**M&T BANK CORPORATION
PROXY STATEMENT**

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of M&T Bank Corporation of proxies in the accompanying form for use at the 2009 Annual Meeting of Stockholders or any adjournment or adjournments thereof.

The Annual Meeting of Stockholders of M&T Bank Corporation will be held on the 10th floor of One M&T Plaza in Buffalo, New York on Tuesday, April 21, 2009, at 11:00 a.m., local time. M&T Bank Corporation's mailing address is One M&T Plaza, Buffalo, New York 14203, and its telephone number is (716) 842-5138.

This Proxy Statement and the accompanying form of proxy are first being sent to common stockholders of record on or about March 6, 2009. A copy of M&T Bank Corporation's Annual Report for 2008, including financial statements, has either previously been delivered or accompanies this Proxy Statement, but is not part of the proxy solicitation materials.

VOTING RIGHTS

Common stockholders of record at 5:00 p.m., Eastern Standard Time, on February 27, 2009 are entitled to vote at the Annual Meeting. At that time, M&T Bank Corporation had outstanding 111,058,583 shares of common stock, \$0.50 par value per share (Common Stock). Each share of Common Stock is entitled to one vote. Shares may not be voted at the meeting unless the owner is present or represented by proxy. A stockholder can be represented through the return of a physical proxy or by utilizing the telephone or Internet voting procedures. The telephone and Internet voting procedures are designed to authenticate stockholders by use of a control number and allow stockholders to confirm that their instructions have been properly recorded. The method by which you vote will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. A stockholder giving a proxy may revoke it at any time before it is exercised by giving written notice of such revocation or by delivering a later dated proxy, in either case, to Marie King, Corporate Secretary, at the address set forth above, or by the vote of the stockholder in person at the Annual Meeting.

Proxies will be voted in accordance with the stockholder's direction, if any. Unless otherwise directed, proxies will be voted in favor of the election as directors of the persons named under the caption **NOMINEES FOR DIRECTOR**, in favor of adopting the M&T Bank Corporation 2009 Equity Incentive Compensation Plan, in favor of approving the compensation of M&T Bank Corporation's Named Executive Officers and in favor of ratifying the appointment of Pricewater-houseCoopers LLP as the independent registered public accounting firm of M&T Bank Corporation for the year ending December 31, 2009.

The presence in person or by proxy of the holders of a majority of the outstanding Common Stock will constitute a quorum for the transaction of business at the meeting. Broker non-votes will be counted as being present or represented at the meeting for purposes of establishing a quorum.

Table of Contents

The vote of a plurality of the shares of Common Stock present or represented at the meeting is required for the election of directors, assuming a quorum is present or represented at the meeting. If, however, a director does not receive a majority of the votes cast (which includes votes to withhold but excludes abstentions), that director would be required to tender his or her resignation to the Board of Directors for consideration in accordance with the bylaws of M&T Bank Corporation.

The vote of a majority of the votes cast at the meeting is required to adopt the M&T Bank Corporation 2009 Equity Incentive Compensation Plan, to approve the compensation of M&T Bank Corporation's Named Executive Officers and to ratify the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T Bank Corporation for the year ending December 31, 2009. An abstention with respect to the adoption of the M&T Bank Corporation 2009 Equity Incentive Compensation Plan, the approval of the compensation of M&T Bank Corporation's Named Executive Officers or the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T Bank Corporation will not constitute a vote cast and therefore will not affect the outcome of the vote on the adoption of the M&T Bank Corporation 2009 Equity Incentive Compensation Plan, the approval of the compensation of M&T Bank Corporation's Named Executive Officers or the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T Bank Corporation. Broker non-votes will not constitute votes cast for purposes of determining, and therefore will have no effect on, the outcome of the vote for the election of directors, the adoption of the M&T Bank Corporation 2009 Equity Incentive Compensation Plan, approval of the compensation of M&T Bank Corporation's Named Executive Officers and the ratification of PricewaterhouseCoopers LLP as the independent registered public accounting firm of M&T Bank Corporation.

PROPOSAL TO APPROVE THE M&T BANK CORPORATION 2009 EQUITY INCENTIVE COMPENSATION PLAN

On February 17, 2009, the Board of Directors unanimously approved the M&T Bank Corporation 2009 Equity Incentive Compensation Plan (the 2009 Equity Incentive Compensation Plan), subject to stockholder approval, and authorized its submission to stockholders for approval at the 2009 Annual Meeting of Stockholders. A copy of the 2009 Equity Incentive Compensation Plan is attached to this Proxy Statement as APPENDIX A.

Summary of the 2009 Equity Incentive Compensation Plan

The following description of the 2009 Equity Incentive Compensation Plan is only a summary of certain provisions thereof and is qualified in its entirety by reference to its full text, a copy of which is included as APPENDIX A to this Proxy Statement.

The purpose of the 2009 Equity Incentive Compensation Plan is to promote the success of M&T Bank Corporation and its affiliates by providing incentives to their officers and employees that will link their personal interests to the financial success of the M&T Bank Corporation and its affiliates and to growth in stockholder value. The Board of Directors and management believe that the ability to make equity awards enhances M&T Bank Corporation's ability to attract and retain qualified employees. The Board of Directors also believes that it is in the best interest of M&T Bank Corporation and its stockholders to recognize the contributions of its employees in the success of M&T Bank Corporation by providing an incentive for such employees to continue their service with M&T Bank Corporation and its affiliates. Furthermore, as described in the Compensation Discussion and Analysis section of this Proxy Statement as a part of M&T Bank Corporation's compensation policy, stock-based compensation is the most significant component of M&T Bank Corporation's total compensation program, particularly with respect to its executive officers. M&T Bank Corporation's base salaries and annual cash incentives are generally below the median of the market and it relies on stock-based compensation to maintain competitive compensation levels and retain employees. M&T Bank Corporation follows this approach to compensation in order to align its executives' compensation with outside stockholders.

To provide a sufficient pool of equity for M&T Bank Corporation to attract and retain talent over the next several years, M&T Bank Corporation has adopted, subject to stockholder approval, the 2009 Equity Incentive Compensation Plan. The 2009 Equity Incentive Compensation Plan is substantially similar in design to the M&T Bank Corporation 2005 Incentive Compensation Plan (the 2005 Incentive Compensation Plan), with the primary difference being the formal addition of restricted stock units and performance units as forms of awards that may be granted. The 2009 Equity Incentive Compensation Plan is intended to replace the 2005 Incentive Compensation Plan. Upon stockholder approval of the 2009 Equity Incentive Compensation Plan, no further grants will be made under the 2005 Incentive Compensation Plan, but, as described in the section entitled *Shares Available for Issuance* below, the shares remaining available for grant under the 2005 Incentive Compensation Plan will become available for award under the 2009 Equity Incentive Compensation Plan, as will shares related to outstanding awards under the 2005 Incentive Compensation Plan that are not issued by reason of forfeiture, termination, surrender, cancellation, or expiration (prior to exercise) of such an award.

Table of Contents**Administration**

The 2009 Equity Incentive Compensation Plan will be administered by a committee consisting of three or more outside, independent members of the Board of Directors each of whom is (i) a non-employee director as defined in Rule 16b-3 of the Exchange Act, (ii) to the extent required by Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), an outside director as defined in Section 162(m) of the Code, and (iii) qualified to administer the 2009 Equity Incentive Compensation Plan as contemplated by any rules and regulations of the New York Stock Exchange. If no appointment is in effect at any time, the 2009 Equity Incentive Compensation Plan will be administered by the Nomination, Compensation and Governance Committee of the Board of Directors. It is currently intended that the Nomination, Compensation and Governance Committee will constitute the committee to administer the 2009 Equity Incentive Compensation Plan. Therefore, for purposes of this description, the Nomination, Compensation and Governance Committee is presumed to be the committee to administer the 2009 Equity Incentive Compensation Plan.

The Nomination, Compensation and Governance Committee will have full power to administer and interpret the 2009 Equity Incentive Compensation Plan and to adopt or establish, and to modify or waive, such rules and procedures which it may deem necessary and appropriate for the proper administration and operation thereof. To the extent permitted by the 2009 Equity Incentive Compensation Plan, the Nomination, Compensation and Governance Committee may also delegate its authority under the 2009 Equity Incentive Compensation Plan to the Chief Executive Officer, to other officers, or to the M&T Bank Employee Benefits Plan Committee (or any similar or successor committee).

Shares and Other Limits

Shares Available for Issuance. The total number of shares of Common Stock that may be issued pursuant to awards under the 2009 Equity Incentive Compensation Plan may not exceed 4,000,000 plus any shares that have already been authorized and previously approved by stockholders and remain available for issuance under the 2005 Incentive Compensation Plan as of the date of the 2009 Annual Meeting of Stockholders (if the 2009 Equity Incentive Compensation Plan is approved by stockholders). As of February 27, 2009, a total of 1,834,837 shares of Common Stock remained available for issuance under the 2005 Incentive Compensation Plan and it is not expected that any material awards will be made from that date through the date of the 2009 Annual Meeting of Stockholders. In addition, to the extent that shares of Common Stock subject to an outstanding award under the 2005 Incentive Compensation Plan are not issued by reason of forfeiture, termination, surrender, cancellation, or expiration (prior to exercise) of such an award, then such shares will immediately again be available for issuance under the 2009 Equity Incentive Compensation Plan. To the extent that shares of Common Stock subject to an outstanding award under the 2009 Equity Incentive Compensation Plan are not issued by reason of forfeiture, termination, surrender, cancellation, or expiration (prior to exercise) of such an award, by reason of the tendering or withholding of shares to pay all or a portion of the exercise price or to satisfy all or a portion of the tax withholding obligations relating to the award, by reason of being settled in cash in lieu of shares or settled in a manner that some or all of the shares covered by the award are not issued to the participant, then such shares will immediately again be available for issuance under the 2009 Equity Incentive Compensation Plan.

Table of Contents

M&T Bank Corporation intends to issue new shares, use treasury shares, or acquire, as necessary, Common Stock in the open market to fulfill its obligations under the 2009 Equity Incentive Compensation Plan upon the exercise of options or the settlement of other awards. Fractional shares will not be issued under the 2009 Equity Incentive Compensation Plan.

Individual Award Limits. Of the shares of Common Stock authorized for issuance under the 2009 Equity Incentive Compensation Plan, up to the entire amount authorized may be issued with respect to awards that are not options, and up to 4,000,000 shares of common stock may also be issued pursuant to options that are incentive stock options under the Code. In addition, the 2009 Equity Incentive Compensation Plan includes a limit of 200,000 shares of Common Stock as the maximum number of shares that may be subject to awards that are intended to qualify for the performance-based exception under Section 162(m) of the Code, made to any one individual in any one calendar year.

Eligibility

Awards may be granted under the 2009 Equity Incentive Compensation Plan to employees and officers of M&T Bank Corporation and its affiliates. As of February 27, 2009 there were approximately 13,607 officers and employees of M&T Bank Corporation and its affiliates potentially eligible to receive awards under the 2009 Equity Incentive Compensation Plan. The selection of participants and the nature and size of awards is subject to the discretion of the Nomination, Compensation and Governance Committee.

Types of Awards

Awards granted under the 2009 Equity Incentive Compensation Plan may be in the form of stock options, restricted stock, restricted stock units, performance shares, performance units and incentive awards. The following is a brief description of the types of awards that may be granted under the 2009 Equity Incentive Compensation Plan:

Stock Options. Stock options may be nonqualified stock options or incentive stock options that comply with Code Section 422 that permit the recipient to purchase shares of Common Stock from M&T Bank Corporation. The option exercise price may not be less than 100% of the fair market value of a share on the date of grant (110% for any incentive stock option granted to a 10% owner). The 2009 Equity Incentive Compensation Plan limits the term of any stock option to ten years (five years in the case of any incentive stock option granted to a 10% owner) and prohibits options from being repriced (except in connection with an adjustment) without stockholder approval. The exercise price of a stock option may be paid in accordance with a method provided or permitted under the terms of the 2009 Equity Incentive Compensation Plan.

Restricted Stock. Restricted stock and restricted stock units may be subject to performance conditions and/or the continued service of the recipient. Except for these restrictions and any others imposed by the Nomination, Compensation and Governance Committee, upon the grant of restricted stock, the recipient will have rights of a stockholder with respect to the restricted stock, including the right to vote the restricted stock and to receive all dividends and other distributions paid or made with respect to the restricted stock.

Restricted Stock Units. Restricted stock units are awards denominated in Common Stock that will be settled, depending on the terms of the award, in cash or shares of Common Stock of M&T Bank Corporation. Restricted stock units are not shares of Common Stock and do not entitle the participant to rights as a stockholder although dividend equivalent payments may be made to a participant.

Table of Contents

Performance Shares/Performance Units. The Nomination, Compensation and Governance Committee may, in its discretion, award a fixed or variable number of performance shares or performance units that are earned by achievement of performance goals established by the Nomination, Compensation and Governance Committee. If the applicable performance criteria are met, the performance shares or performance units will be earned and become unrestricted or settled. The Nomination, Compensation and Governance Committee may provide that a certain percentage of the number of performance shares or performance units originally awarded may be earned based upon the attainment of the performance goals. During the applicable performance period for performance shares, the shares may be voted by the participant and, depending on the terms of the award as set by the Nomination, Compensation and Governance Committee at its discretion, the participant may be entitled to receive dividends with respect to the performance shares. Like restricted stock units, performance units are not actual shares of Common Stock but instead are awards that are denominated in shares of Common Stock.

Incentive Awards. Under an incentive award, the participant may receive a cash payment based on the achievement of performance goals established by the Nomination, Compensation and Governance Committee. The maximum amount any individual may be paid in respect of an incentive award for any calendar year is \$2 million.

Performance Awards. The Nomination, Compensation and Governance Committee may establish performance goals in connection with the grant of awards under the 2009 Equity Incentive Compensation Plan, including performance shares, performance units, restricted stock, restricted stock units and incentive awards, that are conditioned or subject to the satisfaction of performance goals. In the case of an award intended to qualify for the performance-based compensation exception of Section 162(m), the performance goals will be set by the Nomination, Compensation and Governance Committee in the manner prescribed by Section 162(m) and will be based on attainment of specific levels of performance of the company (or may be particular to a participant or the department, branch, subsidiary or line of business in which the participant works) with reference to one or more of the following criteria, and the outcome must be substantially uncertain at the time the committee establishes those performance goals: earnings, earnings growth, earnings per share, stock price (including growth measures and total stockholder return), improvement of financial ratings, internal rate of return, market share, cash flow, operating income, operating margin, net profit after tax, EBIT, EBITA, EBITDA, OBIT, OBITDA, gross profit, operating profit, cash generation, revenues, asset quality, return on equity, return on assets, return on operating assets, cost saving levels, efficiency ratio, net income, marketing-spending efficiency, core non-interest income, change in working capital, return on capital, or stockholder return. These performance goals may be measured for achievement or satisfaction during the performance period established by the Nomination, Compensation and Governance Committee and may be in absolute terms or measured against, or in relationship to, other companies comparably, similarly or otherwise situated or other external or internal measure and may be based on, or adjusted for, other objective goals, events, or occurrences established by the Nomination, Compensation and Governance Committee for a performance period. The Nomination, Compensation and Governance Committee may adjust performance goals to include or exclude extraordinary charges, losses from discontinued operations, restatements and accounting changes and other unplanned special charges.

