To the Stockholders of. BioScrip, Inc.:

You are cordially invited to attend a special meeting of stockholders (the “**Special Meeting**”) of BioScrip, Inc. (“**BioScrip**” or the “**Company**”), which will be held at our executive offices located at 1600 Broadway, Suite 950, Denver, Colorado 80202 beginning at []a.m. local time on [], 2016.

This booklet contains your official notice of the Special Meeting and a proxy statement that includes information about the matters to be acted upon at the Special Meeting. Officers and directors of BioScrip will be on hand to answer questions and discuss matters that may properly arise.

As previously announced, BioScrip has entered into an Asset Purchase Agreement, dated as of June 11, 2016 (the “**Initial Asset Purchase Agreement**” and, as amended by the First Amendment to the Asset Purchase Agreement, dated June 16, 2016, the “**Asset Purchase Agreement**”), by and among HS Infusion Holdings, Inc., a Delaware corporation (“**Home Solutions**”), certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. Home Solutions is a privately held company that is a leading provider of home infusion and home nursing products and services to patients suffering from chronic and acute medical conditions. Pursuant to the Asset Purchase Agreement, BioScrip will acquire substantially all of the assets and assume certain liabilities of Home Solutions and its subsidiaries (the “**Transaction**”) for, subject to certain net working capital adjustments, (i) \$67.50 million in cash (the “**Cash Consideration**”); (ii) 3,750,000 shares of BioScrip common stock, par value \$0.0001 per share (the “**Common Stock**”) (the “**Transaction Closing Equity Consideration**”); and (iii) contingent equity securities of BioScrip, in the form of restricted shares of our Common Stock (“**RSUs**” and, together with the Cash Consideration and the Transaction Closing Equity Consideration, the “**Transaction Consideration**”), issued in two tranches, Tranche A and Tranche B, with different vesting conditions (collectively, the “**Contingent Shares**”).

BioScrip's Board of Directors is soliciting your approval of the following proposals at the Special Meeting:

- An amendment to BioScrip's Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that BioScrip is authorized to issue from 125 million shares to 250 million shares (the
1. "**Charter Amendment**"), which Charter Amendment is necessary to consummate the Transaction and provide BioScrip sufficient authorized Common Stock to issue the Transaction Closing Equity Consideration and the Contingent Shares.
 2. If necessary, an adjournment of the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of the Charter Amendment.

The Charter Amendment is one of the conditions to BioScrip's obligation to consummate the Transaction. We believe that the Charter Amendment and the Transaction will make BioScrip a stronger enterprise and that the Transaction presents a compelling strategic opportunity to expand BioScrip's business. After careful consideration of a number of factors, which are described in the attached document, BioScrip's Board of Directors has determined that the Charter Amendment is advisable, fair to and in the best interests of BioScrip and its stockholders, and recommends that the BioScrip stockholders vote (a) "FOR" the proposal for the Charter Amendment, and (b) "FOR" the proposal to adjourn the Special Meeting, if necessary, to solicit additional proxies. Please take the time to vote by completing and mailing the enclosed proxy card or vote your shares via the Internet.

The attached document describes in detail each of the proposals for which we are soliciting your approval. It also includes copies of the Charter Amendment as Appendix A and the Asset Purchase Agreement as Appendix B. We urge you to read the enclosed materials carefully for a complete description of the Transaction.

I sincerely hope that you will be able to attend our Special Meeting. However, whether or not you plan to attend, please complete and return the enclosed proxy card in the accompanying envelope or vote your shares via the Internet. If you attend the Special Meeting, you may, if you wish, withdraw any proxy previously given and vote your shares in person. YOUR VOTE ON ALL OF THESE MATTERS IS VERY IMPORTANT.

Sincerely,

Questions and Answers

The following are some of the questions you may have as a BioScrip, Inc. stockholder and answers to those questions. These questions and answers highlight only some of the information contained in this proxy statement. You should read carefully this entire document, including all appendices hereto, to fully understand the Transaction and the voting procedures for the Special Meeting.

In this proxy statement, unless the context requires otherwise, references to “BioScrip,” the “Company,” “we,” “us” or “our” refer to BioScrip, Inc. together with its subsidiaries. When we refer to our operations or results “on a pro forma basis,” we mean the statement is made as if the acquisition of Home Solutions had been completed as of the date stated or as of the beginning of the period referenced.

Q: Why am I receiving this proxy statement?

A. You are receiving this proxy statement because you have been identified as a stockholder of BioScrip as of the record date, and you are entitled to vote at the Special Meeting. This document serves as a proxy statement of our company used to solicit proxies for the Special Meeting. This proxy statement contains important information about the Transaction (as defined below) and the Special Meeting, and you should read it carefully.

Q. What are the proposals on which I am being asked to vote?

A: At the Special Meeting, our stockholders are being asked to vote on the following items:

An amendment to BioScrip’s Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that the Company is authorized to issue from 125 million shares to 250 million shares. The Charter Amendment is necessary to consummate the Transaction and provide BioScrip sufficient authorized Common Stock to issue the Transaction Closing Equity Consideration and the Contingent Shares. If necessary, an adjournment of the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of the Charter Amendment.

Q: What are the reasons for the proposal to increase the number of authorized shares from 125 million to 250 million shares?

A: There are three primary reasons for the Charter Amendment proposal:

The consummation of the Transaction is conditioned upon us obtaining stockholder approval to increase the number of shares of Common Stock that we are authorized to issue pursuant to our certificate of incorporation, because we do not currently have sufficient authorized shares of Common Stock to issue the Transaction Closing Equity Consideration and the Contingent Shares, as discussed elsewhere in this proxy statement. Until our certificate of incorporation is amended to authorize sufficient additional shares of Common Stock, we will not have enough authorized shares to issue the Transaction Closing Equity Consideration and the Contingent Shares.

We currently do not have adequate authorized shares reserved for the conversion of our Series C Preferred Stock or exercise of 1,800,000 Class A and 1,800,000 Class B warrants (collectively, the "PIPE Warrants"). The Charter Amendment would allow us to reserve sufficient shares for the conversion of our Series C Preferred Stock and the exercise of outstanding PIPE Warrants. The Company completed an equity offering of 45,200,000 shares of Common Stock on June 22, 2016 (the "Equity Offering"). Prior to the Equity Offering, a significant number of shares of the Company's Common Stock were reserved for issuance to affiliates of Coliseum Capital Management LLC (the "PIPE Investors") which held shares of the Company's Series A Convertible Preferred Stock, par value \$0.0001 per share (the "Series A Preferred Stock") and the PIPE Warrants, upon conversion of the Series A Preferred Stock and exercise of the PIPE Warrants. In order to issue a greater number of shares of Common Stock in the Equity Offering by utilizing the Common Stock reserved for issuance upon conversion of the Series A Preferred Stock and the exercise of the PIPE Warrants, the Company entered into a series of transactions with the PIPE Investors in which the PIPE Investors agreed to waive the requirement that the Company reserve a sufficient number of shares of Common Stock to allow for the conversion of the Series A Preferred Stock and the exercise of outstanding PIPE Warrants. In connection with such transactions, we agreed to call a Special Meeting of our stockholders to seek approval to an amendment of our Certificate of Incorporation to increase the number of authorized shares of Common Stock so as to allow us to reserve sufficient shares for, among other things, the conversion of the PIPE Investors' preferred stock and the exercise of the PIPE Warrants. See the section of this proxy statement entitled "Proposal One — To Approve An Amendment To The Certificate Of Incorporation To Increase The Authorized Number Of Shares Of Common Stock From 125 Million To 250 Million."

The Board of Directors believes that the Charter Amendment would provide us with increased flexibility in the future to issue capital stock in connection with public or private offerings, stock dividends, financing and acquisition transactions, employee benefit plans and other proper corporate purposes. Moreover, having such additional authorized shares of Common Stock available will give us the ability to issue stock without the expense and delay of a Special Meeting of stockholders, which delay might deprive us of the flexibility the Board of Directors views as important in facilitating the effective use of our stock.

Q: What is the Transaction?

On June 11, 2016, we entered into an Asset Purchase Agreement (the “Initial Asset Purchase Agreement” and, as amended by the First Amendment (as defined below), the “Asset Purchase Agreement”), by and among Home Solutions, certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. Home Solutions is a privately held company that is a leading provider of home infusion and home nursing products and services to patients suffering from chronic and acute medical conditions. Pursuant to the Asset Purchase Agreement, BioScrip will acquire substantially all of the assets and assume certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration (the “Transaction”). In accordance with the terms of the Transaction, BioScrip will not purchase, among other things, (a) any accounts receivable associated with governmental payors, (b) cash assets, (c) certain non-transferrable assets (e.g., state licenses and Medicare and Medicaid certifications and personnel and employment records), (d) the equity of Home Solutions and its subsidiaries; (e) certain tax assets, (f) causes of actions related to any of the items specified as excluded assets or excluded liabilities in the Asset Purchase Agreement, (g) any privileged materials, documents or records of Home Solutions related to such excluded assets or excluded liabilities, or (h) intercompany receivables. See the section of this proxy statement entitled “The Transaction” beginning on page 27. Under applicable law and rules of The Nasdaq Global Market, the Transaction does not require stockholder approval. Accordingly, you are not being asked to vote on or approve the Transaction. However, you are being asked to vote on and approve the Charter Amendment to increase the number of authorized shares of our Common Stock, and shares of Common Stock authorized by the Charter Amendment will be issued in the Transaction. As described below, stockholder approval of the increase in the number of authorized shares of our Common Stock is a condition precedent to the consummation of the Transaction under the Asset Purchase Agreement. The information about the Transaction contained in this proxy statement is provided to enable you to evaluate the proposed uses of a portion of the additional authorized shares.

Q: Who is Home Solutions?

Founded in 1996 and headquartered in Hammonton, New Jersey, Home Solutions is one of the largest independent home infusion therapy providers in the Northeast, Mid-Atlantic, and Southeastern states. The home infusion services provided by Home Solutions help patients transition from hospital to home, by providing a specialized clinical team of registered dietitians, pharmacists, and nurses who collaborate throughout the patient-care process to allow the patient the opportunity to lead a healthier life, and have a lesser likelihood of being readmitted to the hospital. InfuLink®, Home Solutions’ proprietary web monitoring tool, shares data with healthcare providers to help optimize clinical outcomes. Home Solutions has 20 years of experience in creating successful de novo pharmacies, acquiring existing stand-alone pharmacies and creating sustainable growth in new markets. Additionally, Home Solutions has demonstrated experience in obtaining payor contracts across the commercial, government and integrated delivery and accountable care organization networks.

Q. What will BioScrip pay Home Solutions as consideration in the Transaction?

On June 16, 2016, the Company, HomeChoice Partners, Inc. and Home Solutions entered into an amendment to the Asset Purchase Agreement (the “First Amendment”) which modified the terms of the consideration payable by BioScrip to Home Solutions thereunder. Certain terms of the Asset Purchase Agreement as so modified are set forth below. Subject to certain net working capital adjustments, the “Transaction Consideration” is comprised of: (i) \$67.50 million in cash (the “Cash Consideration”); (ii) 3,750,000 shares of our Common Stock (the “Transaction Closing Equity Consideration”); and (iii) contingent equity securities of the Company, in the form of restricted shares of our Common Stock (“RSUs”), issued in two tranches, Tranche A and Tranche B, with different vesting conditions (collectively, the “Contingent Shares”). Upon issuance the RSUs will have no value, but will be reported in our consolidated financial statements at their estimated fair value at the date of issuance. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche A promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip Common Stock, as reported by NASDAQ, averaging \$4.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017 or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$4.00 per share. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche B promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip’s Common Stock, as reported by NASDAQ, averaging \$5.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017, or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$5.00 per share. The aggregate number of RSUs in Tranche A will be approximately 3.1 million and the aggregate number of RSUs in Tranche B will be 4.0 million. The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip’s outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

The Cash Consideration and the Transaction Closing Equity Consideration will be paid at closing, subject to customary closing adjustments. Please see “The Transaction” starting on page 27 for a more detailed description.

Q: How was the consideration to be paid to Home Solutions in the Transaction, including the Transaction Closing Equity Consideration and the RSUs to be issued in connection with the Transaction, determined?

In determining the consideration to be paid in connection with the Transaction, BioScrip’s Board of Directors considered a number of factors, including (1) Home Solutions’ revenue quality and growth history; (2) Home Solutions’ prospects and potential growth opportunities after combining Home Solutions’ strengths with those of BioScrip; (3) the value and contract terms of Home Solutions’ existing customer relationships; (4) the quality of Home Solutions’ management and employees; and (5) Home Solutions’ current earnings before interest, taxes, depreciation and amortization and other measures of profitability and ability for those measures to be accretive to BioScrip’s stockholders.

Q: What is the maximum number of shares that BioScrip will be required to issue in connection with the Transaction?

The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip's outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

6

Q: Will there be any escrow restrictions on the Transaction Consideration applicable after the Transaction?

The Asset Purchase Agreement contains representations, warranties and covenants customary for a transaction of this nature. Subject to certain limitations, Home Solutions and BioScrip have agreed to indemnify each other for breaches of representations, warranties and covenants and other specified matters, and Home Solutions' indemnification obligations are secured, in part, by an escrow of \$5 million of shares of BioScrip Common Stock issuable as Transaction Closing Equity Consideration.

Q: Why does BioScrip want to acquire Home Solutions?

The Board of Directors of BioScrip has determined that the Transaction is in the best interests of BioScrip and its stockholders because the acquisition of Home Solutions presents a compelling strategic opportunity to expand BioScrip's business. The Board of Directors believes that the acquisition of Home Solutions would result in a combined company with a strong position founded on a significantly broader scope and scale of operations that enhance our ability to provide cost-effective care that is driven by clinical excellence and customer service. See the section of this proxy statement entitled "The Transaction—BioScrip's Board of Directors' Reasons for Approving the Transaction" beginning on page 28.

Q: Are there risks associated with the Transaction?

Yes. The material risks associated with the Transaction that are known to us are discussed in the section entitled "Risk Factors" beginning on page 16 of this proxy statement. These risks include, among other things, risks related to the uncertainty that BioScrip will be able to realize the anticipated benefits of the Transaction or successfully integrate Home Solutions with its existing businesses.

Q: What vote is required to approve Proposal One?

Proposal One must be approved by the affirmative vote of the majority of the outstanding shares of BioScrip capital stock entitled to vote, provided that a quorum is present at the Special Meeting. Each stockholder entitled to vote at the Special Meeting may cast one vote in person or by proxy for each share of Common Stock, Series A Preferred Stock and Series C Preferred Stock (on an as-converted into Common Stock basis) held by such stockholder. Holders of shares of Series A Preferred Stock and Series C Preferred Stock are entitled to vote with the holders of shares of Common Stock on an as-converted basis, subject to NASDAQ's voting rights requirements. The PIPE Investors have agreed, pursuant to the Series C Exchange Agreement (as defined below), to vote their shares in favor of the Charter Amendment. See the section of this proxy statement entitled "Proposal One — To Approve An Amendment To The Certificate Of Incorporation To Increase The Authorized Number Of Shares Of Common Stock From 125 Million To 250 Million."

Q: What will happen if the Charter Amendment is not approved by BioScrip's stockholders?

A: If our stockholders do not approve the Charter Amendment, the Transaction will not occur as contemplated by the Asset Purchase Agreement. Approval of the Charter Amendment is a condition to BioScrip's obligation to consummate the Transaction. See the section of this proxy statement entitled "Transaction" beginning on page 27. Further, if stockholder approval of the Charter Amendment is not obtained prior to the earlier of May 17, 2021 and the date all of the Company's obligations under the indenture governing the Company's 8.875% Senior Notes due 2021 have been satisfied, then each holder of the Company's Series C Preferred Stock may elect to require the Company to redeem for cash all shares of Series C Preferred Stock held by such holder for which there are not sufficient authorized shares of Common Stock reserved to allow conversion of such shares of Series C Preferred Stock. See the section of this proxy statement entitled "Proposal One — Reasons for the Charter Amendment" beginning on page 55.

Q: Will there be any change to the Board of Directors or the executive officers of BioScrip after the Transaction?

A: Yes. If we complete the Transaction, the composition of our Board of Directors will change. Following the completion of the Transaction, our Board of Directors has agreed that Home Solutions will have the right to appoint one member to our Board of Directors. In addition, the Company intends to retain the current chief executive officer of Home Solutions, Dan Greenleaf, as its new chief executive officer upon consummation of the Transaction. We have agreed that Mr. Greenleaf will serve on our Board of Directors during such time as he remains chief executive officer. The Asset Purchase Agreement does not require the Company to select Mr. Greenleaf as its president and chief executive officer, and there are no arrangements or understandings between Mr. Greenleaf and any other persons pursuant to which he would be selected as president and chief executive officer if the Transaction is consummated.

The Company and our current president and chief executive officer, Richard M. Smith, have an understanding that Mr. Smith will step down from the position of president and chief executive officer of the Company effective upon consummation of the Transaction. We intend to promote Mr. Smith to Vice Chairman of our Board of Directors, in which capacity he will assist in an orderly transition process.

Q: Will anything happen to my BioScrip Common Stock upon completion of the Transaction?

No. After the completion of the Transaction, each existing BioScrip stockholder will have the same number of shares of BioScrip Common Stock that such stockholder held immediately prior to the Transaction. However, the amount of shares of our Common Stock issuable in connection with the Transaction will increase the total number of shares of outstanding Common Stock significantly and the ownership interests and proportionate voting power of existing shareholders will be significantly diluted.

Q: Will I have dissenters' rights with respect to the Transaction?

A: No. BioScrip stockholders will not have dissenters' rights with respect to the Charter Amendment or the Transaction.

Q: When do you expect the Transaction to be completed?

We expect to complete the Transaction in the third quarter of 2016. The Asset Purchase Agreement, the Transaction and the other agreements and transactions contemplated by the Asset Purchase Agreement have been approved by our Board of Directors and the Board of Directors of Home Solutions. The closing of the Transaction remains subject to a number of closing conditions, including the approval by our stockholders of the Charter Amendment (which is the subject of this proxy statement). It is possible, therefore, that factors outside of our control could require us to complete the Transaction at a later time or not at all.

Q: Does BioScrip's Board of Directors recommend voting in favor of the proposals?

A: Yes. After careful consideration, our Board of Directors has determined that each of the proposals are in the best interests of BioScrip and its stockholders. As a result, our Board of Directors recommends that you vote "FOR" the proposals.

Q: Who is entitled to vote at the Special Meeting?

A:

BioScrip stockholders of record as of the close of business on [], 2016, the record date, are entitled to vote on each of the proposals at the Special Meeting or any adjournments or postponements thereof. Each stockholder entitled to vote at the Special Meeting may cast one vote in person or by proxy for each share of Common Stock, Series A Preferred Stock and Series C Preferred Stock (on an as-converted into Common Stock basis) held by such stockholder. Holders of shares of Series A Preferred Stock and Series C Preferred Stock are entitled to vote with the holders of shares of Common Stock on an as-converted basis, subject to NASDAQ's voting rights requirements.

Q: What does it mean if I receive more than one proxy?

A: It means that you hold BioScrip shares in multiple accounts. Please complete and return all proxies to ensure that all of your BioScrip shares are voted in accordance with your instructions.

Q: How do I vote?

A: You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not indicate your voting preferences, we will vote on your behalf “FOR” the proposals specified in this proxy statement, in accordance with the recommendation of the Board of Directors. You may also follow the instructions on the proxy card to submit voting instructions for your shares via the Internet.

Q: If my BioScrip shares are held in “street name” by my broker, will my broker vote my shares for me?

A: If you hold shares through a brokerage firm, bank, dealer or other nominee (collectively, “nominees” or “brokers”), then you are a holder of shares in “street name.” If you hold your shares beneficially in “street name,” you must review the voting form and follow the voting instructions you receive from your broker. If you hold shares in street name and do not provide your broker with voting instructions, your shares may constitute broker “non-votes,” which occur when a broker is not permitted to vote on that matter without instructions from the beneficial owner and such instructions are not given. Matters on which brokers are not permitted to vote without instructions from the beneficial owner are referred to as “non-routine” matters.

All of the matters scheduled to be voted on at the Special Meeting are likely to be considered “non-routine.” If you do not provide voting instructions to your broker, your shares will not be voted or counted towards any of the proposals. Thus, if you hold shares in street name, it is particularly important that you instruct your broker on how you wish to vote your shares.

Q: How may I revoke or change my vote?

A: The presence of a stockholder at the Special Meeting will not, by itself, revoke such stockholder’s proxy. However, a proxy may be revoked at any time before it is voted.

If you are a stockholder of record, you may revoke your proxy card (i) by delivering to the Secretary of the Company (at the principal executive offices of the Company) a written notice of revocation, (ii) by executing and delivering a later dated proxy or (iii) by attending the Special Meeting and voting in person. Stockholders voting by telephone or via the Internet may also revoke their proxy by attending the Special Meeting and voting in person, by submitting the proxy in accordance with the instructions thereon or by voting again, at a later time, by telephone or via the Internet (a stockholder’s latest telephone or Internet vote, as applicable, will be counted and all earlier votes will be disregarded). However, once voting on a particular proposal is completed at the special meeting, a stockholder will not be able to revoke his or her proxy or change his or her vote as to any proposal or proposals on which voting has been completed.

If you are a beneficial owner, you will need to revoke or resubmit your proxy through your nominee and in accordance with its procedures. In order to attend the Special Meeting and vote in person, you will need to obtain a proxy from your nominee, the stockholder of record.

Q: What happens if I abstain from voting?

Abstentions are counted as “shares present” at the Special Meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote “against” any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because the brokers do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called “broker non-votes”) are considered “shares present” at the Special Meeting for purposes of determining whether a quorum exists. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters, such as the proposals at the Special Meeting. Broker non-votes will not affect the outcome of the vote on any matter.

The Transaction

General Description (page 27)

On June 11, 2016, we entered into the Initial Asset Purchase Agreement, by and among Home Solutions, certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. Home Solutions is a privately held company that is a leading provider of home infusion and home nursing products and services to patients suffering from chronic and acute medical conditions.

On June 16, 2016, we entered into the First Amendment which modified the terms of the Initial APA Consideration (as defined below). Certain terms of the Asset Purchase Agreement as modified by the First Amendment are set forth below. Pursuant to the Asset Purchase Agreement, BioScrip will acquire substantially all of the assets and assume certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration. In accordance with the terms of the Transaction, BioScrip will not purchase, among other things, (a) any accounts receivable associated with governmental payors, (b) cash assets, (c) certain non-transferrable assets (e.g., state licenses and Medicare and Medicaid certifications and personnel and employment records), (d) the equity of Home Solutions and its subsidiaries; (e) certain tax assets, (f) causes of actions related to any of the items specified as excluded assets or excluded liabilities in the Asset Purchase Agreement, (g) any privileged materials, documents or records of Home Solutions related to such excluded assets or excluded liabilities, or (h) intercompany receivables. Subject to certain net working capital adjustments, the consideration for the Transaction is comprised of: (i) \$67.50 million in cash; (ii) 3,750,000 shares of BioScrip Common Stock; and (iii) contingent equity securities of the Company, in the form of RSUs, issued in two tranches, Tranche A and Tranche B, with different vesting conditions. Upon issuance the RSUs will have no value, but will be reported in our consolidated financial statements at their estimated fair value at the date of issuance. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche A promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip Common Stock, as reported by NASDAQ, averaging \$4.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017 or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$4.00 per share. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche B promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip's Common Stock, as reported by NASDAQ, averaging \$5.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017, or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$5.00 per share. The aggregate number of RSUs in Tranche A will be approximately 3.1 million and the aggregate number of RSUs in Tranche B will be 4.0 million. The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip's outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

The Cash Consideration and the Transaction Closing Equity Consideration will be paid at closing, subject to customary closing adjustments. See the section of this proxy statement entitled “The Transaction” beginning on page 27.

