This Amendment No. 1 to Form 8-K (this “Amendment”) amends Item 7.01 of the current report on Form 8-K filed by magicJack VocalTec Ltd. on May 8, 2012. This Amendment is being filed solely to correct a typographical error about the as yet to be determined date by which shareholders may elect to receive ordinary shares (without charge). The entire text of the corrected disclosure is reprinted below.

Item 7.01. Regulation FD Disclosure.

On May 8, 2012, magicJack VocalTec Ltd. (the “Company”) announced additional details about its planned “Loyalty” Rights Offering to shareholders.

Ordinary shareholders of record as of May 18, 2012 will receive one non-transferable unit for every four shares owned. The unit will consist of (i) a right to elect to receive one ordinary share (without charge) and (ii) a right to purchase one ordinary share at an exercise price of \$23.00 (the “Exercise Price”), subject to possible adjustment.

If a shareholder does not affirmatively exercise the right to receive the ordinary shares (without charge), following a date to be determined, such shareholder will receive a reduced number of free shares, as yet to be determined.

The period of time during which a shareholder may (i) elect to receive its free share and (ii) exercise its right to purchase an ordinary share (the “Exercise Period”) has not yet been determined but will be less than 30 days from the delivery date. The free ordinary share component of the unit will separate from the unit following the expiration of the Exercise Period, and the free shares will be delivered shortly thereafter.

The Company reserves the right to make additional changes to the terms if it concludes that it is in the best interests of the Company and its shareholders to do so.