Table of Contents

Effect of Change in Control. Unless otherwise provided by the Nomination, Compensation and Governance Committee in the agreement applicable to an award (including any amendment or modification thereof), upon a change in control of M&T Bank Corporation, all outstanding awards based on Common Stock that are not then exercisable and vested will immediately become fully exercisable and vested. In addition, all awards that are subject to performance goals will immediately be paid out in an amount based upon the extent, as determined by the Nomination, Compensation and Governance Committee, to which the performance goals for the performance period then in progress have been met up through the end of the month immediately preceding the date of the change in control. A change in control is defined in the 2009 Equity Incentive Compensation Plan, which is attached to this Proxy Statement as APPENDIX A, and is identical to the definition of change in control under the 2005 Equity Incentive Compensation Plan.

Capital Adjustments. In the event there is a change in the capital structure of M&T Bank Corporation as a result of any stock dividend or split, recapitalization, merger, consolidation or spin-off or other corporate change affecting the Common Stock, the number of shares of Common Stock authorized for issuance, available for issuance or covered by any outstanding award and the price per share of any such award, and the various limitations described above, will be proportionately adjusted.

Transferability of Awards. In general, except to the extent provided by the Nomination, Compensation and Governance Committee in the specific terms of an award or with respect to certain transfers of nonqualified stock options to certain family members for no value or other consideration, no award will be assignable or transferable except by will or by the laws of descent and distribution.

Term, Amendment and Termination

If approved by the stockholders, the 2009 Equity Incentive Compensation Plan will become effective as of the date of such approval and will remain in effect until all shares subject to it have been issued according to its provisions. However, no awards may be granted on or after the tenth anniversary of such date.

The Board of Directors may terminate the 2009 Equity Incentive Compensation Plan at any time and may amend it in any respect without stockholder approval, unless such approval is required by applicable law or regulations or the requirements of the New York Stock Exchange. In addition, no amendment may be adopted without stockholder approval if it would materially increase the benefits accruing to participants, to the extent it would materially increase the number of shares that may be issued under the 2009 Equity Incentive Compensation Plan, to the extent it would materially modify the requirements for participation in the 2009 Equity Incentive Compensation Plan, or to the extent it would accelerate the vesting of restricted stock or restricted stock units, except as otherwise provided in the 2009 Equity Incentive Compensation Plan.

Summary of Certain Federal Income Tax Consequences

The following is a summary of certain U.S. federal income tax consequences of certain awards made under the 2009 Equity Incentive Compensation Plan, based upon the federal income tax laws currently in effect. The discussion is general in nature and does not take into account a number of considerations which may apply in light of the individual circumstances of a participant under the 2009 Equity Incentive Compensation Plan. The income tax consequences under applicable state and local tax laws may not be the same as under U.S. federal income tax laws.

Table of Contents

Non-Qualified Stock Options. A participant will not recognize taxable income at the time of a grant of a nonqualified stock option and M&T Bank Corporation will not be entitled to a tax deduction at such time. A participant will recognize compensation taxable as ordinary income (and be subject to income tax withholding in respect of an employee) upon exercise of a nonqualified stock option equal to the excess of the fair market value of the shares purchased over their exercise price, and M&T Bank Corporation generally will be entitled to a corresponding deduction.

Incentive Stock Options. A participant will not recognize taxable income at the time of grant of an incentive stock option. A participant will not recognize taxable income (except for purposes of the alternative minimum tax) upon exercise of an incentive stock option. If the shares acquired by exercise of an incentive stock option are held for the longer of two years from the date the option was granted and one year from the date the shares were transferred, any gain or loss arising from a subsequent disposition of such shares will be taxed as a long-term capital gain or loss, and M&T Bank Corporation will not be entitled to any deduction. If, however, the shares are disposed of within such two- or one-year periods, then in the year of such disposition the participant will recognize compensation taxable as ordinary income equal to the excess of the lesser of the amount realized upon such disposition and the fair market value of such shares on the date of exercise over the exercise price, and M&T Bank Corporation generally will be entitled to a corresponding deduction. The excess of the amount realized through the disposition date over the fair market value of the shares on the exercise date will be treated as a capital gain.

Awards subject to Section 409A of the Code. Certain awards, particularly restricted stock units, may constitute a nonqualified deferred compensation plan within the meaning of Section 409A of the Code and be subject to the restrictions by that Code Section. Awards subject to Section 409A of the Code may be designed to provide for exercise, payment or settlement that are intended to comply with the requirements of Section 409A of the Code. The foregoing general tax discussion is solely intended for the information of stockholders considering how to vote with respect to this proposal and not as tax guidance to participants in the 2009 Equity Incentive Compensation Plan. Participants should consult their own tax advisors regarding the federal, state, local, foreign and other tax consequences to them of participating in the 2009 Equity Incentive Compensation Plan.

New Plan Benefits

The Nomination, Compensation and Governance Committee has not yet determined, and cannot now anticipate, what grants will be made under the 2009 Equity Incentive Compensation Plan if it is approved by stockholders.

Accordingly, the Nomination, Compensation and Governance Committee cannot determine the grants, if any, that it may, in its discretion, decide to make to executives under the 2009 Equity Incentive Compensation Plan in 2009 or thereafter. The closing price of shares of Common Stock of M&T Bank Corporation on the New York Stock Exchange on March 2, 2009 was \$34.95 per share.

Effect of the American Recovery and Reinvestment Act of 2009

The American Recovery and Reinvestment Act of 2009, enacted on February 17, 2009, directs the Treasury to adopt rules to implement compensation standards for CPP participants including a prohibition on incentive payments other than the award of restricted stock meeting certain conditions. As a result, it is likely that these new legislative and regulatory restrictions will preclude the grant of any stock options and impose limits on restricted stock awards to the Named Executive Officers and

Table of Contents

certain other highly compensated employees in the future until we are no longer subject to such restrictions. However, the Nomination, Compensation and Governance Committee may utilize stock options for long-term incentive purposes for other eligible participants in the 2009 Equity Incentive Compensation Plan.

ADVISORY (NON-BINDING) PROPOSAL TO APPROVE THE COMPENSATION OF M&T BANK CORPORATION'S NAMED EXECUTIVE OFFICERS

M&T Bank Corporation believes that our 2008 compensation policies and procedures are centered on a pay-for-performance culture and are strongly aligned with the long-term interests of our stockholders. These policies and procedures are described in detail on pages 22 to 31 of this proxy statement.

The American Recovery and Reinvestment Act of 2009, enacted on February 17, 2009, provides that all participants in the Troubled Asset Relief Program permit a non-binding shareholder vote to approve the compensation of the participant's executives. Therefore, the Board of Directors is providing our stockholders with the right to cast an advisory vote on the compensation of M&T Bank Corporation's Named Executive Officers at the 2009 Annual Meeting of Stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THIS RESOLUTION.

Table of Contents**PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSE-COOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF M&T BANK CORPORATION**

On February 16, 2009, the Audit and Risk Committee appointed PricewaterhouseCoopers LLP, certified public accountants, as the independent registered public accounting firm of M&T Bank Corporation for the year 2009, a capacity in which it has served since 1984.

Although stockholder approval of the appointment of the independent registered public accounting firm is not required by law, M&T Bank Corporation has determined that it is desirable to request that the stockholders ratify the Audit and Risk Committee's appointment of PricewaterhouseCoopers LLP as M&T Bank Corporation's independent registered public accounting firm for the year ending December 31, 2009. In the event the stockholders fail to ratify the appointment, the Audit and Risk Committee will reconsider this appointment and make such a determination as it believes to be in M&T Bank Corporation's and its stockholders' best interests. Even if the appointment is ratified, the Audit and Risk Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit and Risk Committee determines that such a change would be in M&T Bank Corporation's and its stockholders' best interests.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting of Stockholders. The representatives may, if they wish, make a statement and, it is expected, will be available to respond to appropriate questions.

Following is a summary of the fees billed to M&T Bank Corporation by Pricewaterhouse-Coopers LLP for professional services rendered during 2008 and 2007, which fees totaled \$2,280,480 and \$2,345,210 respectively, and are categorized in accordance with the SEC's rules on auditor independence as follows:

Audit Fees. Fees billed by PricewaterhouseCoopers LLP for services rendered for the audit of M&T Bank Corporation's annual consolidated financial statements as of and for the years ended December 31, 2008 and 2007, for its review of M&T Bank Corporation's quarterly consolidated financial statements during 2008 and 2007, and for other audit and attest services in connection with statutory and regulatory filings as of and for the years ended December 31, 2008 and 2007, totaled \$1,877,307 and \$1,878,450, respectively.

Audit-Related Fees. Fees billed by PricewaterhouseCoopers LLP for audit-related services, including audits of employee benefit plans and other attestation services that are not required by statute or regulation rendered to M&T Bank Corporation totaled \$236,800 and \$288,600 for the years ended December 31, 2008 and 2007, respectively. Of the audit-related fees billed for the years ended December 31, 2008 and 2007, all services were pre-approved by the Audit and Risk Committee.

Tax Fees. Fees billed by PricewaterhouseCoopers LLP for tax compliance, planning and consulting totaled \$160,500 and \$97,800 for the years ended December 31, 2008 and 2007, respectively. Of the tax fees billed for the years ended December 31, 2008 and 2007, all services were pre-approved by the Audit and Risk Committee.

All Other Fees. PricewaterhouseCoopers LLP billed a total of \$5,873 for the year ended December 31, 2008 primarily for research software licensing fees. Pricewaterhouse-Coopers LLP also billed \$80,360 for the year ended December 31, 2007 primarily for certain senior management training programs and for

Table of Contents

internal audit software licensing fees. All fees billed in this category for the years ended December 31, 2008 and 2007 were pre-approved by the Audit and Risk Committee.

The Audit and Risk Committee has determined that PricewaterhouseCoopers LLP's provision of professional services is compatible with maintaining its independence. No fees were billed and no services were provided by PricewaterhouseCoopers LLP during 2008 and 2007 for financial information systems design and implementation. No other fees were billed for any other services and no other services were provided by PricewaterhouseCoopers LLP for the years ended December 31, 2008 and 2007.

Policy on Audit and Risk Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm. Beginning for the year ended December 31, 2003, M&T Bank Corporation instituted a policy that the Audit and Risk Committee pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally detailed as to the particular service or category of services and is generally subject to a specific budget range. The independent registered public accounting firm and management are required to periodically report to the Audit and Risk Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval policy, and the fees for the services performed to date. The Audit and Risk Committee may also pre-approve additional services on a case-by-case basis. In the period between meetings of the Audit and Risk Committee, the Chair of the Audit and Risk Committee is authorized to pre-approve such services on behalf of the Audit and Risk Committee provided that such pre-approval is reported to the Audit and Risk Committee at its next regularly scheduled meeting. Before appointing PricewaterhouseCoopers LLP, the Audit and Risk Committee considered PricewaterhouseCoopers LLP's qualifications as an independent registered public accounting firm. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit and Risk Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that the auditor's independence will not be impaired. The Audit and Risk Committee has considered and determined that PricewaterhouseCoopers LLP's provision of non-audit services to M&T Bank Corporation during 2008 is compatible with and did not impair PricewaterhouseCoopers LLP's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF PRICEWATERHOUSE-COOPERS LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF M&T BANK CORPORATION FOR THE YEAR ENDING DECEMBER 31, 2009.

The voting requirements with respect to this proposal are specified under the caption VOTING RIGHTS.

Section 16(a) Beneficial Ownership Reporting Compliance. Under Section 16(a) of the Exchange Act, M&T Bank Corporation's directors and officers and persons who beneficially own more than 10% of the outstanding shares of Common Stock are required to report their beneficial ownership of the Common Stock and any changes in that beneficial ownership to the SEC and the New York Stock Exchange. M&T Bank Corporation believes that these filing requirements were satisfied by its directors and officers and by the beneficial owners of more than 10% of the outstanding shares of Common Stock during 2008, except for Ms. Bontempo, who had one late filing with respect to a single reportable transaction involving the gift of shares of Common Stock. In making the foregoing statement, M&T Bank Corporation has relied on copies of the reporting forms received by it or on the written representations from such reporting persons that no forms were required to be filed under the applicable rules of the SEC.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Overview of M&T Bank Corporation and 2008 Financial Performance. M&T is a bank holding company that offers a wide range of commercial banking, trust and investment services to its customers. As of December 31, 2008, M&T had consolidated total assets of \$65.8 billion, deposits of \$42.6 billion and stockholders' equity of \$6.8 billion, and employed 12,167 full-time and 1,453 part-time employees. M&T reported net income of \$556 million and earnings per common share of \$5.01 for the year ended December 31, 2008. Although these results represented a moderate decline from the prior year and reflect the fact that the Company is not immune to the current economic and credit cycles, and as discussed below, the Company's performance for 2008 was relatively strong when compared with our comparison group of other commercial banking companies.

Overview and Objectives of Executive Compensation Programs. The objective of M&T's compensation programs is to attract, develop and retain executive officers capable of maximizing performance for the benefit of the Company's stockholders. Our compensation philosophy is, and has long been, to emphasize long-term, equity-based compensation for its Named Executive Officers or NEOs and other employees. This philosophy allows M&T to align its compensation with performance in two ways:

first, by determining the amount and kind of equity awards to be granted to the Named Executive Officers based on the performance of the Company in the past; and

second, by ensuring that the Named Executive Officers realize compensation in the future on the equity awards based on the performance of the Company and in alignment with our stockholders.

As a result of this approach, management and other employees of the Company have accumulated a sizable ownership interest in the Company, which strengthens the alignment of these employees' incentives with those of the Company's stockholders.

Process for Determining Executive Compensation. The Nomination, Compensation and Governance Committee of our Board of Directors is responsible for determining the compensation of our Named Executive Officers. As discussed below, the committee reviews the compensation levels of the Named Executive Officers relative to a group of commercial banking peers and considers the financial performance of the Company relative to that peer group as well as certain other factors, including individual performance and the recommendation of management, in determining the amount and mix of compensation to be paid to each Named Executive Officer.

Compensation Review. At least annually, the committee compares compensation levels for the Named Executive Officers and M&T's financial performance to a group of commercial banking institutions of similar business makeup, size and geographic reach. For 2008, the committee determined it appropriate to use for this purpose the same group that the Company uses for financial performance comparison purposes. M&T selected the following 15 commercial banking companies, which group was determined by taking the 25 largest U.S. based bank holding companies by asset size as of December 31, 2007, removing the five largest, three that are primarily engaged in trust banking and have a dissimilar business mix and one that has a substantial international presence:

Effective December 31, 2008, National City Corporation was acquired by PNC Financial Services Group, Inc., which reduced the 2008 comparison group to 14 commercial banking companies.