BioScrip’s Board of Directors’ Reasons for the Transaction (page 28)

Our Board of Directors has determined that the Transaction is in the best interests of BioScrip and its stockholders because the acquisition of Home Solutions presents a compelling strategic opportunity to expand BioScrip’s business. The Board of Directors believes that the acquisition of Home Solutions would result in a combined company with a strong position founded on a significantly broader scope and scale of operations that enhance our ability to provide cost-effective care that is driven by clinical excellence and customer service.

Opinion of BioScrip's Financial Advisor (page 31)

On August 6, 2015, BioScrip formally engaged Jefferies LLC ("Jefferies") to act as its financial advisor in connection with its ongoing review of its strategic alternatives. On April 15, 2016, BioScrip formally engaged Jefferies to act as its financial advisor in connection with a possible acquisition of Home Solutions, among other possible strategic alternatives. On June 9, 2016, in connection with the consideration to be paid pursuant to the Initial Asset Purchase Agreement, Jefferies rendered its oral opinion, subsequently confirmed in writing, to the Board of Directors (in its capacity as such) that, as of June 9, 2016, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken by Jefferies as set forth in its written opinion, the consideration of (a) cash in an amount equal to \$80 million, subject to adjustment as set forth in the Initial Asset Purchase Agreement, as to which Jefferies expressed no opinion, (b) a number of shares of Common Stock equal to the quotient of (x) 5,000,000 and (y) a number equal to the price per share of Common Stock issued pursuant to the equity offering of Common Stock contemplated by the Initial Asset Purchase Agreement as to which Jefferies expressed no opinion and (c) subject to the occurrence of certain events set forth in the Initial Asset Purchase Agreement, a number of shares of Common Stock, equal to (i) the quotient of (x) 12,375,000 and (y) 4.00 plus (ii) the quotient of (x) 12,375,000 and (y) 5.00 (collectively (a), (b) and (c), the "**Initial APA Consideration**") to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement was fair, from a financial point of view, to BioScrip. The acquisition of substantially all of the assets and assumption of certain liabilities of Home Solutions and its subsidiaries for the Initial APA Consideration as was contemplated pursuant to the Initial Asset Purchase Agreement is referred to herein as the "Initial Transaction."

Jefferies' opinion was directed to the Board of Directors (in its capacity as such) and addresses only the fairness to BioScrip, from a financial point of view, of the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement as of the date of the opinion. It does not address any other aspects of the Initial Transaction and does not constitute a recommendation to any holder of BioScrip Common Stock as to how such shareholder should vote or act on any matter. Jefferies did not render or express any opinion with respect to, and was not requested to render or express any opinion with respect to, and Jefferies' opinion does not address, the First Amendment, the Asset Purchase Agreement (as amended), the Transaction or the Transaction Consideration (or any component thereof).

The full text of the written opinion of Jefferies, dated June 9, 2016, is attached to this proxy statement as Appendix C. Jefferies opinion sets forth, among other things, the assumptions made, procedures followed, matters considered, qualifications and limitations on the scope of review undertaken by Jefferies in rendering its opinion. BioScrip encourages you to read Jefferies opinion carefully and in its entirety. The summary of the opinion of Jefferies set forth in the section of this proxy statement entitled "The Transaction – Opinion of Financial Advisor" is qualified in its entirety by reference to the full text of the opinion.

Recommendation of BioScrip's Board of Directors (page 29)

After due consideration, our Board of Directors has determined that the Charter Amendment and the Transaction is fair to, advisable to, and in the best interests of, BioScrip and its stockholders, and it accordingly approved the Charter Amendment, the Transaction, the Asset Purchase Agreement and the other agreements and transactions contemplated by the Asset Purchase Agreement and recommends that the stockholders of BioScrip vote “FOR” the Charter Amendment and “FOR” the adjournment proposal.

BioScrip’s Board of Directors and Executive Officers after the Consummation of the Transaction (page 37)

If we complete the Transaction, the composition of our Board of Directors will change. Following the completion of the Transaction, our Board of Directors has agreed that Home Solutions will have the right to appoint one member to our Board of Directors. Upon consummation of the Transaction, the Company intends to retain the current chief executive officer of Home Solutions, Dan Greenleaf, as its new chief executive officer. In addition, we have agreed that Mr. Greenleaf will serve on our Board of Directors during such time as he remains chief executive officer. The Company and our current president and chief executive officer, Richard M. Smith, have an understanding that Mr. Smith will step down from the position of president and chief executive officer of the Company effective upon consummation of the Transaction.

Material Federal Income Tax Consequences of the Transaction (page 37)

Because our stockholders do not participate in the Transaction, our stockholders will not recognize gain or loss in connection with the Transaction.

Accounting Treatment (page 37)

The Transaction will be accounted for under the acquisition method of accounting in accordance with the Financial Accounting Standards Board (“**FASB**”) Accounting Standards Codification Section 805 “Business Combinations.”

Federal Securities Law Consequences; Resale Restrictions (page 37)

The shares of our Common Stock to be issued to the Home Solutions shareholders in connection with the Transaction (including any RSUs that vest) will be “restricted securities.” These shares will not be registered under the Securities Act upon issuance and will not be freely transferable. The Home Solutions shareholders may not sell their shares of our Common Stock acquired in connection with the Transaction unless the shares are registered under the Securities Act or an exemption is available thereunder. The Asset Purchase Agreement provides Home Solutions with certain customary registration rights that require us to register the resale of the Transaction Closing Equity Consideration and the Contingent Shares pursuant to the Securities Act.

Regulatory Approvals (page 38)

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), and the rules and regulations promulgated thereunder, the Transaction may not be consummated until required information and materials have been furnished to the Department of Justice (the “DOJ”) and the Federal Trade Commission (the “FTC”), and certain waiting period requirements have expired or been terminated. On June 24, 2016, each of BioScrip and Home Solutions filed a Pre-Merger Notification and Report Form pursuant to the HSR Act with the DOJ and the FTC. At any time before the closing of the Transaction, the DOJ, the FTC or others could take action under the antitrust laws with respect to the Transaction, including seeking to enjoin the consummation of the Transaction or to require the divestiture of certain assets of BioScrip or Home Solutions. There can be no assurance that a challenge to the Transaction on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

Home Solutions holds healthcare licenses, permits and registrations with various state and federal agencies, including home health agency licenses, pharmacy licenses and registrations with the U.S. Drug Enforcement Administration. In connection with the Transaction, certain of these licenses, permits and registrations may need to be transferred or new ones obtained to reflect the change in ownership of the assets of Home Solutions. Further, Home Solutions participates in Medicare and various state Medicaid programs. In connection with the Transaction, new Medicare provider numbers will be obtained to reflect the change in ownership of the assets of Home Solutions. There could be interruption of cash flow and/or loss of revenue during the pendency of the applications for new Medicare provider numbers.

No Dissenters' Rights (page 38)

No shareholder of BioScrip will be entitled to exercise dissenters' rights in connection with the Transaction.

The Asset Purchase Agreement

On June 11, 2016, the Company entered into the Initial Asset Purchase Agreement, by and among the Company, HomeChoice Partners, Inc., a Delaware corporation and a wholly owned subsidiary of the Company, Home Solutions and each of the subsidiaries of Home Solutions set forth on the signature pages to the Initial Asset Purchase Agreement.

On June 16, 2016, the Company, HomeChoice Partners, Inc. and Home Solutions entered into an amendment to the Asset Purchase Agreement which modified the terms of the consideration payable by BioScrip to Home Solutions thereunder. Certain terms of the Asset Purchase Agreement as modified by the First Amendment are set forth below. Pursuant to the Asset Purchase Agreement, the Company has agreed to acquire substantially all of the assets and assume certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration. Subject to certain net working capital adjustments, the Transaction Consideration consists of: (i) \$67.50 million in cash; (ii) 3,750,000 shares of BioScrip Common Stock; and (iii) contingent equity securities of the Company, in the form of RSUs, issued in two tranches, Tranche A and Tranche B, with different vesting conditions. Upon issuance the RSUs will have no value, but will be reported in our consolidated financial statements at their estimated fair value at the date of issuance. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche A promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip Common Stock, as reported by NASDAQ, averaging \$4.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017 or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$4.00 per share. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche B promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip's Common Stock, as reported by NASDAQ, averaging \$5.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017, or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$5.00 per share. The aggregate number of RSUs in Tranche A will be approximately 3.1 million and the aggregate number of RSUs in Tranche B will be 4.0 million. The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip's outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

The Cash Consideration and the Transaction Closing Equity Consideration will be paid at closing, subject to customary closing adjustments. In addition, if within one year from the closing date of the Transaction, Home Solutions is not able to collect the full amount of certain government receivables which constitute excluded assets in the Transaction, the Company will pay Home Solutions the difference between the amount estimated to be collectible at closing and the amount actually collected by Home Solutions. The estimated amount of such governmental receivables at Closing is \$3.0 million.

The Asset Purchase Agreement contains representations, warranties and covenants customary for a transaction of this nature. Subject to certain limitations, BioScrip and Home Solutions have agreed to indemnify each other for breaches of representations, warranties and covenants and other specified matters, and Home Solutions' indemnification obligations are secured, in part, by an escrow of a portion of the Transaction Consideration.

The consummation of the Transaction is subject to customary closing conditions, including, the Company obtaining stockholder approval for the Charter Amendment, the absence of legal orders prohibiting the consummation of the Transaction, the absence of conditions or circumstances constituting a business material adverse effect with respect to

Home Solutions, receipt of approval, or termination of the waiting period, under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, the accuracy of the representations and warranties of the parties, the parties' performance and compliance in all material respects with the agreements and covenants contained in the Asset Purchase Agreement and the parties' attainment of certain third-party consents.

The Asset Purchase Agreement may be terminated by the Company or Home Solutions under certain circumstances specified therein (including the right of the Company or Home Solutions, as the case may be, to terminate the Asset Purchase Agreement if the transactions contemplated therein have not been consummated prior to September 9, 2016) for reasons other than the breach of the Asset Purchase Agreement by the party seeking to terminate. The Company intends to fund the Cash Consideration and pay fees and expenses in connection with the Transaction with a portion of the net proceeds from the Equity Offering, which was consummated on June 22, 2016. The Equity Offering resulted in net proceeds of approximately \$83.15 million, after deducting underwriting discounts and commissions and offering expenses.

Pursuant to the Asset Purchase Agreement, upon consummation of the Transaction, the Company has agreed that (1) for so long as Daniel Greenleaf remains the Chief Executive Officer of the Company, Mr. Greenleaf will be a member of the Company's Board of Directors and (2) Home Solutions will be entitled to designate one member to the Board of Directors for a period of three years; provided that this designation right will terminate if Home Solutions owns less than 50% of the equity interests of the Company (including the Contingent Shares) issued to Home Solutions pursuant to the Asset Purchase Agreement. The Asset Purchase Agreement also provides Home Solutions with certain customary registration rights that require the Company to register the resale of the Closing Equity Consideration and the Contingent Shares pursuant to the Securities Act of 1933, as amended.

Risk Factors

You should carefully consider each of the following risks and all of the other information contained or incorporated by reference in this proxy statement, including the matters addressed in the section entitled “Cautionary Statement on Forward-Looking Statements” on page 21 and the appendices hereto, before deciding how to vote your shares of BioScrip Common Stock at the Special Meeting. We have also disclosed a number of material risks facing BioScrip under Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2015, which is incorporated herein by reference. If any of the risks described below or in the documents incorporated by reference into this proxy statement actually materialize, the business, financial condition, results of operations, prospects or stock price of BioScrip could be materially and adversely affected.

The risks described below are not the only risks that we will face following the Transaction. Additional risks and uncertainties not currently known to us may also materially and adversely affect our business operations and financial condition or the price of our Common Stock following completion of the Transaction.

Risks Relating to the Transaction

We may fail to complete the Transaction if certain required conditions, many of which are outside of our control, are not satisfied.

Completion of the Transaction is subject to various customary closing conditions, including, but not limited to, approval by BioScrip’s stockholders of the Charter Amendment, the absence of legal orders prohibiting the consummation of the Transaction, the absence of conditions or circumstances constituting a business material adverse effect with respect to Home Solutions, receipt of approval, or termination of the waiting period, under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, the accuracy of the representations and warranties of the parties, the parties’ performance and compliance in all material respects with the agreements and covenants contained in the Asset Purchase Agreement and the parties’ attainment of certain third-party consents.

Despite our best efforts, we may not be able to satisfy or timely obtain the various closing conditions, and such failure or delay in completing the Transaction may cause uncertainty or other negative consequences that may materially and adversely affect our performance, financial condition, results of operations, share price and the perceived acquisition value.

Failure to complete the Transaction could adversely affect our business.

If the conditions to completion of the Transaction are not met, or if the Transaction is not completed for any other reason, we will be subject to several risks, including, (a) the price of our Common Stock may decline if the Transaction is not completed, to the extent our current stock price reflects a market assumption that the Transaction will occur, (b) we will remain liable for significant transaction costs that would be payable even if the Transaction is not completed, (c) a failed transaction may result in negative publicity and a negative impression of us in the investment community, (d) our business may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Transaction, and (e) any disruptions to our business resulting from the announcement and pendency of the Transaction, including any adverse changes in our relationships with our employees, vendors, and customers (including Home Solutions), could continue or accelerate in the event of a failed transaction. For these and other reasons, failure to consummate the Transaction could adversely impact our business, financial condition, results of operations, and stock price.

There may be difficulties in integrating Home Solutions' business and operations into our business and operations, and the integration process will place an additional burden on our management and internal resources. We may overestimate the synergies that will result from the Transaction or underestimate the cost of implementing such synergies.

We contemplate that the Transaction will be immediately accretive to BioScrip's stockholders and result in increased earnings and cost savings for us following the integration of Home Solutions into our business. This expectation is based on presumed synergies from consolidation and enhanced growth opportunities. We expect to fully realize the synergies from the Transaction within 12 to 18 months following the consummation of the Transaction and to incur the cost of implementing such synergies within the same period. We currently estimate the range of such synergies to be between \$14 million and \$17 million and that the cost to achieve such synergies will be approximately \$4.6 million. These anticipated benefits will depend in part on whether Home Solutions' operations can be integrated in an efficient and effective manner into our operations, and whether the expected bases or sources of synergies produce the benefits anticipated. Many operational and strategic decisions with respect to Home Solutions following its acquisition by us have not been made and may not have been fully identified. These decisions may present significant challenges to management, including the integration of systems and personnel of the two companies, and special risks, including possible unanticipated liabilities, significant one-time write-offs or restructuring charges, unanticipated costs and the loss of key employees.

While we believe that our expectations regarding the achievement of synergies and other benefits of the Transaction are reasonable, there can be no assurance that the integration of Home Solutions' operations, management and culture into ours will be timely or effectively accomplished. It is possible that the integration process could result in the loss of key employees, the disruption of each company's ongoing businesses, inconsistencies in standards, controls, procedures and policies that adversely affect BioScrip's ability to maintain relationships with customers.

In addition, our ability to realize the anticipated synergies are subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond our control, such as changes to government regulation governing or otherwise impacting our industry, reductions in reimbursement rates from Third Party Payors, reductions in service levels under our contracts, operating difficulties, client preferences, changes in competition and general economic or industry conditions. Consequently, we may overestimate the synergies that will result from the Transaction or underestimate the cost of implementing such synergies.

Further, successful integration of BioScrip's and Home Solutions' operations and personnel will place an additional burden on our management and our internal resources. The additional burden could lead to significant diversion of management attention, which could lead to a decrease in BioScrip's future operating results and thereby negatively impact its share price.

We have and will continue to incur substantial transaction-related costs in connection with the Transaction.

We have incurred, and expect to continue to incur, a number of non-recurring transaction-related costs in initiating and completing the Transaction, integrating the operations of Home Solutions and achieving desired synergies. These fees and costs have been, and will continue to be, substantial. Non-recurring transaction costs include, but are not limited to, fees paid or payable to financial, legal and accounting advisors, filing fees and printing costs. Additional unanticipated costs may be incurred in the integration process. These costs may be higher than expected and could have a material adverse effect on our financial condition, operating results or value.

The Transaction may expose us to unknown or contingent liabilities for which we have no indemnification rights, or we may be subject to liabilities substantially in excess of amounts covered through any indemnification rights, or experience difficulty enforcing such indemnification rights.

We have indemnification rights with respect to breaches of representations and warranties, breaches of covenants and the failure of Home Solutions to satisfy any liabilities that are excluded. Governmental agencies and other third parties bringing claims against Home Solutions with respect to such matters, including claims brought against Home Solutions pursuant to Medicare and Medicaid regulations or under the False Claims Act, may seek to impose liability

on the Company despite the fact that the Company did not assume such liabilities from Home Solutions. Claims relating to such matters may exceed the limit on our indemnification rights. Home Solutions may also have other unknown liabilities which we will be responsible for after the Transaction. If we are held responsible for liabilities not covered by indemnification rights or substantially in excess of amounts covered through any indemnification rights, or if we experience difficulty enforcing such indemnification rights, we could suffer severe consequences that could substantially reduce our revenues, earnings and cash flows. Furthermore, the indemnity does not cover loss of our future revenue or income or loss of business reputation or opportunity that may arise as a consequence of the indemnified liabilities. The indemnified liabilities may, therefore, result in reputational damage to our business that could adversely affect our financial condition.

Anti-assignment provisions in Home Solutions' agreements triggered in connection with the acquisition of Home Solutions by BioScrip may lead to adverse consequences.

Home Solutions may be a party to agreements that contain provisions on assigning the agreement that may be triggered in connection with the Transaction. The operation of these anti-assignment provisions, if triggered, could result in unanticipated expenses and/or the loss of certain customers, vendors or payors. If Home Solutions and BioScrip are unable to negotiate consent to the assignment of the agreements, the counterparties may exercise their rights and remedies under the agreements, potentially terminating the agreements or seeking monetary damages. Even if Home Solutions and BioScrip are able to negotiate consents, the counterparties may require a fee for such consent or seek to renegotiate the agreements on terms less favorable to Home Solutions. Any of the foregoing or similar developments may have an adverse impact on BioScrip's business and results of operations.

The Transaction is subject to the receipt of consents and approvals from government entities that may not be received or that may impose conditions that could have an adverse effect on BioScrip following the completion of the Transaction.

We cannot complete the Transaction unless we receive various consents, orders, approvals and clearances from antitrust, health care regulatory and other authorities in the United States. While we believe that we will receive the requisite regulatory approvals from these authorities, there can be no assurance that such approvals will be received. In addition, these authorities may impose conditions on the completion of the Transaction or require changes to the terms of the Transaction that could result in the divestiture of certain assets of BioScrip or Home Solutions. While we do not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and any such conditions or changes could have the effect of delaying completion of the Transaction or imposing additional costs on or limiting the revenues of BioScrip following the Transaction, any of which may have an adverse effect on us following the Transaction.

A shortage of qualified pharmacists, nursing staff and other professionals could adversely affect our ability to attract, train and retain qualified personnel and could increase operating costs after the Transaction.

Home Solutions' pharmacy business relies significantly on its ability to attract and retain pharmacists and pharmacy technicians. In addition, Home Solutions' business relies on its ability to attract and retain nurses, dietitians and other caregivers who possess the skills, experience and licenses necessary to meet the requirements of its patients. Home Solutions competes for personnel with other providers of pharmacy and home health services. Our ability to attract and retain licensed professionals after the Transaction will depend on several factors, including our ability to provide these licensed professionals with attractive assignments and competitive benefits and salaries. There can be no assurance that BioScrip will be successful in any of these areas. In addition, there are occasional shortages of qualified health care personnel in some of the markets in which Home Solutions operates. As a result, we may face higher costs

to attract licensed professionals and we may have to provide them with more attractive benefit packages than originally anticipated, either of which could cause our profitability to decline. Finally, if we expand Home Solutions' operations into geographic areas where health care providers historically have unionized, we cannot assure you that negotiating collective bargaining agreements will not have a negative effect on our ability to timely and successfully recruit qualified personnel. Generally, if we are unable to attract and retain licensed professionals, the quality of our services may decline and we could lose patients and referral sources.

Failure to retain key employees of both BioScrip and Home Solutions, including executive officers, and the loss of key personnel or the transition of key personnel, including our Chief Executive Officer, could diminish the benefits of the Transaction.

The successful acquisition of Home Solutions will depend in part on the retention of key personnel at Home Solutions, including senior management, and the continued contributions of our senior management. We have not entered into employment agreements with any such key personnel of Home Solutions and there can be no assurances that BioScrip will be able to retain them following the consummation of the Transaction. Further, upon consummation of the Transaction, the Company intends to retain the current chief executive officer of Home Solutions, Dan Greenleaf, as its new chief executive officer. Although we intend to make this transition as smooth as possible, this leadership change may result in disruptions to our business or operations or otherwise limit the ability of our management team to effectively execute on our business plan, which could have an adverse effect on our results of operations and financial condition.

In addition, no assurance can be given that after the Transaction, BioScrip and Home Solutions will be able to attract or retain key management personnel and other key employees to the same extent that BioScrip and Home Solutions have been previously able to attract or retain their own employees.

The unaudited pro forma consolidated financial information is presented for illustrative purposes only and may not be an indication of BioScrip's financial condition or results of operations following the Transaction.

The unaudited pro forma financial information contained in this proxy statement is presented for illustrative purposes only and may not be an indication of the combined company's financial condition or results of operations following the Transaction. For example, the pro forma financial information has been derived from the historical financial statements of BioScrip and Home Solutions, and certain adjustments and assumptions have been made regarding the combined company after giving effect to the Transaction. The information upon which these adjustments and assumptions have been made is preliminary, and such adjustments and assumptions are difficult to make with complete accuracy.

In addition, the unaudited pro forma financial information does not reflect all costs that are expected to be incurred by BioScrip or Home Solutions in connection with Transaction. For example, the impact of any incremental costs incurred in integrating the companies is not reflected in the pro forma financial information. As a result, the actual financial condition and results of operations of BioScrip following the Transaction may differ significantly from the pro forma financial information. In addition, the assumptions used in preparing the pro forma financial information may not prove to be accurate, and other factors may affect BioScrip's financial condition or results of operations following the Transaction.

The Transaction will result in changes to our Board of Directors that may affect the strategy and operations of the combined company as compared to that of BioScrip and Home Solutions.

If we complete the Transaction, the composition of our Board of Directors will change. Following the completion of the Transaction, our Board of Directors has agreed that Home Solutions will have the right to appoint one member to our Board of Directors. In addition, the Company intends to retain the current chief executive officer of Home Solutions, Dan Greenleaf, as its new chief executive officer upon consummation of the Transaction. The Asset Purchase Agreement does not require the Company to select Mr. Greenleaf as its president and chief executive officer, and there are no arrangements or understandings between Mr. Greenleaf and any other persons pursuant to which he would be selected as president and chief executive officer if the Transaction is consummated. We have agreed that Mr. Greenleaf will serve on our Board of Directors during such time as he remains chief executive officer. This new composition of our Board of Directors may affect our business strategy and operating decisions following completion

of the Transaction. In addition, there can be no assurance that the new Board of Directors will function effectively as a team and that there will not be any adverse effects on our business as a result.

