ANNUAL MEETING OF SHAREHOLDERS

To be Held on April 27, 2017

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of BCB Bancorp, Inc. (the “Company”), to be used at the Annual Meeting of Shareholders, which will be held at The Chandelier Restaurant, 1081 Broadway, Bayonne, New Jersey 07002, on April 27, 2017, at 10:00 a.m., Eastern Time, and all adjournments of the annual meeting. The accompanying Notice of Annual Meeting of Shareholders and this Proxy Statement are first being mailed to shareholders on or about March 27, 2017.

At the annual meeting, shareholders will vote on the election of four directors, the ratification of the appointment of our independent registered public accounting firm for the fiscal year ending December 31, 2017, the consideration of an advisory, non-binding resolution with respect to our executive compensation described in this Proxy Statement, and such other matters as may properly come before the annual meeting or any adjournments thereof.

REVOCATION OF PROXIES

Shareholders who complete proxies retain the right to revoke them in the manner described below. Unless so revoked, the shares represented by such proxies will be voted at the annual meeting and any adjournments thereof. Proxies solicited on behalf of the Board of Directors will be voted in accordance with the directions given thereon. **Where no instructions are indicated, validly completed proxies will be voted “FOR” the proposals set forth in this Proxy Statement for consideration at the annual meeting.**

Proxies may be revoked by sending written notice of revocation to our Corporate Secretary at the address shown above, the submission of a later-dated proxy or by voting in person at the annual meeting. The presence at the annual meeting of any shareholder who had returned a proxy shall not revoke such proxy unless the shareholder delivers his or her ballot in person at the annual meeting or delivers a written revocation to our Corporate Secretary prior to the voting of such proxy.

If your shares of common stock are held in “street name” by a broker, bank or other nominee, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted at the annual meeting. If you wish to change your voting instructions after you have returned your voting instructions to your broker, bank or other nominee, you must contact your broker, bank or other nominee. If you want to vote your shares of common stock held in “street name” in person at the annual meeting, you will have to get a legal proxy in your name from the broker, bank or other nominee who holds your shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Holders of record of our common stock as of the close of business on March 17, 2017, our record date, are entitled to one vote for each share then held. As of the record date, we had 11,289,403 shares of common stock

issued and outstanding. The presence in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining if a quorum is present.

Persons and entities who beneficially own in excess of 5% of our common stock are required to file certain reports with the Securities and Exchange Commission (“SEC”) regarding such beneficial ownership. A person or entity may be considered to beneficially own any shares of common stock over which the person or entity has, directly or indirectly, sole or shared voting authority. The following table sets forth, as of the record date, the shares of common stock beneficially owned by persons who were the beneficial owners of more than five percent of our outstanding shares of common stock. This information is based solely upon filings required pursuant to the Securities Exchange Act of 1934.

Name and Address of Beneficial Owners	Amount of Shares Owned and Nature of Beneficial Ownership(1)	Percent of Shares of common stock Outstanding
TFO USA Limited 555 5th Avenue, 6th Floor New York, NY 10017 ⁽²⁾	634,000	5.63%

In accordance with Rule 13d-3 under the Securities Exchange Act of 1934, a person is deemed to be the beneficial owner for purposes of this table, of any shares of common stock if he has shared voting or investment power with (1) respect to such security, or has a right to acquire beneficial ownership at any time within 60 days from the record date. As used herein, “voting power” is the power to vote or direct the voting of shares and “investment power” is the power to dispose or direct the disposition of shares.

(2) Based upon a Schedule 13G/A filed on February 14, 2017 with the Securities and Exchange Commission, TFO USA Limited, claimed sole voting and sole investment power over 634,000 shares.

In accordance with New Jersey law, a list of shareholders entitled to vote at the annual meeting will be made available at the annual meeting.

VOTING PROCEDURES AND METHOD OF COUNTING VOTES

As to the election of directors, the proxy card being provided by the Board of Directors enables a shareholder to vote **“FOR”** the election of the nominees proposed by the Board of Directors, or to **“WITHHOLD”** a vote for the nominees being proposed. Under New Jersey law and our Certificate of Incorporation and Bylaws, directors are elected by a plurality of votes cast, without regard to either broker non-votes or proxies as to which authority to vote for the nominees being proposed is withheld.

As to the ratification of our independent registered public accounting firm, by checking the appropriate box a shareholder may: (i) vote **“FOR”** the ratification of our independent registered public accounting firm; (ii) vote **“AGAINST”** the ratification of our independent registered public accounting firm; or, (iii) **“ABSTAIN”** from voting for or against the ratification of our independent registered public accounting firm. The affirmative vote of a majority of the votes cast, without regard to broker non-votes or proxies marked **“ABSTAIN,”** is required for approval of the ratification of our independent registered public accounting firm.

As to the advisory, non-binding resolution with respect to our executive compensation as described in this proxy statement, a shareholder may: (i) vote **“FOR”** the resolution; (ii) vote **“AGAINST”** the resolution; or (iii) **“ABSTAIN”** from voting on the resolution. The affirmative vote of a majority of the votes cast at the annual meeting, without regard to either broker non-votes or proxies marked **“ABSTAIN,”** is required for the approval of this non-binding resolution. While this vote is required by law, it will neither be binding on BCB Bancorp, Inc., or the Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, BCB Bancorp, Inc., or the Board of Directors.

The Board of Directors will designate an inspector of elections.

