## PROPOSAL 1

### ELECTION OF DIRECTORS

The Fund's By-Laws provide that the Board of Directors (the "Board") shall be divided into three classes: Class I, Class II and Class III. The terms of office of the present directors (each a "Director") in each class expire at the Annual Meeting of Stockholders in the year indicated or thereafter in each case when their respective successors are elected and qualified: Class I, 2012, Class II, 2013, and Class III, 2014. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board.

The terms of Messrs. James J. Lightburn and Joe O. Rogers will expire at the 2012 Annual Meeting of Stockholders. The persons named in the accompanying form of proxy card intend, in the absence of contrary instructions, to vote all proxies for the elections of Messrs. Lightburn and Rogers to serve for a term expiring on the date on which the Annual Meeting of Stockholders is held in 2015, or until their successors are elected and qualified. The nominees have indicated that they will serve if elected. If a nominee should be unable to serve, an event not now anticipated, the proxies will be voted for such person, if any, as is designated by the Board to replace the nominee. The election of a Director will require the affirmative vote of a majority of the votes cast at the Meeting. Presence at the meeting, in person or by proxy, of a stockholder who does not cast a vote will have no effect on the outcome of the election.

### **Leadership Structure and Board of Directors**

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the provisions of the 1940 Act, other applicable laws and the Fund’s Articles of Incorporation. The Board is composed of five Independent Directors and one of the Independent Directors serves as Chairman of the Board. Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund’s day-to-day operations are managed by the Investment Manager and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund’s activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the extensive experience of each Director with the Fund and nature of the Fund.

The Directors were selected to serve and continue on the Board based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and, a demonstrated willingness to take an independent and questioning view of management. Each Director currently also has considerable familiarity with the Fund and the Administrator, and their operations, as well as the special regulatory requirements governing regulated investment companies and the special responsibilities of investment company directors as a result of his or her substantial prior service as a Director of the Fund and, in several cases, as a director of other investment companies. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion, as of the date of this proxy statement, that each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (“SEC”), and do not constitute a holding out of the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof. As required by rules the SEC has adopted under the 1940 Act, the Fund’s Independent Directors select and nominate all candidates for Independent Director positions.

[James J. Lightburn: Mr. Lightburn has served as a Director of the Fund since the Fund’s inception in 1992. He is a U.S. trained attorney who practiced law in the United States for over 20 years and then in Paris, France for over 15 years. Mr. Lightburn has represented clients in international business transactions including the acquisition and sale of businesses in the United States and Europe, structuring and negotiation of commercial collaboration, intellectual property and equity and quasi-equity financing agreements. He has published articles on international financial law and related regulations. Mr. Lightburn has also served on the boards of other privately held and listed companies.

Joe O. Rogers: Mr. Rogers has served as a Director of the Fund since the Fund’s inception in 1992. He has provided business and investment consulting services for over 30 years. Mr. Roger’s experience includes service as the president, vice president or partner in business and investment consulting firms including Rogers International LLC, PHH Asia Corporation and PHH Fantus Consulting. He served as the U.S. Ambassador to the Asian Development Bank under President Ronald Regan. Mr. Rogers also served the U.S. House of Representatives in various capacities including Executive Director and International Relations Counselor of the Republican Conference and served as the chief economist and budget advisor to Senator William Armstrong. He has lectured on economics and finance at various U.S. based and internationally based universities and served as a Visiting Professor of Finance at Fudan University in Shanghai from 2010 to 2011. Mr. Rogers also serves on the board of another listed company.

Michael F. Holland: Mr. Holland has served as a Director of the Fund since the Fund’s inception in 1992. He has worked in the investment management industry for over 40 years. Mr. Holland’s experience includes service as the Chairman of Holland & Company, which he founded in 1995, and as the chief executive officer, chairman or vice chairman of major U.S. asset management firms including Salomon Brothers Asset Management, First Boston Asset Management and Oppenheimer & Co., Inc. He is a regular guest on several financial television programs and is regularly quoted in leading financial publications. Mr. Holland also serves on the boards of other charitable and listed companies.