The Company and our current president and chief executive officer, Richard M. Smith, have an understanding that Mr. Smith will step down from the position of president and chief executive officer of the Company effective upon consummation of the Transaction. We intend to promote Mr. Smith to Vice Chairman of our Board of Directors, in which capacity he will assist in an orderly transition process.

Current shareholders may have reduced ownership and voting interests after the Transaction. In addition, after BioScrip registers the resale of the BioScrip Common Stock to be used as consideration for the Transaction with the SEC, Home Solutions may elect to sell shares of BioScrip Common Stock on the open market, which may have an adverse effect on the market price of BioScrip Common Stock.

Based on the number of shares of Common Stock of BioScrip outstanding on June 22, 2016, assuming all the RSUs vest, upon the completion of the Transaction, Home Solutions could potentially own approximately 9.5% of our Common Stock, or 10,850,000 shares of our Common Stock, which will be held in the form of the restricted shares to be issued at closing as well as the Contingent Shares, issuable subject to the terms of the Asset Purchase Agreement.

Our shareholders currently have the right to vote for the directors of BioScrip and on other matters affecting BioScrip. When the Transaction occurs, Home Solutions will become a shareholder of BioScrip, which shareholding will increase upon vesting of the Contingent Shares. As a result, the percentage ownership of BioScrip held by each of our current shareholders will be smaller than such shareholder's percentage ownership of BioScrip prior to the Transaction. Our current shareholders will, therefore, have proportionately less ownership and voting interests in BioScrip following the Transaction than they have now.

In addition, BioScrip has agreed to prepare and file with the SEC a Form S-3 registering the resale of the Transaction Closing Equity Consideration and the BioScrip Common Stock issuable following the vesting of the Contingent Shares. After such shares of BioScrip Common Stock have been registered for resale, Home Solutions may elect to sell shares of BioScrip Common Stock in the open market. If Home Solutions chooses to sell shares of BioScrip Common Stock, it could have an adverse effect on the market price of BioScrip Common Stock.

Future sale of a large number of shares of our Common Stock could adversely affect the market price of our Common Stock and may be dilutive to current shareholders.

The sales of a substantial number of shares of our Common Stock, or the perception that such sales could occur, could adversely affect the price for our Common Stock. The Transaction may have a dilutive effect on net income per common share after giving effect to the issuance of the shares our Common Stock in connection with the Transaction. The actual amount of dilution from any future offering of our equity securities cannot be determined at this time. The market price of our Common Stock could decline as a result of sales of a large number of our Common Stock in the market due to the shares our Common Stock issuable in connection with the Transaction, or otherwise, or as a result of the perception or expectation that such sales could occur.

We do not have adequate shares reserved for the conversion or exercise of certain equity-linked securities, including our PIPE Warrants. As a result, such securities, including our PIPE Warrants, may be reclassified from equity to liability, which could result in significant volatility in our earnings.

We currently do not have adequate authorized shares reserved for the conversion or exercise of certain equity-linked securities, including our PIPE Warrants. Under GAAP, the insufficiency of our authorized shares to satisfy the conversion or exercise of equity-linked securities may lead to their reclassification from equity to liability, with changes in fair value recorded in earnings, which may result in significant volatility in our earnings.

A Special Meeting of BioScrip stockholders will be held at [] a.m. local time, on [], 2016 at BioScrip's executive offices at 1600 Broadway, Suite 950, Denver, Colorado 80202.

Purpose of the Special Meeting

The purpose of the Special Meeting is to consider and vote on the following proposals:

Proposal No. 1 An amendment to BioScrip's Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that the Company is authorized to issue from 125 million shares to 250 million shares. The Charter Amendment is necessary to consummate the Transaction and provide BioScrip sufficient authorized Common Stock to issue the Transaction Closing Equity Consideration and the Contingent Shares.

Proposal No. 2 If necessary, an adjournment of the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of the Charter Amendment.

The approval of Proposal No. 1 for the amendment of BioScrip's Second Amended and Restated Certificate of Incorporation is a condition to the completion of the Transaction. Accordingly, if BioScrip is to complete the Transaction with Home Solutions, the stockholders must approve Proposal No. 1.

At the special meeting, BioScrip stockholders will also be asked to consider and vote on any other matter that may properly come before the Special Meeting or any adjournment of the special meeting. At this time, the BioScrip Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the special meeting.

Record Date; Shares Outstanding and Entitled to Vote

BioScrip has fixed the close of business on [], 2016 as the record date for the determination of stockholders of BioScrip entitled to notice of and to vote at the Special Meeting and any adjournment of the special meeting. Each stockholder entitled to vote at the Special Meeting may cast one vote in person or by proxy for each share of Common Stock, Series A Preferred Stock and Series C Preferred Stock (on an as-converted into Common Stock basis) held by such stockholder. Holders of shares of Series A Preferred Stock and Series C Preferred Stock are entitled to vote with the holders of shares of Common Stock on an as-converted basis, subject to NASDAQ's voting rights requirements. At the close of business on the record date, BioScrip had outstanding and entitled to vote 113,880,241 shares of Common Stock, Series A Preferred Stock and Series C Preferred Stock (on an as-converted into Common Stock basis).

How to Vote Your Shares

If you hold your shares in your own name, you may submit a proxy by telephone, via the Internet or by mail or vote by attending the Special Meeting and voting in person.

Submitting a Proxy by Telephone: You can submit a proxy for your shares by telephone until [] p.m. Eastern Time on [], 2016 by calling the toll-free telephone number on the enclosed proxy card. Easy-to-follow voice prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded.

Submitting a Proxy via the Internet: You can submit a proxy via the Internet until [] p.m. Eastern Time on [], 2016 by accessing the web site listed on your proxy card and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. As with telephone proxy submission, you will be given the opportunity to confirm that your instructions have been properly recorded.

Submitting a Proxy by Mail: If you choose to submit a proxy by mail, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions.

If your shares are held in the name of a bank, broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted. Please follow their instructions carefully. Also, please note that if the holder of record of your shares is a broker, bank or other nominee and you wish to vote in person at the special meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy and proof of identification at the special meeting.

How to Change Your Vote

The presence of a stockholder at the Special Meeting will not, by itself, revoke such stockholder's proxy. However, a proxy may be revoked at any time before it is voted.

If you are a stockholder of record, you may revoke your proxy card (i) by delivering to the Secretary of the Company (at the principal executive offices of the Company) a written notice of revocation, (ii) by executing and delivering a later dated proxy or (iii) by attending the Special Meeting and voting in person. Stockholders voting by telephone or via the Internet may also revoke their proxy by attending the Special Meeting and voting in person, by submitting the proxy in accordance with the instructions thereon or by voting again, at a later time, by telephone or via the Internet (a stockholder's latest telephone or Internet vote, as applicable, will be counted and all earlier votes will be disregarded). However, once voting on a particular proposal is completed at the special meeting, a stockholder will not be able to revoke his or her proxy or change his or her vote as to any proposal or proposals on which voting has been completed.

If you are a beneficial owner, you will need to revoke or resubmit your proxy through your nominee and in accordance with its **procedures**. In order to attend the Special Meeting and vote in person, you will need to obtain a proxy from your nominee, the stockholder of record. Any written notice of revocation, or later dated proxy, should be delivered to:

BioScrip, Inc.
1600 Broadway, Suite 950

Denver, Colorado 80202
Attention: Corporate Secretary

Proxies; Counting Your Vote

If you provide specific voting instructions, your shares will be voted at the Special Meeting in accordance with your instructions. If you hold shares in your name and sign and return a proxy card or submit a proxy by **telephone** or via the Internet without giving specific voting instructions, your shares will be voted as follows:

“FOR” the approval of the amendment to BioScrip’s Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that BioScrip is authorized to issue from 125 million shares to 250 million shares; and

“FOR” the approval, if necessary, of an adjournment of the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of the Charter Amendment.

At this time, we are unaware of any matters, other than those matters set forth above, that may properly come before the special meeting. If any other matters properly come before the Special Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Special Meeting or any adjournment of the special meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

The persons named in the enclosed proxy, or their duly constituted substitutes acting at the Special Meeting or any adjournment of the Special Meeting, may propose and vote for one or more adjournments of the special meeting. Proxies solicited may be voted only at the Special Meeting and any adjournment of the Special Meeting and will not be used for any other BioScrip meeting of stockholders.

BioScrip's transfer agent, American Stock Transfer & Trust Company LLC, will serve as proxy tabulator and count the votes. The results will be certified by the Inspector of Elections.

Abstentions and Broker "Non-Votes"

If you hold shares through a broker or other nominee, then you are a holder of shares in "street name." If you hold your shares beneficially in "street name," you must review the voting form and follow the voting instructions you receive from your broker. If you hold shares in street name and do not provide your broker with voting instructions, your shares may constitute broker "non-votes," which occur when a broker is not permitted to vote on that matter without instructions from the beneficial owner and such instructions are not given. Matters on which brokers are not permitted to vote without instructions from the beneficial owner are referred to as "non-routine" matters.

All of the matters scheduled to be voted on at the Special Meeting are likely to be considered "non-routine." If you do not provide voting instructions to your broker, your shares will not be voted or counted towards any of the proposals. Thus, if you hold shares in street name, it is particularly important that you instruct your broker on how you wish to vote your shares.

Quorum and Required Votes

Votes cast by proxy or in person at the Special Meeting will be tabulated by the Inspector of Elections, who will also determine whether a quorum is present. A quorum requires the presence, in person or by proxy, of the holders of a majority of the aggregate shares of Common Stock (inclusive of the Series A Preferred Stock and Series C Preferred Stock on an as-converted into Common Stock basis) issued and outstanding and entitled to vote at the Special Meeting. In accordance with the Certificate of Designations filed by the Company with the Secretary of State of the State of Delaware on March 9, 2015 with respect to the Series A Preferred Stock and the Certificate of Designations filed by the Company with the Secretary of State of the State of Delaware on June 14, 2016 with respect to the Series C Preferred Stock, shares of Common Stock into which shares of Series A Preferred Stock and Series C Preferred Stock are convertible will be counted for purposes of establishing a quorum at the Special Meeting. Abstentions are counted as present and entitled to vote for purposes of determining whether a quorum exists. Broker "non-votes" are counted as present solely for purposes of determining whether a quorum exists. If the stockholders present in person

or by proxy at the Special Meeting constitute holders of less than a majority of the aggregate shares of Common Stock entitled to vote (which includes the Series A Preferred Stock and the Series C Preferred Stock on an as-converted into Common Stock basis), the Special Meeting may be adjourned to a subsequent date for the purpose of obtaining a quorum.

Proposal No. 1: Proposal No. 1 to amend BioScrip's Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that the Company is authorized to issue from 125 million shares to 250 million shares requires the affirmative vote of the majority of the outstanding shares of BioScrip capital stock entitled to vote, provided that a quorum is present at the Special Meeting. Abstentions will be counted as shares present and entitled to vote and therefore will have the same effect as a vote against Proposal 1. **The approval of Proposal No. 1 is a condition to the completion of the Transaction.**

Proposal No. 2: Proposal No. 2 to adjourn, if necessary, the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of Proposal 1 or Proposal 2, requires the affirmative vote of the holders of a majority of the shares of BioScrip Common Stock present in person or represented by proxy at the Special Meeting, whether or not a quorum is present. Abstentions will be counted as shares present and entitled to vote and therefore will have the same effect as a vote against Proposal 2. Broker "non-votes" will not be deemed represented at the Special Meeting for purposes of voting on Proposal 2 and, therefore, will have no effect on Proposal 2. **The approval of Proposal No. 2 is not a condition to the completion of the Transaction.**

Solicitation of Proxies

The solicitation of proxies will be conducted primarily by mail, and BioScrip will bear all associated costs of the solicitation process. These costs include the expenses of preparing and mailing proxy solicitation materials for the Special Meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding such materials to beneficial owners of shares of Common Stock, Series A Preferred Stock and Series C Preferred Stock. BioScrip may conduct further solicitations personally, telephonically or by facsimile through its officers, directors and employees, none of whom will receive additional compensation for assisting with any such solicitations.

Recommendation of the BioScrip Board of Directors

The BioScrip Board of Directors has unanimously determined that the Charter Amendment is in the best interests of BioScrip and its stockholders and approved the increase in the number of shares of Common Stock that BioScrip is authorized to issue from 125 million shares to 250 million shares. Further, the BioScrip Board of Directors has unanimously determined that the Transaction is fair to and in the best interests of BioScrip and its stockholders and approved the issuance of BioScrip Common Stock in accordance with the Asset Purchase Agreement. See the section entitled “The Transaction — BioScrip’s Board of Directors’ Reasons for Approving the Transaction” beginning on page 28 for a more detailed discussion.

The BioScrip Board of Directors recommends that you vote “FOR” the approval of the amendment to BioScrip’s Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that BioScrip is authorized to issue from 125 million shares to 250 million shares; and “FOR” the approval, if necessary, of an adjournment of the Special Meeting, including for the purpose of soliciting additional proxies, if there are not sufficient votes in favor of the Charter Amendment.

The Transaction

At the Special Meeting, our stockholders will be asked to consider and vote upon a proposal to approve the amendment to BioScrip's Second Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock that BioScrip is authorized to issue from 125 million shares to 250 million shares, which amendment is a condition to BioScrip's obligation to consummate the proposed acquisition of the assets of Home Solutions. Set forth below in this section, and in the section entitled "Asset Purchase Agreement" beginning on page 39, is a discussion of the Transaction, including a description of the terms and conditions of the Asset Purchase Agreement. You should review these sections carefully in connection with your consideration of Proposal No. 1.

General Description

On June 11, 2016, we entered into the Initial Asset Purchase Agreement, by and among Home Solutions, certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. Home Solutions is a privately held company that is a leading provider of home infusion and home nursing products and services to patients suffering from chronic and acute medical conditions.

On June 16, 2016, the Company, HomeChoice Partners, Inc. and Home Solutions entered into an amendment to the Asset Purchase Agreement which modified the terms of the consideration payable by BioScrip to Home Solutions thereunder. Certain terms of the Asset Purchase Agreement as modified by the First Amendment are set forth below. Pursuant to the Asset Purchase Agreement, BioScrip will acquire substantially all of the assets and assume certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration. In accordance with the terms of the Transaction, BioScrip will not purchase, among other things, (a) any accounts receivable associated with governmental payors, (b) cash assets, (c) certain non-transferrable assets (e.g., state licenses and Medicare and Medicaid certifications and personnel and employment records), (d) the equity of Home Solutions and its subsidiaries; (e) certain tax assets, (f) causes of actions related to any of the items specified as excluded assets or excluded liabilities in the Asset Purchase Agreement, (g) any privileged materials, documents or records of Home Solutions related to such excluded assets or excluded liabilities, or (h) intercompany receivables. Subject to certain net working capital adjustments, the Transaction Consideration is comprised of: (i) \$67.50 million in cash; (ii) 3,750,000 shares of BioScrip Common Stock; and (iii) contingent equity securities of the Company, in the form of RSUs, issued in two tranches, Tranche A and Tranche B, with different vesting conditions. Upon issuance the RSUs will have no value, but will be reported in our consolidated financial statements at their estimated fair value at the date of issuance. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche A promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip Common Stock, as reported by NASDAQ, averaging \$4.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017 or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$4.00 per share. BioScrip will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche B

promptly, and in any event within five business days, following the earlier of (a) the closing price of BioScrip's Common Stock, as reported by NASDAQ, averaging \$5.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017, or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$5.00 per share. The aggregate number of RSUs in Tranche A will be approximately 3.1 million and the aggregate number of RSUs in Tranche B will be 4.0 million. The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip's outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

The Cash Consideration and the Transaction Closing Equity Consideration will be paid at closing, subject to customary closing adjustments.

The Asset Purchase Agreement contains representations, warranties and covenants customary for a transaction of this nature. Subject to certain limitations, Home Solutions and BioScrip have agreed to indemnify each other for breaches of representations, warranties and covenants and other specified matters, and Home Solutions' indemnification obligations are secured, in part, by an escrow of a portion of the Transaction Consideration.

The consummation of the Transaction is subject to customary closing conditions, including, the Company obtaining stockholder approval of the Charter Amendment, the absence of legal orders prohibiting the consummation of the Transaction, the absence of conditions or circumstances constituting a business material adverse effect with respect to Home Solutions, receipt of approval, or termination of the waiting period, under the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended, the accuracy of the representations and warranties of the parties, the parties' performance and compliance in all material respects with the agreements and covenants contained in the Asset Purchase Agreement and the parties' attainment of certain third-party consents.

The Asset Purchase Agreement may be terminated by the Company or Home Solutions under certain circumstances specified therein (including the right of the Company or Home Solutions, as the case may be, to terminate the Asset Purchase Agreement if the transactions contemplated therein have not been consummated prior to September 9, 2016) for reasons other than the breach of the Asset Purchase Agreement by the party seeking to terminate.

Pursuant to the Asset Purchase Agreement, upon consummation of the Transaction, the Company has agreed that (1) for so long as Daniel Greenleaf remains the Chief Executive Officer of the Company, Mr. Greenleaf will be a member of the Company's Board of Directors and (2) Home Solutions will be entitled to designate one member to the Board of Directors for a period of three years; provided that this designation right will terminate if Home Solutions owns less than 50% of the equity interests of the Company (including the Contingent Shares) issued to Home Solutions pursuant to the Asset Purchase Agreement. The Asset Purchase Agreement also provides Home Solutions with certain customary registration rights that require the Company to register the resale of the Closing Equity Consideration and the Contingent Shares pursuant to the Securities Act of 1933, as amended.

We expect to complete the Transaction in the third quarter of 2016.

BioScrip's Board of Directors' Reasons for Approving the Transaction

Background of the Transaction

As part of its ongoing financial improvement plan and review of strategic alternatives available to the Company, the Board of Directors, together with management, regularly explores the strategic alternatives available to BioScrip, including, among other things, possible strategic combinations and acquisitions. In August of 2015, the Company formally retained Jefferies LLC as its financial advisor to assist with the financial improvement plan and exploration of strategic alternatives. On April 15, 2016, BioScrip formally engaged Jefferies to act as its financial advisor in connection with a possible acquisition of Home Solutions, among other possible strategic alternatives.

The Company had a series of preliminary discussions with Home Solutions and its largest shareholder, KRG Capital Partners (the “Sellers”), beginning in February and March, 2016, to explore a potential transaction between BioScrip and Home Solutions.

After a non-disclosure agreement was executed on March 3, 2016, each of the parties began conducting due diligence, including through management presentations and access to online data rooms. In addition to Jefferies LLC acting as a financial advisor, BioScrip retained other third party advisors to focus on the financial, regulatory compliance, tax, human resources and information technology aspects of the proposed transaction, including Polsinelli PC and Gibson, Dunn & Crutcher LLP as its counsel. BioScrip also retained Pricewaterhouse Coopers to perform financial and commercial due diligence. The Sellers retained Ropes & Gray LLP as their counsel.

Consistent with its periodic review of the Company’s strategic alternatives, the Board of Directors previously formed a special committee which is currently comprised of the following directors: R. Carter Pate, Michael Bronfein, Michael Goldstein (chair) and David Golding. During the months of April, May and June, the parties and their respective counsel negotiated the structure of and provisions in the Asset Purchase Agreement and the ancillary documents.

The special committee of the Board of Directors and the full Board of Directors met on numerous occasions for the purpose of having management, Jefferies and counsel review the proposed transaction with Home Solutions with them, including extensive summaries of Home Solutions' business and detailed reviews of the findings of BioScrip's third party advisors and management in connection with the due diligence investigation of Home Solutions, and to establish the general procedures by which the committee would review the status of the transaction on an ongoing basis and keep abreast of any significant developments. Following consideration of all relevant factors, the special committee on June 9, 2016 unanimously determined to recommend the transaction with Home Solutions to the Board of Directors. On June 9, 2016, the Board of Directors held a special meeting with representatives of Jefferies, Polsinelli PC, Gibson, Dunn & Crutcher LLP and Dechert LLP present. Representatives from Jefferies reviewed with the Board a financial analysis of the proposed Initial Transaction, responded to questions from members of the Board of Directors regarding its financial analysis and delivered Jefferies' oral opinion to the Board of Directors (in its capacity as such), to the effect that and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken by Jefferies as set forth in its written opinion, the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement was fair, from a financial point of view, to BioScrip.

After an extensive discussion of the proposed transaction on various dates, including all relevant matters, the Board of Directors unanimously approved the Company's entry into the Transaction upon the terms set forth in the Initial Asset Purchase Agreement, subject to the resolution of the open issues in a manner acceptable to the special committee. Following final negotiations regarding open issues with the Sellers, the final terms of the Initial Asset Purchase Agreement were agreed upon on June 11, 2016 and the parties executed the Initial Asset Purchase Agreement on the same date. On June 13, 2016, BioScrip issued a press release and filed a Form 8-K with the SEC announcing the execution of the Initial Asset Purchase Agreement.

Following announcement of the Initial Transaction and the forthcoming Equity Offering on June 13, 2016, and receipt of preliminary feedback from the Company's investors, the Board on June 15, 2016, authorized the special committee to seek to renegotiate the amount and components of the consideration to be paid pursuant to the Initial Asset Purchase Agreement. After extensive discussions with KRG and Home Solutions, the parties executed the First Amendment to the Initial Asset Purchase Agreement on June 16, 2016. Pursuant to the First Amendment the parties, among other things, agreed to reduce the total consideration to be paid at closing from \$85 million to \$75 million and increase the contingent consideration in the form of RSUs from \$24.75 million to \$32.375 million. Given the timing constraints and the fact that the consideration to be paid at closing was decreased from \$85 million to \$75 million and the cash component of the consideration was decreased from \$80 million to \$67.5 million, the Board of Directors did not ask Jefferies to issue a new fairness opinion with respect to the consideration to be paid pursuant to the First Amendment.

Recommendation of BioScrip's Board of Directors

BioScrip's Board of Directors has unanimously:

approved the Charter Amendment, the Transaction, the Asset Purchase Agreement and the other agreements and transactions contemplated by the Asset Purchase Agreement in all respects;

determined that the form, terms and provisions of the Asset Purchase Agreement, including all exhibits and schedules attached thereto, are fair, advisable, and in the best interests of BioScrip and its stockholders; and

recommended that BioScrip stockholders approve the Charter Amendment which is a condition to consummation of the Transaction.

