**AMERICAN REALTY CAPITAL TRUST, INC.
FREE WRITING PROSPECTUS**

American Realty Capital Trust, Inc. (the "Company") filed a registration statement on Form S-3 (including a prospectus) with the SEC on May 11, 2012 and the registration statement became effective on May 11, 2012. This communication relates to such offering. Before you invest, you should read the prospectus in that registration statement and other documents the Company has filed with the SEC for more complete information about the Company and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. The base prospectus, dated May 11, 2012, is available on the SEC Web site at

http://sec.gov/Archives/edgar/data/1410997/000114420412028152/v304866_s3asr.htm.

Alternatively, the Company or any dealer participating in the offering will arrange to send you the prospectus and/or supplements thereto if you request them by calling toll-free 1-646-937-6900.

Attached hereto is a copy of the Company's August 2012 Presentation.

August 2012 NASDAQ: "ARCT" American Realty Capital Trust, Inc . NASDAQ: ARCT

August 2012 2 The data and other information described in these slides speaks as of the date of the slides or an earlier date indicated . Future performance may not be consistent with past performance, and is subject to change and inherent risks and uncertainties . This presentation contains certain statements that are the Company's and its management's hopes, intentions, beliefs, expectations, or projections of the future and might be considered to be forward - looking statements under Federal Securities laws . Prospective investors are cautioned that any such forward - looking statements are not guarantees of future performance, and involve risks and uncertainties . The Company's actual future results may differ significantly from the matters discussed in these forward - looking statements, and we may not release revisions to these forward - looking statements to reflect changes after we've made the statements . Factors and risks that could cause actual results to differ materially from expectations are disclosed from time to time in greater detail in the Company's filings with the Securities and Exchange Commission including , but not limited to, the Company's Annual Report on Form 10 - K, Form 10 - K/A, and Company's Quarterly Report on Form 10 - Q, as well as the Company press releases .