Regardless of the number of shares of common stock owned, it is important that holders of a majority of the shares of our common stock be represented by proxy or present in person at the annual meeting. Shareholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed postage-paid envelope. Shareholders are urged to indicate their vote in the spaces provided on the proxy card. **PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN ACCORDANCE WITH YOUR INSTRUCTIONS GIVEN ON THE PROXY. WHERE NO INSTRUCTIONS ARE INDICATED, SIGNED PROXIES WILL BE VOTED “FOR” EACH OF THE PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING.**

Participants in the 401(k) plan sponsored by BCB Community Bank through which they own our common stock will have the right to direct the trustee how to vote the shares of our common stock allocated to their plan accounts in accordance with the terms of the 401(k) plan.

PROPOSAL I - ELECTION OF DIRECTORS

Our Board of Directors is currently composed of 11 members and is divided into three classes, with one class of directors elected each year. Our directors will generally be elected to serve for a three-year period and until their respective successors have been elected and qualified. Four directors will be elected at the annual meeting. The Board of Directors has re-nominated Robert Ballance, Joseph J. Brogan, August Pellegrini, Jr., and James G. Rizzo for three-year terms as directors at the annual meeting. It is intended that the proxies solicited on behalf of the Board of Directors (other than proxies in which the vote is withheld as to the nominee) will be voted at the annual meeting for the election of the nominees identified below. If a nominee is unable to serve, the shares represented by proxies will be voted for the election of such substitute as the Board of Directors may recommend. At this time, the Board of Directors knows of no reason why any of the nominees might be unable to serve, if elected. Except as indicated herein, there are no arrangements or understandings between the nominee and

any other person pursuant to which such nominee was selected.

Board Independence

The Board of Directors has determined that, as of December 31, 2016, except as to Mr. Coughlin, each member of the Board of Directors is an "independent director" within the meaning of the Nasdaq corporate governance listing standards. Mr. Coughlin is not considered independent because he is the President and Chief Executive Officer of BCB Bancorp, Inc., and BCB Community Bank.

The Board of Directors has also determined that each member of the Audit Committee and the Compensation Committee of the Board of Directors meets the independence requirements applicable to that committee prescribed by the Nasdaq Marketplace Rules, the SEC and the Internal Revenue Service. In determining the independence of each director, the Board of Directors, except as noted below, did not consider any transactions not required to be reported under the section herein entitled "Related Party Transactions."

The Bank leases its 190 Park Ave., Rutherford, New Jersey, branch office (which opened in February 2015) from a limited liability company in which Mr. Rizzo owns a 50% membership interest and Mr. Hogan owns a 50%

membership interest. Based upon a market rental value appraisal obtained prior to entering into the lease agreement, we believe that the terms and conditions of the lease are comparable to terms that would have been available from a third party that was unaffiliated with the Bank. During 2016, total lease payments of \$33,350 were made to that limited liability company. Payments under the lease were \$2,779 per month in 2016.

The Bank leases its 734 Ridge Road, Lyndhurst, New Jersey, branch office (which opened in July 2016) from a limited liability company in which directors Ballance, Bielan, Brogan, Coughlin, Hogan, Lyga, Pellegrini, Rizzo, Robbins and Stetz each own a 10% membership interest. Based upon a market rental value appraisal obtained prior to entering into the lease agreement, we believe that the terms and conditions of the lease are comparable to terms that would have been available from a third party that was unaffiliated with the Bank. During 2016, total lease payments of \$51,450 were made to that limited liability company. Payments under the lease were \$7,350 per month in 2016.

Board Leadership Structure and Risk Oversight

The Company separates the principal executive officer and board chair positions to provide a higher degree of independence and transparency between the Board of Directors and management. This leadership structure has been in place since the incorporation of the Company. The Board of Directors believes that this leadership structure is most appropriate given the Company's conservative risk profile, the Board of Directors' role in monitoring the Company's execution of its strategic plan, and the risk elements associated with such execution.

The Board of Directors monitors the Company's risk profile by utilizing a number of departments with the Bank, as well as independent contractors, to monitor, measure and advise of certain risk parameters of the Company and the Bank, such as interest rate risk, credit risk, liquidity risk, compliance risk and concentration risk. Reports assessing the Company's and the Bank's risk profiles are provided to management, to the appropriate sub-committee(s) of the Board and to the full Board of Directors. Given the independent roles both the Board and management have in monitoring the Company's risk, the Company believes that its current leadership and reporting structures are well-positioned to identify and mitigate risks as they may arise.

Meetings and Committees of the Board of Directors

Our Board of Directors meets on a monthly basis and may hold additional special meetings. Our standing committees include the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. The Bank's standing committees include a joint Asset/Liability, Enterprise Risk Management and Budget Committee, an Audit Committee, a Compensation Committee, an Information Technology Committee, an Investment Committee, a Loan Committee, a Nominating and Corporate Governance Committee and a Site Committee.

During the year ended December 31, 2016, the Board of Directors of the Company held 12 regular meetings and four special meetings. No director attended fewer than 75%, in the aggregate, of the total number of board meetings held and the total number of committee meetings in which he or she served during 2016. The Company does not have a written policy regarding director attendance at annual meetings of shareholders. At last year's annual meeting, all directors were in attendance.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Directors Ballance, Bielan, Collins and Pellegrini. Each member of the Nominating and Corporate Governance Committee is considered “independent” as defined in the Nasdaq corporate governance listing standards. Our Board of Directors has adopted a written charter for the Nominating and Corporate Governance Committee and this charter has been posted to our web-site at www.bcbcommunitybank.com. During the year ended December 31, 2016, the Nominating and Corporate Governance Committee met four times.

The functions of the Nominating and Corporate Governance Committee include the following:

- to lead the search for individuals qualified to become members of the Board of Directors and to select director nominees to be presented for shareholder approval;

- to review and monitor compliance with the requirements for board independence;

- to review the committee structure and make recommendations to the Board of Directors regarding committee membership;

- to develop and recommend to the Board of Directors for its approval corporate governance guidelines; and

- to develop and recommend to the Board of Directors for its approval a self-evaluation process for the Board of Directors and its committees.