In evaluating the Asset Purchase Agreement, the Transaction and the other agreements and transactions contemplated by the Asset Purchase Agreement, and recommending that BioScrip's stockholders vote their shares of Common Stock for the Charter Amendment, BioScrip's Board of Directors consulted with BioScrip's senior management, Jefferies, consultants and legal counsel. Based on these consultations and the factors discussed below, BioScrip's Board of Directors concluded that the Charter Amendment and the Transaction is in the best interests of BioScrip's stockholders. In reaching this determination, BioScrip's Board of Directors considered a number of factors, including the following material factors:

historical information concerning the businesses, prospects, financial performance and condition, operations, management and the competitive position of Home Solutions;

the anticipated financial condition, results of operations and businesses of BioScrip after giving effect to the Transaction;

the fact that the Transaction is consistent with and will further our strategic objective to be a clinical leader in infusion pharmacy services and care management programs and enhance BioScrip's position as one of the largest home infusion providers in the U.S.;

the fact that the Transaction will enhance BioScrip's position as the largest leading independent, broad-based home infusion provider, thereby providing us with a greater competitive edge vis-à-vis our competitors;

the expansion of BioScrip's national footprint and increased home infusion platform with the ability to cross-sell all of our services to large national health insurers on a national basis;

the potential opportunities for growth and expansion as a result of the concentration on higher margin therapies, resulting in overall increased margins;

broadened clinical experience;

the expected synergies of the Transaction, including purchasing and volume discounts, cost reductions and an expanded resource base and infrastructure resulting from the acquisition of 11 infusion pharmacies;

the fact that, as a result of the Transaction, BioScrip will be in a better position to benefit from healthcare reform legislation that alters the regulatory framework of the industries in which we operate;

the depth of experience of the combined management teams of BioScrip and Home Solutions, including specifically with respect to the integration, operation and expansion of home infusion providers;

the terms and conditions of the Asset Purchase Agreement generally, including the parties' representations, warranties and covenants and the circumstances in which BioScrip would be entitled to indemnification for breaches of the representations, warranties or covenants of Home Solutions or its stockholders;

the oral opinion of Jefferies, subsequently confirmed in writing to the Board of Directors (in its capacity as such) that, as of June 9, 2016, and based upon and subject to the various assumptions made, procedures followed, matters

considered and qualifications and limitations set forth in the written opinion, the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement was fair, from a financial point of view, to BioScrip;

the improvement of BioScrip's leverage ratios; and

the results of financial, accounting, legal and operational due diligence on Home Solutions performed by our senior management, accountants, consultants, legal counsel and financial advisor.

In the course of its deliberations, BioScrip's Board of Directors also considered a variety of uncertainties, risks and other countervailing factors concerning the Asset Purchase Agreement and the Transaction, including:

BioScrip may be unable to obtain stockholder approval for the Charter Amendment as required by the Asset Purchase Agreement and other conditions to the closing of the transactions contemplated by the Asset Purchase Agreement may not be satisfied;

the possibility of events, changes or other circumstances that could give rise to the termination of the Asset Purchase Agreement;

the transactions contemplated by the Asset Purchase Agreement may involve unexpected costs, liabilities or delays;

the risk that the Transaction and integration of the organizations might take more time and resources than anticipated and may disrupt BioScrip's current plans and operations; and

the limitations on indemnification and absence of cash indemnification.

The foregoing discussion of the information and factors considered by BioScrip's Board of Directors is not intended to be exhaustive, but BioScrip's Board of Directors believes it addresses the material factors considered by it in its consideration of the transactions contemplated by the Asset Purchase Agreement, including factors that may support such transactions as well as factors that may weigh against them. In view of the variety of factors and the amount of information considered, BioScrip's Board of Directors did not find it practicable to, and did not make specific assessments of, quantify or otherwise assign relative weights to, the specific factors considered in reaching its determination. In addition, BioScrip's Board of Directors did not undertake to make any specific determination as to whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to its ultimate determination, and individual members of the BioScrip Board of Directors may have given different weights to the above factors.

After careful consideration, our Board of Directors determined that the transactions contemplated by the Asset Purchase Agreement are in the best interests of the stockholders of BioScrip and approved and declared the advisability of the Asset Purchase Agreement, the Transaction and the other agreements and transactions contemplated by the Asset Purchase Agreement. **The BioScrip Board of Directors recommends that the stockholders of BioScrip vote "FOR" Proposal No. 1.**

Opinion of BioScrip's Financial Advisor

On August 6, 2015, BioScrip formally engaged Jefferies to act as its financial advisor in connection with its ongoing review of its strategic alternatives. On April 15, 2016, BioScrip formally engaged Jefferies to act as its financial advisor in connection with a possible acquisition of Home Solutions, among other possible strategic alternatives. On

June 9, 2016, in connection with the consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement, Jefferies rendered its oral opinion, subsequently confirmed in writing, to the Board of Directors (in its capacity as such) that, as of June 9, 2016, and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of review undertaken by Jefferies as set forth in its written opinion, the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement was fair, from a financial point of view, to BioScrip.

Jefferies' opinion was directed to the Board of Directors (in its capacity as such) and addresses only the fairness to BioScrip, from a financial point of view, of the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement as of the date of the opinion. It does not address any other aspects of the Initial Transaction and does not constitute a recommendation to any holder of BioScrip Common Stock as to how such shareholder should vote or act on any matter. Jefferies did not render or express any opinion with respect to, and was not requested to render or express any opinion with respect to, and Jefferies' opinion does not address, the First Amendment, the Asset Purchase Agreement (as amended), the Transaction or the Transaction Consideration (or any component thereof).

The full text of the written opinion of Jefferies, dated June 9, 2016, is attached to this proxy statement as Appendix C. Jefferies opinion sets forth, among other things, the assumptions made, procedures followed, matters considered, qualifications and limitations on the scope of review undertaken by Jefferies in rendering its opinion. BioScrip encourages you to read Jefferies' opinion carefully and in its entirety. The summary of the opinion of Jefferies set forth below is qualified in its entirety by reference to the full text of the opinion.

In connection with its opinion, Jefferies, among other things:

(i) reviewed a draft dated June 9, 2016 of the Asset Purchase Agreement;

(ii) reviewed certain publicly available financial and other information about BioScrip;

(iii) reviewed certain information furnished to Jefferies by the management of BioScrip, including financial forecasts and analyses relating to the business, operations and prospects of Home Solutions prepared by the managements of Home Solutions and BioScrip and financial forecasts and analyses relating to the business, operations and prospects of BioScrip prepared by the management of BioScrip, and in each case approved for Jefferies' use by the management of BioScrip;

(iv) reviewed certain estimates as to the amount and timing of cost savings (collectively, the "Opinion Cost Savings") anticipated by the management of BioScrip to result from the Initial Transaction and approved for Jefferies' use by the management of BioScrip;

(v) held discussions with members of senior management of BioScrip and Home Solutions concerning the matters described in clauses (iii) and (iv) above;

(vi) reviewed the share trading price history and valuation multiples for the Common Stock and compared them with those of certain other publicly traded companies that Jefferies deemed relevant;

(vii) compared the proposed financial terms of the Initial Transaction with the financial terms of certain other transactions that Jefferies deemed relevant;

(viii) considered the potential pro forma impact of the Initial Transaction, after taking into account the Opinion Cost Savings, utilizing financial forecasts and estimates relating to Home Solutions and BioScrip prepared and furnished to Jefferies by the management of BioScrip; and

(ix) conducted such other financial studies, analyses and investigations as Jefferies deemed appropriate.

In Jefferies' review and analysis and in rendering its opinion, Jefferies assumed and relied upon, but did not assume any responsibility to independently investigate or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by BioScrip or Home Solutions or that was otherwise reviewed by Jefferies (including, without limitation, the information described above). Jefferies relied on assurances of the management of BioScrip that it was not aware of any facts or circumstances that would make such information inaccurate or misleading. In its review, Jefferies did not obtain any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of, nor did Jefferies conduct a physical inspection of any of the properties or facilities of Home Solutions, BioScrip or any other entity, nor was Jefferies furnished with any such evaluations or appraisals of such physical inspections, nor did Jefferies assume any responsibility to obtain any such evaluations or appraisals. Jefferies assumed that BioScrip, HomeChoice Partners, Inc. and their respective subsidiaries will not assume, or otherwise have any liability for, any excluded liabilities set forth in the Initial Asset Purchase Agreement at any time.

With respect to the financial forecasts provided to and examined by Jefferies, Jefferies' opinion noted that projecting future results of any company is inherently subject to uncertainty. BioScrip informed Jefferies, however, and Jefferies assumed, that such financial forecasts and estimates relating to Home Solutions and BioScrip (including the Opinion Cost Savings) that Jefferies was directed to utilize in its analyses were reasonably prepared on bases reflecting the best then currently available estimates and good faith judgments of the management of Home Solutions and BioScrip as to the future financial performance of Home Solutions and BioScrip, the Opinion Cost Savings and the other matters covered thereby. Jefferies expressed no opinion as to any such financial forecasts or estimates or the assumptions on which they are based and assumed that the financial results reflected in the financial forecasts and estimates utilized in Jefferies' analyses, including with respect to Opinion Cost Savings, will be realized in the amounts and at the times projected. Jefferies relied, at the Board of Directors' direction, upon the assessments of the management of BioScrip as to, among other things, the ability of BioScrip to integrate the businesses of Home Solutions with those of BioScrip. At the Board of Directors' direction, Jefferies assumed that there would be no developments with respect to any such matters that would have an adverse effect on Home Solutions, BioScrip or the Initial Transaction (or the contemplated benefits thereof) or that otherwise would be meaningful in any respect to Jefferies' analyses or opinion. At the Board of Directors' direction, Jefferies further assumed that there would not be any adjustments to the Initial APA Consideration that would be meaningful in any respect to Jefferies' analyses or opinion.

Jefferies' opinion was based on economic, monetary, regulatory, market and other conditions existing and which could be evaluated as of June 9, 2016. Jefferies expressly disclaimed any undertaking or obligation to advise any person of any change in any fact or matter affecting Jefferies' opinion of which Jefferies may become aware after such date. Jefferies did not render or express any opinion with respect to, and was not requested to render or express any opinion with respect to, and Jefferies' opinion does not address, the First Amendment, the Asset Purchase Agreement (as amended), the Transaction or the Transaction Consideration (or any component thereof).

Jefferies made no independent investigation of any legal or accounting matters affecting Home Solutions, BioScrip and their respective businesses or the Initial Transaction, and Jefferies assumed the correctness in all respects material to Jefferies' analysis of all legal and accounting advice given to BioScrip and the Board of Directors, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the Initial Asset Purchase Agreement to BioScrip. In addition, in preparing its opinion, Jefferies did not take into account any tax consequences of the Initial Transaction to BioScrip or its stockholders. At the Board of Directors' direction, Jefferies' assumed that the consideration payable pursuant to the Initial Asset Purchase Agreement would be the Initial APA Consideration, rather than the consideration set forth in the draft of the Initial Asset Purchase Agreement reviewed by Jefferies, which had provided that the consideration described in clause (a) of the definition of Initial Transaction Consideration would be \$85,000,000 and does not provide for the consideration described in clause (b) of the definition of Initial Transaction Consideration. Except as set forth in the immediately preceding sentence, Jefferies assumed that the final form of the Initial Asset Purchase Agreement would be substantially similar to the last draft reviewed by Jefferies. Jefferies also assumed that the Initial Transaction would be consummated in accordance with its terms without waiver, modification or amendment of any term, condition or agreement and in compliance with all applicable laws, documents and other requirements and in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Initial Transaction, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Home Solutions, BioScrip, their respective businesses or the contemplated benefits of the Initial Transaction.

Jefferies' opinion was for the use and benefit of the BioScrip Board of Directors (in its capacity as such) in its consideration of the Initial Transaction, and Jefferies' opinion did not address the relative merits of the transactions contemplated by the Initial Asset Purchase Agreement as compared to any alternative transaction or opportunity that might be available to BioScrip, nor did it address the underlying business decision by BioScrip to engage in the Initial Transaction or the terms of the Initial Asset Purchase Agreement or the documents referred to therein. Jefferies' opinion does not constitute a recommendation as to how any holder of shares of Common Stock should vote on any matter. In addition, Jefferies' opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of BioScrip or any other party to the Initial Asset Purchase Agreement. Jefferies expressed no view or opinion as to (i) the actual value of the Common Stock in the event it is issued pursuant to the Initial Asset Purchase Agreement, (ii) the prices at which the Common Stock will trade at any time, (iii) the prices at which any other equity securities of BioScrip will be transferable at any time or (iv) any other transaction that may be undertaken by BioScrip, whether or not related to the Initial Transaction, including any issuance of additional Common Stock. Jefferies did not render or express any opinion with respect to, and was not requested to render or express any opinion with respect to, and Jefferies' opinion does not address, the First Amendment, the Asset Purchase Agreement (as amended), the Transaction or the Transaction Consideration (or any component thereof). Furthermore, Jefferies did not express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to or to be received by any officers, directors or employees, or any class of such persons, of any party to the Initial Asset Purchase Agreement in connection with the Initial Transaction relative to the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement. Jefferies' opinion was authorized by the Fairness Committee of Jefferies LLC.

In preparing its opinion, Jefferies performed a variety of financial and comparative analyses. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant quantitative and qualitative methods of financial analysis and the applications of those methods to the particular circumstances and, therefore, is not necessarily susceptible to partial analysis or summary description. Jefferies believes its analyses must be considered as a whole. Considering any portion of Jefferies' analyses or the factors considered by Jefferies, without considering all analyses and factors, could create a misleading or incomplete view of the process underlying the conclusion expressed in Jefferies' opinion. In addition, Jefferies may have given various analyses more or less weight than other analyses and may have deemed various assumptions more or less probable than other assumptions, so that the implied reference ranges resulting from any particular analysis described below should not be taken to be Jefferies' view of Home Solutions actual value. Accordingly, the conclusions reached by Jefferies are based on all analyses and factors taken as a whole and also on the application of Jefferies' own experience and judgment. In performing its analyses, Jefferies considered numerous assumptions with respect to industry performance, general business, economic, monetary, regulatory, market and other conditions and other matters, many of which are beyond BioScrip's, Home Solutions and Jefferies' control. The analyses performed by Jefferies are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than suggested by such analyses. In addition, analyses relating to the per share value of BioScrip Common Stock do not purport to be appraisals or to reflect the prices at which BioScrip Common Stock may actually be sold. The analyses performed were prepared solely as part of Jefferies' analysis of the fairness, from a financial point of view, of the Initial APA Consideration to be paid by BioScrip pursuant to the Initial Asset Purchase Agreement, and were provided to the BioScrip Board of Directors (in its capacity as such) in connection with the delivery of Jefferies' opinion. The Initial APA Consideration was determined through negotiation between Home Solutions and BioScrip and the decision by BioScrip to enter into the Initial Asset Purchase Agreement was solely that of BioScrip's Board of Directors.

The following is a summary of the material financial and comparative analyses performed by Jefferies in connection with Jefferies' delivery of its opinion and reviewed with BioScrip's Board of Directors at its meeting on June 9, 2016. The financial analyses summarized below include information presented in tabular format. In order to fully understand Jefferies' financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data described below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Jefferies' financial analyses.

Selected Public Companies

Jefferies reviewed publicly available financial and stock market information of the following eight public companies, of which five were in the home health sector, two were in the other post-acute provider sector and one was in the infusion sector, that Jefferies in its professional judgment considered generally relevant to Home Solutions for purposes of its financial analysis, and compared such information with similar information of Home Solutions provided to Jefferies by management of BioScrip.

Selected Public Companies:

Home Health:

Addus HomeCare Corporation

Almost Family Inc.

Amedisys Inc.

Chemed Corp.

LHC Group, Inc.

Other Post-Acute Provider:

HEALTHSOUTH Corp.

Kindred Healthcare Inc.

Infusion:

BioScrip, Inc.

Jefferies reviewed, among other things, the total enterprise value (“TEV”), calculated as fully-diluted equity values based on closing stock prices on June 6, 2016 plus total debt, preferred equity and non-controlling interests (as applicable) less cash and cash equivalents and long term investments, for the selected companies, as a multiple of their respective estimated earnings before interest, taxes, depreciation and amortization, adjusted for deduction of non-cash and stock-based compensation expense (“Adjusted EBITDA”) for calendar years 2016 and 2017.

Applying a range of selected multiples from each of the selected public companies to Home Solutions’ estimated Adjusted EBITDA for calendar years 2016 and 2017, respectively, Jefferies derived the following ranges of implied enterprise value for Home Solutions:

Selected Public Company Multiple	Selected Public Company Reference Range	Implied Enterprise Value Range (\$ in millions)	Implied Enterprise Value Range with Opinion Cost Savings (\$millions)
TEV/CY2016E Adjusted EBITDA	10.0x - 13.0x	\$54.9 - \$71.3	\$71.1 - \$92.4*
TEV/CY2017E Adjusted EBITDA	9.0x - 11.0x	\$59.4 - \$72.5	\$146.0 - \$178.4**

* Includes Opinion Cost Savings of \$1.6 million for the second half of 2016 per BioScrip management, which cost savings, at the direction of BioScrip management, excluded estimated savings from full branch consolidation, other field level synergies and incremental savings from consolidated buying power.

** Includes Opinion Cost Savings of \$9.6 million for 2017 per BioScrip management, which cost savings, at the direction of BioScrip management, excluded estimated savings from full branch consolidation, other field level synergies and incremental savings from consolidated buying power.

None of the selected companies is identical to Home Solutions. In evaluating the selected companies, Jefferies made numerous judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond Home Solutions’, Bioscrip’s and Jefferies’ control. Mathematical analysis, such as determining the median, is not in itself a meaningful method of using the selected companies’ data.

Selected Precedent Transactions

Jefferies reviewed certain financial information relating to 11 completed transactions in the infusion sector listed below, that Jefferies in its professional judgment considered generally relevant.

Acquiror	Target
OptumRx	AxelaCare Health Solutions
Madison Dearborn Partners	Walgreens Infusion Services
CVS Caremark Corporation	Coram LLC
BioScrip, Inc.	CarePoint Partners, LLC
The Linde Group	Lincare Holdings Inc.
Catamaran Corporation	MedfusionRx, LLC
BioScrip, Inc.	Critical Homecare Solutions Holdings, Inc.
H.I.G. Capital, LLC	Allion Healthcare, Inc.
The Blackstone Group	Apria Healthcare Group Inc.
Apria Healthcare Group Inc.	Coram LLC
Walgreen Co.	Option Care, Inc.

Jefferies reviewed transaction enterprise values of the selected transactions, if available, and otherwise calculated enterprise transaction values as the purchase prices paid for the target companies involved in such transactions plus total debt, preferred stock and non-controlling interests (as applicable) less cash and cash equivalents, in each case as a multiple of the respective target companies' last twelve months earnings before interest, taxes, depreciation and amortization ("LTM EBITDA") prior to announcement.

Applying a range of selected multiples from the selected transactions to Home Solutions' LTM EBITDA for the period ended March 31, 2016, Jefferies derived the following ranges of implied enterprise value for Home Solutions (financial data for the selected transactions were based on public filings and other publicly available information as well as Jefferies' confidential proprietary information, and financial and other data of Home Solutions were based on internal forecasts and other information provided by BioScrip's management):

Selected Transaction Multiple	Selected Transaction Reference Range	Implied Enterprise Value Range (\$ in millions)
LTM EBITDA (standalone)	11.0x - 15.0x	\$43.6-59.4

No transaction selected by Jefferies for its analysis is identical to the Initial Transaction. In evaluating the Initial Transaction, Jefferies made numerous judgments and assumptions with regard to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond Home Solutions', BioScrip's and Jefferies' control. Mathematical analysis, such as determining the median, is not in itself a meaningful method of analyzing transaction data.

Discounted Cash Flow Analysis

Jefferies performed a discounted cash flow analyses of Home Solutions based on the forecasts for Home Solutions provided to Jefferies by BioScrip management (i) on a standalone basis and (ii) including the Opinion Cost Savings of \$1.6 million for the second half of 2016, \$9.6 million for 2017 and \$10.0 million for each of 2018, 2019 and 2020, per BioScrip management, which cost savings, at the direction of BioScrip management, excluded estimated savings from full branch consolidation, other field level synergies and incremental savings from consolidated buying power, discount rates ranging from 9.6% to 10.6%, which were based on a weighted average cost of capital calculation for the selected companies, and implied terminal enterprise value EBITDA multiples of 9.0x to 11.0x.

This analysis indicated the following ranges of implied enterprise value for Home Solutions:

DCF Analysis

**Implied Enterprise Value Range
(\$ in millions)**

Standalone \$66.0 - \$80.1

Including Opinion Cost Savings* \$142.8 - \$172.9

* Includes Opinion Cost Savings of \$1.6 million for the second half of 2016, \$9.6 million for 2017 and \$10.0 million for each of 2018, 2019 and 2020, per BioScrip management, which cost savings, at the direction of BioScrip management, excluded estimated savings from full branch consolidation, other field level synergies and incremental savings from consolidated buying power.

General

Jefferies was selected by BioScrip's Board of Directors based on Jefferies qualifications, expertise and reputation. Jefferies is an internationally recognized investment banking and advisory firm. Jefferies, as part of its investment banking business, is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, competitive biddings, secondary distributions of listed and unlisted securities, private placements, financial restructurings and other financial services.

We have agreed to pay Jefferies a fee of approximately \$4.5 million, \$1.0 million of which was payable upon delivery of Jefferies' opinion. We have also agreed to reimburse Jefferies for certain expenses incurred, and to indemnify Jefferies against certain liabilities arising out of or in connection with the services rendered or to be rendered by Jefferies under its engagement. Jefferies has, in the past, provided financial advisory and financing services to BioScrip and KRG Capital Partners (the controlling equity owner of Home Solutions) ("KRG") and certain of its affiliates and their affiliated funds' respective majority controlled portfolio companies ("KRG Entities") and, in each case, have received fees in connection with such services. Jefferies acted as the lead joint book-running manager in connection with the Equity Offering and received an underwriting discount of \$3.78 million for acting in such a role. In the two years prior to the date of its opinion, Jefferies performed investment banking and/or financial advisory services to KRG Entities, for which Jefferies has received aggregate fees of approximately \$15.9 million. Jefferies maintains a market in the securities of BioScrip, and in the ordinary course of its business, Jefferies and its affiliates may trade or hold securities of BioScrip and/or BioScrip's affiliates for its own account and for the accounts of Jefferies' customers and, accordingly, may at any time hold long or short positions in those securities. In addition, Jefferies may seek to, in the future, provide financial advisory and financing services to Home Solutions, BioScrip, KRG, the KRG Entities or entities that are affiliated with Home Solutions or BioScrip, for which Jefferies would expect to receive compensation.

Board of Directors and Management of BioScrip Following the Transaction

If we complete the Transaction, the composition of our Board of Directors will change. Following the completion of the Transaction, our Board of Directors has agreed that Home Solutions will have the right to appoint one member to our Board of Directors. Upon consummation of the Transaction, the Company intends to retain the current chief executive officer of Home Solutions, Dan Greenleaf, as its new chief executive officer. In addition, we have agreed that Mr. Greenleaf will serve on our Board of Directors during such time as he remains chief executive officer. The Company and our current president and chief executive officer, Richard M. Smith, have an understanding that Mr. Smith will step down from the position of president and chief executive officer of the Company effective upon consummation of the Transaction. We intend to promote Mr. Smith to Vice Chairman of our Board of Directors, in which capacity he will assist in an orderly transition process.

Material Federal Income Tax Consequences of the Transaction

Because our stockholders do not participate in the Transaction, our stockholders will not recognize gain or loss in connection with the Transaction.

Accounting Treatment

The Transaction will be accounted for under the acquisition method of accounting in accordance with FASB Accounting Standards Codification 805 “Business Combinations.” Under the acquisition method of accounting, the assets acquired and liabilities assumed from Home Solutions as of the date of acquisition (i.e., the completion of the Transaction) will be recorded at their respective fair values. Any excess of the purchase price over the fair value of the identifiable tangible and intangible assets acquired and liabilities assumed will be recorded as goodwill.

