REOFFER PROSPECTUS

708,874 Shares

Derma Sciences, Inc.

Common Stock

This reoffer prospectus relates to an aggregate of up to 708,874 shares (the “Shares”) of common stock, \$0.01 par value per share, of Derma Sciences, Inc., a Pennsylvania corporation (the “Registrant,” “we,” or “our”), which may be offered for sale from time to time by the selling shareholders named herein or to be named in the future by means of supplements to this prospectus. The Shares offered hereby have been or will have been acquired under our Statutory Stock Option Plan, our Non-Statutory Stock Option Plans or our Restricted Stock Plan (collectively, the “Plans”).

The selling shareholders and certain broker-dealers that participate in the offer and sale of the Shares on behalf of the selling shareholders may be deemed to be “underwriters” for purposes of the Securities Act of 1933, as amended (the “Securities Act”), in which case commissions and discounts received by such broker-dealers may be deemed to be underwriting compensation under the Securities Act. We will pay all expenses incident to the offering and sale of the Shares to the public other than commissions and discounts of underwriters, brokers, dealers or agents. We will not receive any proceeds from the sale of the Shares by the selling shareholders.

There is no assurance that any of the selling shareholders will sell any of the Shares or that all of the Shares will be sold. Our common stock is traded on the Nasdaq Capital Market under the symbol “DSCI”. We anticipate that the selling shareholders will offer shares of common stock for resale at prevailing prices on the Nasdaq Capital Market or such other market upon which our common stock may then trade on the date of sale. The last reported sale price of our common stock on May 14, 2010, was \$5.20 per share. We will receive none of the proceeds from the sale of the common stock offered by this prospectus, but we will receive the exercise price upon exercise of the options.

The shares of our common stock are “control securities” under the Securities Act before their sale under this prospectus. This prospectus has been prepared for the purpose of registering the shares under the Securities Act to allow for future sales by the selling shareholders to the public. Each shareholder that sells shares of our common stock pursuant to this prospectus may be deemed to be an “underwriter” within the meaning of the Securities Act. Any commissions received by a broker or dealer in connection with resales of shares may be deemed to be underwriting commissions or discounts under the Securities Act. You should read this prospectus and any accompanying prospectus supplement carefully before you make your investment decision.

AN INVESTMENT IN OUR SECURITIES INVOLVES A HIGH DEGREE OF RISK. YOU SHOULD PURCHASE OUR SECURITIES ONLY IF YOU CAN AFFORD A LOSS OF YOUR INVESTMENT. SEE “RISK FACTORS” BEGINNING ON PAGE 3.

NEITHER THE SECURITIES AND EXCHANGE COMMISSION NOR ANY STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR DETERMINED IF THIS PROSPECTUS IS TRUTHFUL OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

THE COMPANY

We are a specialty medical device/pharmaceutical company with a primary focus on wound care. We engage in the manufacture, marketing and sale of three proprietary dermatological related product lines: (1) wound care, (2) wound closure and specialty securement devices, and (3) skin care. In addition, we have leveraged our expanding manufacturing capabilities by building a growing private label/original equipment manufacture (“OEM”) business. Our customers consist of various health care agencies and institutions such as wound care centers, long-term care facilities, hospitals, home healthcare agencies, physicians’ offices and retail and closed door pharmacies. We also sell our products through retail channels such as retail pharmacies, other retail outlets and first-aid kit manufacturers. While we have our own direct selling organization, our products are principally sold through medical products supply distributors. We currently sell our products in the United States, Canada and select international markets. Our principal distribution facilities are located in St. Louis, Missouri, Houston, Texas and Toronto, Canada. Our principal manufacturing facility is located in Toronto, Canada. We, through our subsidiary Derma Sciences Canada, also lease a light manufacturing facility in Nantong, China producing low volume and/or labor intensive wound care products.

The markets we serve are large and growing. We estimate that the total global wound care market (institutional and retail) is \$14 billion and is growing at a rate of 10% annually. Our mission is to enhance shareholder value by servicing a significant portion of this market as a fully integrated wound care product provider.

Derma Sciences, Inc. and our subsidiaries Sunshine Products, Inc., Derma Sciences Canada Inc. and Derma First Aid Products, Inc. are referred to collectively in this prospectus as “we”, “us” or “the Registrant”. Our executive offices are located at 214 Carnegie Center, Suite 300, Princeton, New Jersey and our telephone number is 609-514-4744.

