## Item 2.02 Results of Operations and Financial Condition.

On October 25, 2018, First BanCorp. (the “Corporation”), the bank holding company for FirstBank Puerto Rico (“FirstBank” or “the Bank”), issued a press release announcing its unaudited results of operations for the third quarter ended September 30, 2018. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

A copy of the presentation that the Corporation will use at its conference call to discuss its financial results for the third quarter ended September 30, 2018 is attached hereto as Exhibit 99.2 and is incorporated herein by reference. As announced in a press release dated September 11, 2018, the call may be accessed via a live Internet webcast at 10:00 a.m. Eastern time on Thursday, October 25, 2018 through the investor relations section of the Corporation’s website: [www.1firstbank.com](http://www.1firstbank.com) or through the dial-in telephone number 877-506-6537 or 412-380-2001 for international callers. The conference number is 10123992.

In addition to various financial measures that are not recognized under generally accepted accounting principles (non-GAAP financial measures) and are discussed and reconciled in the attached press release, the Corporation has disclosed the ratios of adjusted provision for loan and lease losses to net charge-offs and adjusted allowance to total loans held for investment. These ratios exclude the effects related to: (a) Net loan loss reserve releases of \$2.8 million and \$2.1 million recorded in the third and second quarters of 2018, respectively, and the \$66.5 million charge to the provision recorded in the third quarter of 2017 associated with the effects of Hurricanes Maria and Irma, and (b) the qualitative allowance associated with the effects of Hurricanes Maria and Irma of \$24.9 million, \$42.2 million, \$46.8 million, \$55.6 million, and \$66.5 million as of September 30, 2018, June 30, 2018, March 31, 2018, December 31, 2017, and September 30, 2017, respectively. Management believes that this information helps investors understand the adjusted measures without regard to items that are not expected to reoccur with any regularity or may reoccur at uncertain times and in uncertain amounts on reported results and facilitates comparisons with prior periods.

Management believes that disclosure of these non-GAAP financial measures enhances the ability of analysts and investors to analyze trends in the Corporation’s business and understand the performance of the Corporation. In addition, the Corporation may utilize these non-GAAP financial measures as a guide in its budgeting and long-term planning process. Any analysis of these non-GAAP financial measures should be used only in conjunction with results presented in accordance with GAAP.

There follow reconciliations of the ratios of adjusted provision for loan and lease losses to net charge-offs for the quarter and nine-month periods ended September 30, 2018 and 2017, and the adjusted allowance for loan and lease losses to total loans held for investment as of September 30, 2018, June 30, 2018, March 31, 2018, December 31, 2017, and September 30, 2017:
