.

Our Certificate of Incorporation provides that we shall indemnify our officers and directors, employees and agents and former officers, directors, employees and agents against expenses (including attorney's fees), judgments, fines and amounts paid in settlement arising out of his or her services on behalf of us subject to the qualifications contained in Delaware law. Additionally, we will advance expenses to the parties mentioned in the previous sentence to the fullest extent allowed under Delaware law.

We have entered into Indemnification Agreements with our officers and directors providing for indemnification and containing an advancement of expenses provision. Delaware law generally provides that a corporation shall have such power to indemnify such persons to the extent they acted in good faith in a manner they reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the conduct was unlawful. In the event any such person shall be judged liable such indemnification shall apply only if approved by the court in which the action was brought. Any other indemnification shall be made by a majority vote of the Board of Directors (excluding any directors who were party to such action), or by a committee of directors designated by majority vote of the Board of Directors or by independent legal counsel in a written opinion, or by a majority vote of shareholders (excluding any shareholders who were parties to such action).

We maintain a general liability insurance policy that covers certain liabilities of our directors arising out of claims based on acts or omissions in their capacities as directors.

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

Based upon the policies of the Securities and Exchange Commission, shares issued and issuable to employees under both the Amended and Restated 2007 Equity Incentive Plan and the Amended and Restated 2007 Incentive Stock and Award Plan do not need to be registered as there is no sale involved. The shares issuable to directors and consultants were exempt under Section 4(2) of the Act and Rule 506 thereunder, as they are accredited investors.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(i) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(a) To include any prospectus required by Section 10(a)(3) of the Act;

(b) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(c) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i) and (ii) of this section do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(ii) That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(iii) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