Consistent with its philosophy of providing incentives that link compensation to firm performance, in determining the mix between annual cash incentives and stock-based compensation, the committee assesses the performance of each Named Executive Officer after the year is complete against management's annual business plan. The plan provides the committee with a detailed assessment of management's expectations for M&T's performance, including its return on assets, return on equity, earnings per share growth, expense management, revenue growth, market concentration, credit quality measures and various other financial performance measures. The committee assesses the performance of each executive in light of the business plan and the performance of the firms in the comparison group.

The committee considers a number of factors specific to each executive's role when determining the amount and mix of compensation to be paid. These factors are briefly summarized in the table below.

Role of Compensation Consultants. In 2008 and as it has for the past several years, the Nomination, Compensation and Governance Committee retained the services of Mercer to assist in the development of the comparison group and perform a review of the Named Executive Officers' compensation. Mercer's review included a review of the following components of NEO compensation:

base salaries;

annual incentives; and

long-term incentives, including stock-based compensation.

The review compared NEO compensation to the compensation disclosed in the 2008 proxy statements of the comparison group. The committee uses information about the comparison group to help assess the competitiveness of the Company's pay practices.

Components of Executive Compensation. Consistent with M&T's compensation philosophy of linking NEO incentives to those of shareholders, the committee tends to award more compensation in the form of equity versus cash relative to members of the comparison group. This philosophy also explains why M&T generally pays less in base salary (which is less sensitive to performance) than members of the comparison group.

In 2008, the base salaries and total cash compensation (base salary plus annual cash incentive), and total compensation (total cash compensation plus stock-based compensation or other long-term incentives) of the Named Executive Officers was below the median for comparable executives employed by the members of the comparison group. We provide a brief explanation of the factors used to determine each component of the Named Executive Officers' compensation in the sections that follow.

Salaries. Base salaries of the Named Executive Officers are determined by the committee based on a variety of factors, including the scope of the executive's responsibilities, base salaries of comparable executives employed by members of the comparison group, assessment of individual performance and expected future contributions. In line with the Company's strategy of emphasizing compensation that links executives' incentives to those of shareholders, particularly long-term stock-based compensation, salaries of the Named Executive Officers have generally been set below the median salaries for executives employed by firms in the comparison group.

2008 Salary Determinations. The committee made base salary determinations for 2008 for the Named Executive Officers in January 2008. Due to weak performance of the banking industry generally and of the Company relative to prior years and its business plan during 2007, the Nomination, Compensation and Governance Committee determined in January 2008 to keep base salaries flat for 2008 in the case of Messrs. Wilmers, Pinto and Czarnecki. Mr. Jones' base salary was increased \$15,000, or 5%, because his compensation is significantly below the median of the comparison group for his position as Chief Financial Officer. Mr. Pearson's base salary was increased \$15,000, or 4%, because his compensation is also significantly below the median of the comparison group for his position. Again, even after taking these increases into account, the base salaries for the Named Executive Officers were below the median for their counterparts in the comparison group.

Table of Contents

2009 Salary Determinations. The committee made base salary determinations for 2009 for the Named Executive Officers in January 2009. Similar to the prior year, the committee determined that due to weak performance of the banking industry generally and of the Company relative to prior years it would not increase base salaries for any of the Named Executive Officers, notwithstanding the fact that the committee determined that the Company's performance for 2008 was relatively strong when compared with the comparison group and viewed in light of the unprecedented nature of the current financial crisis.

Incentive Compensation. Consistent with the objective of linking compensation to M&T's performance for the benefit of the Company's stockholders, in determining annual cash incentive and equity awards, the committee assesses the following factors, without assigning any particular weighting to any single factor:

the Company's current and past performance compared to its business plans and other qualitative and quantitative factors;

the Company's performance compared to the comparison group;

the Named Executive Officer's individual performance, as discussed below;

the Named Executive Officer's past compensation;

the period during which a Named Executive Officer has been in a key position with the Company;

with respect to equity awards, dilution and the market value of the Common Stock;

Compensation information with respect to the comparison group; and

the Company's future prospects.

Annual Cash Incentives. The Named Executive Officers participate in the M&T Bank Corporation Annual Executive Incentive Plan. The plan provides for discretionary grants of cash awards to the Named Executive Officers as determined by the committee.

When determining the amount of the incentive award to grant to each Named Executive Officer, the committee considers the following factors:

The performance of M&T, including among other factors a formula for establishing a bonus pool based on a percentage of the prior year's operating earnings and a percentage of the increase of operating earnings, if any, over the prior year, which is used as a starting point for discussion purposes;

The recommendations of management, with input from Human Resources, on the total size of the bonus pool to be allocated to all participating employees;

The amount of the bonus pool for the prior year;

The performance of M&T relative to the prior year; and

The performance of M&T in the current year relative to its business plan and the comparison group.

Following the end of the fiscal year, the committee approves the allocation of awards to individual Named Executive Officers. The Chief Executive Officer recommends the size of the awards for each of the other Named Executive Officers after meeting with the committee and discussing the performance of each executive.

2008 Annual Cash Incentives. Annual cash incentives were awarded in 2009 to each of the Named Executive Officers, other than Mr. Wilmers, with respect to performance in 2008 as shown in the Summary Compensation Table. Although the committee proposed to award an annual cash incentive to Mr. Wilmers, he declined the award. In addition to the factors described above, the committee considered the following factors specific to

Table of Contents

M&T's performance in 2008 when determining the amount of each incentive:

worsening credit conditions contributed to higher net charge-offs, delinquencies, nonperforming loans and write-downs on mortgage-backed investment securities at M&T and throughout the banking industry;

net operating earnings declined for the second consecutive year, but M&T still reported a profit of \$556 million for 2008;

M&T's performance in 2008 was above the median of the comparison group for most financial measures and was in the top quartile for earnings per share growth and key credit quality measures;

M&T continued to manage expenses to maintain an expense efficiency ratio that outperformed the median ratio of the comparison group; and

while M&T's tangible capital generation rate declined, it remained a relatively strong 9.5% as it was seventeen percentage points greater than the median rate of the comparison group.

In making its decision in January 2009 to award annual cash incentives for 2008 to the Named Executive Officers that were equal to the annual cash incentive awarded with respect to 2007 (including the proposed award to Mr. Wilmers), the committee took into consideration the fact that the Company remained solidly profitable through a very difficult period of time for the U.S. economy while many of the banks in the comparison group experienced losses or significantly reduced levels of profitability. Additionally, the committee considered its decision in January 2008 to reduce the 2007 cash bonuses for Messrs. Wilmers, Czarnecki and Pinto by 50% compared to the 2006 performance year, and to reduce the 2007 cash bonuses for Messrs. Jones and Pearson by 15% compared to the 2006 performance year, and the fact that the total cash compensation for all of the Named Executive Officers has historically been below the median of the comparison group. The incentive awards, in combination with base salaries as of December 31, 2008, resulted in total cash compensation for all of the Named Executive Officers below the median of the comparison group based on information in the 2008 proxy statements of the group.

Consistent with M&T's compensation philosophy, incentive awards granted in respect of 2008 were composed principally of equity awards designed to link the compensation of the Named Executive Officers with our performance. Those awards are discussed in greater detail in the following section.

Equity Based Incentives. Consistent with its philosophy of linking compensation to M&T's performance for the benefit of the Company's stockholders, M&T provides long-term incentive opportunities to its executive officers through discretionary grants of stock-based compensation under the 2005 Incentive Compensation Plan. The committee determines the dollar value of equity awards to be made to the Named Executive Officers at its meeting in January of each year. The equity awards are then granted on the last business day of January following the meeting of the Nomination, Compensation and Governance Committee. In making grants of equity awards, the committee assesses the same factors that it uses in setting annual cash incentives, which are described under "Annual Cash Incentives" above, except that it generally considers such factors over a three-year period or longer.

Stock Options. Management and the committee have believed that stock options are an effective long-term incentive because the holder can profit only if the value of M&T common stock increases. In addition, the Company has historically utilized incentive stock options that comply with Section 422 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), to the

Table of Contents

maximum extent permitted. Incentive stock options provide potential tax advantages to the Named Executive Officers, compared to non-qualified options, if the shares of stock acquired upon exercise of incentive stock options are held for at least the period required by the Internal Revenue Code. The committee has concluded that the tax advantages available with incentive stock options increases the likelihood that a Named Executive Officer will hold the stock received upon exercise of a stock option.

Restricted Stock and Restricted Stock Units. Management and the committee believe that restricted stock and restricted stock units also provide some degree of an effective long-term incentive because although there is value in an award upon vesting even if the stock price has not increased since grant, the value of the award can be further enhanced if the value of M&T common stock increases. The restrictions on awards of restricted stock or restricted stock units will lapse based on the same service-based vesting schedule used for stock options. The restricted stock will receive dividends if and when dividends are paid on M&T common stock and will have voting rights during the restricted period. The restricted stock units will receive dividend equivalent payments if and when dividends are paid on M&T common stock but they do not have voting rights during the restricted period. Beginning in 2009, for tax reasons, restricted stock units are being used by the committee as a substitute for awards of restricted stock to Company employees who are eligible for retirement under the Pension Plan.

Executive Officers' Choice of Options or Restricted Stock. In 2006, the committee determined that the overall value of the Company's compensation program would be enhanced if executive officers were given a choice between awards of stock options and restricted stock, because each executive officer then has some ability to design a compensation program that has the most appeal to him or her. Consequently, for the awards granted in January 2008, during October 2007, the Company provided its executive officers a choice between receiving any award that may be made to them wholly in the form of stock options or to receive up to 50% of the value of the award in the form of restricted stock with the balance in the form of stock options. As discussed below, executive officers were not provided the opportunity to make such a choice for any award that was made to them in January 2009.

2008 Equity Awards. The committee granted equity awards for 2008 to the Named Executive Officers in January 2008 based on the assessment criteria discussed above. This assessment showed that generally M&T had performed above the median of the comparison group over three-year and longer periods. As a result, because the committee considers equity awards a long-term award that should be based more on the long-term performance of the Company, the equity awards for 2008 were unchanged from the 2007 equity awards. These awards, in combination with base salaries as of December 31, 2007, and the annual cash incentives awarded for 2007, resulted in total compensation for all of the Named Executive Officers in 2008 that was below the median of the comparison group. While the Company does place more weight on equity compensation in the total compensation of its Named Executive Officers than the comparison group, equity awards for each of the Named Executive Officers in 2008 were below the median of the comparison group for long-term incentive awards. For 2008 (and in each year since 2003), Mr. Wilmers declined to be considered for any equity awards because he owns a significant amount of equity and believed that he had been fairly compensated due to the long-term performance of the Company's stock. Mr. Wilmers believes that equity is a scarce resource with an associated expense to the Company, and reflecting his commitment to employee equity ownership, he informed the

Table of Contents

committee that he did not believe he needed an equity award and that equity could be used elsewhere in the Company to further the Company's stock ownership objectives. In deciding to honor Mr. Wilmers' request, the Nomination, Compensation and Governance Committee determined that his interests were already sufficiently aligned with those of the Company's stockholders. The Committee's determination did not involve any consideration of the total mix of Mr. Wilmers' compensation and no changes were made to the amount of other compensation or benefits that Mr. Wilmers was entitled to as a result of his voluntary waiver of consideration for stock awards. None of the Named Executive Officers elected to receive restricted stock in 2008.

2009 Equity Awards. The Nomination, Compensation and Governance Committee determined the dollar value of equity awards to be made to the Named Executive Officers for 2009 at its January 2009 meeting. As in years past, the Nomination, Compensation and Governance Committee based its equity awards on the criteria discussed above. This assessment showed that generally M&T had performed above the median of the comparison group over three-year and longer periods and had performed in the top quartile of the group on some financial measures such as earnings per share growth. As a result, because the Nomination, Compensation and Governance Committee considers equity awards a long-term award that should be based more on the long-term performance of the Company, the equity awards for 2009 were unchanged from the 2008 equity awards, except as discussed below for Mr. Wilmers. Due to the fact that the Company's stock price had fallen dramatically during 2008 and the resulting impact such a decrease would have on the number of shares that would be issued under the 2005 Incentive Compensation Plan if stock options were granted, the committee decided to only grant restricted stock or restricted stock units in 2009 to eligible employees, including the Named Executive Officers, which significantly reduced the number of shares awarded. It was the sense of the committee that an equity award to Mr. Wilmers in 2009 was warranted in view of the fact that the Company has continued to be profitable despite the very difficult operating environment and to provide Mr. Wilmers with an additional incentive to continue his leadership of the Company. Consistent with his position since 2003 that he not receive any equity awards, Mr. Wilmers did not request that he be considered for an equity award in 2009. The committee nonetheless felt strongly that an equity award was deserved and was an appropriate retention tool. In order to ensure that the award served as a retention tool, the terms of Mr. Wilmers' restricted stock unit award were modified so that standard retirement vesting provisions are inapplicable until January 30, 2011. While the equity award for Mr. Wilmers increases his total compensation, such compensation remains below the median of chief executive officers in the comparison group. In addition, when combining the equity awards of the other Named Executive Officers with the base salaries and cash incentives, the total compensation for all of the other Named Executive Officers was below the median of the comparison group based on information in the 2008 proxy statements of the group.

Summary of 2009 Executive Compensation Determinations. The supplemental table below shows the mix of annual base salary, annual cash incentives and equity awards approved by the committee for each of the Named Executive Officers in January 2009.

Table of Contents

Named Executive Officer	2009 Salary	Bonus Paid in	Grant Date Fair
		2009 for 2008	Value of Stock
		Performance	Awards in 2009
Robert G. Wilmers	\$650,000	\$ 0	\$ 2,000,013
René F. Jones	\$300,000	\$ 235,000	\$ 600,031
Michael P. Pinto	\$550,000	\$ 225,000	\$ 1,500,019
Mark J. Czarnecki	\$550,000	\$ 225,000	\$ 1,500,019
Kevin Pearson	\$365,000	\$ 300,000	\$ 800,029

Perquisites and Other Personal Benefits. Generally, the Company provides limited perquisites designed to assist a Named Executive Officer in being productive and which management and the committee believe are consistent with our overall compensation program. In light of these considerations, the committee has approved the payment of certain living expenses of Mr. Wilmers for one of the two cities in which we require him to work. Given the importance of developing business relationships to our success, our Named Executive Officers are also reimbursed for initiation fees and dues they incur for club memberships deemed necessary for business purposes.

