MATERIAL CHANGE REPORT

1. Name and Address of Company:

Sonde Resources Corp.  
3100, 500 - 4th Avenue S.W.  
Calgary, Alberta, T2P 2V6

2. Date of Material  
Change:

November 15, 2013

3. News Release:

A press release disclosing the material change was issued through Marketwire on November 15, 2013.

4. Summary of Material Change:

The farmout agreement between Sonde Resources Corp. (Sonde) and Viking Exploration and Production Tunisia Limited (Viking) (the Farmout Agreement) relating to the farmout of an interest in Sonde's Joint Oil Block in North Africa has been terminated as of November 15, 2013.

5. Full Description of Material Change:

5.1 Full Description of Material Change

On December 27, 2012, Sonde entered into the Farmout Agreement with Viking pursuant to which Sonde agreed to farmout to Viking a 66.67% of its interest in the Joint Oil Block. The consent of Joint Oil to a partial assignment of Sonde's interest under the Exploration and Production Sharing Agreement (the EPSA) governing the Joint Oil Block was a condition to closing.

On May 3, 2013, Sonde received approval from Joint Oil's Board of Directors to the Farmout Agreement subject to meeting a number of terms and conditions outlined by the Joint Oil Board of Directors and, in particular, that Sonde and Viking were required to post a bank guarantee equivalent to US\$50.995 million as a guarantee for the 2013 through 2015 work obligations under the EPSA (the Bank Guarantee). Pursuant to the Bank Guarantee, Viking was required to contribute US \$40 million and Sonde was required to contribute US\$10.995 million.

An amended and restated Farmout Agreement was subsequently executed by Sonde and Viking on July 31, 2013, to reflect the terms and conditions required by Joint Oil's Board of Directors. Formal closing of the Farmout Agreement remained subject to the funding of the Bank Guarantee by Sonde and Viking.

On September 26, 2013, Joint Oil's Board of Directors and General Assembly approved the Assignments and the Amendment to the EPSA (the Viking Assignment Agreement), required conditions precedent to closing the Farmout Agreement. Under the terms of the Viking Assignment Agreement dated October 4, 2013, Viking had 21 calendar days (until October 25, 2013) to fund its US \$40 million share of the Bank Guarantee (the Funding).

On October 28, 2013, at Viking's request, Joint Oil and Sonde granted an additional 21 day extension, until November 15, 2013, to permit Viking to secure the Funding. As of November 15, 2013, Viking was unable to satisfy the condition precedent of obtaining Funding. The Funding by Viking was subject to the completion of third-party financing by Viking and completion of the financing was outside the control of Sonde. As Viking was unable to secure the necessary Funding, Sonde terminated the Farmout Agreement on November 15, 2013.