William C. Kirby: Mr. Kirby has served as a Director of the Fund since 2007. He is T. M. Chang Professor of China Studies at Harvard University and Spangler Family Professor of Business Administration at Harvard Business School.

Mr. Kirby is a historian of modern China, whose work examines China's business, economic and political development in an international context. He has served the academic community for over 30 years. Mr. Kirby joined Harvard University in 1992, where he currently serves various positions including Chairman of the Harvard China Fund and Director of the John K. Fairbank Center for Chinese Studies. He has also served as the Dean of the Faculty of Arts and Sciences, Chair of the Council on East Asian Studies and the Director of the National Resource Center for East Asia for Harvard University. Prior to joining Harvard University, Mr. Kirby served as the Dean of the Faculty of Arts and Sciences, Director of Asian Studies and Director of International Affairs at Washington University. Mr. Kirby has published numerous books and articles related to Chinese business and history.

Nigel S. Tulloch: Mr. Tulloch has served as a Director of the Fund since the Fund's inception in 1992. He has worked in the investment management industry for over 40 years. Mr. Tulloch's experience includes service as a director and chief executive officer of Wardley Investment Services Limited, now HSBC Asset Management, a major international asset manager. He also served as Chairman of The Hong Kong Unit Trust Association and was appointed to the Council of the Stock Exchange of Hong Kong. Mr. Tulloch also serves on the boards of other charitable and privately held companies.]

The Fund's Board has an Audit Committee, which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is comprised of all of the Directors, all of whom are not interested persons of the Fund, and its actions are governed by the Fund's written Audit Committee Charter. The current members of the Audit Committee are Messrs. Holland, Kirby, Lightburn, Rogers and Tulloch. All members of the Audit Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented. The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"). The Audit Committee met five times during the fiscal year ended October 31, 2011. The Audit Committee has a charter which is available on the Fund's website ([www.chinafundinc.com](http://www.chinafundinc.com)).

The Fund's Board has a Nominating and Compensation Committee, comprised of the current members of the Audit Committee, which is responsible for nominating candidates to fill any vacancies on the Board. All of the members of the Nominating Committee are independent as independence is defined in the New York Stock Exchange, Inc.'s listing standards, as may be modified or supplemented and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act). Currently, the Nominating and Compensation Committee does not consider nominees recommended by stockholders. The Nominating and Compensation Committee believes that it is not necessary to have such a policy because the Board consists entirely of Directors who are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act). The Nominating and Compensation Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's investment manager and other principal service providers. The Nominating and Compensation Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating and Compensation Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating and Compensation Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the New York Stock Exchange and the SEC to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons with financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The Nominating and Compensation Committee met once during the fiscal year ended October 31, 2011. The Nominating and Compensation Committee has a charter which is available on the Fund's website ([www.chinafundinc.com](http://www.chinafundinc.com)).

The Fund does not have a specified process for stockholders to send communications to the Board because stockholders are able to communicate directly with the Board at the Annual Meeting of Stockholders and the Fund's reports to stockholders disclose contact information which may be used to direct communications to the Board.

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, each of the five Directors attended the 2011 Annual Meeting of Stockholders.

The Fund's Board of Directors held four regular meetings and seven special meetings during the fiscal year ended October 31, 2011. Each Director attended at least seventy-five percent of the aggregate number of meetings of the Board and of any committee on which he served.

#### Risk Oversight

The day-to-day operations of the Fund, including the management of risk, is performed by third party service providers, such as the Fund's Investment Manager (currently Martin Currie, Inc.) and Administrator (State Street Bank and Trust Company). The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Investment Manager or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others, the Investment Manager, the Fund's Chief Compliance Officer and the independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Investment Manager and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Fund's Advisory Agreements, the Board meets with the Investment Manager to review the services provided. Among other things, the Board regularly considers the Investment Manager's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a Chief Compliance Officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Investment Manager, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the 1934 Act requires the Fund's officers and Directors, and beneficial owners of more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange, Inc. The Fund believes that its officers and Directors have complied with all applicable filing requirements for the fiscal year ended October 31, 2011. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the investment adviser or manager of the Fund and the officers and directors of such investment adviser or manager.