Retirement and Other Benefits. The Company maintains two tax-qualified retirement plans for its employees, one a defined benefit plan and the other a defined contribution plan. Each of the named Executive Officers participates in the defined benefit plan, except for Mr. Jones, who elected to have his benefit under the defined benefit plan frozen as of December 31, 2005 and to earn future benefits under the defined contribution plan. Mr. Jones made his election pursuant a one-time election that was offered to all participants in the defined benefit plan in late 2005 to remain in the defined benefit plan and earn future benefits under a new reduced benefit formula or to retain the frozen benefit in the defined benefit plan and earn future benefits under a new defined contribution plan beginning January 1, 2006.

In addition, M&T maintains nonqualified defined benefit and defined contribution retirement plans to supplement retirement benefits for the Named Executive Officers, although these plans only provide benefits on compensation up to \$350,000. The non-qualified plans are not funded, except as benefits are actually paid to executive officers.

Additional information regarding these retirement plans and arrangements is provided in this Proxy Statement in the sections below entitled 2008 Pension Benefits and 2008 Nonqualified Deferred Compensation.

M&T does not believe it is appropriate to provide the Named Executive Officers with severance packages beyond what is provided to employees of M&T generally. Consequently, the Named Executive Officers participate in the M&T Bank Corporation Severance Pay Plan. Upon a Qualifying Event (defined in the plan as any permanent, involuntary termination of a participant's active employment as a result of a reduction in force, restructuring, outsourcing or elimination of position), each Named Executive Officer will be entitled to:

the continuation of his base pay for at least 52 weeks, but in no event more than 104 weeks as determined at the time of the Qualifying Event; and

the continuation of certain benefits during the period in which severance payments are made, including, but not limited to medical, dental and vision insurance, life insurance and flex spending accounts.

Other than benefits that are generally available to employees, M&T typically does not maintain any individual severance or change-of-control arrangements and has none at this

Table of Contents

time. M&T's compensation plans do not contain payments or benefits to Named Executive Officers that are specifically triggered by a change-of-control, except that the Company's various stock-based compensation plans provide that, upon a change-of-control, all employees, including the Named Executive Officers, would become fully vested in any outstanding awards that were not already vested. M&T has elected to provide such acceleration because of a belief that the principal purpose of providing executive officers with equity incentives is to align their interests with those of M&T's stockholders and that this alignment should be enhanced, not weakened, in the context of a change-of-control.

Tax Matters. Section 162(m) of the Internal Revenue Code generally denies a deduction to any publicly held corporation for compensation paid to its chief executive officer and its four other highest-paid executive officers to the extent that any such individual's compensation exceeds \$1 million, subject to certain exceptions, including one for performance-based compensation. Generally, the committee seeks to maximize executive compensation deductions for federal income tax purposes. However, the discretionary nature of the Company's cash incentive awards may result in an amount of compensation not being deductible under Section 162(m) of the Internal Revenue Code. Management and the committee believe that there may be circumstances in which the provision of compensation that is not fully deductible but provides a stronger alignment of awards with performance achieved through a discretionary process warrants the lost deduction. The committee believes that the compensation awarded to M&T's executive officers with respect to the 2008 performance year would have been deductible under Section 162(m), but notes that due to M&T's participation in the TARP Capital Purchase Plan (described in greater detail in the section below entitled "Implications of Participation in the TARP Capital Purchase Program for Executive Compensation Arrangements") a portion of the compensation attributable to the 2008 services of the executive officers who are CEOs (as described below) will be nondeductible under Section 162(m) of the Internal Revenue Code.

Implications of Participation in the Troubled Asset Relief Program Capital Purchase Program on Executive Compensation Arrangements. Pursuant to the TARP Capital Purchase Program (sometimes referred to as the CPP) Securities Purchase Agreement entered into by M&T Bank Corporation on December 23, 2008, during the period that Treasury holds equity or debt securities of M&T Bank Corporation, the compensation of our chief executive officer, chief financial officer and three other most highly compensated executive officers (the "CEOs"), will be subject to the following:

a clawback of any bonus or incentive compensation paid based on financial statements or other criteria that prove to be materially inaccurate;

a limitation on the value of the payments and benefits to which the executive would otherwise be entitled upon an involuntary termination of employment of 2.99 times the executive's average annual taxable compensation for the five years prior to the involuntary termination; and

a waiver of incentive compensation pursuant to arrangements that are determined by the Nominating, Compensation and Governance Committee to encourage our CEOs to take unnecessary and excessive risks that threaten the value of M&T.

With respect to the application of the CPP provisions described above, the CEOs for a year are the named executive officers who are identified in our annual proxy statement for that year (reporting the executive's compensation for the immediately preceding

Table of Contents

year). This means that with respect to 2008, each of Messrs. Wilmers, Jones, Czarnecki and Pinto, as well as Brian E. Hickey, were our SEOs and that with respect to 2009, each of Messrs. Wilmers, Jones, Czarnecki, Pinto and Pearson are our SEOs.

Additionally, due to our participation in the CPP, the amount that we are able to deduct under Section 162(m) of the Internal Revenue Code has been reduced from \$1 million to \$500,000, and we are unable to deduct compensation under the performance-based compensation exception of Section 162(m). Accordingly, the maximum deduction that we can take for compensation attributable to the services of our SEOs during the period the Treasury holds equity or debt securities of M&T is \$500,000 per SEO. Due to the elimination of the performance-based exception for institutions participating in the CPP, the compensation received by the SEOs, including upon the exercise of stock options and vesting of other equity-based awards, attributable to services during the CPP participation period will no longer be deductible. For purposes of the Section 162(m) deduction limitation imposed under the CPP, our SEOs are determined based on our annual proxy statement for the year following the year in which the limitation on the tax deduction applies. This means that with respect to the deductibility of compensation attributable to services in 2008, each of Messrs. Wilmers, Jones, Czarnecki, Pinto and Pearson are our SEOs. The amount of compensation attributable to services of our SEOs in respect of 2008 that will be nondeductible under Section 162(m) of the Internal Revenue Code by reason of our participation in the CPP should be de minimus since the Treasury only held equity or debt securities of M&T for nine days. In addition, the compensation payable with respect to such period will be non-deductible regardless of whether the executives otherwise cease to be covered executives under Section 162(m). Participation in the CPP also required that the committee, in conjunction with the Company's senior risk officer, take certain steps in an effort to ensure compliance with the prohibition on SEO incentive compensation arrangements that involve excessive risk taking in the Emergency Economic Stabilization Act of 2008. As such, the committee and the Company's senior risk officer have met to discuss and review the relationship between our risk management policies and practices and SEO incentive compensation arrangements. This meeting included a discussion of the design of our SEO incentive compensation arrangements and a presentation by the senior risk officer detailing the material sources of risk in our business lines and an explanation of our risk management policies. Within this framework, a variety of topics were discussed, including:

- the parameters of acceptable and excessive risk taking in light of a number of considerations, including the understanding that some risk taking is an inherent part of the operations of a financial institution;

- the other controls that M&T has established (other than reviews of the Company's compensation practices) that limit undesirable risk taking; and

- the general business goals and concerns of the Company, ranging from growth and profitability to the need to attract, retain and incentivize top tier talent.

As a result of this review and discussion, it was determined by the committee that the design and goals of the existing SEO incentive compensation arrangements does not create an incentive for SEOs to engage in unnecessary and excessive risk taking. The committee believes that the discretionary nature of its decision-making process in determining the amount of any incentive compensation awards based upon its after-the-fact assessment of a variety of financial and other performance factors serves to mitigate the potential for excessive risk taking.

NOMINATION, COMPENSATION AND GOVERNANCE COMMITTEE REPORT

The Nomination, Compensation and Governance Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of SEC Regulation S-K with management and, based on such review and discussions, the Nomination, Compensation and Governance Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

The Nomination, Compensation and Governance Committee certifies that it has reviewed with M&T Bank Corporation's senior risk officer the CEO incentive compensation arrangements and has made reasonable efforts to ensure that such arrangements do not encourage CEOs to take unnecessary and excessive risks that threaten the value of M&T Bank Corporation.

This report was adopted on February 12, 2009 by the Nomination, Compensation and Governance Committee of the Board of Directors:

Jorge G. Pereira, Chairman

Brent D. Baird

Robert T. Brady

Michael D. Buckley

EFFECT OF THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

The Compensation Discussion and Analysis set forth above was prepared based upon the various rules, regulations and laws applicable to M&T Bank Corporation as of February 12, 2009, the date of the adoption of the Nomination, Compensation and Governance Committee Report. Subsequent to the adoption of the Nomination, Compensation and Governance Committee Report, the American Recovery and Reinvestment Act of 2009 was enacted on February 17, 2009. The American Recovery and Reinvestment Act of 2009 contains expansive new restrictions on executive compensation for financial institutions participating in the CPP, including M&T Bank Corporation, and directs the Treasury to adopt rules implementing such restrictions. These new legislative and regulatory restrictions may impact the executive compensation decisions made by the Nomination, Compensation and Governance Committee going forward until we are no longer subject to such restrictions.

(1) The assumptions used to calculate the present value of accumulated benefits are the same as those used under Statement of Financial Accounting Standards No. 87, Employers Accounting for Pensions, as of December 31, 2008, assuming that all Named Executive Officers continue to work until their normal retirement age, or their current

age, if later, and no pre-retirement decrements are assumed. The present value of accrued benefits as of December 31, 2008 is calculated assuming the executive commences his accrued benefit earned through December 31, 2008 at normal retirement age, or his current age, if earlier. For the December 31, 2008 calculation, the mortality assumption beginning at normal retirement age is based on the RP-2000 combined healthy mortality table and the discount rate assumption is 6.0%. Normal retirement age is assumed to be age 65 for purposes of the Qualified Pension Plan and the Supplemental Pension Plan for the Named Executive Officers except for

Mr. Wilmers.
Mr. Wilmers
normal
retirement age is
considered to be
age 74, his
current age.

- (2) The Qualified Pension Plan provides tax-qualified pension benefits for a broad base of M&T Bank Corporation's employees. Effective January 1, 2006, the formula used to calculate benefits under the Qualified Pension Plan and the Supplemental Pension Plan was modified with respect to benefits earned after 2005. Benefits accrued under the prior formula as of December 31, 2005 were frozen and all Qualified Pension Plan participants, including each Named Executive Officer, were given a one-time election to remain in the Qualified Pension Plan and earn future

benefits under a new reduced pension benefit formula, or to retain the frozen benefit in the Qualified Pension Plan and earn future benefits under a new defined contribution program, the Retirement Accumulation Account, in which qualifying participants are credited a percentage of total pay based on length of service. Under the new formula, each participant's retirement benefit equals the sum of (a) the participant's accrued benefit as of December 31, 2005 and (b) the product of (i) the number of years of credited service beginning on January 1, 2006 and (ii) the sum of (A) 1% of compensation for the plan year plus (B) 0.35% of compensation for the plan year in excess of 50% of that

year's Social Security wage base.

Messrs. Pinto, Czarnecki, Pearson and Wilmers elected to remain in the Qualified Pension Plan for periods on and after January 1, 2006. Mr. Jones has an accrued benefit under the Qualified Pension Plan as of December 31, 2005, but has ceased to earn any benefit accrual service and any further benefit under the Qualified Pension Plan as of January 1, 2006.

- (3) The years of credited service for all of the Named Executive Officers are based only on their service while eligible for participation in the Qualified Pension Plan or the prior pension plan of an

Table of Contents

acquired bank.
Generally, a participant must be paid for at least 1,000 hours of work during a plan year to be credited with a year of service for purposes of the Qualified Pension Plan.

- (4) As described in footnote 2 above, effective January 1, 2006, the formula used to calculate benefits under the Qualified Pension Plan and the Supplemental Pension Plan was modified with respect to benefits earned after 2005, and participants were given the opportunity to elect whether to continue participation in the Qualified Pension Plan and the Supplemental Pension Plan. Of the Named Executive Officers, Messrs. Pinto, Czarnecki, Pearson and Wilmers elected to continue to

participate in the revised Qualified Pension Plan and, as such, they continue to be participants in the Supplemental Pension Plan. Mr. Jones elected to discontinue his future participation in the Qualified Pension Plan and Supplemental Pension Plan, choosing instead to participate in the qualified Retirement Accumulation Account effective January 1, 2006. M&T Bank Corporation maintains a defined contribution nonqualified Retirement Accumulation Account that is designed to provide participants with contributions that cannot be provided under the qualified Retirement Accumulation Account because of applicable federal income tax limits. As

under the Supplemental Pension Plan, creditable compensation under the Supplemental RAA is also limited to \$350,000. Mr. Jones participated in the Supplemental RAA in 2008 and was credited with a contribution for 2008 as reported below under the discussion of 2008 Nonqualified Deferred Compensation Plans.

Explanation of Pension Benefits Table. The Pension Benefits Table indicates, for each of the Qualified Pension Plan and the Supplemental Pension Plan, the Named Executive Officer's number of years of credited service, present value of accumulated benefit and any payments made during the year ended December 31, 2008.

The amounts indicated in the column entitled "Present Value of Accumulated Benefit" represent the lump-sum value as of December 31, 2008 of the annual benefit that was earned by the Named Executive Officers as of December 31, 2008, assuming payment begins at each executive's normal retirement age, or their current age, if later. The normal retirement age is defined as age 65 in the Qualified Pension Plan and the Supplemental Pension Plan. Certain assumptions were used to determine the present value of accumulated benefits payable at normal retirement age. Those assumptions are described in the footnote to the Pension Benefits Table. Certain material terms of each of the Qualified Pension Plan and the Supplemental Pension Plan are summarized in the footnotes to the Pension Benefits Table and in the narrative below.

Qualified Pension Plan. Benefits under the Qualified Pension Plan are paid over the lifetime of the Named Executive Officer or the lifetimes of the Named Executive Officer and a beneficiary, as elected by the Named Executive Officer. If the Named Executive Officer is married on the date payments are to begin under the Qualified Pension Plan, payment will be in the form of a joint and 50% survivor annuity with the spouse as beneficiary unless the Named Executive Officer elects another form of payment with the consent of the spouse. If benefits are paid in a form in which a benefit is to be paid to a beneficiary after the death of the Named Executive Officer, benefits are reduced from the amount payable as a lifetime benefit solely to the Named Executive Officer in accordance with the actuarial factors that apply to all participants in the Qualified Pension Plan. A participant's benefit under the Qualified Pension Plan is generally payable as an annuity with monthly benefit payments unless the present value of the normal retirement benefit is less than \$5,000. Benefits under the Qualified Pension Plan are funded by an irrevocable, tax-exempt trust. The Qualified Pension Plan benefits of all participants, including those benefits of Named Executive

Table of Contents

Officers, are payable from the assets held by the tax-exempt trust.

Creditable compensation under the Qualified Pension Plan generally includes the compensation reported on Form W-2 in the box for wages, tips and other compensation plus pre-tax salary reduction contributions under the Retirement Savings Plan and the M&T Bank Corporation Flexible Benefits Plan. In calculating a participant's benefit, annual compensation in excess of a limit set annually by the Secretary of the Treasury may not be considered.