The Nominating and Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to our business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining new perspectives. If any member of the Board of Directors does not wish to continue in service, or if the Nominating and Corporate Governance Committee of the Board of Directors decides not to re-nominate a member for re-election, or if the size of the Board of Directors is increased, the Nominating and Corporate Governance Committee would solicit suggestions for director candidates from all board members. In addition, the Nominating and Corporate Governance Committee is authorized by its charter to engage a third party to assist in the identification of director nominees. The Nominating and Corporate Governance Committee would seek to identify a candidate who, at a minimum, satisfies the following criteria:

- has the highest personal and professional ethics and integrity and whose values are compatible with the Company's;
- has experience and achievement which provides them with the ability to exercise good business judgment;
- is willing to devote the necessary time to the work of the Board of Directors and its committees, which includes being available for board and committee meetings;
- is familiar with the communities in which we operate and is actively engaged in community activities;
- is involved in other activities or interests that do not create a conflict with their responsibilities to the Company and its shareholders; and,
- has the capacity and desire to represent the balanced, best interests of all of our shareholders as a group, and not a special interest group or constituency.

The Nominating and Corporate Governance Committee will also take into account whether a candidate satisfies the criteria for "independence" under the Nasdaq corporate governance listing standards, and, if a nominee is sought for our Audit Committee, the financial and accounting expertise of a candidate.

Although the Nominating and Corporate Governance Committee and the Board of Directors do not have a formal policy with regard to the consideration of diversity in identifying a director nominee, diversity is considered in the identification process. While attributes such as relevant experience, financial acumen, and formal education are always considered in the identification process, the Nominating Committee and the Board of Directors will also evaluate a potential director nominee's personal character, community involvement and willingness to serve, so that he or she can help further the Company's and the Bank's role and mission as a community-based financial institution.

Consideration and Procedures for Shareholder Recommendations for the Nomination of Directors

It is the policy of the Nominating and Corporate Governance Committee to consider director candidates recommended by shareholders who appear to be qualified to serve on the Company's Board of Directors. Consequently, our Board of Directors has adopted procedures for the submission of director nominees by shareholders. The Nominating and Corporate Governance Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Nominating and Corporate Governance Committee does not perceive a need to increase the size of the Board of Directors. In order to avoid the unnecessary use of the Nominating and Corporate Governance Committee's resources, the Nominating/Corporate Governance Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

To submit a recommendation of a director candidate to the Nominating and Corporate Governance Committee, a shareholder should submit the following information in writing, addressed to the Corporate Secretary, BCB Bancorp, Inc., 595 Avenue C, Bayonne, NJ 07002. The Corporate Secretary must receive said submission at least 90 calendar days before the date the Company's proxy statement was released to shareholders in connection with the previous year's annual meeting, advanced by one year.

The submission must include the following information:

1. The name of the person recommended as a director candidate;
2. all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended;
3. the written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
4. a statement of the candidate's business and educational experience;
5. a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;

as to the shareholder making the recommendation, the name and address, as they appear on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock;
7. a statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person; and,
8. proof that the person making the recommendation is herself, himself or itself a shareholder.

The Corporate Secretary has not received any shareholder recommendations for nominations to the Board of Directors at the Company's upcoming annual meeting. Any person making a shareholder nomination at the annual meeting shall provide the information set forth above regarding themselves and the proposed nominee at the annual meeting.

Shareholder Communications with the Board

A shareholder who wishes to communicate with our Board of Directors or with any individual director can write to our Chief Executive Officer, 595 Avenue C, Bayonne, New Jersey 07002, Attention: Board Administration. The letter should indicate that the author is a shareholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, the Chief Executive Officer will:

- forward the communication to the director or directors to whom it is addressed;
- attempt to handle the inquiry directly (for example, where the request is for information about the company or is a stock-related matter); or,
- not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each Board of Directors' meeting, management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the directors.

Code of Ethics

We have adopted a code of ethics that is applicable to our officers, directors and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, and/or persons performing similar functions. Our Code of Ethics has been filed as an exhibit to the Annual Report on Form 10-K.

The Audit Committee

The Audit Committee, as of December 31, 2016, consisted of Directors Bielan, Pellegrini, Rizzo, Robbins and Stetz. Each member of the Audit Committee is considered "independent" as defined in the Nasdaq corporate governance listing standards and under SEC Rule 10A-3. The duties and responsibilities of the Audit Committee include, among other things:

- in consultation with the independent registered public accounting firm and the internal auditor, reviewing the integrity of our financial reporting processes, both internal and external;
 - approving the scope of the audit(s) in advance;
 - reviewing and approving, when appropriate, necessary and/or required, the financial statements and the audit report of the Company with management and the independent registered public accounting firm;
- considering whether the provision by the external auditors of services not related to the annual audit and quarterly reviews is consistent with maintaining the auditor's independence;
 - reviewing earnings and financial releases and quarterly reports filed with the SEC;

- approving all engagements for audit and non-audit services by the independent registered public accounting firm;

The Audit Committee met 18 times during 2016. The Board of Directors has adopted a written charter for the Audit Committee and this charter has been posted to our website at www.bcbcommunitybank.com. The Committee reports to the Board of Directors on its activities and findings. The Board of Directors believes that Mr. Stetz qualifies as an "audit committee financial expert," as that term is defined in the rules and regulations of the SEC.

