To Our Stockholders:

You are cordially invited to attend the 2019 Annual Meeting of Stockholders of Cyclacel Pharmaceuticals, Inc. (the “Company”) to be held at 10:00 a.m., E.D.T., on May 29, 2019, at our corporate headquarters at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922. The attached Notice of Annual Meeting and proxy statement describe the business we will conduct at the annual meeting and provide information about us that the holders of our common stock (the “Common Stock”) should consider when voting.

At the annual meeting, we will ask our holders of Common Stock to:

1.
re-elect each of Sir John Banham and Dr. Samuel L. Barker, nominees for Class 1 directors, to our Board of Directors;
2.
ratify the selection of RSM US LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2019;
3.
approve by an advisory vote the compensation of our named executive officers, as disclosed in this proxy statement; and
4.
approve by an advisory vote the frequency of holding an advisory vote on compensation of our named executive officers.

The Board of Directors recommends the approval of each of these proposals.

Also at the annual meeting, the holders of our 6% Convertible Exchangeable Preferred Stock (“Preferred Stock”) may re-elect Gregory T. Hradsky, nominee for Class 1 director, to fill the directorship on our Board of Directors that has been created pursuant to the terms of the Certificate of the Powers, Designations, Preferences and Rights governing the Preferred Stock. The Board of Directors makes no recommendation with respect to this proposal.

Such other business will be transacted as may properly come before the annual meeting and at any adjournments or postponements thereof.

Under Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders over the Internet, we have elected to deliver our proxy materials to the majority of our stockholders over the Internet. This delivery process allows us to provide stockholders with the information they need, while at the same time conserving natural resources and lowering the cost of delivery. On or about April 12, 2019, we will commence mailing to our stockholders a Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access our proxy statement for our 2019 Annual Meeting of Stockholders and our 2018 annual report to stockholders. The Notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail.

We hope you will be able to attend the annual meeting. Whether you plan to attend the annual meeting or not, it is important that you cast your vote either in person or by proxy. You may vote over the Internet as well as by telephone or by mail. Therefore, when you have finished reading the proxy statement, you are urged to vote in accordance with the instructions set forth in this proxy statement. We encourage you to vote by proxy so that your shares will be represented and voted at the annual meeting, whether or not you can attend.

If you wish to attend the annual meeting in person, you will need to register with us in advance. You can register by contacting our investor relations office by no later than May 22, 2019, by e-mail to ir@cyclacel.com, fax at (866) 271-3466, mail at Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922 or telephone at (908) 517-7330.

PROXY STATEMENT FOR CYCLACEL PHARMACEUTICALS, INC.

2019 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 29, 2019

This proxy statement, along with the accompanying notice of the 2019 annual meeting of stockholders, contains information about the 2019 annual meeting of stockholders of Cyclacel Pharmaceuticals, Inc., including any adjournments or postponements of the annual meeting. We are holding the annual meeting at 10:00 a.m., E.D.T., on May 29, 2019 at our corporate headquarters at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922. In this proxy statement, we refer to Cyclacel Pharmaceuticals, Inc. as “Cyclacel,” “the Company,” “we” and “us.” This proxy statement relates to the solicitation of proxies by our Board of Directors for use at the annual meeting. On or about April 12, 2019, we will commence sending the Important Notice Regarding the Availability of Proxy Materials to all stockholders entitled to vote at the annual meeting.

Important Notice Regarding The Availability of Proxy Materials for the Shareholder Meeting to be held on May 29, 2019

This proxy statement and our 2018 annual report to stockholders are available for viewing, printing and downloading at www.proxyvote.com. To view these materials, please have your 12-digit control number(s) available that appears on your Notice or proxy card. On this website, you can also elect to receive future distributions of our proxy statements and annual reports to stockholders by electronic delivery.

Additionally, you can find a copy of our Annual Report on Form 10-K, which includes our financial statements, for the fiscal year ended December 31, 2018 on the website of the Securities and Exchange Commission, or the SEC, at www.sec.gov, or in the “SEC Filings” section of the “Investors & Media” section of our website at www.cyclacel.com. Important Information About the Annual Meeting and Voting

Why Is the Company Soliciting My Proxy?

The Board of Directors of Cyclacel is soliciting your proxy to vote at the 2019 annual meeting of stockholders, and any adjournments or postponements of the meeting, which we refer to as the annual meeting, to be held at 10:00 a.m., E.D.T., on May 29, 2019 at our corporate headquarters at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922. The proxy statement, along with the accompanying Notice of Annual Meeting of Stockholders, summarizes the purposes of the meeting and the information you need to know to vote at the annual meeting. We have made available to you on the Internet or have sent you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card or cards and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 because you owned shares of Cyclacel common stock (“Common Stock”). The Company intends to commence distribution of the Important Notice Regarding the Availability of Proxy Materials, which we refer to throughout this proxy statement as the Notice, and, if applicable, the proxy materials, to stockholders on or about April 12, 2019.

TABLE OF CONTENTS

Why Did I Receive a Notice in the Mail Regarding the Internet Availability of Proxy Materials Instead of a Full Set of Proxy Materials?

As permitted by the rules of the U.S. Securities and Exchange Commission, or the SEC, we may furnish our proxy materials to our stockholders by providing access to such documents on the Internet, rather than mailing printed copies of these materials to each stockholder. Most stockholders will not receive printed copies of the proxy materials unless they request them. We believe that this process should expedite stockholders' receipt of proxy materials, lower the costs of the annual meeting and help to conserve natural resources. If you received a Notice by mail or electronically, you will not receive a printed or email copy of the proxy materials, unless you request one by following the instructions included in the Notice. Instead, the Notice instructs you as to how you may access and review all of the proxy materials and submit your proxy on the Internet. If you requested a paper copy of the proxy materials, you may authorize the voting of your shares by following the instructions on the proxy card, in addition to the other methods of voting described in this proxy statement.

Who Can Vote at the Annual Meeting?

Only stockholders who owned our Common Stock or Preferred Stock at the close of business on April 3, 2019 are entitled to vote at the annual meeting. On this record date, there were 17,199,974 shares of our Common Stock outstanding and entitled to vote on the proposals submitted to our holders of Common Stock, and there were 335,273 Shares of Preferred Stock outstanding and entitled to vote on the proposal submitted to the holders of our Preferred Stock.

You do not need to attend the annual meeting to vote your shares. Shares represented by valid proxies, received in time for the annual meeting and not revoked prior to the annual meeting, will be voted at the annual meeting. For instructions on how to change or revoke your proxy, see "May I Change or Revoke My Proxy?" below.

For the ten-day period immediately prior to the annual meeting, the list of the stockholders of record entitled to vote at the annual meeting will be available for inspection at our offices at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922, by stockholders for such purposes as are set forth in the General Corporation Law of the State of Delaware. Such list will also be available for inspection at the annual meeting.

What Proposals Can I Vote on as a Holder of Preferred Stock?

The holders of Preferred Stock are currently entitled to vote and elect Gregory T. Hradsky, the nominee for Class 1 director, to fill one of the two directorships created on the Company's Board of Directors by virtue of the terms of the Company's Certificate of the Powers, Designations, Preferences and Rights governing the Preferred Stock (the "Certificate"). We refer to this proposal as the "Preferred Director Election Proposal."

Pursuant to the terms of the Certificate, holders of the Preferred Stock are entitled to receive, when, as and if declared by the Board of Directors, out of the funds of the Company legally available therefor, cash dividends payable in equal quarterly installments on each of February 1, May 1, August 1 and November 1. The Certificate further provides that, if the Company is in arrears in an aggregate amount equal to at least six quarterly dividends (whether or not consecutive), the number of members of the Company's Board of Directors will be increased by two, effective as of the time of election of such directors, and the holders of Preferred Stock, voting separately as a class, will have the right to vote and elect such two additional directors. This right accrued to the holders of our Preferred Stock as of August 2, 2010. The Company is still in arrears in an aggregate amount in excess of six quarterly dividends on the Preferred Stock.

In light of the arrearage on the dividends, the holders of Preferred Stock have a continuing right to elect two directors on the Company's Board of Directors. Gregory T. Hradsky has been serving as a Class 1 director since the Company's 2011 annual meeting. We have not received any other nominations for director by the holders of the Preferred Stock. If elected, Mr. Hradsky would continue to serve as a Class 1 director until the earlier of (a) the 2022 annual meeting and his successor is duly elected and qualified, and (b) such time as all accrued and unpaid dividends on the Preferred Stock have been declared and paid or set apart for payment.

TABLE OF CONTENTS

How Many Votes Do I Have?

Each share of our Common Stock that you own entitles you to one vote with respect to each of the proposals presented in the proxy statement.

How Do I Vote?

Whether you plan to attend the annual meeting or not, we urge you to vote by proxy. If you vote by proxy, the individuals named on the proxy card applicable to your class of stock, or your “proxies,” will vote your shares in the manner you indicate. For example, you may specify whether your shares: should be voted for or withheld for each nominee for director; should be voted for, against or abstained with respect to the ratification of the appointment of the Company’s independent registered public accounts; should be voted for, against or abstained with respect to the compensation of the Company’s named executive officers, as disclosed in this proxy statement; and should be voted for one year, two years, three years or abstain with respect to the frequency of voting on the compensation of our named executive officers. Voting by proxy will not affect your right to attend the annual meeting. If your shares are registered directly in your name through our transfer agent, American Stock Transfer and Trust Company, or you have stock certificates registered in your name, you may submit a proxy to vote:

- By Internet or by telephone. Follow the instructions attached to the proxy card applicable to your class of stock to submit a proxy to vote by Internet or telephone.

- By mail. If you received one or more proxy cards by mail, you can vote by mail by completing, signing, dating and returning the enclosed proxy card applicable to your class of stock in the enclosed postage prepaid envelope. Your proxy will be voted in accordance with your instructions. If you sign the proxy card but do not specify how you want your shares voted, they will be voted as recommended by our Board of Directors.

- In person at the meeting. If you attend the annual meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the annual meeting. You are required to register in advance of the annual meeting if you plan to attend the annual meeting in person. If you wish to register in advance of the annual meeting, please contact our investor relations office by no later than May 22, 2019, by e-mail to ir@cyclacel.com, fax at (866) 271-3466, mail to Cyclacel Pharmaceuticals, Inc., 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922 or telephone at (908) 517-7330.

Telephone and Internet voting facilities for all stockholders of record will be available 24-hours a day and will close at 11:59 p.m., E.D.T., on May 28, 2019.

If your shares are held in “street name” (held in the name of a bank, broker or other nominee who is the holder of record), you must provide the bank, broker or other nominee with instructions on how to vote your shares and can do so as follows:

- By Internet or by telephone. Follow the instructions you receive from the record holder to vote by Internet or telephone.

- By mail. You should receive instructions from the record holder explaining how to vote your shares.

- In person at the meeting. Contact the broker, bank or other nominee who holds your shares to obtain a broker’s proxy card and bring it with you to the annual meeting. You will not be able to vote at the annual meeting unless you have a proxy card from your broker, bank or other nominee.

How Does the Board of Directors Recommend That I Vote on the Proposals?

The Board of Directors recommends that you, as a holder of Common Stock, vote as follows:

-

“FOR” the re-election of each of Sir John Banham and Dr. Samuel L. Barker, nominees for Class 1 directors;

TABLE OF CONTENTS

- “FOR” ratification of the selection of our independent registered public accounting firm for the fiscal year ending December 31, 2019;

- “FOR” the compensation of our named executive officers, as disclosed in this proxy statement;

- “FOR” holding an advisory vote on the compensation of our named executive officers every year; and

As a holder of Preferred Stock, “NO RECOMMENDATION” on whether to vote in favor of or withhold your vote on the re-election of Gregory T. Hradsky as Class 1 director.

If any other matter is properly presented at the annual meeting, your proxy provides that your shares will be voted by the proxy holder listed on the proxy card in accordance with his or her best judgment. At the time this proxy statement was first made available, we knew of no matters that need to be acted on at the annual meeting, other than those described in this proxy statement.

May I Change or Revoke My Proxy?

If you submit a proxy, you may change or revoke it at any time before the annual meeting. You may change or revoke your proxy in any one of the following ways:

- By submitting a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above or by providing written notice of revocation to us before the annual meeting at 200 Connell Drive, Suite 1500, Berkeley Heights, New Jersey 07922, Attention: Paul McBarron, Executive Vice President—Finance, Chief Financial Officer, Chief Operating Officer and Secretary;

- By submitting a later proxy by Internet or by telephone as instructed above; or

- By attending the annual meeting in person and voting in person. Attending the annual meeting in person will not, in and of itself, change or revoke a previously submitted proxy unless you specifically request it or vote by ballot at the annual meeting. Your most current proxy card or proxy submission by telephone or Internet is the one that will be counted.