Federal Securities Law Consequences; Resale Restrictions

The shares of our Common Stock to be issued in the Transaction to Home Solutions’ shareholders will be issued in a transaction or transactions pursuant to an exemption from the registration requirements of the Securities Act. Therefore, these shares of our Common Stock will be “restricted securities” and will not be registered under the Securities Act upon issuance and will not be freely transferable. The shares of BioScrip Common Stock received by Home Solutions’ shareholders in connection with the Transaction may not be sold except pursuant to an effective registration statement under the Securities Act covering the resale of those shares or an exemption from registration under the Securities Act. BioScrip has agreed, subject to the terms of the Asset Purchase Agreement, to prepare and file with the SEC a Form S-3 registering the resale of BioScrip Common Stock used, or to be used, as consideration in the Transaction. BioScrip has further agreed to enter into the registration rights agreement with Home Solutions’ shareholders in connection with the closing of the Transaction which will govern such shareholders registration rights.

Regulatory Approvals

Under the HSR Act and the rules and regulations promulgated thereunder, the Transaction may not be consummated until required information and materials have been furnished to the DOJ and the FTC, and certain waiting period requirements have expired or been terminated. On June 24, 2016, each of BioScrip and Home Solutions filed a Pre-Merger Notification and Report Form pursuant to the HSR Act with the DOJ and the FTC. At any time before the closing of the Transaction, the DOJ, the FTC or others could take action under the antitrust laws with respect to the Transaction, including seeking to enjoin the consummation of the Transaction, to rescind the Transaction or to require the divestiture of certain assets of BioScrip or Home Solutions. There can be no assurance that a challenge to the Transaction on antitrust grounds will not be made or, if such a challenge is made, that it would not be successful.

Home Solutions holds healthcare licenses, permits and registrations with various state and federal agencies, including home health agency licenses, pharmacy licenses and registrations with the U.S. Drug Enforcement Administration. In connection with the Transaction, certain of these licenses, permits and registrations may need to be transferred or new ones obtained to reflect the change in ownership of the assets of Home Solutions. Further, Home Solutions participates in Medicare and various state Medicaid programs. In connection with the Transaction, new Medicare provider numbers will be obtained to reflect the change in ownership of the assets of Home Solutions. There could be interruption of cash flow and/or loss of revenue during the pendency of the applications for new Medicare provider numbers.

No Dissenters' Rights

No stockholder of BioScrip will be entitled to exercise dissenters' rights and demand payment for his, her or its shares of BioScrip Common Stock in connection with the Charter Amendment or the Transaction.

The Asset Purchase Agreement

The discussion in this proxy statement of the terms and conditions of the Asset Purchase Agreement is subject to and is qualified in its entirety by reference to the Asset Purchase Agreement, a copy of which is attached as Appendix B to this proxy statement and is incorporated into this proxy statement by reference.

The Transaction

On June 11, 2016, the Company entered into the Initial Asset Purchase Agreement, by and among Home Solutions, certain subsidiaries of Home Solutions, BioScrip and HomeChoice Partners, Inc., a Delaware corporation. On June 16, 2016, the Company, HomeChoice Partners, Inc. and Home Solutions entered into the First Amendment, which modified the terms of the Asset Purchase Agreement. The terms of the Asset Purchase Agreement as modified by the First Amendment are set forth below.

Pursuant to the Asset Purchase Agreement, at the closing, the Company will acquire substantially all of the assets (collectively, the “Acquired Assets”) and assume certain liabilities of Home Solutions and its subsidiaries for the Transaction Consideration. In accordance with the terms of the Transaction, the Company will not purchase, among other things, (a) any accounts receivable associated with governmental payors, (b) cash assets, (c) certain non-transferrable assets (e.g., state licenses and Medicare and Medicaid certifications and personnel and employment records), (d) the equity of Home Solutions and its subsidiaries; (e) certain tax assets, (f) causes of actions related to any of the items specified as excluded assets or excluded liabilities in the Asset Purchase Agreement, (g) any privileged materials, documents or records of Home Solutions related to such excluded assets or excluded liabilities, or (h) intercompany receivables.

Closing of the Transaction

The closing of the Transaction will take place on the third business day following the day on which all of the conditions to closing stated in the Asset Purchase Agreement (other than those conditions that by their nature are to be satisfied at the closing) are met or waived.

Consideration for the Transaction

Subject to certain net working capital adjustments, the Transaction Consideration is comprised of: (i) \$67.50 million in cash; (ii) 3,750,000 shares of the Company's Common Stock; and (iii) contingent equity securities of the Company, in the form of restricted shares of the Company's Common Stock, issued in two tranches, Tranche A and Tranche B, with different vesting conditions. Upon issuance the RSUs will have no value, but will be reported in the Company's consolidated financial statements at their estimated fair value at the date of issuance.

Payment of Common Stock subject to the Tranche A RSUs

The Company will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche A promptly, and in any event within five business days, following the earlier of (a) the closing price of the Company's Common Stock, as reported by NASDAQ, averaging \$4.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017 or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$4.00 per share. The aggregate number of RSUs in Tranche A will be approximately 3.1 million.

Payment of Common Stock subject to the Tranche B RSUs

The Company will issue the shares of its Common Stock issuable to Home Solutions pursuant to the RSUs in Tranche B promptly, and in any event within five business days, following the earlier of (a) the closing price of the Company's Common Stock, as reported by NASDAQ, averaging \$5.00 per share or above over 20 consecutive trading days during the period beginning on the closing date of the Transaction and ending December 31, 2019, or (b)(1) a change of control that occurs on or prior to December 31, 2017, or (2) a change of control thereafter but on or prior to December 31, 2019, pursuant to which the consideration payable per share equals or exceeds \$5.00 per share. The aggregate number of RSUs in Tranche B will be 4.0 million.

The maximum amount of Common Stock issuable in connection with the Transaction represents approximately 9.5% of BioScrip's outstanding Common Stock, based on the number of outstanding shares as of June 22, 2016, assuming all the RSUs vest.

The Cash Consideration and the Transaction Closing Equity Consideration will be paid at closing, subject to customary closing adjustments.

Other Covenants

Preservation of the Business

The Asset Purchase Agreement provides that, subject to certain exceptions in the Asset Purchase Agreement, during the period from the signing of the Asset Purchase Agreement to the closing of the Transaction (or termination of the Asset Purchase Agreement pursuant to its terms, if earlier), except as may be required by law or as consented to by the Company in writing or as expressly required or permitted by the Asset Purchase Agreement, Home Solutions, among other things, will continue to manage and operate the business of Home Solutions and its subsidiaries in the ordinary course consistent with past practice and will take the following actions:

Prior to the closing, Home Solutions must use its commercially reasonable efforts to cause its senior management, representatives and advisors (including legal and accounting advisors) to provide the Company such cooperation as may be reasonably requested by the Company in connection with the Equity Offering, including, among other things, reasonably cooperating with the marketing efforts, if any, of the Company for any portion of the Equity Offering.

Prior to the closing, the Company is required to use its commercially reasonable efforts to close the Equity Offering with proceeds of not less than \$70 million as promptly as practicable.

Access and Information

Subject to certain exceptions and limitations, Home Solutions must afford to the Company and its counsel, accountants and other representatives reasonable access during normal business hours, throughout the period prior to the earlier of the closing of the Transaction and the termination of the Asset Purchase Agreement, to Home Solutions' and its subsidiaries' premises, properties, contracts, leases, agreements and litigation documents relating to Home Solutions and its subsidiaries, books of account and other records of Home Solutions and its subsidiaries.

Following the closing of the Transaction, Home Solutions and its representatives will be permitted to access from the Company and its affiliates such books and records relating to Home Solutions and its subsidiaries and treated as Acquired Assets as are reasonably necessary to complete the Transaction or prosecute and defend any third-party litigation or investigation or other third-party inquiry, including audits, compliance with governmental requirements, regulations and requests to which Home Solutions or any of its subsidiaries is a party or is subject, except as provided in the Asset Purchase Agreement.

Restrictive Covenants regarding Participation; Solicitation

Pursuant to the Asset Purchase Agreement, the Company agrees that it will not, directly or indirectly, alone or in association with others (other than the Company or its affiliates) in any capacity, for a period of three years following the closing date:

Participate within the Restricted Area (defined as the United States), other than as a duly authorized agent of the Company or its affiliates or as an owner of 5% or less of any publicly traded company, in the ownership, management, sales, marketing, product development, business development, strategic planning, operation or control of any enterprise which provides or offers to provide or otherwise engages in the provision of any goods or services related to (a) home or alternate site infusion, or (b) the provision of any other product or service provided by Home Solutions or any of its subsidiaries within the 12 months prior to the closing of the Transaction;

The Asset Purchase Agreement also provides Home Solutions with certain customary registration rights that require the Company, within 30 days following the closing of the Transaction, to register the resale of the Transaction Closing Equity Consideration and the Contingent Shares pursuant to the Securities Act.

Indemnification

Indemnification by Home Solutions

Subject to the limitations provided in the Asset Purchase Agreement, the Asset Purchase Agreement provides that, following the closing, Home Solutions will indemnify the Company for any losses arising from, or attributable to:

- Home Solution's breach of any representation or warranty contained in the Asset Purchase Agreement;

any breach or default by Home Solutions of any covenant, obligation or undertaking on its part contained in the Asset Purchase Agreement; or

certain liabilities not assumed by the Company under the Asset Purchase Agreement (including liabilities for certain amounts due or that may become due to Medicare, Medicaid or any other government health care reimbursement or government program contractor or certain other governmental entities).

The Company's claims for indemnification are subject to certain limitations (including time limits for claims to be made (ranging from 18 months to six years following the closing of the Transaction) and a deductible and cap on indemnification amounts) depending on the nature of the claim. The cumulative indemnification obligations of Home Solutions will be limited to \$30 million, with such cap being revised downward over time in accordance with the Asset Purchase Agreement. Home Solutions' indemnification obligations are secured, in part, by an escrow of \$5 million of shares of BioScrip Common Stock issuable as Transaction Closing Equity Consideration and will otherwise result in Home Solutions forfeiting portions of the equity consideration for the Transaction instead of the Cash Consideration.

Indemnification by the Company

Subject to the limitations provided in the Asset Purchase Agreement, the Asset Purchase Agreement provides that, following the closing, the Company will indemnify Home Solutions for any losses arising from, or attributable to:

- the Company's breach of any representation or warranty contained in the Asset Purchase Agreement;

any breach or default by the Company of any covenant, obligation or undertaking on its part contained in the Asset Purchase Agreement; or

the liabilities assumed by the Company under the Asset Purchase Agreement.

Home Solution's claims for indemnification are subject to certain limitations (including time limits for claims to be made (ranging from 18 months to six years following the closing of the Transaction) and a deductible and cap on indemnification amounts) depending on the nature of the claim. The cumulative indemnification obligations of the Company will be limited to \$20 million, provided the first \$10 million of such amount will be payable in cash and the remaining \$10 million of such amount will be payable in shares of the Company's Common Stock.

Conditions to the Transaction

The obligations of the Company and Home Solutions to consummate the Transaction are subject to the fulfillment or written waiver (if permissible under law) at and as of the closing, of the following mutual conditions:

The accuracy of the representations and warranties of the parties as of the closing;

The parties' performance and compliance in all material respects with the agreements, covenants and conditions contained in the Asset Purchase Agreement;

The obligations of Home Solutions to consummate the Transaction are subject to the fulfillment or written waiver (if permissible under law) at and as of the closing, of the following condition:

The Company's delivery of the Transaction Consideration.

The obligations of the Company to consummate the Transaction are subject to the fulfillment or written waiver (if permissible under law) at and as of the closing, of the following conditions:

The absence of conditions or circumstances constituting a business material adverse effect with respect to Home Solutions;

Home Solutions' attainment of certain third-party consents;

The closing of the Equity Offering with gross proceeds of at least \$70 million; and

Approval by the Company's shareholders of Proposal No. 1, as further described below, to increase the number of shares of Common Stock that the Company is authorized to issue pursuant to its certificate of incorporation in connection with the Transaction and to pay the Equity Consideration.

Termination

The Asset Purchase Agreement may be terminated at any time prior to the closing:

by mutual written consent of the Company and Home Solutions;

We present EBITDA, Adjusted EBITDA and Pro Forma Adjusted EBITDA because they are measures management uses to assess financial performance. We believe that companies in our industry use measures of EBITDA, Adjusted EBITDA and Pro Forma Adjusted EBITDA as common performance measurements. We also believe that securities analysts, investors and other interested parties frequently use measures of EBITDA, Adjusted EBITDA and Pro Forma Adjusted EBITDA as financial performance measures and as indicators of ability to service debt obligations. While providing useful information, non-GAAP measures, including EBITDA, Adjusted EBITDA and Pro Forma Adjusted EBITDA, should not be considered in isolation or as a substitute for consolidated statement of operations and cash flows data prepared in accordance with GAAP and should not be construed as an indication of a company's operating performance or as a measure of liquidity. EBITDA, Adjusted EBITDA and Pro Forma Adjusted EBITDA may have material limitations as performance measures because they exclude non-recurring items that are necessary elements of our costs and operations. In addition, "EBITDA," "Adjusted EBITDA," "Pro Forma Adjusted EBITDA" or similar measures presented by other companies may not be comparable to our presentation, because each company may define these terms differently.

Restructuring, integration and other expenses for BioScrip include non-operating costs associated with restructuring and integration initiatives such as employee severance costs, certain non-recurring legal and professional fees, non-recurring training costs, redundant wage costs, impacts recorded from the change in contingent consideration obligations, and other non-recurring costs related to contract terminations and closed branches/offices.

Restructuring, integration and other expenses for Home Solutions include certain one-time or non-recurring costs associated with (i) acquisition expenses (\$0.57 million); (ii) the company's credit facility (\$0.06 million); (iii) labor and compensation expenses including employee severance costs, redundant wage costs and other labor savings (\$0.90 million); (iv) legal costs and settlements (\$1.28 million); and (v) professional fees (\$0.09 million); and certain one-time or non-recurring costs or losses associated with de novo operations and closed branches/offices (\$0.70 million).

Financial Sponsor Management Fees & Expenses reflect expenses associated with KRG Capital Partners, the primary stockholder of Home Solutions. Upon consummation of the Transaction, no future management fees or expenses will be paid.

Reflects certain other diligence adjustments, including an adjustment to net revenues recognized by Home Solutions, net of bad debt expense, to reflect actual historical cash collections experience.

We expect to realize annual cost savings of \$15.5 million, which is the midpoint of the anticipated synergies range of approximately \$14.0 to \$17.0 million, beginning in the fourth quarter of 2016 as a result of the business combination with Home Solutions and the elimination of certain redundant positions, overlapping branches, professional services and other expenses, as well as the efficiencies of integrating corporate functions within a larger company framework. We expect that the cost to achieve such synergies will be approximately \$4.6 million. This adjustment has not been prepared in accordance with the requirements of Regulation S-X pursuant to the Securities Act relating to the presentation of pro forma financial information, is presented for information purposes only and does not purport to represent what our actual financial position or results of operations would have been if

the acquisition had been completed as of an earlier date or that may be achieved in the future. See “Risk Factors — Risks Relating to the Transaction — *There may be difficulties in integrating Home Solutions’ business and operations into our business and operations, and the integration process will place an additional burden on our management and internal resources. We may overestimate the synergies that will result from the Transaction or underestimate the cost of implementing such synergies.*”

(7) This presentation of Pro Forma Adjusted EBITDA includes estimates with respect to cost savings to the business combination with Home Solutions. These estimates reflect various assumptions made by us that may or may not prove accurate, as well as the exercise of a substantial degree of judgment by management as to the scope and presentation of such information. No representations or warranties are made as to the accuracy of such estimates. Actual results achieved during historical and future periods may differ substantially from the estimates set forth above.

- (2) The inclusion in this table of any shares of Common Stock as “beneficially owned” does not constitute an admission by the holder of beneficial ownership of those shares. Beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (the “Exchange Act”), and generally includes voting or investment power over securities. Shares of Common Stock subject to options, warrants or other securities convertible into Common Stock that are currently exercisable or convertible, or exercisable or convertible within sixty 60 days of June 22, 2016, are deemed outstanding for computing the percentage of the person holding the option, warrant or convertible security but are not deemed outstanding for computing the percentage of any other person.

- (3) Based on the Schedule 13D/A filed with the SEC on June 22, 2016 by (i) Coliseum Capital Management, LLC (“Coliseum”), which beneficially owns 23,182,758 shares for which it has shared voting and shared dispositive power; (ii) Coliseum Capital Partners, L.P. (“CCP”), which beneficially owns 14,553,786 shares for which it has shared voting and shared dispositive power; (iii) Coliseum Capital Partners II, L.P. (“CCP II”), which beneficially owns 3,287,326 shares for which it has shared voting and shared dispositive power; (iv) Coliseum Capital, LLC (“CC”), which beneficially owns 17,841,112 shares for which it has shared voting and shared dispositive power; (v) Adam Gray, as a manager of Coliseum and CC, beneficially owns 23,182,758 shares for which he has shared voting and shared dispositive power; and (vi) Christopher S. Shackelton, as Managing Partner of Coliseum and CC, beneficially owns 23,182,758 shares for which he has shared voting and shared dispositive power. Assumes full conversion of 10,823 shares of Series A Preferred Stock and 614,177 shares of Series C Preferred Stock into shares of Common Stock plus full exercise of 1,800,000 Class A warrants and 1,800,000 Class B warrants to acquire an aggregate of 3,600,000 shares of Common Stock. See Proposal 1 for a discussion of the transaction that resulted in Coliseum beneficially owning the shares of Common Stock indicated.

- (4) Based on a Schedule 13D/A filed with the SEC on June 22, 2016 by (i) Gabelli Funds, LLC (“Gabelli Funds”), which beneficially owns 14,507,800 shares for which it has sole voting power and sole dispositive power; (ii) GAMCO Asset Management Inc., which beneficially owns 899,402 shares for which it has sole voting power over 853,402 shares and sole dispositive power over 899,402 shares; (iii) Teton Advisors, Inc., which beneficially owns 1,136,701 shares for which it has sole voting power and sole dispositive power; (iv) Gabelli Securities, Inc., which beneficially owns 15,000 shares for which it has sole voting power and sole dispositive power; (v) GAMCO Investors, Inc., which beneficially owns 3,000 shares for which it has sole voting power and sole dispositive power; (vi) GGCP, Inc.; and (vii) Mario J. Gabelli (collectively, the “GAMCO Reporting Persons”), who is deemed to have beneficial ownership of the shares owned beneficially by each of the other GAMCO Reporting Persons. Gabelli Funds has sole dispositive and voting power with respect to the shares held by a number of investment funds for which Gabelli Funds serves as an investment adviser (the “Funds”) so long as the aggregate voting interest of all joint filers does not exceed 25% of their total voting interest in the Company and, in that event, the Proxy Voting Committee of each Fund shall respectively vote that Fund’s shares, and at any time, the Proxy Voting Committee of each Fund may take and exercise in its sole discretion the entire voting power with respect to the shares held by such Fund under special circumstances such as regulatory considerations.

Based on a Schedule 13G/A filed with the SEC on February 16, 2016 by (i) Ardsley Partners Fund II, L.P., which beneficially owns 2,478,100 shares for which it has shared voting power and shared dispositive power; (ii) Ardsley Partners Institutional Fund, L.P., which beneficially owns 2,081,900 shares for which it has shared voting power and shared dispositive power; (iii) Ardsley Partners Advanced Healthcare Fund, L.P., which beneficially owns 2,195,000 shares for which it has shared voting power and shared dispositive power; (iv) Ardsley Healthcare Fund, L.P., which beneficially owns 60,000 shares for which it has shared voting power and shared dispositive power; (v) (5) Ardsley Advisory Partners, which beneficially owns 6,815,000 shares for which it has shared voting power and shared dispositive power; (vi) Ardsley Partners I, which beneficially owns 6,755,000 shares for which it has shared voting power and shared dispositive power; and (vii) Philip J. Hempleman, who beneficially owns 6,815,000 shares for which he has shared voting power and shared dispositive power. The Company, however, believes that the Schedule 13G/A is no longer accurate because the Company has been informed that Ardsley and/or its affiliates purchased shares in the Equity Offering and may have made other transactions since February 16, 2016.

Based on a Schedule 13G/A filed with the SEC on February 12, 2016 by Camber Capital Management LLC and Stephen DuBois reporting that they beneficially own 6,000,000 shares for which they have shared voting power (6) and shared dispositive power. The Company, however, believes that the Schedule 13G/A is no longer accurate because the Company has been informed that Camber and/or its affiliates purchased shares in the Equity Offering and may have made other transactions since February 12, 2016.

Based on a Schedule 13G filed with the SEC on June 27, 2016 by (i) North Tide Capital Master, LP, which beneficially owns 7,200,000 shares for which it has shared voting and shared dispositive power, (ii) North Tide (7) Capital, LLC, which beneficially owns 8,500,000 shares for which it has shared voting and shared dispositive power, and (iii) Conan Laughlin, as Managing Partner of North Tide Capital Master, LP and North Tide Capital, LLC, who beneficially owns 8,500,000 shares for which he has shared voting and shared dispositive power.

Assumes full conversion of 10,823 shares of Series A Preferred Stock and 614,177 shares of Series C Preferred Stock into shares of Common Stock plus full exercise of 1,800,000 Class A warrants and 1,800,000 Class B (8) warrants to acquire an aggregate of 3,600,000 shares of Common Stock. Mr. Shackelton, as the Managing Partner of Coliseum, is deemed to beneficially own all 23,182,758 shares of Common Stock, of which he has shared voting and shared dispositive power for such shares.

(9) Includes 1,555,000 shares issuable upon exercise of options held by Mr. Smith.

(10) Includes 381,667 shares issuable upon exercise of options held by Mr. Evans.

(11) Includes 219,167 shares issuable upon exercise of options held by Mr. Stiver.

(12) Includes 83,334 shares issuable upon exercise of options held by Mr. Kreger.

Includes 2,344,169 shares issuable upon exercise of options. The 23,182,758 shares of Common Stock beneficially owned by Mr. Shackelton are not included in this calculation. If the 23,182,758 shares of Common (13) Stock beneficially owned by Mr. Shackelton were to be included in this calculation, the number of shares beneficially owned by the Directors and Officers as a group would equal 25,933,966, representing approximately 19.4% of the class.

Proposal One: To Approve An Amendment To The Certificate Of Incorporation To Increase The Authorized Number Of Shares Of Common Stock From 125 Million To 250 MILLION, which charter amendment is necessary to consummate the Transaction and provide BioScrip sufficient authorized Common Stock to issue the TRANSACTION CLOSING EQUITY CONSIDERATION AND THE Contingent Shares

General

The Board of Directors has determined that it is in the best interests of the Company and its stockholders to amend the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock of the Company from 125 million shares to 250 million shares. Accordingly, the Board of Directors unanimously approved the Charter Amendment and hereby solicits the approval of the Company's stockholders of the Charter Amendment. If the stockholders approve the Charter Amendment, the Company currently intends to file a Certificate of Amendment to the Second Amended and Restated Certificate of Incorporation of the Company, in the form attached hereto as Appendix A (the "Certificate of Amendment"), with the Delaware Secretary of State as soon as practicable following stockholder approval. If the Certificate of Amendment is not approved by the stockholders, the existing Second Amended and Restated Certificate of Incorporation will continue in effect.