**PROPOSAL 2**

**APPROVAL OF PROPOSED INVESTMENT ADVISORY AND MANAGEMENT**

**AGREEMENT AND PROPOSED DIRECT INVESTMENT MANAGEMENT**

**AGREEMENT**

On January 5, 2012, the Board of Directors, all of whom are Independent Directors, voted to approve and recommend to shareholders the approval of the proposed Investment Advisory and Management Agreement and the proposed

Direct Investment Management Agreement between the Fund and RCM Asia Pacific Limited (“RCM”) (the “Proposed Agreements”). [The Proposed Agreements, if approved, will replace the interim Investment Advisory and Management Agreement and Direct Investment Management Agreement, between the Fund and RCM (the “Current Agreements”) that the Fund anticipates entering into before the Meeting. The Current Agreements were not approved by the stockholders of the Fund. The Current Agreements replaced the interim Investment Advisory and Management Agreement dated November 9, 2011 between the Fund and Martin Currie, Inc. (“Martin Currie”), the interim Sub-Advisory Agreement between Martin Currie and APS Asset Management Pte Ltd (“APS”) dated November 10, 2011 and the Direct Investment Management Agreement between the Fund and Martin Currie dated April 14, 2007, (the “Martin Currie Direct Investment Management Agreement”).] The interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS replaced the Investment Advisory and Management Agreement with Martin Currie dated March 19, 2004 (together with the Martin Currie Direct Investment Management Agreement, the “Prior Agreements”), which was terminated on November 9, 2011 upon Martin Currie’s delegation of management of the Fund’s portfolio to APS. The interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS were not approved by shareholders. The Investment Advisory and Management Agreement with Martin Currie dated March 19, 2004 was approved by shareholders on March 18, 2004 and the Direct Investment Management Agreement with Martin Currie was approved by shareholders on April 13, 2007.

The terms of the Proposed Agreements are substantially similar to the terms of Prior Agreements.

The Proposed Agreements provide for RCM to provide substantially the same investment advisory and management services as provided under the Prior Agreements, except that the proposed Direct Investment Management Agreement does not require RCM to make any new direct investments (an investment in an unlisted security) but rather to supervise the disposition of the Fund’s existing direct investments. Also, the fees to be paid to RCM under the proposed Direct Investment Management Agreement are lower than those paid to Martin Currie under the existing Direct Investment Management Agreement, as described below. RCM’s duties under the Proposed Agreements include making investment decisions, supervising the acquisition and disposition of investments and selecting brokers or dealers to execute these transactions in accordance with the Fund’s investment objective and policies and within the guidelines and directions established by the Fund’s Board of Directors.

Under both the Proposed Agreements and the Current Agreements, the Fund bears expenses for legal fees and expenses of counsel to the Fund; auditing and accounting expenses; taxes and governmental fees; New York Stock Exchange listing fees; dues and expenses incurred in connection with membership in investment company organizations; fees and expenses of the Fund's custodian, sub-custodian, transfer agents and registrars; fees and expenses with respect to administration (except as may be expressly provided otherwise); expenses for portfolio pricing services by a pricing agent, if any; expenses of preparing share certificates and other expenses in connection with the issuance, offering and underwriting of shares issued by the Fund; expenses relating to investor and public relations; expenses of registering or qualifying securities of the Fund for public sale; freight, insurance and other charges in connection with the shipment of the Fund's portfolio securities; brokerage commissions or other costs of acquiring or disposing of any portfolio holding of the Fund; expenses of preparation and distribution of reports, notices and dividends to shareholders; expenses of the Fund's dividend reinvestment and cash purchase plan; costs of stationery; any litigation expenses; and costs of stockholder's and other meetings. Under the Proposed Agreements, as is the case under the Current Agreements, RCM bears all other expenses associated with the performance of its duties (including employee salaries and overhead) other than expenses to be paid by the Fund, as specifically provided above. RCM also would pay the salaries and expenses of such of the Fund's officers and employees and any fees and expenses of such of the Fund's directors who are managers, members, officers or employees of RCM or any of its affiliates, *provided, however*, that the Fund, and not RCM, shall bear travel expenses or an appropriate fraction thereof of directors and officers of the Fund who are managers, members, officers or employees of RCM to the extent that such expenses relate to attendance at meetings of the Board or any committee thereof, and *provided, further*, that such expenses are incurred in accordance with the Fund's travel policy.

