PROXY STATEMENT
FOR

TO BE HELD DECEMBER 20, 2010

The enclosed proxy is solicited by the Board of Directors (the "Board") of China Education Alliance, Inc. (the "Company"), a North Carolina corporation, in connection with the Annual Meeting of Stockholders to be held at China Education Alliance, Inc., 6/F Middle Tower, China Overseas Plaza, No.8 Guanghua Dong Li, Chaoyang District, Beijing 100020, P.R.C. on December 20, 2010, at 10:00 a.m. local time, and any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

The principal executive office of the Company is 58 Heng Shan Road, Kun Lun Shopping Mall, Harbin, People's Republic of China 150090, and its telephone number, including area code, is 86-451-8233-5794.

Purpose of the Annual Meeting

At the annual meeting, you will be asked to consider and vote upon the following matters:

1. To elect five directors to serve on the Board, in either Class I, or Class II of the Board, subject to the provisions of the By-laws of the Company, with such Class I directors to serve until the 2011 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified, or until such director's earlier resignation, removal or death, and such Class II directors to serve until the 2012 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified or until such director's earlier resignation, removal or death;
2. To ratify the appointment of Sherb & Co., LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2010; and
3. To act on such other matters as may properly come before the meeting or any adjournment or adjournments thereof.

The record date with respect to this solicitation is the close of business on November 18, 2010 (the "Record Date") and only stockholders of record at that time will be entitled to vote at the Annual Meeting and any adjournment or adjournments thereof.

The shares of the Company's common stock ("Common Stock") represented by all validly executed proxies received in time to be taken to the meeting and not previously revoked will be voted at the meeting. Dissenters' Right of Appraisal

Holders of shares of our Common Stock do not have appraisal rights under North Carolina law or under the governing documents of the Company in connection with this solicitation.

Outstanding Shares; Quorum; Required Vote

The number of outstanding shares of Common Stock entitled to vote at the meeting is 31,261,911. Each share of Common Stock is entitled to one vote. The presence in person or by proxy at the Annual Meeting of the holders of a majority of such shares shall constitute a quorum. There is no cumulative voting. Shares that abstain or for which the authority to vote is withheld on certain matters (so-called "broker non-votes") will, however, be treated as present for quorum purposes on all matters.

Assuming the presence of a quorum at the Annual Meeting:

- Directors shall be elected by a plurality of the votes cast. Votes may be cast in favor or withheld. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. Broker non-votes will have no effect on the election of directors, which is by plurality vote;
- The affirmative vote of a majority of common shares present at the meeting and entitled to vote on each matter is required to ratify the appointment of Sherb & Co., LLP as the Company's independent registered public accounting firm for the fiscal year ending December, 31, 2010. Abstentions will therefore, in effect, be votes against the ratification of the appointment of the independent registered public accounting firm; and
- To act on such other matters as may properly come before the meeting or any adjournment or adjournments thereof.

Votes shall be counted by one or more persons who shall serve as the inspectors of election. The inspectors of election will canvas the stockholders present in person at the meeting, count their votes and count the votes represented by proxies presented. Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the meeting, but are deemed not to have voted on the proposal. Broker non-votes occur when a broker nominee (who has voted on one or more matters at the meeting) does not vote on one or more other matters at the meeting because it has not received instructions to so vote from the beneficial owner and does not have discretionary authority to so vote.

For purposes of determining the votes cast with respect to any matter presented for consideration at the meeting, only those votes cast "FOR" or "AGAINST" are included. However, if a proxy is signed but no specification is given, the shares will be voted "FOR" Proposals 1 and 2 (to elect the Board's nominees to the Board, and to ratify the appointment of Sherb & Co., LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010).

Solicitation of Proxies

The expenses of solicitation of proxies will be paid by the Company. We may solicit proxies by mail, and the officers and employees of the Company may solicit proxies personally or by telephone and will receive no extra compensation from such activities. The Company will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

Delivery of Proxy Materials to Households

Only one copy of the Company's 2009 Annual Report and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or whom otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

Procedures for Approval of Related Party Transactions

Our Board is charged with reviewing and approving all potential related party transactions. All such related party transactions must then be reported under applicable SEC rules. We have not adopted other procedures for review, or standards for approval, of such transactions, but instead review them on a case-by-case basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities to file with the SEC initial statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of our common stock and other equity securities, on Form 3, 4 and 5 respectively. Executive officers, directors and greater than 10% shareholders are required by the SEC regulations to furnish our company with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports received by us and on written representations by our officers and directors regarding their compliance with the applicable reporting requirements under Section 16(a) of the Exchange Act, we believe that, with respect to the fiscal year ended December 31, 2009, our officers and directors, and all of the persons known to us to own more than 10% of our common stock, filed all required reports on a timely basis except Zibing Pan was late for one Form 3 filing.

DIRECTOR INDEPENDENCE

Our Board has reviewed, considered and discussed each director’s and each director nominee’s relationships, both direct and indirect, with the Company and its subsidiaries in order to determine whether such director or director nominee meets the independence requirements of the applicable sections of the NYSE Listed Company Manual (the “NYSE Rules”). The Board has determined that a majority of the incumbent directors qualify as independent under the NYSE Rules, namely Messrs James Hsu, Liansheng Zhang and Yizhao Zhang. Specifically, the Board has determined that each of Messrs James Hsu, Liansheng Zhang and Yizhao Zhang has no commercial, industrial, banking, consulting, legal, accounting, charitable, familial or other relationships with the Company, either directly or indirectly, that would be inconsistent with a determination of independence under the applicable NYSE Rules.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We strive to provide our named executive officers (as defined in Item 402 of Regulation S-K) with a competitive base salary that is in line with their roles and responsibilities when compared to peer companies of comparable size in similar locations.

It is not uncommon for PRC private companies in the PRC to have base salaries as the sole form of compensation. The base salary level is established and reviewed based on the level of responsibilities, the experience and tenure of the individual and the current and potential contributions of the individual. The base salary is compared to the list of similar positions within comparable peer companies and consideration is given to the executive's relative experience in his or her position. Base salaries are reviewed periodically and at the time of promotion or other changes in responsibilities.

We plan to implement a more comprehensive compensation program, which takes into account other elements of compensation, including, without limitation, short and long term compensation, cash and non-cash, and other equity-based compensation such as stock options. We expect that this compensation program will be comparable to the programs of our peer companies and aimed to retain and attract talented individuals.