Audit Committee Report

In accordance with SEC regulations, the Audit Committee has prepared the following report. As part of its ongoing activities, the Audit Committee has:

Reviewed and discussed with management our audited consolidated financial statements for the fiscal year ended December 31, 2016;

12

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016, to be filed with the SEC. In addition, the Audit Committee approved the appointment of Baker Tilly Virchow Krause LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017, subject to the ratification of the appointment by our shareholders.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

Spencer B. Robbins

Section 16(a) Beneficial Ownership Reporting Compliance

Our common stock is registered pursuant to Section 12(b) of the Exchange Act. Executive officers, directors and 10% beneficial owners are required to file beneficial ownership reports with the SEC disclosing beneficial ownership and changes in beneficial ownership of our common stock. SEC rules require disclosure in our Proxy Statement and

Annual Report on Form 10-K of the failure of an executive officer, director or 10% beneficial owner to file such forms on a timely basis. Based on our review of such ownership reports, we believe that no officer or director failed to timely file such ownership reports for the fiscal year ended December 31, 2016.

The Compensation Committee

During the year ended December 31, 2016, the Compensation Committee met four times to determine our compensation programs and adjustments. The Compensation Committee of the Company, as of December 31, 2016, consisted of Directors Ballance, Lyga, Robbins and Stetz. Each member of the Compensation Committee is considered “independent” as defined in the Nasdaq corporate governance listing standards. Mr. Coughlin does not participate in the Board of Directors’ determination of his compensation as Chief Executive Officer or President. The Board of Directors has adopted a written Charter for the Compensation Committee and this Charter has been posted to our web-site at www.bcbcommunitybank.com.

Roles and Responsibilities. The primary purpose of the Compensation Committee is to conduct reviews of our general executive compensation policies and strategies in order to oversee and evaluate our overall compensation structure and programs. Direct responsibilities include, but are not limited to:

- Evaluating and approving goals and objectives relevant to compensation of the chief executive officer and other executive management, and evaluating the performance of executive management in light of those goals and objectives;

- Administering and having discretionary authority over the issuance of equity awards to employees and directors under the Company's 2011 Stock Option Plan;

- Reviewing, evaluating and recommending the compensation level for the chief executive officer;

- Reviewing, evaluating and recommending compensation levels of other key executive officers; and,

- Reviewing, evaluating and determining the compensation (including stock option awards, retainers, fees, etc.) to be paid to directors of the Company and of affiliates of the Company for their service on the Board(s).

The Compensation Committee reviews, evaluates and recommends to the full Board the compensation paid to the Chief Executive Officer and other members of executive management, which compensation may include both equity and non-equity compensation. The performance of the Chief Executive Officer and other members of executive management is reviewed annually by the Compensation Committee. Performance evaluations are generally measured on criteria applicable to executive management as a whole and to the specific responsibilities of each member of executive management. While strict numerical formulas are not used to evaluate the performance of our members of executive management, criteria considered include earnings, return on equity, return on assets, asset quality, capital management, risk management, franchise expansion, corporate governance, expertise, general management skills and each executive's contribution to our successful operation. These criteria are evaluated not only on current-year performance, but also on the trend of performance over the past several years and within the context of unusual operating and performance issues. The Committee also takes into consideration factors outside the control of management, such as the state of the economy, the interest rate environment, regulatory mandates and competition.

Except for our President and Chief Executive Officer, our members of executive management generally are not engaged directly with the Compensation Committee in setting the amount or form of their compensation or director compensation. However, as part of the annual performance review for our members of executive management other than the Chief Executive Officer, the Compensation Committee considers the Chief Executive Officer's perspective on each member of executive management's individual performance. In addition, the Compensation Committee may delegate to management certain of its duties and responsibilities, including the adoption, amendment, modification or termination of the Bank's tax-qualified retirement plans and health and welfare plans. The Compensation Committee also reviews, evaluates and determines the form and amount of compensation paid to our directors.

The Compensation Committee has sole authority and responsibility under its Charter to approve the engagement of any compensation consultant it uses and the fees for those services. The Compensation Committee did not engage a compensation consultant to assist in determining the amount or form of executive and director compensation paid during the year ended December 31, 2016.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee reviews, evaluates and recommends to the full Board the compensation paid to the Chief Executive Officer and other members of executive management, which compensation may include both equity and non-equity compensation. None of the members of the Compensation Committee was an officer or

employee of the Company or the Bank during the fiscal year ended December 31, 2016, or is a former officer of the Company or the Bank.

During the fiscal year ended December 31, 2016: (i) no executive of the Company or the Bank served as a member of the Compensation Committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire Board of Directors) of another entity, one of whose executive officers served on the Compensation Committee of the Company; (ii) no executive officer of the Company or the Bank served as a director of another entity, one of whose executive officers served on the Compensation Committee of the Company; and, (iii) no executive officer of the Company or the Bank served as a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire Board of Directors) of another entity, one of whose executive officers served as a director of the Company or the Bank.

Compensation Discussion and Analysis

Compensation Objectives. Our compensation objectives begin with the premise that our success depends, in large part, on the dedication and commitment of the people we place in key management positions, and the incentives we provide such persons to successfully implement our business strategy and other corporate objectives. The overall objectives of our compensation program is to retain, motivate and reward employees and officers (including Named Executive Officers, as defined below) for performance, and to provide competitive compensation to attract talent to our organization. In addition, our executive compensation program is designed to align pay with performance in a manner consistent with safe and sound business practices and sustainable financial performance consistent with shareholder interests. We recognize that we operate in a competitive environment for talent. Therefore, our approach to compensation considers a range of compensation techniques as we seek to attract and retain key personnel.

We intend to base our compensation decisions on four basic principles:

Meeting the Demands of the Market – Our goal is to compensate our employees at competitive levels that position us as the employer of choice among our peers who provide similar financial services in the markets we serve.

Aligning with Shareholder Interest – As a public company, we use equity compensation as a key component of our compensation program to develop a culture of ownership among our key personnel and to align their individual financial interests with the interests of our shareholders.

Driving Performance – We will base compensation in part on the attainment of company-wide, business unit and individual targets that contribute to our earnings within risk tolerance.

