Form DEFA14A
April 03, 2018

[Email to MGE Energy Institutional Investors Sent on Tuesday, April 3, 2018.]

MGE Energy's annual shareholders meeting notice was recently sent to you. This year's ballot includes three shareholder proposals.

Attached is our Sustainability and Governance Fact Sheet to give you a brief overview of our initiatives, including environmental stewardship.

I would like to schedule a call with you to discuss the shareholder proposals described in the notice. Would you have time around the end of April for a brief phone conversation?

I will be following up with you in a week or so to see if you have any questions or concerns and certainly, if you would like to schedule a call earlier, please let me know.

Regards,