What If I Receive More Than One Proxy Card?

You may receive more than one proxy card or voting instruction form if you hold shares of our Common Stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described under “How Do I Vote?” for each account to ensure that all of your shares are voted.

Will My Shares Be Voted if I Do Not Vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How Do I Vote?”. If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your unvoted shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 2 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the annual meeting and in the manner you desire. A “broker non-vote” will occur if your broker, bank or other nominee cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker, bank or other nominee chooses not to vote on a matter for which it does have discretionary voting authority.

Your bank, broker or other nominee does not have the ability to vote your uninstructed shares in the election of directors. Therefore, if you hold your shares in street name, it is critical that you cast your vote if you want your vote to be counted for the election of directors.

What Vote Is Required to Approve Each Proposal and How Are Votes Counted?

<p>Proposal 1: Elect Sir John Banham and Dr. Samuel L. Barker as Class 1 Directors</p>	<p>The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.</p>
<p>Proposal 2: Ratify Selection of Our Independent Registered Public Accounting Firm</p>	<p>The affirmative vote of a majority of the votes cast for this proposal at the annual meeting is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on this proposal. Brokerage firms have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our holders of Common Stock to select our independent registered public accounting firm. However, if our holders of Common Stock do not ratify the selection of RSM US LLP as our independent registered public accounting firm for the year ending December 31, 2019, the Audit Committee of our Board of Directors will reconsider its selection.</p>
<p>Proposal 3: Approve an Advisory Vote on the Compensation of our Named Executive Officers</p>	<p>The affirmative vote of a majority of the votes cast for this proposal at the annual meeting is required to approve, on an advisory basis, the compensation of our named executive officers, as described in this proxy statement. Abstentions will have no effect on this proposal. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Compensation and Organization Development Committee and the Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.</p>

Preferred Director Election Proposal	The nominee for director who receives the most votes (also known as a “plurality” of the votes cast) will be elected. This year, there is only one nominee for Class 1 director to be elected by the holders of Preferred Stock. You may either vote FOR the nominee or WITHHOLD your vote from the nominee. Votes that are withheld will not be included in the vote tally for the election of directors. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name for the election of directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Is Voting Confidential?

We will keep all of the proxies, ballots and voting tabulations private. We only let our Inspector of Election, a representative of Broadridge Financial Solutions, Inc., examine these documents. Management will not know how you voted on a specific proposal unless it is necessary to meet legal requirements. Broadridge, however, will forward to management any written comments you make, on the proxy card or elsewhere.

Where Can I Find the Voting Results of the Annual Meeting?

The preliminary voting results will be announced at the annual meeting, and we will publish preliminary, or final, results, if available, in a Current Report on Form 8-K within four business days of the annual meeting. If final results are unavailable at the time we file the Form 8-K, then we will file an amended report on Form 8-K to disclose the final voting results within four business days after the final voting results are known.

What Are the Costs of Soliciting these Proxies?

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors. The entire cost of soliciting these proxies, including the costs of preparing, printing and mailing this proxy statement and accompanying materials, will be borne by us.

The Company has engaged The Proxy Advisory Group, LLC, to assist in the solicitation of proxies and provide related advice and informational support, for a services fee, plus customary disbursements, which are not expected to exceed \$18,000 in total. In addition, proxies may be solicited personally, by telephone or otherwise, by our officers, directors and employees, none of whom will receive any compensation for these services. We will ask banks, brokers and other nominees to forward these proxy materials to their principals and obtain authority to execute proxies. We will then reimburse such parties for their reasonable expenses incurred in connection with these activities.

What Constitutes a Quorum for the Annual Meeting?

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of our Common Stock entitled to vote at the meeting is necessary to constitute a quorum at the annual meeting.

Votes of stockholders of record who are present at the annual meeting in person or by proxy, abstention, and broker non-votes are counted for purposes of determining whether a quorum exists as to each class of capital stock. Broker non-votes will be counted for purposes of determining whether a quorum exists with respect to all of the Proposals.

What Dissenters' Rights Do I Have?

Under Delaware law, none of our stockholders are entitled to rights of appraisal on any proposal referred to herein.

Householding of Annual Disclosure Documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single Notice or, if applicable, a single set of our proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps us to reduce our expenses. The rule applies to our Notices, annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single Notice or, if applicable, a single set of proxy materials this year, but you would prefer to receive your own copy, please contact Broadridge Financial Solutions, Inc. by calling their toll free number, 1-888-237-1900.

If you do not wish to participate in "householding" and would like to receive your own Notice or, if applicable, set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another holder of our Common Stock or Preferred Stock and together both of you would like to receive only a single Notice or, if applicable, set of our annual disclosure documents, follow these instructions:

•

If your shares are registered in your own name, please contact Broadridge Financial Solutions, Inc., and inform them of your request by calling them at 1-888-237-1900 or writing them at 51 Mercedes Way, Edgewood, New York 11717.

•

If a broker, bank or other nominee holds your shares, please contact the broker, bank or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Director Independence

Our Board of Directors has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Based upon this review, our Board of Directors has determined that each of the following directors is an “independent director” as such term is defined by rules of The NASDAQ Stock Market, Inc., or NASDAQ:

- Sir John Banham
- Christopher Henney, Ph.D., D.Sc.
- David U’Prichard, Ph.D.
- Gregory T. Hradsky
- Lloyd Sems
- Samuel L. Barker, Ph.D.
- Robert Spiegel, M.D.

The Board of Directors has established three standing committees: (1) the Compensation and Organization Development Committee, (2) the Audit Committee, and (3) the Nominating and Corporate Governance Committee. The Board of Directors has also determined that each member of these committees meets the independence requirements applicable to each such committee as prescribed by NASDAQ and the SEC. In September 2018, the Board of Directors also reconstructed the Science and Technology Committee.