Reflecting our Business Philosophy – Our approach to compensation reflects our values and the way we do business in the communities we serve.

We believe that we can achieve the objectives of our compensation philosophy by implementing a compensation program that is competitive with our industry peers and creates appropriate incentives for our management team.

This discussion is focused specifically on the compensation of the following executive officers, each of whom is named in the “Executive Compensation Summary” which appears later herein. These five current executives are referred to in this discussion as “Named Executive Officers.”

Name	Title as of December 31, 2016
Thomas M. Coughlin	President and Chief Executive Officer
Thomas P. Keating	Chief Financial Officer

Joseph Javitz Chief Lending Officer

Sandra Sievewright Chief Risk Officer and Chief Compliance Officer

John J. Brogan, Esq. General Counsel

Designing our Compensation Program. Our compensation program is designed to reward the Named Executive Officers based on their level of assigned management responsibilities, experience and performance levels. The creation of long-term value is highly dependent on the development and effective execution of a sound business strategy by our Named Executive Officers.

Other considerations influencing the design of our executive compensation program are:

- experience in the financial services industry that promotes the safe and sound operation of the Company and the Bank;

- experience and prior performance of our executives in successfully implementing and completing strategic goals;

- experience in all aspects of risk management;

- executives with sufficient experience in our markets relating to the needs of our customers, products and investments in various phases of the economic cycle;

- disciplined decision-making that respects our strategic plan but adapts quickly to change;

- the retention and development of incumbent executives who meet or exceed performance objectives, since recruiting executives can be expensive, unpredictable and may have a disruptive effect on our operations;

- the compensation and employment practices of our competitors within the financial services industry and elsewhere in the marketplace; and,

- each executive's individual performance and contribution in helping us achieve our corporate goals.

Role of the Compensation Committee and the Named Executive Officers. Our Compensation Committee and President and Chief Executive Officer have a significant role in helping us achieve our compensation objectives and

designing our compensation program. The Compensation Committee is responsible for overseeing and making recommendations to the full Board of Directors with respect to our compensation program related to the Named Executive Officers. The Compensation Committee regularly evaluates and recommends the elements of total compensation payable to the Named Executive Officers. In making these determinations, the Compensation Committee considers the Named Executive Officer's level of job responsibility, the compensation paid by peers for similar levels of responsibility, industry survey data regarding executive compensation and our financial condition and performance.

The President and Chief Executive Officer provides the Compensation Committee with input regarding our employee compensation philosophy, process and compensation decisions for employees other than himself. In addition to providing factual information on relevant measures, the President and Chief Executive Officer articulates senior management's views on current compensation programs and processes, recommends relevant performance measures to be used for future evaluations and otherwise provides information to assist the Compensation Committee. The President and Chief Executive Officer also provides information about individual performance assessments for the other Named Executive Officers and expresses to the Compensation Committee his views on the appropriate levels of compensation for the other Named Executive Officers for the ensuing year.

The President and Chief Executive Officer participates in Compensation Committee activities purely in an informational and advisory capacity. He has no vote in the Compensation Committee's decision-making process. The President and Chief Executive Officer does not attend the portions of Compensation Committee meetings during which his performance is evaluated or his compensation is being determined. No Named Executive Officer (other than the President and Chief Executive Officer) attends the portions of Compensation Committee meetings during which the performance of the other Named Executive Officers is evaluated or their compensation is being determined.

Use of Consultants. In 2016, the Board of Directors, in concert with the Compensation Committee, did not engage the services of a compensation consultant.

Elements of Compensation. Our compensation program with respect to our Named Executive Officers primarily consists of the following:

- base salary, which is designed to provide a reasonable level of predictable income commensurate with the market standards for the executive's position;

- non-equity bonus and incentive compensation, which is recommended by the Compensation Committee based on the satisfaction of company-wide and individually-based performance objectives;

- equity compensation of awards of stock options, which provides incentives to maximize shareholder value;

- severance benefits payable pursuant to employment agreements with certain Named Executive Officers;

- benefits payable pursuant to our 401(k) plan; and,

- health and welfare benefits.

The Compensation Committee seeks to create what it believes is the best mix of each element of compensation in recommending a Named Executive Officer's total compensation. For each Named Executive Officer, a significant percentage of total cash compensation is at-risk, meaning that it will generally be earned when the Company, the Bank and the Named Executive Officer are successful in realizing the interests of the Company and the Bank.

The Compensation Committee reviewed compensation for the year ended December 31, 2016, for the Named Executive Officers, relative to the competitive market and to the results delivered on established objectives and performance criteria, and concluded that each Named Executive Officer's compensation was consistent with market

practice and was based on the Named Executive Officer's performance. Additionally, since our shareholders strongly approved our compensation program as described in our Definitive Proxy Statement for the Annual Meeting of Shareholders filed with the SEC on March 28, 2016, our compensation program for the fiscal year ended December 31, 2016, was designed to be materially consistent with the compensation program for the fiscal year ended December 31, 2015.

Base Salary. Base salary is the primary source of compensation for services performed during the year for all employees. On an annual basis, the Compensation Committee reviews the base salaries of the Named Executive Officers and primarily considers:

market data for peer institutions and direct competitors located in New Jersey, the New York metropolitan area and the northeast region;

- internal review of the Named Executive Officer’s compensation, both individually and relative to other officers;
- individual performance of the Named Executive Officer;
- qualifications and experience of the Named Executive Officer; and,
- our financial condition and results of operations, including tax and accounting impact of the base salaries.