A participant is eligible for early retirement under the Qualified Pension Plan if the participant retires before normal retirement age but after attaining age 55 and completing 10 years of service. An early retirement benefit is reduced 4% per year for each year that the benefit commences prior to normal retirement age. At December 31, 2008, Messrs. Pinto, Czarnecki, Jones and Pearson were not eligible for early retirement.

Benefits under the Qualified Pension Plan are 100% vested after an employee has completed at least five years of service, and each Named Executive Officer is 100% vested in his benefits in the Qualified Pension Plan.

Supplemental Pension Plan. The Supplemental Pension Plan provides a benefit that is equal to the difference between the pension benefit that would be provided under the Qualified Pension Plan if that plan were not subject to certain limits imposed by the federal income tax code, and the benefit actually provided under the Qualified Pension Plan. Creditable compensation that may be considered under the Supplemental Pension Plan formula is limited to \$350,000.

Generally, benefits under the Supplemental Pension Plan are paid over the lifetime of the Named Executive Officer or the lifetimes of the Named Executive Officer and a beneficiary, as elected by the Named Executive Officer. The Supplemental Pension Plan does allow a Named Executive Officer to elect to receive the benefit due under the plan in the form of a one-time lump sum payment. If benefits are paid as a lump sum payment, benefits are adjusted from the amount payable as a lifetime benefit solely to the Named Executive Officer in accordance with the actuarial factors that apply to all participants in the Qualified Pension Plan.

The pension benefit under the Supplemental Pension Plan is reduced in the same manner as under the Qualified Pension Plan if it begins to be paid before normal retirement age and continues to accrue in the same manner as under the Qualified Pension Plan if it begins to be paid after the normal retirement age.

Service is determined under the Supplemental Pension Plan in the same manner as under the Qualified Pension Plan, as described above. The vesting schedule in the Supplemental Pension Plan is the same as in the Qualified Pension Plan and all of the Named Executive Officers are 100% vested in their benefits in the Supplemental Pension Plan.

Overview of Nonqualified Deferred Compensation Plans. M&T Bank Corporation maintains two Nonqualified Deferred Compensation Plans: the Supplemental Retirement Savings Plan and the Deferred Bonus Plan. The Supplemental Retirement Savings Plan consists of two parts: a Supplemental 401(k) Plan and a Supplemental Retirement Accumulation Account Plan. Each portion of the Supplemental Retirement Savings Plan mirrors the provisions of applicable the tax-qualified defined contribution plan we maintain (each of which is described above in the section entitled, *Explanation of Pension Benefits Table*), and provides unfunded, non-qualified benefits to select management based on a maximum creditable compensation level of \$350,000.

The Deferred Bonus Plan allows select members of management and highly compensated employees of M&T Bank Corporation to defer all or a portion of an annual bonus they receive under an M&T Bank Corporation bonus or incentive plan.

Supplemental Retirement Savings Plan Supplemental 401(k) Plan. The Supplemental 401(k) Plan provides unfunded, non-qualified benefits to select members of management and highly compensated employees of M&T Bank Corporation. All of the Named Executive Officers participate in the Supplemental 401(k) Plan.

For a given year, a participant may elect to contribute up to 50% of creditable plan compensation and the participant must elect the contribution percentage before the beginning of the year. A participant who contributes to our supplemental 401(k) plan for a given year is credited with a matching employer contribution under the Supplemental 401(k) Plan determined under the same matching formula as in the qualified 401(k) plan, which generally provides for a match equal to 100% of contributions that do not exceed 3% of the participant's compensation plus 50% of the contributions that exceed 3% but not 6% of the participant's compensation. Creditable compensation under the Supplemental 401(k) plan is defined in the same way as under the Qualified Pension Plan, but it also includes amounts deferred by participants under the Supplemental 401(k) Plan and the Deferred Bonus Plan. The maximum creditable compensation for the plan in any year is \$350,000. In 2008, each of the Named Executive Officers elected to contribute the maximum allowable employee contributions to the plan.

A participant is 100% immediately vested in both his or her own contributions and the employer matching contributions and all earnings on both types of contributions under the Supplemental 401(k) Plan. The plan provides that a participant may elect to receive benefits at a specified age or date, upon separation from service, at death or disability, or at the earliest of these events. A participant may elect to receive benefits in the form of a single lump sum or in annual installments payable over 5 or 10 years. Elections are made with respect to each year's contribution to the Supplemental 401(k) Plan prior to the beginning of each year. All payments from the Supplemental 401(k) Plan are made in the form of cash.

Historically, M&T Bank Corporation has not credited service in the Supplemental 401(k) Plan beyond the actual number of years an employee has been employed by M&T Bank Corporation or an acquired bank.

Supplemental Retirement Savings Plan Supplemental Retirement Account Plan. The Supplemental Retirement Accumulation Account portion of the Supplemental Retirement Savings Plan is designed to provide participants with benefits that cannot be provided under our qualified plans as a result of limitations imposed by the federal income

tax code. Mr. Jones is the only Named Executive Officer who participates in the Supplemental RAA. For a given year, the Supplemental RAA credits a contribution on behalf of a participant that is equal to the difference between (1) the contribution that would be provided on Plan Compensation under the Qualified RAA if the IRS Compensation Limit did not exist up to the Supplemental RSP Plan compensation limit of \$350,000, and (2) the contribution actually provided under the RAA. Mr. Jones was credited with \$5,100 for the 2008 plan year. The book reserve accounts attributable to Supplemental RAA contributions are subject to the same vesting schedule as the accounts in the Qualified RAA, and Mr. Jones is fully vested in his Supplemental RAA account. Supplemental RAA benefits are payable at the same time and form as under the Supplemental 401(k) Plan.

Historically, M&T Bank Corporation has not credited service in the Supplemental Retirement Accumulation Account beyond the actual number of years an employee is employed by M&T Bank Corporation or an acquired bank.

Deferred Bonus Plan. The Deferred Bonus Plan allows select members of management and highly compensated employees of M&T Bank Corporation to defer all or a portion of an annual bonus award to which they may be entitled under an M&T Bank Corporation bonus or incentive plan. No Named Executive Officer deferred any amounts in the Deferred Bonus Plan in 2008, although Messrs. Jones and Pinto have accounts in the Deferred Bonus Plan as of December 31, 2008 resulting from prior years' deferrals.

Under the Deferred Bonus Plan, an eligible employee may elect to defer a specific percentage or a dollar amount of the award, with a minimum deferral of \$10,000. A participant elects to defer the elected amount for a specific number of years between 5 and 20 and elects to receive the deferred account balance in a single lump sum or in annual installments over 5 or 10 years. If the participant's employment ends prior to the time all deferrals have been distributed, the deferral period ends and payments commence in the form elected. Participants are always 100% vested in their deferred account balance.

Potential Payments Upon Termination or Change in Control. The following table indicates the potential post-employment payments and benefits for the Named Executive Officers in the event that either of the following had occurred on December 31, 2008: (i) an involuntary termination or (ii) a change in control event accompanied by an involuntary termination of employment.

Post-Employment Benefits (1)

Kevin J. Pearson	600,000	7,877	0	607,877

(1) In the event of an involuntary termination of employment, Named Executive Officers are entitled to the accelerated vesting of equity awards only if such involuntary termination is preceded by a change in control event.

(2) As of December 31, 2008, all unvested stock options for the Named Executive Officers were out-of-the-money.

Severance Pay Plan. M&T Bank Corporation maintains a Severance Pay Plan that provides eligible employees with post-employment severance payments and the continuation of certain employee benefits when a Qualifying Event (defined as any permanent, involuntary termination of a participant's active employment as a result of a reduction in force, restructuring, outsourcing or elimination of position) occurs. Each Named Executive Officer participates in the plan. Upon the occurrence of a Qualifying Event, each Named Executive Officer will be entitled to: the continuation of his base pay for at least 52 weeks, but in no event more than 104 weeks as determined at the time of the Qualifying Event; and

the continuation of certain benefits during the period in which severance payments are made, including, but not limited to medical, dental and vision insurance, life insurance and flex spending accounts.

In connection with the TARP CPP Securities Purchase Agreement entered into by M&T Bank Corporation on December 23, 2008, the SEOs entered into waivers and consents under which each SEO agreed that the aggregate value of the severance payments and benefits that he could receive in the event of an involuntary termination of employment may not exceed 2.99 times the executive's average annual taxable compensation for the five-year period preceding the year in which the termination occurs.

Accelerated Vesting of Equity Awards. Under M&T Bank Corporation's various equity compensation plans, upon a change of control or death, disability or retirement, all of our employees, including the Named Executive Officers, would be immediately vested in any outstanding awards that were unvested at the time of the change of control or death, disability or retirement.

Corporation are entitled to reimbursement for travel expenses incidental to their attendance at meetings.

M&T Bank Corporation 2008 Directors Stock Plan. Pursuant to the terms of the 2008 Directors Stock Plan, each director can elect to receive payment of his or her annual compensation in cash, in shares of M&T Bank Corporation Common Stock, or in an equal combination of cash and shares of M&T Bank Corporation Common Stock for services as a director or advisory director of M&T Bank Corporation and its subsidiaries. The number of shares of Common Stock paid is determined by dividing the amount of such compensation payable in shares of Common Stock by the closing price of Common Stock on the New York Stock Exchange on the business day immediately preceding the day the compensation is payable.

In connection with the acquisition of Allfirst on April 1, 2003, the Boards of Directors of M&T Bank Corporation and M&T Bank determined that the retainer and attendance fees of any director who serves as a designee of AIB on the Boards of Directors of M&T Bank Corporation or M&T Bank shall be paid to AIB in cash if such director is a salaried officer or employee of AIB or any of its subsidiaries, notwithstanding the terms of the 2008 Directors Stock Plan. As a result, the retainer and attendance fees attributable to Messrs. Doherty and Sheehy in 2008 were paid in cash to AIB.

M&T Bank Directors Fees. Directors of M&T Bank Corporation who also serve as directors of M&T Bank or its subsidiaries, or persons serving solely as directors of M&T Bank, if not salaried officers of M&T Bank Corporation or its subsidiaries, receive attendance fees for each board, council or committee meeting attended, unless any such meeting is held concurrently with board or committee meetings of M&T Bank Corporation, of which they are also a member. Except as described below, such attendance fees and the cash versus stock allocations are identical to the schedule of fees paid to directors of M&T Bank Corporation for board and committee meetings attended described above in the section entitled, M&T Bank Corporation Directors Fees.

Mr. Baird, as a member of the Directors Advisory Council of the New York City/Long Island Division of M&T Bank, received an annual retainer of \$10,000 and a fee of \$1,250 for each such meeting attended by him. All such directors of M&T Bank and its subsidiaries are entitled to reimbursement for travel expenses incidental to their attendance at meetings.

Nonqualified Deferred Compensation Arrangements for Directors. Mr. Hawbaker, Mr. King and Mr. Sheetz are participants of the Keystone Directors Fees Plan that was assumed by M&T Bank Corporation in connection with its acquisition of Keystone. The plan is a nonqualified, unfunded plan under which a Keystone director could elect to defer directors fees in the form of phantom shares of Keystone s common stock. Upon the acquisition of Keystone, the right of participants to receive Keystone common stock was converted to the right to receive stock in M&T.

Mr. Sheetz is entitled to receive annual distributions from his plan account over the ten-year period covering 2000 through 2009. In 2008, he received 245 shares of Common Stock. Mr. Hawbaker s benefits will be paid upon his resignation or retirement as a director in the form of a single distribution and Mr. King will receive annual distributions from his plan account over a five-year period commencing upon his resignation or retirement as a director.

Deferred Bonus Plan. Participants may elect the timing of distributions from the plan. Such distributions are payable in cash, with the exception of balances allocated to M&T Bank Corporation Common Stock, which are distributable in the form of shares of Common Stock.

The table above does not include information with respect to shares of Common Stock that may be issued under the 2009 Equity Incentive Compensation Plan if approved by stockholders or that are subject to outstanding options and rights assumed by M&T Bank Corporation in connection with mergers and acquisitions of the companies that originally granted those options and rights.

Under the terms of the merger agreement that Provident Bankshares Corporation (Provident) has entered into with M&T Bank Corporation and First Empire State Holding Company, the outstanding and unexercised stock options to acquire Provident common stock will fully vest and be converted into options to acquire Common Stock of M&T Bank Corporation, adjusted to reflect the exchange ratio applicable to Provident common stock generally as follows:

the number of shares of Common Stock of M&T Bank Corporation subject to the adjusted M&T stock option will equal: (1) the number of shares of Provident common stock subject to the Provident stock option as of immediately prior to the completion of the merger multiplied by (2) the exchange ratio of 0.171625, rounded down to the nearest whole share; and

the exercise price per share of the adjusted M&T stock option will equal: (1) the exercise price per share of the Provident stock option as of immediately prior to the completion of the merger divided by (2) the exchange ratio of 0.171625 (rounded up to the nearest whole cent).

With respect to Provident restricted shares, under the terms of the merger agreement, immediately prior to the completion of the merger, the outstanding Provident restricted shares will fully vest, and, upon completion of the merger, the outstanding Provident restricted shares will be converted into unrestricted shares of Common Stock of M&T Bank Corporation, adjusted to reflect the exchange ratio applicable to Provident common stock. The number of unrestricted shares of Common Stock of M&T Bank Corporation will equal: (1) the number of shares of restricted Provident common stock as of immediately prior to the completion of the merger, less any shares of Provident common stock withheld to satisfy tax withholding obligations, multiplied by (2) the exchange ratio of 0.171625 with fractional shares to be satisfied through a cash payment in accordance with the terms of the merger agreement.

TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Mr. Wilmers is the beneficial owner of a 50 percent interest in certain entities which are unaffiliated with M&T Bank Corporation that own commercial aircraft which are leased to a commercial aviation service. From time to time, M&T Bank charters planes from the aviation service for business use by Mr. Wilmers. M&T Bank paid \$478,580 to the aviation service for use of the aircraft in 2008. M&T Bank has determined that the fees paid to the aviation service for such business use of the aircraft are fair and competitive.

M&T Bank and Sheetz, Inc., a company of which Mr. Sheetz is the chairman and in which he has a 15 percent ownership interest, have an agreement whereby M&T Bank installs and maintains automated teller machines within certain convenience stores operated by Sheetz, Inc. and shares a portion of the revenue generated from those automated teller machines with Sheetz Inc. This agreement was entered into as a result of a competitive bidding process. In 2008, M&T Bank paid \$1,575,520 to Sheetz, Inc. in connection with this arrangement. M&T Bank also leases real property located in Altoona, Pennsylvania from Sheetz, Inc. at a cost of \$75,900 for 2008. This lease is believed to be on comparable terms for similar space similarly situated.