Of the 125 million shares currently authorized, as of June 22, 2016 the Company had 113,880,241 shares issued and outstanding (excluding 2,761,423 shares of Common Stock held as treasury stock) and has reserved a total of 9,919,441 shares of Common Stock for issuance pursuant to the Company's 2008 Equity Incentive Plan and its Employee Stock Purchase Plan and 546,723 shares for issuance upon exercise of certain warrants and conversion of certain convertible securities. We must keep reserved for future issuance a sufficient number of shares of Common Stock to meet the Company's obligations to issue Common Stock in the event these options or warrants are exercised or convertible securities are converted.

The Board of Directors believes it is in the best interest of the Company to amend the Company's Second Amended and Restated Certificate of Incorporation of the Company whereby the number of shares of Common Stock that we would be authorized to issue from time to time would be increased to 250 million shares.

Reasons for the Charter Amendment

The consummation of the Transaction is conditioned upon us obtaining stockholder approval to increase the number of shares of Common Stock that we are authorized to issue pursuant to our certificate of incorporation, because we do not currently have sufficient authorized shares of Common Stock to issue the Transaction Closing Equity Consideration and the Contingent Shares, as discussed elsewhere in this proxy statement. Until our certificate of

incorporation is amended to authorize sufficient additional shares of Common Stock, we will not have enough authorized shares to issue the Transaction Closing Equity Consideration and the Contingent Shares.

In addition, the Company completed the Equity Offering on June 22, 2016. Prior to the Equity Offering, a significant number of shares of the Company's Common Stock were reserved for issuance to affiliates of Coliseum Capital Management LLC (the "PIPE Investors") which held shares of the Company's Series A Preferred Stock and the PIPE Warrants. Christopher S. Shackelton, who is a co-founder of Coliseum Capital Management LLC and one of its Managing Partners, is a director of the Company and was appointed to the Board of Directors as a result of the investment in 2015 by the PIPE Investors in our Series A Preferred Stock and PIPE Warrants. The Company determined that if the shares of Common Stock reserved for the PIPE Investors in connection with the Series A Preferred Stock and the PIPE Warrants would be available for issuance, the Company would have the flexibility to consider increasing the size of the Equity Offering. Based on the instructions of the Board of Directors, the Company contacted the PIPE Investors to determine upon what terms the PIPE Investors would be willing to enter into a series of transactions to allow the Company to utilize the Common Stock reserved for issuance upon conversion of the Series A Preferred Stock and the exercise of the PIPE Warrants in the Equity Offering and the PIPE Investors agreed to enter into the Exchange Agreement in order to facilitate such transactions.

On June 10, 2016, the Company entered into an Exchange Agreement (the “Exchange Agreement”) with the PIPE Investors, whereby the Company exchanged its Series A Preferred Stock for a new series of convertible preferred stock of the Company, designated “Series B Convertible Preferred Stock,” having the terms set forth in the form of Certificate of Designations of Series B Convertible Preferred Stock, par value \$0.0001 per share, which is attached as Exhibit 3.1 to BioScrip’s Current Report on Form 8-K filed with the SEC on June 13, 2016. Pursuant to the Exchange Agreement, the PIPE Investors agreed:

(i) to exchange 614,177 shares of the existing Series A Preferred Stock for an identical number of shares of Series B Convertible Preferred Stock (the “Series B Preferred Stock,” and together with the Series A Preferred Stock, the “Preferred Stock”), which have the same terms as the Series A Preferred Stock, except that the terms of the Series B Preferred Stock include the authority of the holders of the Series B Preferred Stock to waive the requirement that the Company reserve a sufficient number of shares of Common Stock to allow for the conversion of the Series B Preferred Stock; and

(ii) to waive the requirement under the PIPE Warrant Agreement governing the PIPE Warrants to reserve 3,600,000 shares of our Common Stock for the exercise of the PIPE Warrants.

On June 14, 2016, the Company entered into another Exchange Agreement (the “Series C Exchange Agreement”) with the PIPE Investors, pursuant to which the PIPE Investors agreed to exchange their shares of Series B Preferred Stock issued pursuant to the Series B Exchange Agreement on a one for one basis for shares of a new series of preferred stock of the Company (the “Series C Preferred Stock” and, together with the Series A preferred Stock and the Series B Preferred Stock, the “Preferred Stock”), designated “Series C Convertible Preferred Stock,” having the terms set forth in the form of Certificate of Designations of Series C Convertible Preferred Stock, par value \$0.0001 per share, which is attached as Exhibit 3.1 to BioScrip’s Current Report on Form 8-K filed with the SEC on June 14, 2016.

The PIPE Investors agreed under the terms of the Series C Exchange Agreement to exchange 614,177 shares of the Series B Preferred Stock for an identical number of shares of Series C Preferred Stock, which have the same terms as the Series B Preferred Stock, except that the terms of the Series C Preferred Stock provide that the 11.5% per annum rate of non-cash dividends payable on the shares of the Series C Preferred Stock will be reduced based on the achievement by the Company of specified earnings before interest, taxes, depreciation and amortization (referred to as “Consolidated EBITDA” in the Company’s Credit Agreement, dated as of July 31, 2013, as such Credit Agreement has been amended through the date of the Series C Exchange Agreement). In addition, pursuant to the Series C Exchange Agreement, the PIPE Investors agreed to waive the requirement under the PIPE Warrant Agreement governing the PIPE Warrants to reserve 3,600,000 shares of our Common Stock for the exercise of the PIPE Warrants.

In the Series C Exchange Agreement, we agreed that within four months of the date of the Series C Exchange Agreement, we will call a Special Meeting of our stockholders to seek approval to an amendment of our Certificate of

Incorporation to increase the number of authorized shares of Common Stock so as to allow us to reserve sufficient shares for, among other things, the conversion of the Series C Preferred Stock and the exercise of the PIPE Warrants held by the PIPE Investors (the "Authorization Proposal"). If approval of the Authorization Proposal is not obtained at such meeting, we agreed to resubmit the Authorization Proposal at the annual or a Special Meeting of our stockholders on an annual basis beginning in 2017 until stockholder approval is obtained. Until stockholder approval is obtained, we agreed that we will not issue any additional shares of Common Stock or equity awards to employees without the consent of the investors holding a majority of the voting power of the Series C Preferred Stock, provided that we may grant awards with respect to the 1.93 million shares of Common Stock currently authorized for issuance under our 2008 Equity Incentive Plan. If stockholder approval of the Authorization Proposal is not obtained prior to the earlier of May 17, 2021 and the date all of the Company's obligations under indenture governing the Company's 8.875% Senior Notes due 2021 have been satisfied, then each holder of the Series C Preferred Stock may elect to require the Company to redeem for cash all shares of Series C Preferred Stock held by such holder for which there are not sufficient authorized shares of Common Stock reserved to allow conversion of such shares of Series C Preferred Stock. The redemption price would be calculated as the greater of the liquidation preference of each redeemed share of Series C Preferred Stock and the product of the volume-weighted average share price of our Common Stock on the NASDAQ for a ten trading day period ending two trading days prior to the date that the Company receives the redemption notice and the number of shares of Common Stock into which each share of Series C Preferred Stock is convertible.

The table below summarizes information relating to the number of shares of our Common Stock currently outstanding, reserved and available for issuance and the number of shares of Common Stock that would be reserved and available for issuance immediately following approval of the Charter Amendment, assuming the Transaction is consummated.

	Before Amendment	After Amendment
Authorized shares	125,000,000	250,000,000
Shares issued	113,880,241	113,880,241
Shares reserved for issuance under 2008 Equity Incentive Plan	9,355,000	9,355,000
Shares available under ESPP	564,441	564,441
Issuance of Common Stock upon conversion of Series A Preferred Stock	484,673	484,673
Issuance of Common Stock upon conversion of Series C Preferred Stock	-	14,055,793
Shares reserved for future exercise of the PIPE Warrants	62,050	3,662,050
Issuance of Common Stock as Transaction Closing Equity Consideration	—	3,750,000
Issuance of Common Stock as RSUs	—	7,093,750
Shares available for future issuance	653,595	97,154,052

The balance of the additional authorized shares of Common Stock that is not needed in connection with the shares of Common Stock issuable in connection with the Transaction and to satisfy our reservation obligations referred to above may be issued for any proper corporate purpose approved by the Board of Directors. Among the reasons for having additional authorized and unissued shares of Common Stock is the ability to sell shares in capital raising transactions during advantageous market conditions, issue shares in connection with acquisitions of the assets, operating businesses or securities of other companies, and issue stock as stock dividends, stock splits and to use shares for other general corporate purposes. The additional shares of Common Stock, when issued, would have the same rights and privileges as the shares of Common Stock now issued. There are no pre-emptive rights relating to the Common Stock. Except in respect of the reservation requirements referred to above in connection with the Series C Exchange Agreement, we do not presently have any agreements, understandings or arrangements regarding the issuance of additional shares of Common Stock or Preferred Stock from any of the additional authorized shares.

However, the Board of Directors believes that the availability of such additional authorized shares will provide BioScrip with the flexibility to issue Common Stock for possible future financing, stock dividends or distributions,

acquisitions, stock option plans, and other proper corporate purposes that may be identified in the future by the Board of Directors, without further shareholder action or the related delays and expenses. Potential transactions could include public or private capital-raising transactions in which shares of Common Stock, convertible preferred stock, convertible debt or other securities are issued. There is no assurance that any capital-raising transaction will be undertaken. The Company's flexibility is at all times limited to NASDAQ stockholder voting requirements on the issuance of capital stock in excess of 20% of the Company's pre-issuance issued and outstanding number of shares. The issuance of additional shares of Common Stock may have a dilutive effect on earnings per share and, for persons who do not purchase additional shares to maintain their pro rata interest in BioScrip, on such stockholders' percentage voting power.

If the stockholders approve the proposed Certificate of Amendment, the Board of Directors may cause the issuance of additional shares of Common Stock without further vote of the stockholders of the Company, except as provided under Delaware corporate law or under the rules of any securities exchange on which shares of Common Stock of the Company are then listed. Current holders of Common Stock have no preemptive or similar rights, which means that current Common Stockholders do not have a prior right to purchase any new issue of Common Stock of the Company in order to maintain their appropriate ownership thereof. The issuance of additional shares of Common Stock would decrease the proportionate equity interest of the Company's current stockholders and, depending upon the price paid for such additional shares, could result in dilution to the Company's current stockholders.

The Board of Directors does not intend to issue any Common Stock except on terms which the Board of Directors deems to be in the best interests of the Company and its stockholders.

A party shall be deemed to have given such consent if such party has not provided written notice of objection to the other party within two (2) Business Days following the delivery of notice to the non-disclosing party of such proposed communication.

9.6 Cooperation; Equity Offering.

9.6.1 During the Pre-Closing Period, each of the Buyer Parties, on the one hand, and the Company, on the other, shall reasonably cooperate with the other, without additional consideration, to carry out the purposes and intent of this Agreement. The parties further agree not to act or omit to act in such a manner and to not commit intentional acts in bad faith that would cause the acting party or the other party to terminate or violate the terms of this Agreement. The Company agrees to cooperate with Parent as reasonably requested by Parent to timely satisfy any post-Closing reporting obligations under the Exchange Act pursuant to Form 8-K related to the transactions contemplated hereby.

9.6.2 Subject to Section 9.4, prior to the Closing, the Company shall use its commercially reasonable efforts to cause its senior management, representatives and advisors (including legal and accounting advisors) to provide to Parent such cooperation as may be reasonably requested by Parent in connection with the Equity Offering, including: (i) to the extent as would be customary, participation at reasonable times in a reasonable number of meetings, drafting sessions, presentations, road shows (if applicable), and due diligence sessions; (ii) furnishing Parent the information contemplated by Section 9.10 and such financial and other information as Parent shall reasonably request in connection with the execution and consummation of the Equity Offering (all of the foregoing under clauses, collectively, the "**Offering Documents**") and delivering customary authorization letters and representation letters in connection with the Offering Documents; (iii) reasonably cooperating with the marketing efforts, if any, of Parent for any portion of the Equity Offering, including direct contact between senior management, on the one hand, and the actual or potential investors, on the other hand; and (iv) using reasonable best efforts to cause Company's independent accountants to deliver customary comfort letters, including as to customary negative assurances, and consents to use audit reports. Notwithstanding the foregoing, nothing in this Section 9.6.2 will require any cooperation by the Company, its senior management, representatives or advisors to the extent it would unreasonably interfere with the normal business or operations of the Company or any of the Company Subsidiaries. Parent shall promptly reimburse the Company and the Company Subsidiaries for any reasonable out-of-pocket expenses incurred in connection with this Section 9.6.2.

9.6.3 Notwithstanding anything to the contrary in this Agreement and without limiting the generality of Section 9.6.1, Parent shall use its commercially reasonable efforts to cause the condition to closing set forth in Section 7.5 to be satisfied as promptly as practicable. Parent shall keep the Company reasonably informed on a reasonably current basis as to the status of the Equity Offering.

9.7 Expenses. Except as otherwise provided in this Agreement, each of the parties hereto shall pay its own expenses and costs (including, without limitation, the fees, disbursements and expenses of its attorneys, accountants, auditors, consultants, and agents), incurred by it in negotiating, preparing, closing and carrying out this Agreement and the transactions contemplated hereby.

9.8 Insurance.

9.8.1 At least ten (10) Business Days prior to the Closing Date, the Company shall notify Buyer of the insurances policies set forth on Schedule 5.15.1 of the Disclosure Schedule that it can assign or cause to be assigned to Buyer (such policies to be included within the Acquired Assets and referred to as, the “**Acquired Policies**”) and the insurance policies set forth on Schedule 5.15.1 of the Disclosure Schedule that it cannot assign or cause to be assigned to Buyer (the “**Retained Policies**”). Notwithstanding the foregoing, the Company’s policy(ies) of director and officer liability insurance (including the executive liability tail policy referenced on Schedule 5.15.1 of the Disclosure Schedule) shall be Retained Policies.

9.8.2 To the extent that any Retained Policy covers any Losses related to an Acquired Asset or an Assumed Liability, the Company shall reasonably cooperate and cause its Affiliates to reasonably cooperate with Buyer in submitting claims with respect to such Losses on behalf of Buyer, and shall promptly remit the proceeds received therefrom to Buyer or its designee(s), less the Company’s reasonable cost of collection.

9.8.3 To the extent that any Acquired Policy covers any Losses related to an Excluded Asset or an Excluded Liability, Buyer shall reasonably cooperate and cause its Affiliates to reasonably cooperate with the Company in submitting claims with respect to such Losses on behalf of the Company, and shall promptly remit the proceeds received therefrom to the Company or its designee(s), less Buyer’s reasonable cost of collection.

9.8.4 With respect to any insurance policies set forth on Schedule 5.15.1 of the Disclosure Schedule maintained on a claims made basis (excluding, for the avoidance of doubt, the executive liability tail policy referenced on Schedule 5.15.1 of the Disclosure Schedule), the Company shall purchase (it being understood and agreed that 50% of all amounts paid by the Company or its Subsidiaries in connection with this Section 9.8.4 on or prior to the Closing shall increase the Purchase Price) on or before the Closing Date six year extended reporting endorsements (“tails”) with

limits consistent with amounts in effect as of the date hereof and will use its reasonable best efforts to add Buyer as an additional insured to said policies. The Company will provide a certificate of insurance evidencing any such tail policy to Buyer at the Closing.

9.9 Filing Returns.

9.9.1 Transfer Taxes. Parent shall be responsible for the first Two Hundred Thousand Dollars (\$200,000.00) of any Transfer Taxes payable in connection with the transactions contemplated in this Agreement. Each of Buyer, on the one hand, and the Company, on the other hand, shall be responsible for fifty percent (50%) of any Transfer Taxes payable in excess of such amount. Each of the parties hereto shall fully cooperate with the other party with respect to the preparation and filing of any Tax Returns and other filings relating to any such Transfer Taxes as may be required.

9.9.2 Allocation of Taxes. All real property, personal property and similar *ad valorem* obligations levied with respect to the Acquired Assets for a taxable period which includes (but does not end on) the Closing Date (collectively, the “**Apportioned Obligations**”) shall be apportioned between the Company and its Subsidiaries and Buyer based on the number of days of such taxable period before and after the Closing Date. The Company and its Subsidiaries shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the number of days of such taxable period ending on the Closing Date, and Buyer shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the number of days of such taxable period beginning after the Closing Date. Notwithstanding anything to the contrary in this Agreement, any Tax attributable to any action taken by Buyer on the Closing Date after the Closing that is not in the ordinary course of business shall be deemed to be allocated to Buyer’s Apportioned Obligations.

9.9.3 Cooperation and Tax Record Retention. Buyer shall promptly furnish to the Company such information as the Company may reasonably request with respect to Tax matters relating to the Business, the Acquired Assets or the Assumed Liabilities, including by providing access to relevant books and records and making employees of the Buyer Parties available to provide additional information and explanation of any materials provided hereunder.

9.10 Pre-Closing Access. During the Pre-Closing Period, subject to Section 9.4.1, the Company shall, and shall cause the Company Subsidiaries to, provide each of the Buyer Parties and its counsel, accountants and other representatives with reasonable access during normal business hours to the premises of Company and the Company Subsidiaries and all property, both real and personal, contracts, leases, agreements and litigation documents relating to Company and the Company Subsidiaries, as well as the books of account and other records of the Company and Company Subsidiaries. The Buyer Parties shall make reasonable efforts to coordinate with the Company for time(s) and place(s) that such materials may be accessed. Notwithstanding anything to the contrary in this Agreement, during the Pre-Closing Period, none of the Company, the Company Subsidiaries or any of their respective representatives or Affiliates shall be required to provide access to, or disclose information to, any of the Buyer Parties or any of their respective representatives if such access or disclosure would violate any contract or law to which any of the Company or the Company Subsidiaries is a party or is subject, or which it reasonably determines upon the advice of counsel would result in the loss of the ability to successfully assert attorney-client or work product privileges.

9.11 Post-Closing Access to Records. Following the Closing, the Company and its representatives shall be permitted to access from the Buyer Parties and their Affiliates such books and records relating to the Company and the Company Subsidiaries and treated as Acquired Assets as are reasonably necessary to complete the transactions contemplated by this Agreement or prosecute or defend any third-party litigation or investigation or other third-party inquiry, including audits, compliance with governmental requirements, regulations and requests to which the Company or any of its Subsidiaries is a party or is subject, except to the extent necessary to (a) ensure compliance with any applicable law or (ii) preserve any applicable privilege. The Company shall be entitled to make copies of the books and records to which it is entitled access pursuant to this Section 9.11. Subject to Section 9.9, Parent agrees to hold all books and records relating to the Company and the Company Subsidiaries and treated as Acquired Assets in accordance with Parent's document retention policy or such longer time as may be required by law. Following the Closing, Buyer and its representatives shall be permitted to access from the Company and its Affiliates such books and records relating to the Business as are reasonably necessary to complete the transactions contemplated by this Agreement or prosecute or defend any third-party litigation or investigation or other third-party inquiry, including audits, compliance with governmental requirements, regulations and requests to which Parent or any of its Subsidiaries is a party or is subject, except to the extent necessary to (a) ensure compliance with any applicable law or (ii) preserve any applicable privilege. The Buyer shall be entitled to make copies of the books and records to which it is entitled access pursuant to this Section 9.11. The Company agrees to hold all books and records relating to the Business in accordance with the Company's document retention policy or such longer time as may be required by law.

9.12 Payroll and Benefit Matters. The Company and each Company Subsidiary will, for those Employees who accept employment with Buyer or its Affiliates, pay or accrue all payroll obligations within ordinary course time frames and will pay or accrue for all accrued paid-time-off liabilities prior to the Closing Date in accordance with the Accounting Principles. The Company and each Company Subsidiary will, for those Employees who do not accept employment with Buyer or its Affiliates, pay or accrue all payroll obligations within ordinary course time frames and will pay or accrue for all accrued paid-time-off liabilities prior to the Closing Date in accordance with the Accounting Principles. In addition, Company will take all steps reasonably necessary to terminate, and will terminate, Plans listed on Schedule 9.12 effective as of or immediately prior to the Closing Date. Parent shall cause its 401(k) or other tax-qualified defined contribution plan to accept rollovers of distributions (or direct rollovers) from the Company's 401(k) or other tax-qualified defined contribution plan (including plan loans).

9.13 Employees. Parent shall offer employment to all of the Employees, which offers shall include (i) base salary or wages or rate of pay not less than Employee's base salary or wages or rate of pay as of the Closing Date and (ii) benefits substantially similar in the aggregate to the benefits provided to similarly-situated employees of Parent; provided, however, that any offer of employment shall be contingent upon the Closing actually occurring. Nothing herein shall obligate Buyer to employ any Employees for any specific time period. Notwithstanding anything within this Agreement or any Plan to the contrary, in no event will the Company be liable for, or required to pay any severance or similar amounts or satisfy any severance or similar entitlements with respect to any Employee. If any Employee fails to meet Buyer's standard background screening requirements, (a) Buyer will nevertheless offer employment to such individuals for such minimum period as is necessary to permit eligibility for COBRA benefits under Buyer's health benefit plans; (b) such Employees will not be granted access to any Buyer systems; and (c) such Employees will not be eligible for any severance from Buyer or the Company. Nothing herein shall be construed to grant any Employee any rights as a third party beneficiary.

9.14 Consents to Certain Assignments.

9.14.1 Notwithstanding anything in this Agreement or the Bill of Sale, Assignment and Assumption Agreement to the contrary, this Agreement shall not constitute an agreement to transfer or assign any Acquired Asset or any benefit arising thereunder or resulting therefrom if an attempted assignment thereof, without the consent of a third party, would constitute a breach or other contravention under any agreement or law to which any the Company is a party or by which it is bound.

9.14.2 The Company (with the reasonable cooperation of the Buyer) shall use its commercially reasonable efforts to obtain any consent or waiver required to assign to the Buyer any Acquired Asset prior to the Closing. If any such consent or waiver is not obtained prior to Closing and as a result thereof Buyer shall be prevented by such third party from receiving the rights and benefits with respect to such Acquired Asset intended to be transferred hereunder, or if any attempted assignment would adversely affect the rights of the Company or a Company Subsidiary thereunder so that Buyer would not in fact receive all such rights, the Company and Buyer shall use their commercially reasonable efforts to obtain such consent or waiver after the Closing Date, and to take such actions such that Buyer would obtain the economic claims, rights and benefits under such asset and assume the economic burdens and obligations under the same terms and for the same duration with respect thereto in accordance with this Agreement, including by subcontracting, sublicensing or subleasing to Buyer. The Company shall use commercially reasonable efforts to take all actions reasonably necessary to provide the Buyer the benefits of and enforce the Buyer's rights with respect to such Acquired Asset under the same terms and for the same duration, and the Company shall promptly pay to the Buyer when received all monies received by the Company in respect of or related to such Acquired Asset. Buyer shall pay the Company's out-of-pocket expenses incurred after the Closing in connection with the compliance of the Company with its obligations under this Section 9.14.2. The obligations set forth in this Section 9.14.2 shall terminate ninety (90) days following the Closing.

9.15 Authorized Share Capital. At all times following the Closing, Parent shall maintain adequate share capital to issue the maximum number of shares issued or issuable pursuant to Sections 4.1.2 and 11.3.4(ii).

9.16 Seller Names and Marks. The Company shall, for a period of twelve (12) months after the Closing Date, have a limited, worldwide, non-exclusive, non-transferable, non-sublicensable, fully paid-up, royalty free license to use the Seller Names and Seller Marks. No later than one (1) month after the Closing Date, the Company shall cause each Company Subsidiary that has the words “Home Solutions” or “Home Infusion Solutions” in its name to remove such words from its name.