Base salaries are reviewed annually and adjusted from time-to-time to realign base salaries with market levels, after taking into account the considerations discussed above. Based on the foregoing, the Compensation Committee recommended to the full Board that the annual rates of base salary for Messrs. Coughlin, Javitz and Keating remain as follows:

Name	Base Salary Prior to July 1, 2016	Base Salary as of July 1, 2016
Thomas Coughlin	\$ 400,000	\$ 400,000
Thomas P. Keating	\$ 220,000	\$ 220,000
Joseph Javitz	\$ 220,000	\$ 220,000

Details regarding the base salary earned by the Named Executive Officers are included in the “Executive Compensation Summary” following this section.

Non-Equity Bonus and Incentive Compensation. The Compensation Committee has the ability to review, evaluate and recommend to the full Board discretionary bonus payments to the Named Executive Officers. While strict numerical formulas were not used to quantify the bonus payments payable to the Named Executive Officers in 2016, both company-wide and individually-based performance objectives are used by the Compensation Committee to recommend bonus payments. Company-wide performance objectives focus on growth, expense control, asset quality (particularly the quality of our loan portfolio and positive results of our quality control audits), compliance audits and regulatory “safety and soundness” examinations. Such performance objectives are customarily used by similarly-situated financial institutions in measuring performance. Individually-based performance objectives are determined based on the individual’s responsibilities and contributions to our successful operation. Both the company-wide and individually-based performance objectives are evaluated by the Compensation Committee on an annual basis and as a trend of performance over the prior three years. The Compensation Committee also takes into consideration outside factors that impact our performance, such as national and local economic conditions, the interest rate environment, regulatory mandates and the level of competition in our market area.

The “Executive Compensation Summary” below provides the bonus payments which were paid to the Named Executive Officers in 2016.

Equity Compensation. The Compensation Committee has the ability to review, evaluate and recommend to the full Board stock option awards to be granted to the Named Executive Officers under our 2011 Stock Option Plan, in an effort to focus their attention on our sustained, long-term financial performance. A stock option award gives the recipient the right to purchase shares of our common stock at a specified price during a specified period of time. The Compensation Committee believes that stock option awards: (1) reward the Named Executive Officers for long-term, sustained performance and stock price growth; (2) align the Named Executive Officers’ interests with our shareholders through stock ownership; and (3) provide an incentive to the Named Executive Officers to remain employed with the Company and the Bank through the vesting periods of the stock option awards.

In 2016, Mr. Coughlin was granted stock option awards under the 2011 Stock Option Plan. The options granted to Mr. Coughlin vest at a rate of 33.33% per year over three years. The Compensation Committee believes the stock option awards will align the Name Executive Officer’s interests with the long-term performance of the Company and the Bank.

Severance Benefits. We currently maintain employment agreements with Messrs. Coughlin, Keating and Javitz, which provide them with severance payments in the event of termination of employment without cause. In addition, the employment agreements provide payments to them in the event of a change in control of the Company or the Bank, which would be paid in lieu of any severance payments that are triggered as a result of his termination of employment thereafter.

Please see “Executive Compensation- Benefit Plans” below for a more thorough description of these agreements. Please also see “Executive Compensation-Termination Payment Table” below for more information related to the payments that would be made under certain scenarios with respect to these agreements.

Retirement Plans. The Named Executive Officers are eligible to participate in our 401(k) plan on the same terms as other employees. Under the plan, each eligible employee is permitted to defer, on a pre-tax basis, up to 25% of his or her annual salary for retirement (subject to limitations under the Internal Revenue Code). The Bank contributes an amount equal to 100% of the first 3% of an employee’s contribution, and 50% of the next 2% of an employee’s contribution. We do not provide our employees, including the Named Executive Officers, with any non-qualified supplemental retirement benefits.

Health and Welfare Benefits. We provide group health, dental and vision insurance coverage to our employees, including the Named Executive Officers, with the employees being responsible for a portion of the premiums. The Compensation Committee believes these benefits are appropriate and assist the employees in fulfilling their employment obligations.

Tax and Accounting Implications. In consultation with our advisors, we evaluate the tax and accounting treatment of our compensation program at the time of adoption and on an annual basis to ensure that we understand the financial impact of the program. Our analysis includes a detailed review of recently adopted and pending changes in tax and accounting requirements. As part of our review, we consider modifications and/or alternatives to existing programs to take advantage of favorable changes in the tax or accounting environment or to avoid adverse consequences. To preserve maximum flexibility in the design and implementation of our compensation program, we have not adopted a formal policy that requires all compensation to be tax deductible. However, to the greatest extent possible, we structure our compensation program in a tax efficient manner.

Risk Management. The Compensation Committee believes that any risks arising from our compensation policies and practices for all of our employees, including our Named Executive Officers, are not reasonably likely to have a material adverse effect on the Company or the Bank. In addition, the Compensation Committee believes that the mix and design of the elements of our compensation program will encourage our senior management to act in a manner that is focused on the long-term valuation of the Company and the Bank.

The Compensation Committee regularly reviews our compensation program to ensure that controls are in place so that our employees are not presented with opportunities to take unnecessary and excessive risks that could threaten the Company and the Bank. With respect to our non-equity bonus compensation program, the Compensation Committee utilized both the company-wide and individual performance objectives to recommend the bonus payments made. The performance objectives selected are customary performance metrics for financial institutions in our peer group. In addition, because the Compensation Committee evaluates the company-wide performance objectives as a trend of performance over the prior three years, the long-term financial performance of the Company and the Bank is in correlation with any bonus payments awarded.

Finally, by recommending the granting of stock options under the Company's equity incentive plan, the Compensation Committee has attempted to place more of our common stock into the hands of our employees in an effort to align their interests with those of our shareholders, which should contribute to long-term shareholder value and decrease the likelihood that our employees would take excessive risks which might threaten the value of their common stock received under our equity compensation program.