Directors and executive officers of M&T Bank Corporation and their associates are, as they have been in the past, customers of, and have had transactions with, the banking and other operating subsidiaries of M&T Bank Corporation, and additional transactions may be expected to take place in the future between such persons and subsidiaries. Any loans from M&T Bank Corporation's subsidiary banks to such persons and their associates outstanding at any time since the beginning of 2008 were made in the ordinary course of business of the banks on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the banks or their subsidiaries, and did not involve more than normal risk of collectibility or present other unfavorable features.

In accordance with applicable New York Stock Exchange listing standards that require that related party transactions be reviewed and evaluated by an appropriate group, the Nomination, Compensation and Governance Committee reviews, approves or ratifies all related party or affiliate transactions between M&T Bank Corporation and any of its affiliates, directors, officers and/or employees or in which any of such persons directly or indirectly is interested or benefited other than for extensions of credit otherwise covered by policies and procedures governed by Federal Reserve Regulation O. The Nomination, Compensation and Governance Committee determines whether a particular relationship serves the best interest of M&T Bank Corporation and its stockholders and whether the relationship should be continued. In addition, M&T Bank Corporation has a Code of Business Conduct and Ethics for its directors, officers, employees, as well as its agents and representatives, including consultants, which requires that individuals avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the best interests of M&T Bank Corporation. The Code of Business Conduct and Ethics encourages individuals to report any illegal or unethical behavior that they observe. In addition, as described in the section entitled, Board of Directors, Determination of Independence and Attendance, such related party or affiliate transactions are considered by the Board of Directors in its review of director independence.

CORPORATE GOVERNANCE OF M&T BANK CORPORATION

The Board of Directors believes that the purpose of corporate governance is to ensure that stockholder value be maximized in a manner consistent with legal requirements and the highest standards of ethics and integrity.

Recognizing the importance of corporate governance, the Board of Directors adopted corporate governance standards in July 1997 and has consistently adhered to corporate governance practices that the Board of Directors and executive management believe promote this purpose. The Board of Directors has evaluated and approved its corporate governance standards on an annual basis since their adoption, and in October 2003, adopted new Corporate Governance Standards as a result of new SEC and New York Stock Exchange requirements.

The Board of Directors last amended its Corporate Governance Standards in April 2008. The current Corporate Governance Standards are available on M&T Bank Corporation's website at *ir.mandtbank.com/corpgov.cfm*. The Corporate Governance Standards address the qualifications and responsibilities of directors, board committee charters, a corporate disclosure policy, controls and procedures regarding financial reporting and disclosure, and separate codes of ethics for all employees and the chief executive officer and senior financial officers.

On February 20, 2007, the Board of Directors adopted an amendment to the bylaws of M&T Bank Corporation to institute a majority voting policy for the election of directors in uncontested elections. The amendment provides that if a nominee for director does not receive a majority of the votes cast (which includes votes to withhold authority but excludes abstentions) in an uncontested election, such director shall promptly tender his or her resignation to the Board of Directors. The Board of Directors will then determine whether or not to accept such resignation, taking into account the recommendation of the Nomination, Compensation and Governance Committee, and will publicly disclose via a press release or SEC filing its decision within 90 days of the certification of the election results.

The Board of Directors has designated the Nomination, Compensation and Governance Committee to discharge the Board of Directors' responsibilities with respect to compensation, director nominations and corporate governance matters.

BOARD OF DIRECTORS, COMMITTEES OF THE BOARD AND ATTENDANCE

Board of Directors, Determination of Independence and Attendance. Pursuant to the Corporate Governance Standards, the Board of Directors undertook a review of director independence in April 2008. As a result of that review, the Board of Directors determined that 14 of its 20 then current members met the New York Stock Exchange standard for independence. Of the 17 nominees standing for election as directors at the 2009 Annual Meeting of Stockholders, 16 of whom are currently serving as such, 11 meet the New York Stock Exchange standard for independence. In making determinations of independence, the Board of Directors uses categorical standards to assist it in making independence determinations. Under these standards, absent other material relationships with M&T Bank Corporation that the Board of Directors believes jeopardize a director's independence from management, a director will be independent unless the director or any of his or her immediate family members had any of the following relationships with M&T Bank Corporation: employment during any of the past three years (as an executive officer in the case of family members); the receipt of more than \$100,000 per year in direct compensation (other than director fees and

Table of Contents

pension or other forms of deferred compensation for prior service not contingent upon continued service) during any of the past three years; affiliation or employment with a present or former internal or external auditor during any of the past three years; employment with another company where any executive officers of M&T Bank Corporation serve on that company's compensation committee during any of the past three years; being an executive officer of a charitable organization to which M&T Bank Corporation contributed the greater of \$1 million or 2% of such charitable organization's consolidated gross revenues in any single fiscal year during the preceding three years; or being an executive officer of a company that makes payments to, or receives payments from, M&T Bank Corporation for property or services in a fiscal year in an amount in excess of the greater of \$1 million or two percent (2%) of such other company's consolidated gross revenues. In addition, if any business relationship described in the last clause of the preceding sentence is a lending relationship, deposit relationship, or other banking or commercial relationship between M&T Bank Corporation, on the one hand, and an entity with which the director or family member is affiliated by reason of being a director, officer or a significant shareholder thereof, on the other hand, such relationships must meet the following criteria: (1) it must be in the ordinary course of business and on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons; and (2) with respect to extensions of credit by M&T Bank Corporation to such entity: (a) such extensions of credit have been made in compliance with applicable law, including Regulation O of the Board of Governors of the Federal Reserve and Section 13(k) of the Exchange Act and (b) no event of default has occurred and is continuing beyond any period of cure.

The Board of Directors considers all relevant facts and circumstances and the application of the categorical standards and, based on its review of this information, affirmatively determined that the directors identified below as independent do not have any material relationships with M&T Bank Corporation.

Following are the names of each current member of the Board of Directors for whom an affirmative determination of independence was made in 2008:

Brent D. Baird	Daniel R. Hawbaker
Robert J. Bennett	Patrick W.E. Hodgson
C. Angela Bontempo	Richard G. King
Robert T. Brady	Reginald B. Newman, II
Michael D. Buckley	Jorge G. Pereira
Colm E. Doherty	Stephen G. Sheetz
Richard E. Garman	Herbert L. Washington

In connection with its independence determination for Mr. Sheetz, the Board of Directors considered the transactions between M&T Bank and Sheetz, Inc. described above under the caption, TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS, and because these transactions did not meet any of the thresholds set forth in the categorical standards, the Board of Directors made an affirmative determination of independence for Mr. Sheetz. The Board of Directors held eight meetings during 2008. Each of the directors attended at least 75% of the total number of meetings of the Board of Directors and of the committees on which the director served that were held during the time such individual served as a director or a committee member.

It is the policy of M&T Bank Corporation that all members of the Board of Directors attend its Annual Meetings of Stockholders, absent exigent circumstances. Of the 17 nominees standing for election at the 2009 Annual Meeting of Stockholders, 16 of them were elected at last year's Annual Meeting of Stockholders. Of those 16 nominees, all but

one attended last year's Annual Meeting of Stockholders.

Executive Sessions of the Board of Directors. The non-management directors of M&T Bank Corporation meet at regularly scheduled executive sessions without management. Mr. Pereira, vice chairman of the Board of Directors, presides at these meetings. In his absence, the non-management directors determine which of them will preside at such meeting.

Interested parties may make their concerns known directly to the presiding director or the non-management directors as a group by submitting their written correspondence to M&T Bank Corporation's Corporate Secretary, One M&T Plaza, Buffalo, New York 14203. The Corporate Secretary may facilitate such direct communications to the presiding director or the non-management directors as a group by reviewing, sorting and summarizing such communications. All such communications will be referred to the presiding director or the non-management directors as a group for consideration unless otherwise instructed by the presiding director or the non-management directors as a group.

Audit and Risk Committee. In addition to appointing the independent registered public accounting firm, the Audit and Risk Committee serves as the examining committee for M&T Bank, N.A. and reviews the activities of the Examining Committee of M&T Bank, the audit plan and scope of work of M&T Bank Corporation's independent registered public accounting firm, the results of the annual audit and the limited reviews of quarterly financial information, the recommendations of the independent registered public accounting firm with respect to internal controls and accounting procedures, major policies with respect to risk assessment and risk management, and any other matters it deems appropriate. Ms. Bontempo (Chair) and Messrs. Hodgson, King, Newman and Washington served as members of the Audit and Risk Committee throughout 2008, and all of them are currently serving as such. From time to time, Audit and Risk Committee meetings may be attended by other members of the Board of Directors, employees of M&T Bank Corporation, representatives of the independent registered public accounting firm or other outside advisors as the Audit and Risk Committee requests or deems necessary, useful or appropriate in its sole discretion.

The Board of Directors has determined that the members of the Audit and Risk Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet both the New York Stock Exchange and Exchange Act standards for independence. In addition, the Board of Directors has determined that each member of the Audit and Risk Committee is financially literate, and that at least one member of the Audit and Risk Committee meets the New York Stock Exchange standard of having accounting or related financial management expertise. In addition, the Board of Directors has determined that Ms. Bontempo and Mr. Hodgson are each an audit committee financial expert.

The Audit and Risk Committee operates pursuant to a written charter that was last amended by the Board of Directors on February 17, 2009. A copy of the Audit and Risk Committee Charter is attached hereto as APPENDIX B. The Audit and Risk Committee Charter gives the Audit and Risk Committee the authority and responsibility for the appointment, retention, compensation and oversight of the independent registered public accounting firm, including pre-approval of all audit and non-audit services to be performed by the independent registered public accounting firm. The Audit and Risk

Committee Charter also gives the committee authority to fulfill its obligations under SEC and New York Stock Exchange requirements.

Report of the Audit and Risk Committee. The members of the Audit and Risk Committee are independent as that term is defined in the listing standards of the New York Stock Exchange. The Audit and Risk Committee operates under a written charter adopted by the Board of Directors. During 2008, the Audit and Risk Committee met six times, and held discussions with M&T Bank Corporation's management and representatives of its independent registered public accounting firm consistent with its responsibilities under its charter.

Management is responsible for the preparation of M&T Bank Corporation's consolidated financial statements and their assessment of the design and effectiveness of M&T Bank Corporation's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of M&T Bank Corporation's consolidated financial statements and opining on management's internal control assessment and the effectiveness of those controls in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and issuing their reports thereon. As provided in its charter, the Audit and Risk Committee's responsibilities include monitoring and overseeing these processes.

In discharging its oversight responsibilities, the Audit and Risk Committee has reviewed and discussed M&T Bank Corporation's 2008 audited consolidated financial statements with M&T Bank Corporation's management and its independent registered public accounting firm and has reviewed and discussed with the independent registered public accounting firm all communications required by standards of the PCAOB, including the matters described in Statement on Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), which include, among other items, matters related to the conduct of the audit of M&T Bank Corporation's financial statements.

The Audit and Risk Committee has also received the written disclosures and the letter from M&T Bank Corporation's independent registered public accounting firm as required by applicable requirements of the PCAOB and has discussed with the independent registered public accounting firm its independence.

Based on these reviews and discussions with management and the independent registered public accounting firm, the Audit and Risk Committee has recommended to the Board of Directors that the audited consolidated financial statements and report on management's assessment of the design and effectiveness of internal control over financial reporting be included in M&T Bank Corporation's Annual Report on Form 10-K for the year ended December 31, 2008 to be filed with the SEC. The Audit and Risk Committee also appointed the independent registered public accounting firm.

This report was adopted on February 16, 2009 by the Audit and Risk Committee of the Board of Directors:

Nomination, Compensation and Governance Committee. The Nomination, Compensation and Governance Committee is responsible for, among other things, evaluating the efforts of M&T Bank Corporation and of the Board of Directors to maintain effective corporate governance practices and identifying candidates for election to the Board of Directors. The Nomination, Compensation and Governance Committee will consider candidates suggested by stockholders. Nominations from stockholders, properly submitted in writing to M&T Bank Corporation's Corporate Secretary at One M&T Plaza, Buffalo, New York 14203, and received no later than 120 days prior to the anniversary of the date on which M&T Bank Corporation first mailed its proxy materials for the preceding year's annual meeting of stockholders, will be referred to the Nomination, Compensation and Governance Committee for consideration. For next year's annual meeting of stockholders, M&T Bank Corporation must receive this notice on or before November 5, 2009.

In considering nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee reviews the qualifications and independence of the potential nominee in light of the current members of the Board of Directors and its various committees as well as the composition of the Board of Directors as a whole. This assessment includes the potential nominee's qualification as independent, as well as consideration of diversity, age, skills, experience, tenure, contribution and appropriate geographic balance in the context of the needs of the Board of Directors and its committees.

The current Board of Directors of M&T Bank Corporation is comprised of persons who were identified as being qualified director candidates by management and the Board of Directors. The Nomination, Compensation and Governance Committee considers nominees for director that are recommended by various persons or entities, including, but not limited to, non-management directors, the chief executive officer and other executive officers of M&T Bank Corporation, and stockholders. In addition, the Nomination, Compensation and Governance Committee must take into account any contractual rights that persons or entities have with respect to nominees for director. In evaluating all nominees for director, including those recommended by stockholders, the Nomination, Compensation and Governance Committee considers whether each nominee has all the requisite experience, attributes and qualifications for board membership and not just certain specific qualities or skills.

The Nomination, Compensation and Governance Committee also is responsible for administering M&T Bank Corporation's equity plans, and awarding new grants thereunder, for administering the Annual Executive Incentive Plan, the 2008 Directors' Stock Plan, the Employee Stock Purchase Plan, for making such determinations and recommendations as the Nomination, Compensation and Governance Committee deems necessary or appropriate regarding the remuneration and benefits of employees of M&T Bank Corporation and its subsidiaries and, in addition, for reviewing with management the Compensation Discussion and Analysis and providing a report recommending to the Board of Directors whether the Compensation Discussion and Analysis should be included in the Proxy Statement.

Mr. Pereira is a vice chairman of M&T Bank Corporation and M&T Bank, titular posts without day-to-day managerial responsibilities which he has held since April 18, 1984, and Mr. Pereira has not received additional compensation for serving in such capacities. The Board of Directors has determined that the members of the Nomination, Compensation and Governance Committee have no financial or personal ties to M&T Bank Corporation (other than director compensation, equity ownership and transactions made in the ordinary course of business with its banking and other operating subsidiaries as described in this Proxy Statement) and meet the New York Stock Exchange standard for independence.

Executive Committee. The Board of Directors has empowered its Executive Committee to act in the board's place when the Board of Directors is not in session, during which time the Executive Committee possesses all of the board's powers in the management of the business and affairs of M&T Bank Corporation except as otherwise limited by law. The Executive Committee met six times during 2008. Messrs. Wilmers (Chairman), Baird, Bennett, Buckley and Garman served as members of the Executive Committee throughout 2008, and all of them are currently serving as such.