The Proposed Agreements may be terminated at any time, without payment of penalty RCM or by the Fund acting pursuant to a vote of the Board of Directors or by a vote of a majority of the Fund's outstanding securities (as defined in the 1940 Act) upon sixty (60) days' written notice, and will terminate automatically in the event of its assignment (as defined in the 1940 Act) by RCM. The Proposed Agreements will also terminate automatically if RCM ceases to be licensed by the Securities and Futures Commission of Hong Kong.

If approved by stockholders, each of the Proposed Agreements would remain in effect for an initial period of two years from the date it becomes effective. Thereafter, the Proposed Agreements would continue in effect from year to year if their continuance is specifically approved at least annually by (i) a vote of a majority of the Independent Directors, cast in person at a meeting called for the purpose of voting on such approval, and (ii) either a vote of a majority of the Board of Directors as a whole or a majority of the Fund's outstanding shares of common stock as defined in the 1940 Act.

### **Fee Provisions of the Proposed Agreements**

[Under the terms of the interim Investment Advisory and Management Agreement, RCM is entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of 0.70% on the first \$315 million in total net assets under management and 0.50% on total net assets under management over \$315 million. Under the terms of interim Direct Investment Management Agreement, RCM is entitled to receive fees for its services, computed weekly and payable monthly in US dollars, at the annual rate of weekly and payable monthly, at the annual rate of 1.50% of the average weekly value of the Fund's assets invested in the direct investments.] Under the terms of the Proposed Agreements, RCM is entitled to receive the same fee rate payable under the Current Agreements.

For the fiscal year ended October 31, 2011, the aggregate amount of advisory fees paid by the Fund was \$4,984,986. Had the Proposed Agreements been in place for the fiscal year ended October 31, 2011, the fees paid by the Fund would have been \$4,777,146.

No payments were made to RCM by the Fund for the fiscal year ended October 31, 2011.

### **The Factors Considered by the Board of Directors Regarding the Proposed Agreements**

The Board was asked to approve the Proposed Agreements with substantially the same terms and conditions as the Current Agreements, with the exception of the termination provision. The Current Agreements will expire within 150 days from the date of execution while the Proposed Agreements are legally required to be reviewed and re-approved by the Board once a year, after their initial two year terms. In being asked to approve the Proposed Agreements, the Board was assured by RCM that the Fund would continue to be managed in substantially the same manner under the Proposed Agreements as under the Current Agreements.

### **Approval Process**

At its meeting on July 8, 2011, in anticipation of a change in the personnel at Martin Currie who were managing the Fund's portfolio (the "Former Portfolio Managers") the Board of Directors of the Fund (the "Board"), all of whom are Independent Directors, determined that it would be appropriate for the Board to review the arrangements for the management of the Fund's assets and consider engaging a different investment adviser for the Fund. At that time, the Board retained a consultant to assist the Board in identifying appropriate candidates to serve as investment adviser for the Fund and in preparing a request for proposal to be sent to the candidates. Initially, eight candidates were identified, based on the Board's knowledge of candidates that had experience managing portfolios similar to the Fund's and advice from the consultant. The consultant then evaluated the eight candidates based on a number of factors and reported on its evaluation to the Board at the Board meeting on September 16, 2011. After reviewing the consultant's report, the Board decided that three of those candidates (as well as Martin Currie and the investment management firm established by the Former Portfolio Managers (collectively, the Candidates") should make a presentation at the December 8, 2011 meeting of the Board of Directors. In advance of that meeting, the Directors discussed the consultant's evaluation of the Candidates that it had reported on. In addition, the Fund's Chief Compliance Officer reviewed information regarding the compliance programs of each of the Candidates. Throughout the process, the Board and the Committee were advised by counsel.

