TYPOGRAPHICAL ERROR IN PROXY STATEMENT

On November 24, 2015, Attunity Ltd. (the "Company" or "we") filed a Current Report on Form 6-K that enclosed, among other things, a copy of the Company's Notice and Proxy Statement for its Annual General Meeting to be held on December 30, 2015 (the "Proxy Statement").

We wish to advise that we have discovered a typographical error in Item 3 of Proxy Statement - The paragraph immediately above the heading "The Proposed Resolution" in Item 3 (correctly) states that "our Compensation Committee and Board of Directors determined that, in light of, among other things, the growth of the Company in the past several years, it would be appropriate to allow the Company to purchase directors' and officers' liability insurance policy with a maximum aggregate coverage of \$40 million, but to maintain the limit of maximum annual premium at \$250,000." However, the text of the proposed resolution immediately following that paragraph contains a typographical error and the words "\$300,000" should be replaced by "\$250,000", so the Company wishes to clarify that the text of the proposed resolution should be read as follows:

"RESOLVED, that the Compensation Policy be amended to provide that the Company may purchase (including renew or extend) directors' and officers' liability insurance policy with a maximum aggregate coverage of \$40 million and maximum annual premium of \$250,000."