Stock Benefit Plans

BCB Bancorp, Inc. Stock Option Plans. Outside directors and employees of the Company, the Bank or their affiliates are eligible to participate and receive awards under the BCB Bancorp, Inc., 2011 Stock Option Plan (“2011 Stock Option Plan”). The Company reserved 900,000 shares of common stock to be issued pursuant to grants of stock options under the 2011 Stock Option Plan.

A stock option gives the recipient the right to purchase shares of common stock of the Company at a specified price during a specified period of time. Awards may be granted as either incentive or non-statutory stock options. Incentive stock options have certain tax advantages and must comply with the requirements of Section 422 of the Internal Revenue Code. Only employees are eligible to receive incentive stock options. Shares of common stock purchased upon the exercise of a stock option must be paid for in full at the time of exercise either in cash or with common stock owned by the recipient.

Unless otherwise specified in an award agreement, the vesting of stock options will accelerate upon death, disability or a change in control of the Company or the Bank.

Tax-Qualified Benefit Plans

401(k) Plan. The Bank maintains the BCB Community Bank 401(k) Plan, a tax-qualified defined contribution retirement plan, for all employees who satisfied the 401(k) plan’s eligibility requirements. Employees are eligible to participate in the plan as follows: for employees hired prior to September 1, 2014, upon completion of one year of

service with the Bank; for employees hired on September 1, 2014, through December 31, 2014, upon completion of six months of service with the Bank; for employees hired on January 1, 2015, and thereafter, upon completion of one year of service with the Bank. The 401(k) plan allows a participant to contribute, on a pre-tax basis, up to 25% of his or her annual salary, provided that the contribution does not exceed the maximum salary deferral contribution limit set forth by the Internal Revenue Service, which was \$18,000 for 2016 for Employees under 50 years of age, and \$24,000 for 2016 for Employees over 50 years of age. In addition, the Bank may make: (i) discretionary qualified non-elective contributions; and/or (ii) discretionary matching contributions to the 401(k) plan, both of which will be allocated to a participant's individual account based on the ratio his or her compensation bears to the total compensation of all participants. A participant is always 100% vested in his or her elective deferrals and the qualified non-elective contributions which were allocated to his or her account. The Bank may make profit-sharing contributions at its discretion which will be allocated annually in accordance with the terms of the 401(k) plan. Any discretionary matching contributions and/or profit-sharing contributions made by the Bank which are allocated to a participant's account will become vested at the rate of 20% per year, starting upon completion of two years of credited service, and will be fully vested upon completion of six years of credited service. However, a participant will immediately become 100% vested in any profit sharing contributions upon his or her death, disability, or attainment of age 65 while employed with the Bank. Generally, a participant (or participant's beneficiary) may receive a distribution from his or her vested account on or after the normal retirement date (age 65) or upon termination of employment.

Each participant has an individual account under the 401(k) plan and may direct the investment of his or her account among a variety of investment options available, including the purchase of Company common stock through the BCB Bancorp Stock Fund.

The fee amounts are determined by membership on Board committees and attendance at Board and Committee meetings. Non-employee directors of the Bank receive \$1,000 for each Board meeting, \$500 for each Special Board meeting and the following as designated members of the below Committees: (1) Audit, Compensation, Investment, Loan, Nominating/Corporate Governance and Site Committees - \$300/meeting; (2) Joint ALCO/ERM/Budget Committee - \$500/meeting; and, (3) members of the Information Technology Committee are not paid. In order to be paid, a director must physically be in attendance at a meeting. Thomas Coughlin, who is a Director of the Bank and also an executive officer, did not receive any fees or a retainer for his services as a Director of the Bank for the fiscal year ended December 31, 2016.

Director Plans

Stock Benefit Plans. Directors are eligible to participate in the 2011 Stock Option Plan. Please see the descriptions of the plan set forth above under “Executive Compensation – Stock Benefit Plans” for further details.

Deferred Compensation Plan for Directors. The Board of Directors of the Bank adopted the 2005 Director Deferred Compensation Plan (the “2005 Deferred Plan”), which became effective on October 1, 2005. The 2005 Deferred Plan is designed to comply with the requirements of Section 409A of the Internal Revenue Code. All members of the Board of Directors of the Bank are eligible to participate in the 2005 Deferred Plan. Pursuant to the 2005 Deferred Plan, a participant may elect to defer, on a pre-tax basis, receipt of all or any portion of the fees and retainers received for his or her service on the Board of Directors and on committees of the Board of Directors, but only to the extent such amounts are attributable to services not yet performed. The Bank credits the deferred amounts to a bookkeeping account. Interest is paid on such deferred amounts at a rate equal to the rate payable on the Bank’s highest paying time deposit, as determined as of the first day of each month, or as adjusted from time to time. The Bank may establish a “rabbi trust” to which the Bank may deposit such deferrals and interest, but such deposits shall remain subject to the claims of the Bank’s creditors.

A participant may make a deferral election during the first 30 days of becoming eligible to participate in the 2005 Deferred Plan with respect to amounts earned that year, specifying the amount deferred and the time and form of payment. Deferral amounts continue in effect until the participant files a notice of adjustment with the Bank. In addition, if the amount of director fees and/or retainers is increased, the participant may increase the amount of his or her deferral by filing a notice of adjustment with the Bank. Such adjustments take effect as of January 1 following the date the notice is given to the Bank. Such deferral election is irrevocable with respect to the calendar year for which it is filed, provided, however, that a participant may delay distributions or modify a previous deferral election if: (i) the new deferral election is not effective for 12 months, (ii) the original distribution date is at least 12 months from the date of the change in the election, and (iii) the new distribution date must be at least five years after the original distribution date.