The Board determined that it would be appropriate to enter into interim arrangements with Martin Currie and APS while the Board continued to consider permanent arrangements for the management of the Fund. At the Board meeting on October 31, 2011, the Board approved the interim Investment Advisory and Management Agreement with Martin Currie and the interim Sub-Advisory Agreement between Martin Currie and APS.

At the Board meeting on December 8, 2011, with all Directors present, each of the Candidates made a presentation to the Board and responded to questions from the Board. Following the presentations, the Board discussed the relative merits of each Candidate and determined that further information should be requested from the candidates. At the Board meeting held on January 5, 2012, the Board approved the selection of RCM as the investment adviser for the Fund, approved the Proposed Agreements and agreed to submit the selection of RCM for approval by the Fund's stockholders at the next annual stockholders meeting in March 2012.

In making this selection, the Board noted RCM's experience in providing services to similar funds. The Board also noted that the advisory fee agreed to by RCM compared favorably with fees charged by advisers of other U.S. registered closed-end funds that invest in the China region. The Board also considered the terms and conditions of the Proposed Agreements and the nature, scope and quality of services that RCM is expected to provide to the Fund, including compliance services. The Board also based its decision on the following considerations, among others, although the Board did not identify any consideration that was all important or controlling, and each Director attributed different weights to the various factors.

*Nature, Extent and Quality of the Services provided by the Adviser.* The Board reviewed and considered the nature and extent of the investment management services to be provided by RCM under the Proposed Agreements. The Board also reviewed and considered the nature and extent of the non-investment management, administrative services to be provided by RCM under the Proposed Agreements. The Board determined that RCM appeared to be capable of providing the Fund with investment management and administrative services of above average quality.

*Performance, Fees and Expenses of the Fund.* The Board noted that RCM was not yet providing services to the Fund, therefore, that there were limitations on the Board's ability to evaluate the performance of RCM in managing the Fund. Based, however, on the performance of RCM in managing other products, the Board concluded that there was reason to believe that RCM could achieve above average performance over the long term in managing the Fund. The Board also noted that other expenses of the Fund were not expected to increase as a result of the retention of RCM.

*Economies of Scale.* The Board considered the economy of scale benefits that the Fund's stockholders would be afforded as the management fee rate under the Proposed Agreements declines as the Fund's assets grow.

*Other Benefits of the Relationship.* The Board considered whether there were other benefits that RCM and its affiliates may derive from their relationship with the Fund and concluded that any such benefits were likely to be minimal.

*Resources of the Proposed Investment Adviser.* The Board considered whether RCM is financially sound and has the resources necessary to perform its obligations under the Proposed Agreements, noting that RCM appears to have the financial resources necessary to fulfill its obligations under the Proposed Agreements.

*General Conclusions.* After considering and weighing all of the above factors, the Board concluded that it would be in the best interest of the Fund and its stockholders to approve the Proposed Agreements. In reaching this conclusion, the Board did not give particular weight to any single factor referenced above.

**Required Vote**

The 1940 Act requires that an investment advisory contract between an investment company and an investment adviser be in writing, that such contract specify, among other things, the compensation payable to the adviser pursuant thereto and that such contracts be approved by the holders of a majority of the Fund’s outstanding shares of common stock as defined in the 1940 Act and discussed below.

Approval of the Proposed Agreements will require the affirmative vote of a majority of the Fund’s outstanding shares of common stock. As defined in the 1940 Act, a “majority of the outstanding shares” means the lesser of 67% of the voting securities present at the Annual Meeting of Stockholders, if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broker non-votes will have the effect of a vote to disapprove the Proposed Agreements. If this proposal is not approved by stockholders, the Fund will continue under the Current Agreements while the Board of Directors considers other steps.

Forms of the Proposed Agreements are attached as Appendix A.

**The Board recommends that the sTOCKholders vote “FOR” the proposal to approve the PROPOSED AgreementS between the Fund and RCM.**