Committees of the Board of Directors and Meetings

Meeting Attendance. During the fiscal year ended 2018, there were six meetings of our Board of Directors, and the Compensation and Organization Development Committee, the Audit Committee, and the Nominating and Corporate Governance Committee met collectively a total of ten times. No director attended fewer than 80% of the total number of meetings of the Board of Directors or of the committees of the Board of Directors on which he served during fiscal 2018.

Audit Committee. Our Audit Committee met four times during fiscal 2018. The Audit Committee during such period had four members: Sir John Banham (Chairman), Dr. Christopher Henney, Gregory T. Hradsky and Dr. Samuel L. Barker. All members of the Audit Committee satisfy the current independence standards promulgated by NASDAQ and the SEC, as such standards apply specifically to members of audit committees. The Board of Directors has determined that Sir John Banham is an “audit committee financial expert,” as the SEC has defined that term in Item 407 of Regulation S-K.

Our Audit Committee’s role and responsibilities are set forth in the Audit Committee’s written charter and include the authority to retain and terminate the services of our independent registered public accounting firm. In addition, the Audit Committee reviews annual financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. For additional information, please see the report of the Audit Committee set forth elsewhere in this proxy statement.

Compensation and Organization Development Committee. Our Compensation and Organization Development Committee met four times during fiscal 2018. The Compensation and Organization Development Committee is composed entirely of directors who are not our current or former employees, all of whom qualify as independent under the definition promulgated by NASDAQ and the SEC. The Compensation and Organization Development Committee currently has three members: Dr. Samuel L. Barker (Chairman), Dr. Christopher Henney and Dr. David U'Prichard. Our Compensation and Organization Development Committee's role and responsibilities are set forth in its written charter and includes reviewing, approving and making recommendations regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board of Directors are carried out and that such policies, practices and procedures contribute to our success. The Compensation and Organization Development Committee also administers our 2018 Equity Incentive Plan, our 2015 Equity Incentive Plan and our Amended and Restated 2006 Equity Incentive Plan, as amended. Our Compensation and Organization Development Committee is responsible for the determination of the compensation of our chief executive officer, and shall conduct its decision making process with respect to that issue without the chief executive officer present.

A copy of the Compensation and Organization Development Committee's written charter is publicly available on our website at www.cyclacel.com.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee met two times during fiscal 2018. The Nominating and Corporate Governance Committee consists of Dr. Christopher Henney (Chairman), Sir John Banham, Lloyd Sems, Dr. Robert Spiegel and Dr. David U'Prichard, all of whom qualify as independent under the definition promulgated by NASDAQ and the SEC. The functions of the Nominating and Corporate Governance Committee are set forth in the Nominating and Corporate Governance Committee's charter and include evaluating and making recommendations to the full Board of Directors as to the size and composition of the Board of Directors and its committees, evaluating and making recommendations as to potential candidates, and evaluating the performance of the Board of Directors. The Nominating and Corporate Governance Committee does not consider issues of diversity among its members identifying and considering nominees for director.

If a stockholder wishes to nominate a candidate for director who is not to be included in our proxy statement, it must follow the procedures described in our By-Laws and in "Stockholder Proposals and Nominations For Director" at the end of this proxy statement.

In addition, under our current corporate governance policies, the Nominating and Corporate Governance Committee may consider candidates recommended by stockholders as well as from other sources, such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Nominating and Corporate Governance Committee may consider all factors it deems relevant, such as a candidate's personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board of Directors and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources.

A copy of the Nominating and Corporate Governance Committee's written charter is publicly available on our website at www.cyclacel.com.

Board Leadership Structure

Dr. U'Prichard serves as the Chairman of our Board of Directors and Mr. Rombotis serves as our President and Chief Executive Officer. Dr. U'Prichard is an independent director under the definition promulgated by NASDAQ and the SEC, and we believe that it is preferable for one of our independent directors to serve as Chairman of the Board of Directors. We also believe that this structure is the most effective structure for us and our stockholders at this time because a separate chairman (i) can provide the Chief Executive Officer with guidance and feedback on his performance, (ii) provides a more effective channel for the Board of Directors to express its views on management, and (iii) allows the Chairman to focus on stockholder interests and corporate governance while providing Mr. Rombotis with the ability to focus his attention on managing our day-to-day operations. As Dr. U'Prichard has significant senior level pharmaceutical industry experience, he is particularly well-suited to serve as Chairman. We recognize that different board leadership structures may be appropriate for companies in different situations. We will continue to re-examine our corporate governance policies and leadership structures on an ongoing basis to ensure that they continue to meet the Company's needs.

Role in Risk Oversight

Management is responsible for managing the risks that we face. The Board of Directors is responsible for overseeing management's approach to risk management that is designed to support the achievement of organizational objectives, including strategic objectives and risks associated with our clinical trials, to improve long-term organizational performance and enhance stockholder value. The involvement of the full Board of Directors in reviewing our strategic objectives and plans, including with respect to our clinical trials, is a key part of the Board of Directors' assessment of management's approach and tolerance to risk. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. In setting our business strategy, our Board of Directors assesses the various risks being mitigated by management and determines what constitutes an appropriate level of risk for us.

While the Board of Directors has ultimate oversight responsibility for overseeing management's risk management process, various committees of the Board of Directors assist it in fulfilling that responsibility. Notably, the Audit Committee assists the Board of Directors in its oversight of risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, the Nominating and Corporate Governance Committee reviews legal and regulatory compliance risks and the Compensation and Organization Development Committee assists the Board of Directors in its oversight of the evaluation and management of risks related to our compensation policies and practices.

Narrative Disclosure to Summary Compensation Table

The Compensation and Organization Development Committee of our Board of Directors makes decisions regarding the compensation of our President and Chief Executive Officer. The Compensation and Organization Development Committee is composed entirely of independent directors and meets in executive sessions to discuss and formulate its recommendation for the Chief Executive Officer's base salary and bonus. The Compensation and Organization Development Committee does not rely solely on any predetermined formula or a limited set of criteria in evaluating the Chief Executive Officer's performance for the year. The evaluation is based on the Chief Executive Officer's success in achieving his performance goals, which include financial, strategic and leadership objectives. The Chief Executive Officer also provides the Compensation and Organization Development Committee with a self-review of his performance as part of the Company's review process.