- 2.38. Shares means a share of the Company's common stock, par value \$0.50 per share.
- 2.39. Specified Employee means any individual who is a key employee (as defined in Section 416(i) of the Code without regard to paragraph (5) thereof) with respect to the Company and its Affiliates, as determined by the Company (or the Affiliate, in the event that the Affiliate and the Company are not considered a single employer under Sections 414(b) or 414(c) of the Code) in accordance with its uniform policy with respect to all arrangements subject to Section 409A of the Code, based upon the twelve month period ending on each December 31st. All individuals who are determined to be key employees under Section 416(i)(1)(A)(i), (ii) or (iii) of the Code (without regard to paragraph (5) thereof) on December 31st shall be treated as Specified Employees for purposes of the Plan during the twelve month period that begins on the following April 1st.
- 2.40. - 2.41. Termination of Service means the termination of the applicable Participant's employment with, or performance of services (including as a director) for, the Company and any of its Affiliates. A Participant employed by, or performing services for, an Affiliate or a division of the Company and its Affiliates shall be deemed to incur a Termination of Service if, as a result of a Disaffiliation, such Affiliate or division ceases to be an Affiliate or division, as the case may be, and the

Participant does not immediately thereafter become an employee of, or service provider for, the Company or another Affiliate. Temporary absences from employment because of illness, vacation or leave of absence and transfers among the Company and its Affiliates shall not be considered a Termination of Service. Notwithstanding the foregoing, with respect to any Award that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, Termination of Service means a separation from service as defined under Section 409A of the Code. Unless the context expressly requires the contrary, references in the Plan to (a) the term Section refers to the sections of the Plan, and (b) the word including means including (without limitation).

Article 3

Administration

3.1 Authority of the Committee. The Committee shall administer the Plan. Subject to the provisions of the Plan, the Committee shall have all powers vested in it by the terms of the Plan, such powers to include the plenary authority and discretion to:

- (a) Determine the Eligible Persons to whom it grants Awards;
- (b) Determine whether and to what extent Incentive Stock Options, Nonqualified Stock Options, Restricted Stock, Restricted Stock Units, Performance Shares, Performance Units, Incentive Awards, or any combination thereof, are to be granted hereunder;
- (c) Determine the terms, conditions, form and amount (which need not be identical) of all Awards, including the Exercise Price of Options and the number of Shares covered by Awards;
- (d) Determine the time or times at which Awards may be granted or vest and any conditions which must be satisfied before an Award is made, vests or is settled;
- (e) Determine whether an Option shall be an Incentive Stock Option or a Nonqualified Stock Option;
- (f) Establish any objectives and conditions, including Performance Goals, for earning Awards;
- (g) Determine the terms of each Award Agreement and, subject to the provisions of Article 12, any amendments or modifications thereof;
- (h) Determine whether the conditions for earning an Award have been met and whether an Award will be paid at the end of a Performance Period;
- (i) Determine if, when, and the terms on which, an Award may be deferred;
- (j) Determine whether the amount or payment of an Award should be reduced or eliminated;
- (k) Adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable;
- (l) Establish guidelines and/or procedures for the payment or exercise of Awards;
- (m) Interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreement relating thereto);

Table of Contents

- (n) Establish any blackout period that the Committee in its sole discretion deems necessary or advisable; and
- (o) Otherwise administer the Plan.

In performing these actions, the Committee may take into account the nature of the services rendered or to be rendered by an Eligible Person, his present and potential contributions to the success of the Company and its Affiliates, and such other factors as the Committee in its discretion shall deem relevant.

3.2 **Decisions Binding**. Subject to the provisions of the Plan, the Committee shall have plenary authority to interpret the Plan and Award Agreements, prescribe, amend and rescind rules and regulations relating to them, and make all other determinations deemed necessary or advisable for the administration of the Plan and Awards granted hereunder. All determinations and decisions made by the Committee pursuant to the provisions of the Plan or by an appropriately delegated officer pursuant to delegated authority under the provisions of the Plan and all related orders or resolutions of the Board of Directors shall be final, conclusive and binding on all persons, including the Company and its Affiliates, its shareholders, employees, Participants, Eligible Persons, and their respective successors and assigns, including to the extent applicable their estates and beneficiaries, and, except as provided in Section 2.5, such determinations and decisions shall not be reviewable. Except in the case of an Award intended to qualify for the exemption from the limitation on deductibility imposed by Section 162(m) of the Code that is set forth in Section 162(m)(4)(C) of the Code or in order to comply with Section 3.7, any authority granted to the Committee may also be exercised by the full Board. To the extent that any permitted action taken by the Board conflicts with action taken by the Committee, the Board action shall control.

3.3 **Delegation of Certain Responsibilities**. The Committee may delegate its authority under Section 3.1 hereof and the terms of the Plan to the extent it deems necessary or advisable for the proper administration of the Plan and is consistent with the requirements of applicable law; provided, however, that except as provided below the Committee may not delegate its authority to grant Awards under the Plan or to correct errors, omissions or inconsistencies in the Plan. The Committee may delegate to the Company's Chief Executive Officer, to other officers of the Company and/or to the M&T Bank Employee Benefit Plans Committee (or any similar or successor committees) its authority under Article 3, including the right to grant Awards, provided that such delegation shall not extend to the grant of Awards or the exercise of discretion with respect to Awards to Eligible Persons who, at the time of such action, are (a) Covered Employees or (b) subject to the reporting requirements of Section 16(a) of the Exchange Act. All authority delegated by the Committee under Section 3.3 shall be exercised in accordance with the provisions of the Plan and any guidelines for the exercise of such authority that may from time to time be established by the Committee.

3.4 **Procedures of the Committee**. Except as may otherwise be provided in the charter or similar governing document applicable to the Committee, (a) all determinations of the Committee shall be made by not less than a majority of its members present at the meeting (in person or otherwise) at which a quorum is present; (b) a majority of the entire Committee shall constitute a quorum for the transaction of business; and (c) any action required or permitted to be taken at a meeting of the Committee may be taken without a meeting if a unanimous written consent, which sets forth the action, is signed by each member of the Committee and filed with the minutes for proceedings of the Committee.

3.5 **Indemnification of Committee**. In addition to such other rights of indemnification as they may have as members of the Board or Committee, the Company shall indemnify members of the Committee against all reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in

connection with the Plan or any Award granted hereunder, and against all amounts reasonably paid by them in settlement thereof or paid by them in satisfaction of a judgment in any such action, suit or proceeding, if such members acted in good faith and in a manner which they believed to be in, and not opposed to, the best interests of the Company.

3.6 Award Agreements. Each Award under the Plan (a) shall be evidenced by an Award Agreement which shall be signed by an authorized officer of the Company and, if required, by the Participant, and (b) shall contain such terms and conditions as may be authorized or approved by the Committee. Such terms and conditions need not be the same in all cases. The effectiveness of an Award shall not be subject to the Award Agreement's being signed by the Company and/or the Participant receiving the Award unless specifically so provided in the Award Agreement. Award Agreements may be amended only in accordance with Article 12 hereof.

3.7 Rule 16b-3 Requirements. Notwithstanding any other provision of the Plan, the Board or the Committee may impose such conditions on any Award (including, without limitation, the right of the Board or the Committee to limit the time of exercise to specified periods) as may be required to satisfy the requirements of Rule 16b-3 (or any successor rule), under the Exchange Act (Rule 16b-3).

Article 4

Common Stock Subject to Plan

4.1 Number of Shares. Subject to adjustment as provided in Section 4.2, the aggregate number of Shares that may be delivered under the Plan shall not exceed 4,000,000 Shares plus the number of Shares that remain available for issuance under the M&T Bank Corporation 2005 Incentive Compensation Plan as of the Effective Date (the

Predecessor Plan) (increased by any Shares subject to any award (or portion thereof) outstanding under the Predecessor Plan on the Effective Date which Shares are not issued due to the subsequent termination, expiration, forfeiture or lapse of such award). Shares issued under the Plan may consist, in whole or in part, of authorized and unissued Shares or Treasury Shares, including Shares that shall have been, or may be, reacquired by the Company in the open market, in private transactions, or otherwise. To the extent that Shares subject to an outstanding Award are not issued by reason of the forfeiture, termination, surrender, cancellation or expiration while unexercised of such award, by reason of the tendering or withholding of Shares (by either actual delivery or by attestation) to pay all or a portion of the purchase price or to satisfy all or a portion of the tax withholding obligations relating to an Award, by reason of being settled in cash in lieu of Common Stock or settled in a manner such that some or all of the Shares covered by the Award are not issued to a Participant, then such Shares shall immediately again be available for issuance under the Plan. The Committee may from time to time adopt and observe such procedures concerning the counting of Shares against the Plan maximum as it may deem appropriate. Upon the approval of the Plan by shareholders, no further grants will be made under the Predecessor Plan.

(a) Shares issued in connection with awards that are assumed, converted or substituted pursuant to a merger, acquisition or similar transaction entered into by the Company or any of its Affiliates shall not reduce the number of Shares available for issuance under the Plan.

(b) Subject to adjustment as provided in Section 4.2, the following limitations shall apply to Awards under the Plan:

(i) All of the Shares that may be issued under the Plan may be issued pursuant to Options granted hereunder; provided that the number of Shares that may be issued under the Plan pursuant to Options which are Incentive Stock Options shall be limited to 4,000,000 Shares; and

(ii) The maximum number of Shares with respect to which a single Participant may be granted Awards that are intended to qualify for the performance-based compensation

exception under Section 162(m) of the Code during any calendar year is 200,000 Shares. The maximum number of Shares with respect to which an Employee has been granted Awards shall be determined in accordance with Section 162(m) of the Code.

4.2 Capital Events and Adjustments. In the event of (i) a stock dividend, stock split, reverse stock split, share combination, or recapitalization or similar event affecting the capital structure of the Company (each, a Share Change), or (ii) a merger, consolidation, acquisition of property or shares, separation, spin-off, reorganization, stock rights offering, liquidation, Disaffiliation, or similar event affecting the Company or any of its Subsidiaries (each, a Corporate Transaction), the Committee or the Board shall make an equitable and proportionate substitution or adjustment as it deems appropriate to (A) the aggregate number and kind of Shares or other securities reserved for issuance and delivery under the Plan, (B) the various maximum limitations set forth in Article 4 upon certain types of Awards and upon the grants to individuals of certain types of Awards, (C) the number and kind of Shares or other securities subject to outstanding Awards; and (D) the Exercise Price of outstanding Options, in order to preserve the value of Awards as a result of such Share Change or Corporate Transaction. In the case of Corporate Transactions, such adjustments may include, without limitation, (1) the cancellation of outstanding Awards in exchange for payments of cash, property or a combination thereof having an aggregate value equal to the value of such Awards, as determined by the Committee or the Board in its sole discretion (it being understood that in the case of a Corporate Transaction with respect to which substantially all shareholders of Shares receive consideration other than publicly traded equity securities of the ultimate surviving entity, any such determination by the Committee that the value of an Option shall for this purpose be deemed to equal the excess, if any, of the value of the consideration being paid for each Share pursuant to such Corporate Transaction over the Exercise Price of such Option shall conclusively be equitable, proportionate and appropriate); (2) the substitution of other property (including, without limitation, cash or other securities of the Company and securities of entities other than the Company) for the Shares subject to outstanding Awards; and (3) in connection with any Disaffiliation, arranging for the assumption of Awards, or replacement of Awards with new awards based on other property or other securities (including, without limitation, other securities of the Company and securities of entities other than the Company), by the affected Affiliate, or division or by the entity that controls such Affiliate or division following such Disaffiliation (as well as any corresponding adjustments to Awards that remain based upon Company securities); provided that, with respect to any Award that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, any such adjustment shall be made solely to the extent permitted under Section 409A of the Code. In addition, in the event of a Share Change or Corporate Transaction, the Committee shall adjust in a manner it deems appropriate the Performance Goals applicable to any Awards to reflect any unusual or non-recurring events and other extraordinary items, impact of charges for restructurings, discontinued operations and the cumulative effects of accounting or tax changes, each as defined by generally accepted accounting principles or as identified in the Company's financial statements, notes to the financial statements, management's discussion and analysis or other Company filings with the Securities and Exchange Commission; provided, however, that no such modification shall be made if the effect would be to cause an Award that is intended to qualify for the performance-based compensation exception under Section 162(m) of the Code to fail such exception.

Article 5

Eligibility and Participation

5.1 Eligibility. Awards may be granted only to Eligible Persons; provided that, any Award that constitutes a stock right, within the meaning of Section 409A of the Code, shall only be granted to Eligible Individuals with respect to whom the Company is an eligible issuer of service recipient stock, under Section 409A of the Code.

A-8

Table of Contents

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may from time to time select those Eligible Persons to whom Awards shall be granted and determine the nature and amount of each Award. No Eligible Person shall have any right (a) to be granted an Award or to be granted any particular type of Award or (b) to be granted a subsequent Award under the Plan if previously granted an Award.

Article 6

Options

6.1 Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Eligible Persons at any time and from time to time as shall be determined by the Committee. The Committee shall have the sole discretion, subject to the terms of the Plan, to determine the actual number of Shares subject to Options granted to any Participant. The Committee may grant any type of Option to purchase Common Stock that is permitted by law at the time of grant including, but not limited to, ISOs and NQSOs; provided, however, that ISOs may only be granted to Eligible Persons who are Section 422 Employees on the Date of Grant. The Committee may, in its discretion, condition the grant or vesting of an Option upon the achievement of one or more specified Performance Goals.

6.2 Option Agreement. Each Option granted under the Plan shall be evidenced by an Award Agreement that identifies the Option as either a NQSO or an ISO, and specifies the terms and conditions of the Option. Options shall be subject to the terms and conditions set forth in Article 6 and such other terms and conditions not inconsistent with the Plan as the Committee may specify. Unless the Award Agreement specifies that the Option is intended to be an ISO within the meaning of Section 422 of the Code, the Option shall be a NQSO, the grant of which is not intended to be subject to the provisions of Code Section 422.

6.3 Option Price. The Exercise Price of an Option granted under the Plan shall be determined by the Committee but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant. Notwithstanding the authority granted to the Committee pursuant to Sections 3.1, 12.1 and 12.2 of the Plan, once an Option is granted, neither the Board nor the Committee shall have authority to reduce the Exercise Price, nor may any Option granted under the Plan be surrendered to the Company as consideration for the grant of a new Option with a lower Exercise Price without the approval of the Company's shareholders if and to the extent required by any rules and regulations of the New York Stock Exchange (or such other stock exchange on which the Common Stock is traded), except pursuant to Section 4.2 of the Plan related to an adjustment in the number of Shares.

6.4 Option Period. The Committee shall determine the Option Period for an Option, which shall be specifically set forth in the Award Agreement; provided, however, that no Option shall be exercisable after ten years (five years in the case of an Incentive Stock Option granted to a Ten-Percent Shareholder on the Date of Grant) from its Date of Grant.