9.17 Antitrust Filings. Each of Buyer and the Company shall, as soon as practicable, and in any event no later than ten (10) Business Days from the date of this Agreement, make any initial filings required under the HSR Act, and supply as promptly as reasonably practicable any additional information and documentary material that may be requested by a Governmental Entity pursuant to the HSR Act. Buyer shall pay all filing fees under the HSR Act, and neither the Company nor any Company Subsidiary shall be required to pay any fee, penalty or other payment to any Governmental Entity in connection with any filings under the HSR Act or such other filings as may be required under applicable law. The parties hereto shall consult and cooperate with one another, and consider in good faith the views of one another, in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with proceedings under or relating to the HSR Act. Each of Buyer and the Company shall use reasonable best efforts to resolve such objections, if any, as may be asserted by any Governmental Entity with respect to the transactions contemplated by this Agreement under the HSR Act or any other law, rule or regulation having the purpose or effect of monopolization or restraint of trade (collectively, “**Antitrust Laws**”). Each of Buyer and the Company shall use reasonable best efforts to take such action as may be required to cause the termination or expiration of the notice periods under the Antitrust Laws with respect to the transactions contemplated hereby as promptly as possible after the execution of this Agreement. Without limiting the foregoing, each of Buyer and the Company shall take any and all of the following actions to the extent necessary or appropriate to obtain the approval of any Governmental Entity with jurisdiction over the enforcement of any applicable Antitrust Laws or other laws regarding the transactions contemplated hereby: (i) entering into negotiations; (ii) providing information required by Antitrust Law or governmental regulation adopted thereunder; (iii) providing information informally requested by a Governmental Entity reviewing the transactions contemplated hereby under the HSR Act; and (iv) undertaking reasonable best efforts to substantially comply with any Request for Additional Information and Documentary Material issued pursuant to the HSR Act. The preceding obligations shall expire if this Agreement is terminated pursuant to Article 12.

9.18 Receivables Collection.

9.18.1 After the Closing, (i) the Company and its Subsidiaries shall promptly remit to Buyer (or its designee(s)) the proceeds of any accounts receivable or other amounts (other than the Government Receivables) received by the Company and its Subsidiaries in respect of the Business and (ii) Buyer shall promptly remit to the Company (or its designee(s)) the proceeds of any Government Receivables received by Buyer or its Affiliates.

9.18.2 Buyer shall use its commercially reasonable efforts to facilitate, as promptly as practicable following the date hereof, an agreement, in a form reasonably acceptable to the Company, between the Company and its Subsidiaries and a third party Person experienced in the collection of healthcare receivables (the “**Receivables Collector**”), to be effective as of the Closing, pursuant to which the Receivables Collector will, following the Closing, facilitate the collection of the Government Receivables on behalf of the Company and its Subsidiaries.

9.18.3 As promptly as possible, but in any event within sixty (60) days after the first anniversary of the Closing Date, the Company will deliver to Buyer, with reasonable supporting detail, an accounting of the amount of the Government Receivables as set forth in the Closing Certificate that have actually been collected by the Company or on its behalf (including pursuant to the agreement contemplated by Section 9.18.2) as of such date (the “**Government Receivables Statement**”). If the amount of the Government Receivables set forth in the Government Receivables Statement (determined without taking into account any setoffs, reductions or recoupments imposed by any payor) is less than the amount of the estimated Government Receivables set forth in the Closing Certificate, Buyer shall promptly pay or cause to be paid to the Company or its designee(s) the amount of such shortfall in cash.

9.18.4 For the avoidance of doubt, no party hereto may offset or withhold any amounts that are required to be paid to another party hereto pursuant to this Section 9.18, it being acknowledged that the obligation to pay over such amounts is absolute and unconditional.

9.19 Power of Attorney. Contingent upon and effective as of the Closing, subject to the execution and delivery of the Power of Attorney as described in Section 7.3.7, and to the conditions and limitations contained therein, the Company authorizes the Buyer Parties to operate the Business until new licenses and registrations are obtained. Buyer shall diligently, and in good faith, prepare, file and make applications for and pursue issuance of DEA registrations as necessary to lawfully operate the Business in accordance with Section 9.3, including making such state notifications in advance of the Closing as mutually deemed appropriate by the parties with the advice of legal counsel. The Buyer Parties shall comply with all laws applicable to such DEA registration.

9.20 Patient Records. With respect to any Patient Records transferred to Buyer pursuant to this Agreement, Buyer shall comply with all state and federal laws and regulations applicable to the maintenance, use, and disclosure of medical record and individually identifiable health information, including HIPAA and regulations promulgated pursuant to HIPAA. After the Closing, Buyer shall keep and preserve all such medical records and other records of the Business received by Buyer as of the Closing and that are required to be kept and preserved (a) by an applicable federal or state law or (b) in connection with any claim or controversy still pending involving any of the Business.

9.21 Personnel Resources. From and after the Closing, Parent shall make available to the Company, during normal business hours, and without charge for internal costs, de minimis Employee personnel resources as the Company reasonably requests for purposes of assisting in the Company’s collection of Government Receivables, providing general administrative support and preparing Tax filings. Any out-of-pocket costs and expenses incurred by Parent in connection with such assistance shall be paid by the Company.

9.22 Registered Stock. Promptly, and in any event within thirty (30) days following the Closing, Parent shall file with the SEC a registration statement on Form S-3 (or any successor form) under the Securities Act to register the resale of the Registrable Securities (as defined below). In the event that Parent ceases for any reason to be eligible to file with the SEC a registration statement on Form S-3 (or any successor form) under the Securities Act, such that the registration statement on Form S-3 (or any successor form) under the Securities Act previously filed to register the resale of the Registrable Securities may no longer be used to effect the resale of the securities registered thereunder, if so requested by the Company, Parent shall promptly file with the SEC a registration statement on Form S-1 (or any successor form) under the Securities Act to register the resale of the Registrable Securities. Parent shall use its reasonable best efforts to cause any registration statement filed pursuant to either of the preceding two sentences to be declared effective by the SEC as soon as practicable following the filing thereof and to maintain the effectiveness of such registration statement during such time as such securities remain Registrable Securities. Parent shall prepare and file with the SEC such amendments and supplements to any such registration statement and the prospectus included therein as may be necessary to keep any such registration statement continuously effective (and available for use) throughout such period and to ensure that any such registration statement and prospectus does not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. Parent shall take such other reasonable actions (including, causing such securities to be listed or quoted on a national securities exchange) as may be necessary to facilitate the resale of such securities pursuant to any such registration statement. Parent shall bear all expenses incident to Parent's performance of or compliance with this Section 9.22, including all registration and filing fees, fees and expenses of compliance with securities or "blue sky" laws, listing application fees, printing expenses, transfer agent's and registrar's fees, costs of distributing prospectuses in preliminary and final form as well as any supplements thereto, and fees and disbursements of counsel for Parent and all independent certified public accountants and other persons retained by Parent. For the avoidance of doubt, the Company shall bear all underwriting discounts or commissions, brokerage fees and transfer taxes attributable to the sale or disposition by the Company of the securities registered under the registration statement and any fees or expenses of the Company or any counsel to the Company. "**Registrable Securities**" means the maximum number of shares of Parent Common Stock issuable by Parent in respect of the Equity Consideration, assuming satisfaction of the RSU criteria described in Article 4. Any particular Registrable Securities shall cease to be Registrable Securities (A) when a registration statement with respect to the sale of such securities shall have been declared effective under the Securities Act and such securities shall have been disposed of in accordance with such registration statement, (B) upon and from and after such time as such securities shall be eligible to be resold to the public pursuant to Rule 144 under the Securities Act (or any successor rule thereunder) without any volume or manner of sale restrictions thereunder or (C) when such securities, after having been issued pursuant to Article 4, shall cease to be outstanding. The parties agree to work in good faith to accomplish the registration for resale of any Indemnification Shares, consistent with the provisions set forth in this Section 9.22, to the extent applicable.

9.23 Parent Board Representation.

9.23.1 Scope of Rights. As soon as practicable following the Closing, Parent shall:

(i) cause any slate of directors (subject to satisfaction of all legal and governance requirements regarding services as a director of Parent) presented to Parent's stockholders for election to the board of directors of Parent (the "**Parent Board**") to consist of such nominees that, if elected, would result in the Parent Board containing two (2) directors designated by the Company ("**HS Directors**"); provided, however, that so long as Daniel Greenleaf is serving as the chief executive officer of Parent, one such nominee shall be Daniel Greenleaf, and, in the event that Daniel Greenleaf is no longer serving as chief executive officer of Parent, the Company shall be entitled pursuant to this Section 9.23.1 to designate one (1) nominee for presentation to Parent's stockholders for election to the Parent Board; and

(ii) ensure that the Parent Board will have a number of vacancies at least equal to the number of HS Directors.

9.23.2 Procedural Matters.

(i) Parent shall recommend that its stockholders vote in favor of the HS Directors nominated in accordance with the terms of this Section 9.23, and shall use its commercially reasonable efforts to solicit from the stockholders of Parent eligible to vote for the election of directors proxies in favor of the election of the HS Directors.

(ii) If, for any reason, a nominated HS Director is not elected to the Parent Board by the stockholders of Parent, then a new HS Director designated by the Company shall be recommended by Parent for election to the Parent Board pursuant to the procedures set forth in this Section 9.23.

(iii) If at any time a HS Director resigns or is removed in accordance with applicable law or Parent's bylaws, or becomes incapacitated, a new HS Director designated by the Company shall be recommended by Parent for election to the Parent Board pursuant to the procedures set forth in this Section 9.23.

(iv) Parent agrees that the HS Directors shall be entitled to the same rights, privileges and compensation as the other members of the Parent Board in their capacity as such, including with respect to insurance coverage and

reimbursement for Parent Board participation and related expenses. Parent shall maintain, at its own expense, directors' and officers' liability insurance with coverage no less favorable to the HS Directors than the policies that are in effect with respect to all other directors.

9.23.3 Termination of Nomination Rights. The rights of the Company pursuant to this Section 9.23 shall terminate automatically upon the earlier of (a) the date (if any) upon which the Company and its Affiliates cease, collectively, to hold at least fifty percent (50%) of the Parent Common Stock they hold following issuance of the Closing Equity Consideration (and issuance of any Parent Common Stock pursuant to the RSUs), and (b) the date that is three (3) years from the Closing Date.

ARTICLE 10
CERTAIN RESTRICTIVE COVENANTS

10.1 Certain Restrictive Covenants. The Company agrees that it shall not, directly or indirectly, alone or in association with others (other than Buyer or its Affiliates) in any capacity, for a period of three (3) years following the Closing Date:

(i) Participate within the Restricted Area, other than as a duly authorized agent of Buyer or its Affiliates or as an owner of five percent (5%) or less of any publicly traded company, in the ownership, management, sales, marketing, product development, business development, strategic planning, operation or control of any enterprise which provides or offers to provide or otherwise engages in the provision of any goods or any services related to (a) home or alternate site infusion, or (b) the provision of any other product or service provided by the Company or any Company Subsidiary within the twelve (12) months prior to the Closing;

(ii) Influence or attempt to influence any of the patients of Buyer or its Affiliates to transfer their patronage from Buyer or its Affiliates to any other business or enterprise;

(iii) Influence or attempt to influence any of the Referral Sources to refer patients to any business or enterprise providing the same or substantially the same goods and services as Buyer or its Affiliates; or

(iv) Solicit for employment (other than through general advertisements or executive searches not specifically directed at Buyer or its Affiliates), hire, offer employment to or employ, any employee of Buyer or its Affiliates, unless such person has (a) ceased to be an employee of Buyer or its Affiliates for at least six (6) months prior to such time or (b) been terminated by Buyer or its Affiliates.

10.2 Modification. If a court of competent jurisdiction should declare a covenant contained in this Article 10 unenforceable because of any unreasonable restriction of activities, duration or geographical area, then the parties hereby acknowledge and agree that such court shall have the express authority to reform such covenant to provide for reasonable restrictions.

10.3 Exceptions. Notwithstanding the foregoing, nothing in this Article 10 shall preclude the Company, its Subsidiaries or their representatives from collecting, or causing the collection of, the Government Receivables.

ARTICLE 11

Subject to this Article 11, following the Closing, the Company and its Subsidiaries shall, jointly and severally, indemnify, defend, and hold harmless the Buyer Indemnified Parties from, against and with respect to, any and all Losses incurred by the Buyer Indemnified Parties, arising from, resulting from, or attributable to, any of the following:

11.3.4 Notwithstanding anything contained in this Agreement to the contrary, the following monetary limitations shall apply to claims for indemnification pursuant to Section 11.2.

(i) The Buyer will not have any liability (A) under Sections 11.2.1, until the total of all Losses in respect of which the Company Indemnified Parties would otherwise be entitled to indemnification under Sections 11.2.1 exceeds the Basket, and then only to the extent that such Losses exceed the Basket, or (B) with respect to any individual claim made pursuant to Section 11.2, unless the aggregate Losses arising from such individual claim exceed the Mini-Basket; provided, that such limitations shall not apply in respect of claims based on intentional fraud with respect to the representations and warranties set forth in this Agreement.

(ii) The Buyer and its Affiliates will not have any liability under Section 11.2 in excess of Twenty Million Dollars (\$20,000,000.00); provided, that, the first Ten Million Dollars (\$10,000,000.00) of such amount shall be payable in cash and the remaining Ten Million Dollars (\$10,000,000.00) of such amount shall be payable in shares of Parent Common Stock (the “**Indemnification Shares**”).

11.4 Matters Involving Third Parties.

11.4.1 If any third party shall notify any party (the “**Indemnified Party**”) with respect to any matter (a “**Third Party Claim**”) which may give rise to a claim for indemnification against any other party (the “**Indemnifying Party**”) under this Article 11, then the Indemnified Party shall notify each Indemnifying Party thereof in writing within ten (10) days; provided, however, that no delay on the part of the Indemnified Party in notifying any Indemnifying Party shall relieve that Indemnifying Party from any obligation hereunder unless (and then solely to the extent) the Indemnifying Party thereby is prejudiced.

11.4.2 Any Indemnifying Party will have the right to defend the Indemnified Party against the Third Party Claim with counsel of its choice reasonably satisfactory to the Indemnified Party so long as (a) the Indemnifying Party notifies the Indemnified Party in writing within thirty (30) days after the Indemnified Party has given notice of the Third Party Claim that the Indemnifying Party elects to assume the defense thereof, (b) the Third Party Claim involves only money damages and does not seek an injunction or other equitable relief, (c) settlement of, or an adverse judgment with respect to, the Third Party Claim is not, in the good faith judgment of the Indemnified Party, likely to establish a precedential custom or practice materially adverse to the continuing business interests of the Indemnified Party, and (d) the Indemnifying Party conducts the defense of the Third Party Claim actively and diligently.

11.4.3 So long as the Indemnifying Party is conducting the defense of the Third Party Claim in accordance with Section 11.4.2: (a) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim, (b) the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld unreasonably), and (c) the Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld unreasonably) unless such settlement (i) is only for money damages, and (ii) does not admit

fault on the party of the Indemnified Party.

11.4.4 In the event any of the conditions in Section 11.4.2 is or becomes unsatisfied, (a) the Indemnified Party may defend against, and, with the prior written consent of the Indemnifying Party (such consent, not to be unreasonably withheld, conditioned or delayed), consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim, and (b) the Indemnifying Party will remain responsible for any Losses the Indemnified Party may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Article 11.

11.4.5 The Indemnified Party and the Indemnifying Party shall cooperate with each other in all reasonable respects in connection with the defense of any Third Party Claim, including making available records relating to such Third Party Claim and furnishing to the defending party such management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Third Party Claim.

11.4.6 No Indemnifying Party shall admit or permit to be admitted any fault, responsibility or liability on behalf of an Indemnified Party without such Indemnified Party's consent, which consent may be granted or withheld at Indemnified Party's sole discretion.

11.5 Payment. The Losses for which a Buyer Indemnified Party may make a claim for indemnification, up to the Ultimate Cap, pursuant to (a) Section 11.1.1 in respect of the Specified Representations, (b) Section 11.1.3 or (c) a claim based on intentional fraud with respect to the representations and warranties set forth in this Agreement, shall, subject to the following sentence, be settled solely from the amount of the Escrow Fund and thereafter from the forfeiture of shares of Parent Common Stock that are earned and paid over to the designee(s) of the Company pursuant to the RSUs (for the avoidance of doubt, even if such sources are less than the Ultimate Cap). To the extent the amount of such Losses exceeds the amount of the Escrow Fund and the Fair Market Value of the shares of Parent Common Stock that are earned and paid over to the designee(s) of the Company pursuant to the RSUs, each Shareholder shall, on a several basis, in accordance with such Shareholder's Pro Rata Share, indemnify, defend and hold harmless the applicable Buyer Indemnified Party from and against the amount of any such excess indemnifiable Losses; provided, that the sole recourse of the applicable Buyer Indemnified Party against any such Shareholder shall be the forfeiture of shares of Parent Common Stock earned and paid over pursuant to the RSUs that have become held by such Shareholder (for the avoidance of doubt, even if the Fair Market Value thereof is less than the Ultimate Cap).

11.6 Insurance Proceeds. If the Indemnified Party receives insurance proceeds on a claim for which it has already received indemnity from the Indemnifying Party, the Indemnified Party shall as soon as reasonably practicable thereafter pay the amount of such insurance proceeds or other recoveries, as applicable, to the Indemnifying Party to the extent necessary to refund the indemnity provided by the Indemnifying Party.

11.7 Mitigation. Each Person entitled to indemnification pursuant to this Article 11 shall take reasonable steps to mitigate all Losses after becoming aware of any event which could reasonably be expected to give rise to any Losses that are indemnifiable or recoverable hereunder or in connection herewith.

11.8 Exclusive Remedies. Following the Closing, a claim pursuant to this Article 11 shall be an Indemnified Party's sole and exclusive remedy with respect to (a) any violation or breach of any covenant, representation or warranty contained in this Agreement or (b) any other matters in respect of this Agreement or the transactions contemplated hereby, in each case, regardless of whether such claim arises in contract, tort, breach of warranty or any other legal or equitable theory; provided, however, that Section 4.3 shall govern disputes related to the final determination of the Net Working Capital Adjustment Amount, Section 4.7 shall govern disputes related to the final determination of the allocation of the purchase price (as determined for Tax purposes), the Company and its Subsidiaries shall be entitled to the rights and remedies set forth in the Power of Attorney, and the rights of specific performance shall be available to the extent provided in Section 13.14. In furtherance of the foregoing, each of the parties hereby waives, from and after the Closing, to the fullest extent permitted under applicable law, any and all other rights, claims and causes of action such party or any of its Affiliates may have against any other party or its Affiliates relating to this Agreement or the transactions contemplated hereby, whether arising in contract, tort, breach of warranty or any other legal or equitable theory. Notwithstanding anything to the contrary in this Agreement, subject to Section 11.5, each of the parties hereto retains all of its rights and remedies with respect to claims based on intentional fraud with respect to the representations and warranties set forth in this Agreement.

11.9 Characterization of Indemnity Payments. Any indemnification payments made pursuant to this Agreement shall be considered, to the extent permissible under applicable law, as adjustments to the purchase price for all Tax purposes.

ARTICLE 12 TERMINATION

12.1 Termination. This Agreement may be terminated at any time prior to the Closing:

12.1.1 by the mutual written agreement of the Company and Buyer;

12.1.2 by Buyer, if (i) there has been a violation or breach by the Company of any covenant, representation or warranty contained in this Agreement, which has prevented or would prevent the satisfaction of any of the Buyer Parties' conditions precedent to Closing and (A) such violation or breach has not been waived by Buyer, (B) Buyer has provided written notice to the Company of such violation or breach, and (C) the Company has not cured such

violation or breach within ten (10) Business Days after receiving written notice thereof from Buyer, or (ii) the transactions contemplated hereby have not been consummated by the date that is ninety (90) days following the date hereof (the “**Outside Closing Date**”); provided, however, Buyer shall not be entitled to terminate this Agreement pursuant to this Section 12.1.2(ii) if a Buyer Party’s breach of this Agreement has substantially contributed to the failure of the consummation of the transactions contemplated hereby to occur by the Outside Closing Date;

12.1.3 by the Company, if (i) there has been a violation or breach by a Buyer Party of any covenant, representation or warranty contained in this Agreement, which has prevented or would prevent the satisfaction of any of the Company's conditions precedent to Closing and (A) such violation or breach has not been waived by the Company, (B) the Company has provided written notice to Buyer of such violation or breach, and (C) such Buyer Party has not cured such violation or breach within ten (10) Business Days after receiving written notice thereof from the Company, or (ii) the transactions contemplated hereby have not been consummated by the Outside Closing Date; provided, however, the Company shall not be entitled to terminate this Agreement pursuant to this Section 12.1.3(ii) if the Company's breach of this Agreement has substantially contributed to the failure of the consummation of the transactions contemplated hereby to occur by the Outside Closing Date;

12.1.4 by the Company, if the condition to the Closing set forth in Section 7.5 shall not have been satisfied within seventeen (17) days following the date hereof; or

12.1.5 by Buyer or the Company, if any permanent injunction or other order of a Governmental Entity preventing the consummation of the transactions contemplated hereby shall have become final and nonappealable.

12.2 Effect of Termination. In the event of a valid termination pursuant to Section 12.1, all rights and obligations of the parties hereto shall terminate without any liability on the part of any of the parties hereto or their respective owners, directors, officers or employees, except that Sections 9.4 and 9.5, this Section 12.2 and Article 13 shall survive termination of this Agreement. Notwithstanding the foregoing, no such termination of this Agreement shall preclude any claim by a Buyer Party against the Company or by the Company against a Buyer Party based on or arising from any breach or default by the other party with respect to its representations, warranties, covenants or agreements contained in this Agreement; provided, that such breach or default, as applicable, has been the basis for such termination.

13.2 [Intentionally Omitted]

13.3 Waiver. The failure of any party to insist, in any one or more instances, on performance of any of the terms and conditions of this Agreement shall not be construed as a waiver or relinquishment of any rights granted hereunder or of the future performance of any such term, covenant or condition, but the obligations of the parties with respect thereto shall continue in full force and effect.

13.4 Third Parties. Except for the provisions of Article 11 (in respect of which the Indemnified Parties shall be express third party beneficiaries) and Section 13.17 (in respect of which the Non-Parties shall be express third party beneficiaries), none of the provisions of this Agreement shall confer rights or benefits as third party beneficiaries or otherwise upon any party that is not expressly a party to this Agreement, and the provisions of this Agreement shall not be enforceable by any such third party.

13.5 Severability. If any part of this Agreement should be determined to be invalid, unenforceable, or contrary to law, that part shall be amended, if possible, to conform to law, and if amendment is not possible, that part shall be deleted and other parts of this Agreement shall remain fully effective, but only if, and to the extent, such modification or deletion would not materially and adversely frustrate the parties' essential objectives as expressed in this Agreement.

13.6 Amendment. This Agreement may be amended, supplemented, altered or modified at any time only by a written instrument duly executed by the Company and the Buyer Parties.

13.7 Counterparts. This Agreement may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The parties to this Agreement may deliver their executed counterparts by facsimile or other electronic means.

13.8 Headings. The headings contained in this Agreement have been inserted for the convenience of reference only and shall in no way restrict or modify any of the terms or provisions hereof.