The Compensation and Organization Development Committee also approves the annual compensation (including base salary, bonus, and stock-based compensation) for our other named executive officers based on:

- the executive's scope of responsibilities;
- an informed market assessment of competitive practices for similar roles within peer group companies;
- evaluations of performance for the year, as assessed by the Chief Executive Officer, supported by the Company's performance review process and the executive's self-assessment; and
- recommendations by our Chief Executive Officer for each named executive officer with respect to base salary, cash bonus, and stock-based compensation.

The Compensation and Organization Development Committee is authorized to engage and retain independent consultants and other experts to assist in fulfilling its responsibilities, and the Committee does intend to engage periodically an external consultant to provide independent verification of market position and ensure the appropriateness of executive compensation. During the year ended December 31, 2018, our Compensation and Organization Development Committee retained Pearl Meyer & Partners, LLC, or Pearl Meyer, an independent, executive compensation consulting firm, to review and provide recommendations concerning our non-employee director and executive director compensation programs. This engagement remains underway. Pearl Meyer performs services solely on behalf of the Compensation and Organization Development Committee and has no relationship with the Company or management beyond the performance of such services. The Compensation and Organization Development Committee has assessed the independence of Pearl Meyer pursuant to SEC rules and the corporate governance rules of the NASDAQ Stock Market and has concluded that no conflict of interest exists that would prevent Pearl Meyer from independently representing the Compensation and Organization Development Committee. During the most recent year ended December 31, 2018, the Board of Directors and the Compensation and Organization Development Committee reviewed the annual compensation for our executive officers. The Compensation and Organization Development Committee determined not to provide increases in base salary for 2019, and determined to pay our executive officers bonuses for their performance during the fiscal year ended December 31, 2018. Pursuant to the determination that achievement had been attained during the fiscal year ended December 31, 2018 at a level of 64.5%, bonuses were paid as 70% cash and 30% in options to Spiro Rombotis, Paul McBarron and Dr. Judy Chiao in the amounts representing option awards of \$51,331, \$25,784 and \$28,746, respectively. No restricted stock units, or RSUs, were granted during the years ended December 31, 2018 or 2017. No RSUs vested in the year ended December 31, 2018 or 2017.

During the year ended December 31, 2018, the Company granted options to purchase shares of Common Stock, with a weighted value exercise price of \$1.56, to Spiro Rombotis, Paul McBarron, and Dr. Judy Chiao, in the amounts of 62,500, 60,417, and 51,355, respectively, to vest only upon the fulfillment of certain clinical conditions and to

terminate if the fulfillment of such conditions was not completed by Quarter 1, 2020. During the year ended December 31, 2017, the Company granted options to purchase

Potential Payments Upon Termination or Change-in-Control

We have entered into agreements that require us to make payments and/or provide benefits to certain of our executive officers in the event of a termination of employment or change-in-control. Our 2006 Equity Incentive Plan (the “2006 Plan”), our 2015 Equity Incentive Plan (the “2015 Plan”) and our 2018 Equity Incentive Plan (the “2018 Plan”, and collectively with the 2006 Plan and the 2015 Plan, the “Plans”) provided for payments to named executive officers in connection with a termination or a change-in-control of the Company.

The following summarizes the potential payments to each named executive officer for which we have entered into such an agreement, assuming that one of the events identified below occurs.

Spiro Rombotis, President and Chief Executive Officer. Mr. Rombotis’s employment agreement provides for certain severance arrangements. In the event that Mr. Rombotis’s employment is terminated “without cause,” other than termination for a “change of control” (each as defined in the employment agreement), we will be required to pay Mr. Rombotis (i) all accrued but unpaid compensation up to the time of such termination; (ii) for a period of twelve months following such termination, severance payments in the form of continuation of his base salary as in effect immediately prior to such termination (the “Severance Payments”), including coverage of his medical care and life insurance pursuant to COBRA, on the same terms as applicable to other executive employees, unless Mr. Rombotis obtains substitute coverage; and (iii) a period of six months in which to exercise all vested options held by Mr. Rombotis. In the event that Mr. Rombotis’s employment is terminated within six months following a “change-in-control” event, Mr. Rombotis will be entitled to (i) all accrued but unpaid compensation up to the time of such termination; (ii) Severance Payments for a period of 24 months; (iii) out-of-pocket expenses reasonably incurred by Mr. Rombotis in connection with his and his family’s relocation to London; and (iv) eighteen months’ accelerated vesting of any options held by him. In the event of termination due to his death or disability, we will pay Mr. Rombotis (or his estate, as the case may be) (i) all accrued but unpaid compensation up to the time of such termination and (ii) Severance Payments for a period of twelve months. He (or his estate, as the case may be) would also be entitled to a period of twelve months in which all of his vested options can be exercised.

Paul McBarron, Executive Vice President—Finance, Chief Financial Officer, Chief Operating Officer and Secretary. Mr. McBarron's employment agreement provides for certain severance arrangements. In the event that Mr. McBarron's employment is terminated "without cause," other than termination for a "change of control" (each as defined in his employment Agreement), we will be required to pay Mr. McBarron (i) all accrued but unpaid compensation up to the time of such termination; (ii) Severance Payments for a period of twelve months following such termination; and (iii) a period of six months in which to exercise all vested options held by Mr. McBarron. In the event that Mr. McBarron's employment is terminated within six months following a "change-in-control" event, Mr. McBarron will be entitled (i) all

accrued but unpaid compensation up to the time of such termination; (ii) Severance Payments for a period of twelve months; and (iii) eighteen months' accelerated vesting of any options held by him. In the event of termination due to his death or disability, we will pay Mr. McBarron (or his estate, as the case may be) all accrued but unpaid compensation up to the time of such termination and Severance Payments for a period of twelve months. He (or his estate, as the case may be) would also be entitled to a period of twelve months in which all of his vested options can be exercised.

Dr. Judy Chiao, Vice President, Clinical Development and Regulatory Affairs. On December 10, 2010, we entered into a Change-in-Control Agreement (the "CIC Agreement"), with Dr. Chiao.

