Item 1.01 Entry into a Material Definitive Agreement.

On March 22, 2007, Greatbatch, Inc. (the "Company") entered into separate privately negotiated agreements under which it will exchange \$50 million aggregate principal amount of its outstanding 2 1/4% Convertible Subordinated Debentures due 2013 (the "Outstanding Debentures") for an equivalent principal amount of a new series of 2 1/4% Convertible Subordinated Debentures due 2013 (the "New Debentures"), and under which it will issue an additional \$80 million aggregate principal amount of New Debentures. The transactions are expected to close, subject to customary closing conditions, on March 28, 2007.

The New Debentures contain a net share settlement feature, which requires the Company, upon conversion of the New Debentures, to pay holders in cash for each \$1,000 principal amount of New Debentures the lesser of \$1,000 and the conversion value of the New Debentures, unless the Company otherwise elects. Any amounts in excess of \$1,000 will be settled in shares of the Company's common stock, or at the Company's option, cash. The initial conversion price of the New Debentures is approximately \$34.70. The New Debentures are redeemable by the Company at any time after June 20, 2012, or at the option of a holder upon the occurrence of certain fundamental changes affecting the Company. The New Debentures do not contain the put option provisions of the Outstanding Debentures which provide the holders a one-time option to require the Company to repurchase the Outstanding Debentures on June 15, 2010. The Company has agreed to file a registration statement for the resale of the New Debentures and the underlying shares of common stock within 30 days following the closing of the transactions.

The New Debentures and the common stock issuable upon conversion of the New Debentures will not be registered under the Securities Act of 1933, as amended, or the securities laws of any state and, unless so registered, may not be offered or sold in the United States except pursuant to an applicable exemption from the registration requirement of the Securities Act and applicable state securities laws.

The Company's press release announcing the transactions is attached as Exhibit 99.1.

The Company has received a Commitment Letter and Term Sheet dated as of February 21, 2007 from Manufacturers and Traders Trust Company as lender and administrative agent, providing for a \$200 million senior secured credit facility, which facility would be subject to increase at the Company's option to \$300 million.