13.9 Entire Agreement. This Agreement (including the schedules and exhibits hereto, and all other agreements and documents executed in connection herewith, including the Power of Attorney) constitutes the entire agreement among the parties hereto with respect to the subject hereof.

13.10 Assignment. All terms and provisions of this Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the parties hereto, whether so expressed or not. No party hereto may assign (whether by operation of law or otherwise) this Agreement or any rights, interests or obligations provided by this Agreement without the prior written consent of the other parties hereto; provided, however, that Buyer may assign any or all of its rights and obligations under this Agreement to an Eligible Subsidiary; provided, further, that no such assignment shall release Buyer from any liability under this Agreement.

13.11 Governing Law; Jurisdiction. The parties specifically agree that this Agreement and any dispute hereunder, whether in law or in equity, whether in contract or in tort, by statute or otherwise, shall in all respects be interpreted, read construed and governed by the internal laws of the State of Delaware, exclusive of its conflicts of law rules. The parties hereby irrevocably consent to the exclusive jurisdiction of the Chancery Court of the State of Delaware (or, if the Chancery Court of the State of Delaware declines to accept jurisdiction over a particular matter, any state or federal court sitting in Delaware) and each party hereto expressly agrees to waive any challenge to either jurisdiction or venue in any of the aforementioned courts; provided, that each party hereto agrees that a final, non-appealable judgment in any action or proceeding so brought may be enforced in any court of competent jurisdiction by suit on the

judgment or in any other manner provided by law. Each party hereto hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, and agrees that service of process by registered or certified mail, return receipt requested, at its address specified pursuant to Section 13.1 is reasonably calculated to give actual notice. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF SUCH PROCEEDING. EACH PARTY HERETO CERTIFIES AND ACKNOWLEDGES THAT: (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) IT MAKES THIS WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.11.

13.12 Interpretation; Construction. Unless the context otherwise requires, words importing the singular shall include the plural, and vice versa. The use in this Agreement of the term “including” (whether or not followed by the words “without limitation” or “but not limited to”) means “including, without limitation”. The words “shall” and “will” shall be used interchangeably in this Agreement. The word “or” is not exclusive and shall mean “and/or” unless the context requires otherwise. The words “herein”, “hereof”, “hereunder”, “hereby”, “hereto”, and other words of similar import refer to this Agreement as a whole, including the Disclosure Schedule and exhibits, as the same may from time to time be amended, modified, supplemented or restated, and not to any particular article, section, subsection, paragraph, subparagraph or clause contained in this Agreement. All references to articles, sections, subsections, clauses, paragraphs, schedules and exhibits mean such provisions of this Agreement and the Disclosure Schedule, and exhibits attached to this Agreement, except where otherwise stated. For purposes of this Agreement, if the Company or a Person acting on its behalf has posted a document (a) to the online data room hosted on behalf of the Company and located at <https://services.intralinks.com>, (b) to the online data room hosted on behalf of the Company by Egnyte, or (c) to the Company’s online contract management site utilizing Meditract software at www.meditract.com, in each case, prior to 6:00 p.m. (New York City time) on the date prior to the date hereof, such document shall be deemed to have been “delivered”, “furnished”, “made available” or “provided” (or any similar formulation) to the Buyer Parties by the Company. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent, and no rule of strict construction shall be applied against any party hereto.

13.13 RSU Shares. For purposes of determining the number of earned and paid over shares of Parent Common Stock to be issued or forfeited pursuant to Article 11 in respect of any indemnifiable Losses, the amount of such Losses shall be divided by the Fair Market Value of the Parent Common Stock to be issued or forfeited, rounded to the nearest whole number. Notwithstanding anything to the contrary in this Agreement, the number of shares of Parent Common Stock to be paid over upon the satisfaction of any RSU criteria described in this Agreement shall be adjusted as may be equitably required to reflect any stock split, reverse stock split, recapitalization, reclassification, reorganization, exchange, subdivision or combination. Parent shall take such actions, including the re-cutting and cancellation of stock certificates, as are reasonably requested by the Company in order to effect the transfer of shares of Parent Common Stock paid over pursuant to the RSUs.

13.14 Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached, and that money damages or legal remedies would not be an adequate remedy for any such damages. Therefore, it is accordingly agreed that each party hereto shall be entitled to an injunction or injunctions to prevent or restrain any breach or threatened breach of this Agreement by any other party hereto and to enforce specifically the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of any other party hereto, and appropriate injunctive relief shall be granted in connection therewith. Any party hereto seeking an injunction, a decree or order of specific performance or other equitable remedy shall not be required to provide any bond or other security in connection therewith and any such remedy shall be in addition to and not in substitution for any other remedy to which such party is entitled at law or in equity. Each of the parties hereby waives any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. Notwithstanding the foregoing, the remedies of injunctive relief and specific performance (or any other equitable remedy) will not be available to the Buyer Indemnified Parties after the Closing for the enforcement of any monetary obligation, it being the intent of the parties that the Buyer Indemnified Parties' sole post-Closing remedies for the enforcement of monetary obligations will be those remedies set forth in Article 11.

13.15 Disclosure Schedules. Each Disclosure Schedule is hereby incorporated in and made a part of this Agreement as if set forth in full herein. Any matter or item disclosed on one Schedule of a Disclosure Schedule shall be deemed to have been disclosed on each other Schedule of such Disclosure Schedule in which it is reasonably apparent on the face of such disclosure that the information is required to be included. Disclosure of any item on any Schedule of a Disclosure Schedule shall not constitute an admission or indication that such item or matter is material or establish any standard of materiality. No disclosure on a Schedule of a Disclosure Schedule relating to a possible breach or violation of any Contract, law or order shall be construed as an admission or indication that a breach or violation exists or has actually occurred. The specification of any dollar amount or the inclusion of any item in a Disclosure Schedule is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the ordinary course of business, and no party will use the fact of the setting of the amounts or the fact of the inclusion of any item in such Disclosure Schedule in any dispute or controversy between the parties as to whether any obligation, item or matter not described or included in such Disclosure Schedule is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or is within or outside of the ordinary course of business for purposes of this Agreement. Any capitalized terms used in any Schedule of a Disclosure Schedule or Exhibit but not otherwise defined therein shall be defined as set forth in this Agreement.

13.16 Legal Representation. Each of the Buyer Parties hereby agrees, on its own behalf and on behalf of its directors, members, partners, officers, employees and Affiliates, and each of their respective successors and assigns, including, following the Closing, the Company and the Company Subsidiaries (all such parties, the “**Waiving Parties**”), that Ropes & Gray LLP may represent the Company and the Company Subsidiaries or any or all of the Shareholders in connection with any dispute, Action, claim, or obligation arising out of or relating to this Agreement, and each of the Buyer Parties on behalf of itself and the Waiving Parties hereby consents thereto and irrevocably waives (and will not assert) any conflict of interest or any objection arising therefrom or relating thereto. Each of the Buyer Parties, for itself and the Waiving Parties, hereby irrevocably acknowledges and agrees that all communications between the Company, the Company Subsidiaries, the Shareholders and any of their respective Affiliates (the “**Seller Group**”) and their counsel, including Ropes & Gray LLP, made in connection with the negotiation, preparation, execution or delivery of this Agreement, any agreements contemplated by this Agreement or the transactions contemplated hereby, or any matter relating to any of the foregoing, are privileged communications, and none of the Buyer Parties or any of the Waiving Parties, nor any Person purporting to act on behalf of or through the Buyer Parties or any of the Waiving Parties, will seek to obtain the same by any process. From and after the Closing, each of the Buyer Parties, on behalf of itself and the Waiving Parties, waives and will not assert any attorney-client privilege with respect to any communication between Ropes & Gray LLP and the Company or the Company Subsidiaries or any other Person in the Seller Group made in connection with the negotiation, preparation, execution or delivery of this Agreement, any agreements contemplated by this Agreement or the transaction contemplated hereby, or any matter relating to any of the foregoing.

13.17 Non-Recourse. This Agreement may only be enforced against, and any Action that may be based upon, in respect of, arise under, out of or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, performance or breach (whether willful, intentional, unintentional or otherwise), of this Agreement, including any representation or warranty made or alleged to have been made in connection with, or as an inducement to, this Agreement (each of such above-described legal, equitable or other theories or sources of liability, a “**Recourse Theory**”) may only be made or asserted against (and are expressly limited to) the Persons that are expressly identified as the parties hereto in the preamble to and signature pages of this Agreement and solely in their capacities as such. No Person who is not a party hereto (including (a) any former, current or future direct or indirect equity holder, controlling Person, management company, incorporator, member, general or limited partner, manager, director, officer, employee, agent, Affiliate, attorney or representative of, and any financial advisor or lender to (all above-described Persons in this subclause (a), collectively, “**Affiliated Persons**”) a party hereto or any Affiliate of such party, and (b) any Affiliated Persons of such Affiliated Persons but specifically excluding the parties hereto (the Persons in subclauses (a) and (b), together with their respective successors, assigns, heirs, executors or administrators, collectively, but specifically excluding the parties hereto, “**Non-Parties**”)) shall have any liability whatsoever in respect of, based upon or arising out of any Recourse Theory. Without limiting the rights of any party hereto against the other parties hereto as set forth herein, in no event shall any party hereto, any of its Affiliates or any Person claiming by, through or on behalf of any of them institute any Action under any Recourse Theory against any Non-Party. Notwithstanding the foregoing, nothing in this Section 13.17 shall limit the rights of any Buyer Indemnified Party pursuant to Article 11, including its right to receive payment pursuant to Section 11.5.

13.18 Performance Guarantee. Subject to the prior satisfaction of any conditions set forth herein, Parent unconditionally and irrevocably agrees to take any and all actions necessary to cause Buyer and its permitted assignees to perform all of its covenants, agreements and obligations under this Agreement, including with respect to

the consummation of the transactions contemplated hereby and the payment of the Purchase Price, indemnification and other obligations relating to or arising under Article 2, Article 3, Article 4, Article 9, Article 11, Article 12 and this Article 13, and Parent shall be liable for any breach by Buyer or its permitted assignees of any such covenant, agreement or obligation.

FIRST AMENDMENT TO ASSET PURCHASE AGREEMENT

This FIRST AMENDMENT TO ASSET PURCHASE AGREEMENT (this “**Amendment**”), dated as of June 16, 2016, amends that certain Asset Purchase Agreement, dated as of June 11, 2016 (the “**Agreement**”), by and among HS Infusion Holdings, Inc., a Delaware corporation (the “**Company**”), the direct and indirect Subsidiaries of the Company signatories thereto, BioScrip, Inc., a Delaware corporation (“**Parent**”), and HomeChoice Partners, Inc., a Delaware corporation (“**Buyer**”). Capitalized terms used and not defined herein shall have the respective meaning ascribed thereto in the Agreement.

WHEREAS, the parties hereto have previously executed and delivered the Agreement;

WHEREAS, Section 13.6 of the Agreement provides that the Agreement may be amended, supplemented, altered or modified at any time only by a written instrument duly executed by the Company and the Buyer Parties; and

WHEREAS, the Company and the Buyer Parties wish to amend the Agreement in the manner set forth herein.

NOW, THEREFORE, in connection with the Agreement, the transactions contemplated thereunder and the terms hereof, and in accordance with Section 13.6 of the Agreement, the parties hereto agree as follows:

1. Amendments to Section 1.1. Section 1.1 of the Agreement shall be amended as follows:

(a) The definition of “Equity Offering” shall be amended to revise the words “One Hundred Million Dollars (\$100,000,000.00)” therein to “Seventy Million Dollars (\$70,000,000.00).”

(b) The definition of “Escrow Amount” shall be amended to revise the words “Ten Million Dollars (\$10,000,000.00)” therein to “Five Million Dollars (\$5,000,000.00) of shares of Parent Common Stock of the Closing Equity Consideration.”

2. Amendment to Section 4.1. Section 4.1 of the Agreement is hereby amended and restated in its entirety as follows:

“4.1 Purchase Price. The aggregate consideration to be paid by Buyer to the designee(s) of the Company for the sale of the Acquired Assets shall be equal to the Cash Consideration (as defined below), plus the Equity Consideration (as defined below) (such aggregate consideration, together with the assumption of the Assumed Liabilities, the “**Purchase Price**”).

4.1.1 Cash Consideration. The cash portion of the Purchase Price (the “**Cash Consideration**”) shall be an amount equal to Sixty Seven Million Five Hundred Thousand Dollars (\$67,500,000.00) plus or minus the Net Working Capital Adjustment Amount.

4.1.2 Equity Consideration. The equity portion of the Purchase Price shall consist of (a) the number of shares of Parent Common Stock equal to the

quotient of Seven Million Five Hundred Thousand Dollars (\$7,500,000.00), divided by the price per share of Parent Common Stock issued pursuant to the Equity Offering (the “**Closing Equity Consideration**”) and (b) the right to receive restricted Parent Common Stock contributed from Parent to Buyer and paid over by Buyer to the Company or the appropriate Company Subsidiary or Company Subsidiaries as set forth on Schedule 4.7 in two tranches (Tranche A and Tranche B) (the “**RSUs**” and, together with the Closing Equity Consideration, the “**Equity Consideration**”) subject to the achievement of the financial contingencies described in Section 4.4 and Section 4.5. The aggregate number of RSUs in each tranche shall be as follows:

(i) The number of shares of Parent Common Stock in Tranche A will be equal to the quotient of Twelve Million Three Hundred Seventy Five Thousand Dollars (\$12,375,000.00), divided by Four Dollars (\$4.00).

(ii) The number of shares of Parent Common Stock in Tranche B will be equal to the quotient of Twenty Million Dollars (\$20,000,000.00), divided by Five Dollars (\$5.00).

The shares of Parent Common Stock subject to RSUs shall be subject to the payment conditions described in Sections 4.4 and 4.5 below.”

3. Amendment to Section 4.3. The Board of Directors

BioScrip, Inc.
1600 Broadway
Suite 950
Denver, Colorado 80202

Members of the Board:

We understand that HS Infusion Holdings, Inc. (“HSI”) and certain of its subsidiaries, BioScrip, Inc. (“BioScrip”) and HomeChoice Partners, Inc., a wholly-owned subsidiary of BioScrip (“Acquisition Sub”), propose to enter into an Asset Purchase Agreement (the “Asset Purchase Agreement”), pursuant to which, among other things, Acquisition Sub will purchase substantially all of the assets (other than certain excluded assets as set forth in the Asset Purchase Agreement) of HSI and certain of its subsidiaries and assume liabilities (other than certain excluded liabilities as set forth in the Asset Purchase Agreement) of HSI and certain of its subsidiaries (the “Acquisition”) and Acquisition Sub will pay as aggregate consideration to HSI (a) cash in an amount equal to \$80 million, subject to adjustment as set forth in the Asset Purchase Agreement as to which we express no opinion, (b) a number of shares of common stock of BioScrip, par value \$0.0001 per share (the “BioScrip Common Stock”) equal to the quotient of (x) 5,000,000 and (y) a number equal to the price per share of BioScrip Common Stock issued pursuant to the equity offering of BioScrip Common Stock contemplated by the Asset Purchase Agreement as to which we express no opinion and (c) subject to the occurrence of certain events set forth in the Asset Purchase Agreement, a number of shares of BioScrip Common Stock, equal to (i) the quotient of (x) 12,375,000 and (y) 4.00 plus (ii) the quotient of (x) 12,375,000 and (y) 5.00 (the consideration described in clauses (a), (b) and (c) together, the “Consideration”). The terms and conditions of the Acquisition are more fully set forth in the Asset Purchase Agreement.

You have asked for our opinion as to whether the Consideration to be paid by BioScrip pursuant to the Asset Purchase Agreement is fair, from a financial point of view, to BioScrip.

In arriving at our opinion, we have, among other things:

(i) reviewed a draft dated June 9, 2016 of the Asset Purchase Agreement;

(ii) reviewed certain publicly available financial and other information about BioScrip;

(iii) reviewed certain information furnished to us by the management of BioScrip, including financial forecasts and analyses relating to the business, operations and prospects of HSI prepared by the managements of HSI and BioScrip and financial forecasts and analyses relating to the business, operations and prospects of BioScrip prepared by the management of BioScrip, and in each case approved for our use by the management of BioScrip;

(iv) reviewed certain estimates as to the amount and timing of cost savings (collectively, the “Cost Savings”) anticipated by the management of BioScrip to result from the Acquisition and approved for our use by the management of BioScrip;

(v) held discussions with members of the senior management of BioScrip and HSI concerning the matters described in clauses (ii) through (iv) above;

(vi) reviewed the share trading price history and valuation multiples for the BioScrip Common Stock and compared them with those of certain other publicly traded companies that we deemed relevant;

(vii) compared the proposed financial terms of the Acquisition with the financial terms of certain other transactions that we deemed relevant;

(viii) considered the potential pro forma impact of the Acquisition, after taking into account the Cost Savings, utilizing financial forecasts and estimates relating to HSI and BioScrip prepared and furnished to us by the management of BioScrip; and

(ix) conducted such other financial studies, analyses and investigations as we deemed appropriate.

In our review and analysis and in rendering this opinion, we have assumed and relied upon, but have not assumed any responsibility to investigate independently or verify, the accuracy and completeness of all financial and other information that was supplied or otherwise made available by BioScrip or HSI or that was otherwise reviewed by us (including, without limitation, the information described above). We have relied on assurances of the management of BioScrip that it is not aware of any facts or circumstances that would make such information inaccurate or misleading. In our review, we did not obtain any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of, nor did we conduct a physical inspection of any of the properties or facilities of, HSI, BioScrip or any other entity, nor have we been furnished with any such evaluations or appraisals of such physical inspections, nor do we assume any responsibility to obtain any such evaluations or appraisals. We have assumed that BioScrip, Acquisition Sub and their respective subsidiaries will not assume, or otherwise have any liability for, any excluded liabilities set forth in the Asset Purchase Agreement at the time of consummation of the Acquisition or at any time thereafter.

With respect to the financial forecasts and estimates provided to and examined by us, we note that projecting future results of any company is inherently subject to uncertainty. We have been informed, however, and we have assumed, that the financial forecasts and estimates relating to HSI and BioScrip (including the Cost Savings) that we were directed to utilize in our analyses were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of HSI and BioScrip as to the future financial performance of HSI and BioScrip, such Cost Savings and the other matters covered thereby. We express no opinion as to any such financial forecasts or estimates or the assumptions on which they are based and we have assumed that the financial results reflected in the financial forecasts and estimates utilized in our analyses, including with respect to Cost Savings, will be realized in the amounts and at the times projected. We have relied, at your direction, upon the assessments of the management of BioScrip as to, among other things, the ability of BioScrip to integrate the businesses of HSI with those of BioScrip. At your direction, we have assumed that there will be no developments with respect to any such matters that would have an adverse effect on HSI, BioScrip or the Acquisition (or the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion. At your direction, we further have assumed that there will not be any adjustments to the Consideration that would be meaningful in any respect to our analyses or opinion.

Our opinion is based on economic, monetary, regulatory, market and other conditions existing and which can be evaluated as of the date hereof. We expressly disclaim any undertaking or obligation to advise any person of any change in any fact or matter affecting our opinion of which we become aware after the date hereof.

We have made no independent investigation of any legal or accounting matters affecting HSI, BioScrip, their respective businesses or the Acquisition and we have assumed the correctness in all respects material to our analysis of all legal and accounting advice given to BioScrip and its Board of Directors, including, without limitation, advice as to the legal, accounting and tax consequences of the terms of, and transactions contemplated by, the Asset Purchase Agreement to BioScrip. In addition, in preparing this opinion, we have not taken into account any tax consequences of the Acquisition to BioScrip or its stockholders. At your direction, we have assumed that the consideration payable pursuant to the Asset Purchase Agreement will be the Consideration as set forth herein, rather than the consideration set forth in the draft of the Asset Purchase Agreement reviewed by us, which provided that the consideration described in clause (a) in the first paragraph herein would be \$85,000,000 and does not provide for the consideration described in clause (b) in the first paragraph herein. Except as set forth in the immediately preceding sentence, we have assumed that the final form of the Asset Purchase Agreement will be substantially similar to the last draft reviewed by us. We have also assumed that the Acquisition will be consummated in accordance with its terms without waiver, modification or amendment of any term, condition or agreement and in compliance with all applicable laws, documents and other requirements and in the course of obtaining the necessary regulatory or third party approvals, consents and releases for the Acquisition, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on HSI, BioScrip, their respective businesses or the contemplated benefits of the Acquisition.

It is understood that our opinion is for the use and benefit of the Board of Directors of BioScrip (in its capacity as such) in its consideration of the Acquisition, and our opinion does not address the relative merits of the transactions contemplated by the Asset Purchase Agreement as compared to any alternative transaction or opportunity that might be available to BioScrip, nor does it address the underlying business decision by BioScrip to engage in the Acquisition or the terms of the Asset Purchase Agreement or the documents referred to therein. Our opinion does not constitute a recommendation as to how any holder of shares of BioScrip Common Stock should vote on any matter. In addition, you have not asked us to address, and this opinion does not address, the fairness to, or any other consideration of, the holders of any class of securities, creditors or other constituencies of BioScrip or any other party to the Asset Purchase Agreement. We express no view or opinion as to (i) the actual value of BioScrip Common Stock in the event it is issued pursuant to the Asset Purchase Agreement, (ii) the prices at which BioScrip Common Stock will trade at any time, (iii) the prices at which any other equity securities of BioScrip will be transferable at any time or (iv) any other transaction that may be undertaken by BioScrip, whether or not related to the Acquisition, including any issuance of additional BioScrip Common Stock. Furthermore, we do not express any view or opinion as to the fairness, financial or otherwise, of the amount or nature of any compensation payable to or to be received by any officers, directors or employees, or any class of such persons, of any party to the Asset Purchase Agreement in connection with the Acquisition relative to the Consideration to be paid by BioScrip pursuant to the Asset Purchase Agreement. Our opinion has been authorized by the Fairness Committee of Jefferies LLC.

We have been engaged by BioScrip to act as its financial advisor in connection with the Acquisition and will receive a fee for our services, a portion of which is payable upon delivery of this opinion and a significant portion of which is payable contingent upon consummation of the Acquisition. We also will be reimbursed for expenses incurred. BioScrip has agreed to indemnify us against liabilities arising out of or in connection with the services rendered and to be rendered by us under such engagement. We have, in the past, provided financial advisory and financing services to BioScrip and KRG Capital Partners (the controlling equity owner of HSI) (“KRG”) and certain of its affiliates and their affiliated funds’ respective majority controlled portfolio companies (collectively, the “KRG Entities and, in each case, have received fees in connection with such services. We maintain a market in the securities of BioScrip, and in the ordinary course of our business, we and our affiliates may trade or hold securities of BioScrip and/or BioScrip’s affiliates for our own account and for the accounts of our customers and, accordingly, may at any time hold long or short positions in those securities. In addition, we may seek to, in the future, provide financial advisory and financing services to HSI, BioScrip, KRG, the KRG Entities or entities that are affiliated with HSI or BioScrip, for which we would expect to receive compensation. Except as otherwise expressly provided in our engagement letter with BioScrip, our opinion may not be used or referred to by BioScrip, or quoted or disclosed to any person in any matter, without our prior written consent.

Based upon and subject to the foregoing, we are of the opinion that, as of the date hereof, the Consideration to paid by BioScrip pursuant to the Asset Purchase Agreement is fair, from a financial point of view, to BioScrip.

Very truly yours,

/s/Jefferies LLC