In the event of a Change-in-Control (as defined below) of the Company, and Dr. Chiao's employment with the continuing or surviving company (the "Controlling Company") is terminated (including if Dr. Chiao voluntarily terminates her employment for Good Reason, as defined below) at any time within six months following the effective date of a Change-in-Control, unless such termination is For Cause, death, disability or Dr. Chiao voluntarily leaves without Good Reason (as each such term is defined below), Dr. Chiao will be entitled to receive the following benefits from the Controlling Company in lieu of any further salary and bonus payments to Dr. Chiao for certain periods subsequent to the date of termination in consideration for Dr. Chiao's execution and delivery of a general release in favor of the Controlling Company: (i) payment by the Controlling Company of a lump sum severance payment equal to Dr. Chiao's annual salary for a period of twelve months from the date of termination; (ii) payment by the Controlling Company of all unpaid, accrued vacation through the date of termination; (iii) all options to purchase shares of the Company's Common Stock held by Dr. Chiao shall be vested and exercisable for twelve months following the effective date of the Change-in-Control; and (iv) the Controlling Company shall arrange coverage for Dr. Chiao and her dependents, as the case may be, under medical care and life insurance benefit plans substantially similar to those which Dr. Chiao and her dependents were entitled immediately prior to the effective date of the Change-in-Control for a period of up to twelve months after the effective date of the Change-in-Control, subject to certain exceptions as set forth in more detail in the CIC Agreement.

Under the terms of the CIC Agreement, a "Change-in-Control" shall be deemed to have taken place in the event of: (i) any consolidation or merger of the Company is consummated in which Company is not the continuing or surviving corporation or pursuant to any transaction in which shares of the Company's capital stock are converted into cash, securities or other property, or any sale, lease, exchange or other transfer in one transaction or a series of transactions contemplated or arranged by any party as a single plan of all or substantially all of the assets of the Company, or the approval of a plan of complete liquidation or dissolution of the Company adopted by the stockholders of the Company; (ii) any person (as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act, shall, after the date of the CIC Agreement, become the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of securities of the Company representing 35% or more of the voting power of all then outstanding securities of the Company having the right under ordinary circumstances to vote in an election of the board of directors; or (iii) individuals who, at the date of the CIC Agreement, constitute the entire Board and any new directors whose election by the Board, or whose nomination for election by the Company's stockholders, shall have been approved by a vote of at least a majority of the directors then in office who either were directors as of such date or whose election or nomination for election shall have been so approved shall cease for any reason to constitute a majority of the members of the Board.

Dr. Chiao's employment shall have been terminated "For Cause" if the Controlling Company shall have terminated Dr. Chiao as a result of: (A) improper conduct, consisting of any willful act or omission with the intent of obtaining, to the material detriment of the Controlling Company, any benefit to which Dr. Chiao would not otherwise be entitled; (B) gross negligence, consisting of wanton and reckless acts or omissions in the performance of Dr. Chiao's duties to the material detriment of the Controlling Company; (C) addiction to drugs or chronic alcoholism; or (D) any conviction of, or plea of nolo contendere to, a crime (other than a traffic violation) under the laws of the United States or any political subdivision thereof, subject to certain requirements, as set forth in more detail in the CIC Agreement. Dr. Chiao shall be deemed to have terminated her employment for "Good Reason" if the Controlling Company (A) materially reduces Dr. Chiao's duties, responsibilities or authority commensurate with his or her position immediately prior to the effective date of the Change-in-Control; (B) reduces Dr. Chiao's base

salary in effect immediately prior to the effective date of the Change-in-Control; (C) requires Dr. Chiao to relocate to another office more than 50 miles of her office location immediately prior to the effective date of the Change-in-Control, subject to certain exceptions, as more fully set forth in detail in the CIC Agreement; or (D) fails to offer Dr. Chiao all material benefits offered to all other employees of the Controlling Company, and the Controlling Company fails to correct or cure the acts giving rise to the termination of Dr. Chiao's employment for "Good Reason," after receipt of Dr. Chiao's notice of such acts.

Potential payments to each named executive officer under our Plans in connection with a termination or a change-in-control of the Company.

The following summarizes the potential payments to each named executive officer under the Plans in connection with a termination or a change-in-control of the Company.

Termination For Cause. If an award recipient's service relationship with the Company terminates for "cause" (as defined in the Plans), then any unexercised award shall terminate immediately upon his or her termination of service.

Termination Without Cause. If an award recipient's service relationship with the Company terminates for any reason other than for "cause" (excluding death or disability), then the recipient generally may exercise the award, to the extent vested, within 30 days or three months (in our 2006 Plan and the 2015 and 2018 Plans, respectively), of such termination to the extent that the award is vested on the date of termination (but in no event later than the expiration of the term of the award as set forth in the award agreement). If the recipient dies within three months following such a termination, the award generally may be exercised, to the extent vested, within 180 days' or one year (as per the 2006 Plan and the 2015 and 2018 Plans, respectively) of the recipient's death. If an award recipient's service relationship with the Company terminates due to his or her death, the award recipient's personal representative, estate, or the person who acquires the right to exercise the award by bequest or inheritance, as the case may be, generally may exercise the award, to the extent the award was vested on the date of termination, within one year from the date of the recipient's death.

Disability. Pursuant to the 2006 Plan, if an award recipient's service relationship with the Company terminates due to his or her disability, the recipient, the recipient's personal representative, estate, or the person who acquires the right to exercise the award by bequest or inheritance, as the case may be, generally may exercise the award, to the extent exercised on the date of termination, within one year from the date of the recipient's termination, or if the recipient dies during such one-year period, within the later of one year from the date of the recipient's termination and 180 days from the recipient's death. In no event may an award be exercised later than the expiration of the term of the award as set forth in the award agreement. Pursuant to the 2015 and 2018 Plans, with regard to options outstanding on the date of an individual's termination due to disability, he or she may exercise any option to the extent that the options are exercisable but have not been exercised on the date of termination. Such an individual is also entitled to any additional vesting rights that would have accrued on the next vesting date had he or she not become disabled. Exercise may only occur during the one-year period after the date of termination. With regard to stock grants and stock-based awards outstanding on the date of an individual's termination due to disability, to the extent the forfeiture provisions or the Company's rights of repurchase have not lapsed, they shall be exercisable; provided, however, that in the event such forfeiture provisions or rights of repurchase lapse periodically, they shall lapse to the extent of a pro rata portion of the shares subject to such stock grant or stock-based award through the date of disability as would have lapsed had the individual not become disabled.

Change-in-Control. Pursuant to the terms of the Plans, in the event of a change-in-control (as defined in the Plans), all outstanding awards granted under the Plans will be either be:

- assumed by the successor corporation or a parent or subsidiary of the successor corporation; or
- substituted with an equivalent award by the successor corporation or a parent or subsidiary of the successor corporation.

