Board Leadership Structure

Our Company is led by Mr. Baker, who has served as Chairman of the Board since 2010. We believe that having Mr. Baker act in this role is most appropriate for the Company at this time because it provides the Board with consistent and efficient leadership. Marc Joseph has served as the Company’s Chief Executive Officer since 2010. Mr. Joseph increases the timeliness and effectiveness of the Board’s deliberations, increases the Board’s visibility into the day-to-day operations of the Company, and ensures the consistent implementation of the Company’s strategies.

Board's Role in Risk Oversight

The Board as a whole has responsibility for risk oversight. The oversight responsibility of the Board and its audit and compensation committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment and management of critical risks. These areas of focus include strategic, operational, financial reporting, succession, compensation, compliance, and other risks. The audit committee is tasked with oversight of financial and reporting and compliance risks and the compensation committee is tasked with oversight of compensation risks, while the Board as a whole oversees all other risks.

Board Committees

The Board has an Audit Committee and a Compensation Committee, each of which is a standing committee of the Board.

Audit Committee. The Company has established an Audit Committee and is charged with assisting and representing the Board in fulfilling its oversight responsibilities with respect to (i) assessing the integrity of the financial statements of the Company, (ii) our Company's compliance with legal and regulatory requirements, (iii) assessing the qualifications, independence and performance of our independent public accountants, (iv) accessing our Company's financial risks, and (v) performing our Company's internal audit function. The Audit Committee's current members are Mr. Pino (Chairman) and Mr. Gomes. Each member of the committee satisfies the independence standards specified in Section 803(B) of the NYSE MKT Company Guide and the related rules of the Securities and Exchange Commission (the "SEC"), and each member of the committee has been determined by the Board to be "financially literate" with accounting or related financial management experience. The Board has also determined that Mr. Pino is an "audit committee financial expert" as defined under SEC rules and regulations. The Board has adopted a charter for the Audit Committee, a copy of which is posted on our website at www.americassuppliers.com. The Audit Committee did not meet separately during fiscal 2013.

Compensation Committee. The purpose of the Compensation Committee is to (i) discharge the Board's responsibilities relating to compensation of the Company's directors and executives, (ii) produce an annual report on executive compensation for inclusion in the Company's proxy statement, as necessary, and (iii) oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans. Mr. Baker (Chairman), Mr. Pino, Mr. Gomes and Mr. Best currently serve on the Compensation Committee. Mr. Pino, Mr. Gomes and Mr. Best each satisfy the independence standards specified in Section 803(A) of the NYSE MKT Company Guide. The Board has adopted a charter for the Compensation Committee, a copy of which is posted on our website at www.americassuppliers.com. The Compensation Committee did not meet separately during fiscal 2013.

Compensation Committee Processes and Procedures. In assessing the compensation plans for executive officers and key employees, the Compensation Committee considers total compensation opportunities, both short- and long-term, while at the same time focusing on the Company's short- and long-term objectives.

Nominations of Directors

The Board does not have a standing nominating committee. When necessary, the Board as a whole performs functions equivalent to that of a nominating committee. In that capacity, the Board has no charter. For this reason the Board, (i) has no policy with regard to the nomination of candidates recommended by security holders; (ii) has developed no specific minimum qualifications that it believes must be met by a Board-recommended nominee for a position on the Board; (iii) has developed no specific qualities or skills that it believes are necessary for a member of the Board to possess; (iv) has no specific process for identifying and evaluating nominees for director and (v) does not have a policy with regard to the consideration of diversity in identifying director nominees.

Item 13 — *Certain Relationships and Related Transactions, and Director Independence*

Review and Approval of Transactions with Related Parties

Generally, the Board of Directors as a whole and/or the audit committee reviews and approves any transactions between the Company and related parties. There were no related party transactions between the Company and any party that are required to be disclosed pursuant to Item 404 of Regulation S-K.

Director Independence

Although the Company's securities are quoted on the OTC Market and we are therefore not required to have a majority of independent directors, we apply the NYSE MKT standard for independent directors to determine which, if any, of our directors are independent pursuant to such definition. Further, the Board considers all relevant facts and circumstances in its determination of independence of all members of the board (including any relationships).

The Board has determined that Messrs. Pino, Best, Bergren are independent directors as defined under the Section 803(A) of the NYSE MKT Company Guide.

The Board has appointed members to two standing committees — the Audit Committee and the Compensation Committee. The members of the committees are identified in the following table.

Director	Audit Compensation

Marc Joseph		
Vincent Pino	Chair	X
Justiniano Gomes	X	X