Deferred fees will be paid out on the participant’s benefit age as designated in his or her deferral election form or upon the participant’s death, disability or separation from service as a director of the Bank, if such date is earlier than his or her designated benefit age. Distributions may also be made earlier than the director’s designated benefit age if the distribution is necessary to satisfy a financial hardship, as defined under Section 409A of the Internal Revenue Code. At the election of the participant, the distribution may be paid out in a lump sum or in equal annual installments over a

period not to exceed ten years.

Related Party Transactions

The Bank leases its 860 Broadway, Bayonne, New Jersey, branch office from a limited liability company owned by directors Hogan, Ballance, Bielan, Brogan, Collins, Coughlin, Lyga and Pellegrini, the estate of former director Tagliareni, and former director Pasiechnik. Based upon a market rental value appraisal obtained prior to entering into the lease agreement, we believe that the terms and conditions of the lease are comparable to terms that would have been available from a third party that was unaffiliated with the Bank. During 2016, total lease payments of \$165,000 were made to the limited liability company. Payments under the lease currently total \$13,750 per month. Each director and former director's percentage ownership in the limited liability corporation is divided equally among 10 individuals.

The Bank leases its branch office in Woodbridge, New Jersey, from a limited liability company, a portion of which is owned by directors Robbins and Stetz. During 2016, total lease payments of \$170,848 were made to that limited liability company. Payments under the lease currently total \$15,476 per month.

Other than as described in the preceding paragraph, no directors, executive officers or immediate family members of such individuals have engaged in transactions with us involving more than \$120,000 (other than through a loan) during the preceding year. In addition, no directors, executive officers or immediate family members of such individuals were involved in loans from us which were not made in the ordinary course of business and on substantially the same terms and conditions, including interest rate and collateral, as those of comparable transactions prevailing at the time with other unaffiliated persons, and do not include more than the normal risk of collectability or present other unfavorable features.

We require that any transaction in which a director, officer or a member of their immediate family has an interest, and in which the Bank is involved must be reviewed and approved and/or ratified by the Board of Directors. Any such transaction must be made on terms no less favorable to us than it would be if we entered into a similar relationship with an unaffiliated third party. Any lending relationship between a director, officer or a member of their immediate family and the Bank must be reviewed and approved and/or ratified by the Board of Directors. All such loans are made on substantially the same terms as loans to third parties, consistent with banking regulations governing the origination of loans to directors, officers and employees of the Bank. The Board of Directors is responsible for overseeing the application of these policies and procedures, which are part of our written policies.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits an issuer from: (1) extending or maintaining credit; (2) arranging for the extension of credit; or (3) renewing an extension of credit in the form of a personal loan for an officer or director. There are several exceptions to this general prohibition, one of which is applicable to us. Sarbanes-Oxley does not apply to loans made by a depository institution that is insured by the Federal Deposit Insurance Corporation and is subject to the insider lending restrictions of the Federal Reserve Act. All loans to our directors and officers are made in conformity with regulations promulgated under the Federal Reserve Act.

PROPOSAL II - RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Our independent registered public accounting firm for the fiscal year ended December 31, 2016, was Baker Tilly Virchow Krause LLP (“Baker Tilly”).

The Audit Committee of the Board of Directors has approved the engagement of Baker Tilly to be our independent registered public accounting firm for the fiscal year ending December 31, 2017, subject to the ratification of the engagement by our shareholders at this annual meeting. Representatives of Baker Tilly are expected to attend the annual meeting, will have an opportunity to make a statement if they so desire, and will be available to respond to appropriate questions.

Shareholder ratification of the selection of the independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board of Directors is submitting the selection of the independent registered public accounting firm to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the independent registered public accounting firm selected by the Audit Committee, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such change is in our best interests and the best interests of our shareholders.

Fees Paid to Baker Tilly

Set forth below is certain information concerning aggregate fees billed for professional services rendered by Baker Tilly during 2016 and 2015:

Audit Fees. The aggregate fees billed to us by Baker Tilly for professional services rendered for the audit of our annual financial statements, review of the financial statements included in our Quarterly Reports on Form 10-Q and services that are normally provided in connection with statutory and regulatory filings and engagements was \$210,811 and \$205,764, for the fiscal years ended December 31, 2016, and December 31, 2015, respectively.

Audit Related Fees. The aggregate fees billed to us by Baker Tilly for assurance and related services that are reasonably related to the performance of the audit and review of the financial statements and that are not already reported in “Audit Fees,” above was \$31,195 and \$66,028, for the fiscal years ended December 31, 2016, and December 31, 2015, respectively.

Tax Fees. There were no fees billed to us by Baker Tilly for professional services rendered for tax compliance, tax advice and tax planning for the fiscal years ended December 31, 2016, and December 31, 2015. These services would have included the calculation and preparation of all pertinent federal and state tax forms relative to us and our subsidiaries, and the maintenance of all applicable schedules and work papers relative to the same.

All Other Fees. No additional fees were billed to us by Baker Tilly for the fiscal years ended December 31, 2016, and December 31, 2015, for services related to compliance services.

There were no other fees billed to us by Baker Tilly which are not described above for the fiscal years ended December 31, 2016, and December 31, 2015.

The Audit Committee has considered whether the provision of non-audit services, which relate primarily to costs incurred with tax compliance services rendered, is compatible with maintaining Baker Tilly’s independence. The Audit Committee concluded that performing such services does not affect Baker Tilly’s independence in performing its function as auditor for us.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of the Independent Registered Public Accounting Firm

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. All of the fees paid in the audit-related, tax and all other categories were approved per the pre-approval policies.

Required Vote and Recommendation of the Board of Directors

In order to ratify the selection of Baker Tilly Virchow Krause LLP as independent registered public accounting firm for the fiscal year ending December 31, 2017, the proposal must receive the affirmative vote of at least a majority of the votes cast at the annual meeting, either in person or by proxy.