TABLE OF CONTENTS

However, in the event that the successor corporation refuses to assume or substitute an award:

- awards consisting of options, stock appreciation rights and rights to purchase restricted stock will become fully vested and immediately exercisable, including awards that would not otherwise have become vested or exercisable; and
- all other awards will become fully earned and eligible to receive a payout.

For the purposes of the Plans, a participant's award will be considered assumed if, following the change-in-control, the assumed award confers, for each share of the Company's Common Stock subject to the award immediately prior to the change-in-control, the right to receive the consideration (whether stock, cash, or other securities or property) received in the change-in-control for each share of Common Stock held on the effective date of the transaction; provided, however, that if the consideration received in the change-in-control is not solely common stock of the successor corporation or its parent, the committee administering the plan may, with the consent of the successor corporation, provide for the consideration per share to be received upon the exercise of the award, to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of the Company's Common Stock in the change-in-control.

Under the Plans, a change-in-control is the occurrence of one of the following events:

- a person, partnership, joint venture, corporation or other entity, or two or more of any of the foregoing acting as a group (or any "person" within the meaning of Sections 13(d)(3) and 14(d) of the Exchange Act), other than the Company, a Subsidiary, or an employee benefit plan (or related trust) of the Company or a Subsidiary, become(s) the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act) of 30% or more of the then-outstanding voting stock of the Company;
- during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors (together with any new director whose election by the Board of Directors or whose nomination for election by the Company's stockholders, was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of such period or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of the directors then in office;
- all or substantially all of the business of the Company is disposed of pursuant to a merger, consolidation or other transaction in which the Company is not the surviving corporation or the Company combines with another Company and is the surviving corporation (unless the stockholders of the Company immediately following such merger, consolidation, combination, or other transaction beneficially own, directly or indirectly, more than 50% of the aggregate voting stock or other ownership interests of (x) the entity or entities, if any, that succeed to the business of the Company or (y) the combined company);
- the Company is a party to a merger, consolidation, sale of assets or other reorganization, or a proxy contest, as a consequence of which the Board of Directors in office immediately prior to such transaction or event constitutes less than a majority of the Board of Directors thereafter; or
- the stockholders of the Company approve a sale of all or substantially all of the assets of the Company or a liquidation or dissolution of the Company.

REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors, which consists entirely of directors who meet the independence and experience requirements of NASDAQ Capital Market, has furnished the following report:

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of our financial reporting process, compliance with legal and regulatory requirements and the quality of internal and external audit processes. The Audit Committee's role and responsibilities are set forth in our charter adopted by the Board of Directors. The Audit Committee reviews and reassesses our charter annually and recommends any changes to the Board of Directors for approval.

In fiscal 2018, the Audit Committee met with management to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Company's independent registered public accounting firm and with appropriate Company financial personnel.

The Audit Committee is responsible for overseeing our overall financial reporting process, and for the appointment, retention, and oversight of the work of RSM US LLP, or RSM.

The Audit Committee reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2018 with management and RSM, our independent registered public accounting firm.

The Audit Committee discussed with RSM the matters required to be discussed in accordance with Auditing Standard No. 16—Communications with Audit Committees.

The Audit Committee received written disclosures and the letter from RSM regarding its independence as required by applicable requirements of the Public Company Accounting Oversight Board regarding RSM's communications with the Audit Committee and the Audit Committee further discussed with RSM their independence. The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the Audit Committee determined appropriate.

Based on the Audit Committee's review of the audited consolidated financial statements and discussions with management and RSM, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These persons are required by regulation to furnish us with copies of all Section 16(a) reports that they file. Based on our review of the copies of these reports received by us, or written representations from the reporting persons that no other reports were required, we believe that, during fiscal year 2018, all reports to be filed pursuant to Section 16(a) of the Exchange Act were filed on a timely basis.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Our Audit Committee reviews and approves in advance all related-party transactions. There have been no transactions during our last two fiscal years with our directors and officers and beneficial owners of more than 5% of our voting securities and their affiliates.

PROPOSALS TO BE VOTED UPON BY HOLDERS OF COMMON STOCK

PROPOSAL 1: ELECTION OF CLASS 1 DIRECTORS

Background

Under our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, as amended, the number of directors is fixed from time to time by the Board of Directors. We have a staggered Board of Directors comprised of three classes, and each director serves until the annual meeting in which his term expires. Each of Sir John Banham and Dr. Samuel L. Barker is a Class 1 director, the term of which class expires at the 2019 annual meeting, and, if elected, would serve until our 2022 annual meeting.

The Board of Directors has voted to nominate Sir John Banham and Dr. Samuel L. Barker for re-election at the 2019 annual meeting to serve as Class 1 directors until the 2022 annual meeting of stockholders and until their respective successors have been elected and qualified.

Unless authority to vote for either of these nominees is withheld, the shares represented by the enclosed proxy will be voted FOR the re-election as director of each of Sir John Banham and Dr. Samuel L. Barker. In the event that any nominee shall become unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in his place. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve.

Required Vote

A plurality of the votes cast at the annual meeting by the holders of our Common Stock is required to elect the nominees as director.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THE RE-ELECTION BY HOLDERS OF COMMON STOCK OF EACH OF SIR JOHN BANHAM AND DR. SAMUEL L. BARKER AS CLASS 1 DIRECTORS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY CARD.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed RSM US LLP, or RSM, as our independent registered public accounting firm, to audit our consolidated financial statements for the fiscal year ended December 31, 2019. The Board of Directors proposes that our holders of Common Stock ratify this appointment. We expect that representatives of RSM will be present at the annual meeting via conference call, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

The following table presents fees for professional audit services rendered by RSM for the audit of Cyclacel's annual financial statements for the years ended December 31, 2017 and 2018, and fees billed for other services rendered by them during those periods.

	2017	2018
Audit fees(1)	\$ 273,930	\$ 250,755
Tax Fees(2)	\$ 22,350	\$ 48,000
Total	\$ 296,280	\$ 298,755

(1)

Audit fees represent fees for the audit of the Company's annual consolidated financial statements, review of the Company's interim financial statements included in quarterly reports on Form 10-Q, services that an independent auditor would customarily provide in connection with subsidiary audits, other regulatory filings and similar engagements for each fiscal year shown, such as attest services, comfort letters, consents and assistance with review of reports filed with the SEC.