USE OF PROCEEDS

We will not receive any of the proceeds from the sale of the shares offered by this prospectus. However, we expect to use the proceeds from the exercise of options for working capital and other general corporate purposes.

SELLING SHAREHOLDERS

This prospectus relates to the Shares that the selling shareholders have acquired or will acquire under the Plans. Each of the selling shareholders is, or was within the past ninety days, a director or executive officer of the Registrant. The Shares to which this prospectus relates may be “control securities” within the meaning of General Instruction C to Form S-8. Neither the statements in this prospectus or in the related registration statement, nor any delivery of this prospectus in connection with the disposition of Shares by any of the selling shareholders, will be an admission by us or any of the selling shareholders that the selling shareholder is in a control relationship with the Registrant.

The table attached as Appendix A sets forth, with respect to the selling shareholders and based on the information available to us as of the date thereof, the name and position of each selling shareholder, the number of shares of common stock owned, the number of Shares available for sale under this prospectus and the number and percent of our outstanding shares of common stock that are presently owned and will be owned after giving effect to this offering. We do not know whether any of the selling shareholders will sell any or all of the Shares offered by this prospectus. The inclusion of Shares in the table in Appendix A does not constitute a commitment to sell any Shares by any of the selling shareholders named therein.

The shares offered by this prospectus are being registered for reoffers and resales by the selling shareholders, who have acquired or may acquire such shares pursuant to grants of restricted stock or the exercise of options. The selling shareholders named below, together with other persons who may become control persons by becoming directors or executive officers, may resell all, a portion or none of such shares from time to time.

PLAN OF DISTRIBUTION

The shares may be sold or transferred for value by the selling shareholders, or by pledgees, donees, transferees or other successors in interest to the selling shareholders, in one or more transactions on the Nasdaq Capital Market, or such other market upon which our common stock may then trade, in negotiated transactions or in a combination of such methods of sale, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices otherwise negotiated. The selling shareholders may effect such transactions by selling the shares to or through broker-dealers, and such broker-dealers may receive compensation in the form of underwriting discounts, concessions or commissions from the selling shareholders and/or the purchasers of the shares for whom such broker-dealers may act as agent (which compensation may be less than or in excess of customary commissions). The selling shareholders, and any broker-dealers that participate in the distribution of the shares, may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act and any commissions received by them and any profit on the resale of the shares sold by them may be deemed to be underwriting discounts and commissions under the Securities Act. All selling and other expenses incurred by individual selling shareholders will be borne by such selling shareholders.

Upon our being notified by a selling shareholder that any material arrangement has been entered into with a broker or dealer for the sale of shares through a secondary distribution, or a purchase by a broker or dealer, we will file a prospectus supplement, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (a) the name of each of such selling shareholder and the participating broker-dealers, (b) the number of shares involved, (c) the price at which such shares are being sold, (d) the commissions paid or the discounts or concessions allowed to such broker-dealers, (e) where applicable, that such broker-dealers did not conduct any investigation to verify the

information set out or incorporated by reference in the prospectus, as supplemented, and (f) other facts material to the transaction.

In addition to any such number of shares sold hereunder, a selling shareholder may, at the same time, sell any shares of our common stock, including the shares offered by this prospectus, owned by such person in compliance with the requirements of Rule 144 under the Securities Act, regardless of whether such shares are covered by this prospectus.

There is no assurance that any of the selling shareholders will sell any or all of the shares offered by this prospectus.

We will pay all expenses in connection with this offering, other than commissions and discounts of underwriters, dealers or agents.

DISCLOSURE OF COMMISSION POSITION OF INDEMNIFICATION FOR SECURITIES ACT LIABILITIES

Sections 1741 and 1742 of the Pennsylvania Business Corporation Law of 1988 empower our Company, and the bylaws of our Company provide that it shall have the power, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he is or was a director, officer, employee or agent of our Company, or is or was serving at the request of our Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or in the case of actions undertaken other than in his official capacity, not opposed to, the best interest of our Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful; except that, in the case of an action or suit by or in the right of our Company, no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to our Company unless and only to the extent that the court in which such action or suit was brought shall determine that such person is fairly and reasonably entitled to indemnity for proper expenses.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Item 9. Undertakings

The undersigned Registrant undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of the securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the Registrant is relying on Rule 430B:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

9

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for purposes of determining any liability under the Securities Act of 1933 each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