(2)

Tax fees represent tax compliance, return preparation, tax planning, and advice.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Auditors
Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation, and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of the independent auditor for the next year's audit, management will submit an aggregate of services expected to be rendered during that year for each of four categories of services to the Audit Committee for approval.

1. Audit services include audit work performed in the preparation of financial statements, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits and attest services and consultation regarding financial accounting and/or reporting standards.
 2. Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits and special procedures required to meet certain regulatory requirements.
 3. Tax services include all services performed by the independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning and tax advice.
 4. Other Fees are those associated with services not captured in the other categories. The Company generally does not request such services from our independent registered public accounting firm.
- Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service.

TABLE OF CONTENTS

During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

In the event the stockholders do not ratify the appointment of RSM as our independent registered public accounting firm, the Audit Committee will reconsider its appointment.

Required Vote

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of the independent registered public accounting firm.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF RSM US, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY CARD.

PROPOSAL 3: ADVISORY VOTE ON APPROVAL OF EXECUTIVE COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT

General

The Dodd-Frank Wall Street Reform and Consumer Protection of 2010 (or “the Dodd-Frank Act”) enables our stockholders to vote to approve on an advisory and non-binding basis, the compensation of our named executive officers as described in the Executive Officer and Director Compensation section of this proxy statement, the compensation tables and related material contained in this proxy statement. This “say-on-pay” proposal gives our stockholders the opportunity to express their views on our overall compensation decisions and policies. The Dodd-Frank Act also requires an advisory vote on executive compensation at least once every three years. Stockholders are urged to read the Executive and Director Compensation section of this proxy statement, which discusses how our compensation policies and procedures implement our compensation philosophy. The Compensation and Organization Development Committee and the Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving its goals.

As more fully described in the Executive and Director Compensation section of this proxy statement, existing employment contracts provide for the bulk of the compensation of our executives. A significant portion, however, is discretionary and determined by the Compensation and Organization Development Committee on an annual basis. Historically (but subject to change in the future), much of the additional or bonus compensation and equity awards have been based on specific numeric and weighted criteria for these officers. On an annual basis, the Committee reviews and approves the objectives for each officer’s goals and the following year analyzed to what extent the objectives have been achieved. The Committee then determines the resulting additional compensation and equity grants. In so doing, the Committee considers the interest of the stockholders, current market practices, the clinical goals of the Company, the need to motivate its officers, and other criteria. The Committee has also considered the extensive experience of our executives in the biotech industry as well as their related and relevant activities prior to their entry into the biotech industry. These considerations inform the Committee’s assessment of the type of compensation program and incentives that are appropriate and necessary to attract, motivate and retain the named executives who are crucial to the Company’s long-term success.

During the most recent year, the Board of Directors and the Compensation and Organization Development Committee reviewed the annual compensation for our executive officers. The Compensation and Organization Development Committee determined not to provide increases in base salary for 2019 and to pay our executive officers bonuses for their performance during the fiscal year ended December 31, 2018. Pursuant to the determination that achievement had been attained during the fiscal year ended 2018 at a level of 64.5%, bonuses were paid as 70% cash and 30% in options to Spiro Rombotis, Paul McBarron, and Judy Chiao in the amounts representing option awards of \$51,331, \$25,784 and \$28,746, respectively.

Because your vote is advisory, it will not be binding on our Compensation and Organization Development Committee or our Board of Directors, nor will it directly affect or otherwise limit any compensation or award arrangements that have already been granted to any of the named executive officers. However, the Compensation and Organization Development Committee and the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

In accordance with the rules recently adopted by the SEC, the following resolution, commonly known as a “say-on-pay” vote, is being submitted for a stockholder vote at the 2019 annual meeting:

“RESOLVED, that the compensation paid to the named executive officers of Cyclacel Pharmaceuticals, Inc., as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Officer and Director Compensation section of the proxy statement for the 2019 annual meeting, the compensation tables and the related material disclosed in the proxy statement, is hereby APPROVED.”

TABLE OF CONTENTS

Required Vote

The affirmative vote of a majority of the votes cast at the annual meeting is required to approve, on an advisory basis, this resolution.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

PROPOSAL 4: ADVISORY VOTE ON APPROVAL OF THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are seeking your input with regard to the frequency of holding future stockholder advisory votes on the compensation of our named executive officers. In particular, we are asking whether the advisory vote on the compensation of our named executive officers should occur every year, every two years or every three years. Because your vote is advisory, it will not be binding on the Compensation and Organization Development Committee or our Board of Directors. However, the Compensation and Organization Development Committee and our Board of Directors will review the voting results and take them into consideration when making future decisions regarding how frequently it should present the advisory vote on the compensation of our named executive officers to our stockholders.

Because your vote is advisory, it will not be binding on our Compensation and Organization Development Committee or our Board of Directors. However, the Compensation and Organization Development Committee and the Board will review the voting results and take them into consideration when making future decisions regarding how frequently it should present the advisory vote on the compensation of our named executive officers to our stockholders.

The Board of Directors believes an annual frequency (i.e., every year) is the optimal frequency for the say-on-pay vote. An advisory vote each year will permit our stockholders to provide annual feedback to us on our compensation policies, practices and compensation awards for our named executive officers. This is consistent with our policy of giving stockholders the opportunity to voice concerns with management or our Board of Directors. An annual advisory vote will give the Board of Directors, the Compensation and Organization Development Committee and management more timely feedback from the stockholders to allow us to evaluate and adjust, when we consider appropriate, the compensation of our named executive officers.

The proxy card provides stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove our board of directors' recommendation. The affirmative vote of a majority of the shares voted for this proposal—every year, every two years or every three years—will be the frequency approved, on an advisory basis, by our stockholders. However, because the vote on the frequency of holding future advisory votes on the compensation of our named executive officers is not binding, if none of the frequency options receives a majority vote, the option receiving the greatest number of votes will be considered the frequency preferred by our stockholders.

Our board of directors Recommends A Vote To Approve, on an advisory basis, the Frequency of Holding a Vote on the Compensation of our named executive officers Every YEAR, And Proxies Solicited By Our board of directors Will Be Voted In Favor Of Such Frequency Unless A Stockholder Indicates Otherwise On The Proxy Card.