6.5 Exercise of Options. To the extent exercisable and not expired, forfeited, cancelled or otherwise terminated, Options granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as provided in the Award Agreement, which need not be the same for all Participants. The Committee may at any time accelerate the exercisability of any Option.

6.6 Payment of Exercise Price. To the extent exercisable and not expired or forfeited, cancelled or otherwise terminated, Options shall be exercised by the delivery of a written notice to the Company setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Exercise Price for the Options. The Exercise Price upon exercise of any Option shall be payable to the Company in full either (a) in cash or its equivalent, including, but not limited to, to the extent permitted by applicable law, delivery of a properly completed exercise notice, together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale

proceeds from the sale of the Shares subject to the Option exercise or to deliver loan proceeds from such broker to pay the Exercise Price and any withholding taxes due, (b) by delivery or deemed delivery through attestation of Shares having a Fair Market Value at the time of exercise equal to the total Exercise Price, (c) by a combination of (a) and (b), or (d) such other methods as the Committee deems appropriate. The proceeds from such a payment shall be added to the general funds of the Company and shall be used for general corporate purposes. As soon as practicable after receipt of written notification, payment of the Exercise Price and satisfaction of the applicable taxes, the Company shall deliver to the Participant stock certificates in an appropriate amount based upon the number of Options exercised, issued in the Participant's name. No Shares shall be delivered pursuant to the exercise of an Option until the Exercise Price therefor has been fully paid and applicable taxes have been satisfied. Except as otherwise provided in Section 6.9 below, the applicable Participant shall have all of the rights of a shareholder of the Company holding the class or series of Shares that is subject to the Option (including, if applicable, the right to vote the applicable Shares and the right to receive dividends), when the Participant (i) has given written notice of exercise, (ii) if requested, has given the representation described in Section 16.7, and (iii) has paid in full for such Shares and satisfied all applicable tax obligations.

6.7 Special Provisions Applicable to Incentive Stock Options. To the extent provided or required under Section 422 of the Code or regulations thereunder (or any successor Section or regulations), the Award of Incentive Stock Options shall be subject to the following:

(a) In the event that the aggregate Fair Market Value of the Common Stock (determined at the time the Options are granted) subject to ISOs held by a Participant that first becomes exercisable during any calendar year exceeds \$100,000 then the portion of such ISOs equal to such excess shall be NQSOs.

(b) An Incentive Stock Option granted to a Section 422 Employee who, on the Date of Grant is a Ten-Percent Shareholder, shall have an Exercise Price which is not less than 110% of the Fair Market Value of a Share on the Date of Grant.

(c) No ISO granted to an employee who, at the time of grant, has (within the meaning of Section 424(d) of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, shall be exercisable later than the fifth (5th) anniversary date of its grant.

6.8 Nontransferability of Options. No Option granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than (a) by will or by the laws of descent and distribution or (b) in the case of a Nonqualified Stock Option, as otherwise expressly permitted by the Committee including, if so permitted, pursuant to a transfer to the Participant's family members, whether directly or indirectly or by means of a trust or partnership or otherwise. For purposes of the Plan, unless otherwise determined by the Committee, family member shall have the meaning given to such term in General Instructions A.1(a)(5) to Form S-8 under the Securities Act of 1933, as amended, and any successor thereto. Any Option shall be exercisable, subject to the terms of the Plan, only by the applicable Participant, the guardian or legal representative of such Participant, or any person to whom such Option is permissibly transferred pursuant to Section 6.8, it being understood that the term Participant includes such guardian, legal representative and other transferee; provided, however, that the term Termination of Service shall continue to refer to the Termination of Service of the original Participant.

Restricted Stock and Restricted Stock Units

7.1. **Grant of Restricted Stock or Restricted Stock Units.** Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock or Restricted Stock Units under the Plan to such Eligible Persons and in such amounts and on such terms and conditions as it shall determine.

7.2. **Nature of Awards.**

(a) Shares of Restricted Stock are actual Shares issued to a Participant, and shall be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of one or more stock certificates. Any certificate issued in respect of Shares of Restricted Stock shall be registered in the name of the applicable Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award.

(b) Restricted Stock Units are Awards denominated in Shares that will be settled, subject to the terms and conditions of the Restricted Stock Units, in an amount in cash, Shares, or a combination thereof, based upon the Fair Market Value of a specified number of Shares.

7.3. **Award Agreement.** Each grant of Restricted Stock and Restricted Stock Units under the Plan shall be subject to an Award Agreement specifying the terms and conditions of the Award. The terms and conditions may provide, in the discretion of the Committee, for the lapse of transfer restrictions or forfeiture provisions or vesting and settlement, as applicable, to be contingent upon the continued performance of services and/or the achievement of one or more specified Performance Goals.

7.4. **Transferability.** Restricted Stock Units and Shares of Restricted Stock granted under the Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the termination of the applicable Period of Restriction.

7.5. **Other Restrictions.** The Committee shall impose such other restrictions on any Restricted Stock Units and Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable and the Committee may legend certificates representing Restricted Stock or record stop transfer orders with respect to uncertificated Shares to give appropriate notice of such restrictions.

7.6. **End of Period of Restriction.** Except as otherwise provided in Articles 7 and 10, after the last day of the Period of Restriction, (a) Shares of Restricted Stock shall become nonforfeitable and freely transferable by the Participant and (b) subject to Section 16.12, Restricted Stock Units shall vest and be immediately settled. Once the Shares of Restricted Stock are released from the restrictions, the Participant shall be entitled to have the legend or stop transfer order removed.

7.7. **Voting Rights Applicable to Shares of Restricted Stock.** During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless otherwise specified in the applicable Award Agreement.

7.8. **Dividends and Other Distributions.**

(a) Except as otherwise provided by the Committee and subject to the provisions of Section 4.2, during the Period of Restriction Participants holding Shares of Restricted Stock granted hereunder shall be entitled to receive all dividends and other distributions paid with respect to such Shares. Except as otherwise provided by the Committee, cash dividends with respect to the Restricted Stock will be currently paid to the Participant and, subject to the limitations imposed under Article 4, dividends payable in Shares shall be paid in the form of Restricted Stock of the same class as the Shares with which such dividend was paid, held subject to the vesting of the underlying Restricted Stock. If any

Shares of Restricted Stock are forfeited, the Participant shall have no right to future dividends or other distributions with respect to such Restricted Stock.

(b) The Award Agreement for Restricted Stock Units shall specify whether, to what extent and on what terms and conditions the Participant shall be entitled to receive current or deferred payments of cash, Shares or other property corresponding to the dividends payable on the Shares underlying the Award.

Article 8

Performance Shares and Performance Units

8.1. **Grant of Performance Shares and Performance Units.** Subject to the terms and conditions of the Plan, Performance Shares and Performance Units may be granted to Eligible Persons at any time and from time to time as shall be determined by the Committee. The Committee shall have complete discretion in determining the number of Performance Shares and Performance Units granted to each Participant and the terms and conditions thereof.

8.2. **Value of Performance Shares and Performance Units.** The Committee shall set Performance Goals over certain periods to be determined in advance by the Committee (Performance Period). Prior to each grant of Performance Shares or Performance Units, the Committee shall establish an initial number of Shares for each Performance Share and Performance Unit granted to a Participant for that Performance Period. Prior to each grant of Performance Shares and Performance Units, the Committee also shall set the Performance Goals that will be used to determine the extent to which the Participant receives a number of Shares for the Performance Shares, or an amount of cash, number of Shares, or a combination thereof for the Performance Units, awarded for such Performance Period. With respect to the Performance Goals utilized during a Performance Period, the Committee may assign percentages to various levels of performance which shall be applied to determine the extent to which the Participant shall receive a distribution of Shares in respect of Performance Shares awarded, or a distribution of Shares, amount of cash or a combination thereof in respect of the Performance Units awarded.

8.3. **Payment of Performance Shares and Performance Units.** After a Performance Period has ended, (a) the holder of a Performance Share shall be entitled to receive a distribution of Shares in respect of Performance Shares awarded and (b) the holder of a Performance Unit shall be entitled to receive a distribution of Shares, payment of cash or a combination thereof in respect of Performance Units awarded, in each case, at the level and on the terms and conditions determined by the Committee. In addition, with respect to Performance Shares and Performance Units granted to any Covered Employee, no distribution of Shares or payment of cash shall be made hereunder except upon the Committee's written certification of the extent to which the applicable Performance Goal or Goals have been satisfied.

8.4. **Committee Discretion to Adjust Awards.** Subject to limitations applicable to payments to Covered Employees, the Committee shall have the authority to modify, amend or adjust the terms and conditions of any Award of a Performance Share or Performance Unit, at any time or from time to time, including but not limited to the Performance Goals provided, that:

(a) No such adjustment shall be made if the effect would be to cause an Award that is intended to qualify for the performance-based compensation exception under Section 162(m) of the Code to fail such exception; and

Table of Contents

(b) With respect to an Award, other than a Stock Option, that is intended to qualify for the performance-based compensation exception under Section 162(m) of the Code, the Committee may not accelerate the Performance Period or the vesting of the Award held by a Covered Employee except on account of the Participant's death, disability or a Change in Control.

Notwithstanding the foregoing provisions of Section 8.4, any adjustments made pursuant to Section 8.4 to any Award that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code shall be made in a manner such that the Award shall comply or continue to comply with the requirements of Section 409A of the Code.

8.5. Nontransferability. No Performance Shares or Performance Units granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, otherwise than by will or by the laws of descent and distribution until the termination of the applicable Performance Period.

Article 9

Incentive Awards

The Committee may from time to time, subject to the provisions of the Plan and such other terms and conditions as the Committee may determine, grant Incentive Awards to Employees, including, but not limited to, Covered Employees. Each such Award shall provide that:

(a) Amounts earned by and paid to Participants under Incentive Awards will be based upon achievement of Performance Goals over a Performance Period as established by the Committee, which for a Covered Employee shall not be inconsistent with Section 162(m) of the Code, subject to the Committee's authority to reduce, but not increase, such amount;

(b) Performance Goals, and the maximum, target and/or threshold (as applicable) Incentive Award payable upon attainment thereof, must be established by the Committee within the time limits required by Section 162(m) of the Code to qualify for the performance-based compensation exception under Section 162(m)(4)(C) of the Code;

(c) The maximum amount any Participant may be paid in respect of an Incentive Award for any calendar year shall not exceed \$2,000,000;

(d) Incentive Awards shall be paid in cash, subject to the Committee providing that all or a portion of any such amount may be paid in Shares; and

(e) Except as provided in Section 10.2(f), no Incentive Award may be paid to a Covered Employee until the Committee has certified the level of attainment of the applicable Performance Goals.

Article 10

Termination of Service or Services as a Participant

10.1. Termination of Service Other Than Due to Death, Disability, Cause or Retirement. Subject to Sections 10.4 and 16.12, if the employment or service of a Participant shall terminate for any reason other than death, Disability, Cause or Retirement:

(a) Each vested Option held by the Participant may be exercised on or before the earlier of (i) the expiration date of the Option or (ii) a period of 90 days following the date of termination. Any Option that is unvested as of the date of termination that is held by the Participant shall be immediately cancelled and terminated;

Table of Contents

(b) Any unvested shares of Restricted Stock and Restricted Stock Units, still subject to restrictions as of the date of such termination, shall automatically be forfeited and returned to the Company or cancelled, as applicable;

(c) All Performance Shares and Performance Units shall be forfeited and no payment shall be made with respect thereto; and

(d) No amounts shall be earned or payable under any Incentive Award, except as may be otherwise determined by the Committee.

10.2. Termination of Service Due to Death, Disability or Retirement. Subject to Sections 10.4 and 16.12, in the event the employment or service of a Participant is terminated by reason of death, Disability or Retirement:

(a) Each Option held by the Participant (whether or not exercisable prior to the date of termination) may be exercised on or before the earlier of (i) the expiration date of the Option or (ii) one year following the date of termination due to death, Disability or Retirement;

(b) Any remaining Period of Restriction applicable to Restricted Stock, where vesting is not conditioned upon the achievement of Performance Goals, shall automatically terminate and the Shares of Restricted Stock shall thereby be free of restrictions and be fully transferable;

(c) Any remaining Period of Restriction applicable to Restricted Stock Units, where vesting is not conditioned upon the achievement of Performance Goals, shall automatically terminate and the Restricted Stock Units shall immediately vest and be settled; provided that, notwithstanding the foregoing, with respect to each such Award that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, upon the Participant's Disability, the Restricted Stock Units shall immediately vest but shall not be settled until the earlier of: (i) the Participant's death; (ii) the Participant's separation from service within the meaning of Section 409A of the Code; (iii) the date such Award would otherwise be settled pursuant to the terms of the Award Agreement; or (iv) a Change in Control that constitutes a change in control event within the meaning of Section 409A of the Code.

Amendment, Modification, Substitution and Termination

12.1. Amendment, Modification and Termination of Plan. The Board or the Committee may terminate the Plan or any portion thereof at any time, and may amend or modify the Plan from time to time in such respects as the Board or the Committee may deem advisable; provided, however, that, after the shareholders of the Company have approved the Plan, the Board or the Committee shall not amend the Plan without approval of (a) the Company's shareholders to the extent applicable law or regulations or the requirements of the principal exchange or interdealer quotation system on which the Common Stock is listed or quoted, if any, requires shareholder approval of the amendment, and (b) a Participant whose Award is affected by such amendment, if the amendment would materially and adversely affect the Participant's rights or obligations under any Award granted prior to the date of the amendment. In addition, no such amendment shall be made without the approval of the Company's shareholders (a) to the extent that such approval is required by applicable law or by the listing standards of the New York Stock Exchange (or such other stock exchange upon which the Common Stock is then listed), (b) to the extent that such amendment would materially increase the benefits accruing to Participants under the Plan, (c) to the extent that such amendment would materially increase the number of Shares which may be issued under the Plan, (d) to the extent that such amendment would materially modify the requirements for participation in the Plan, or (e) to the extent that such amendment would accelerate the vesting of any Restricted Stock or Restricted Stock Units under the Plan except as otherwise provided in the Plan.

12.2. Amendment or Modification of Awards. Subject to the terms and conditions of the Plan, the Committee may amend or modify the terms of any outstanding Awards in any manner to the extent that the Committee would have had the authority under the Plan initially to make such Award as so modified or amended, including to change the date or dates as of which Awards may be exercised, to remove the restrictions on Awards, or to modify the manner in which Awards are determined and paid; provided, that no amendment or modification of an Award shall, without the consent of the Participant, materially and adversely alter or impair any of the Participant's rights or obligations under the Award.

12.3. Substitution of Awards. Anything contained herein to the contrary notwithstanding, Awards may, in the Committee's discretion, be granted under the Plan in substitution for stock options and other awards covering capital stock of another corporation which is merged into, consolidated with, or all or a substantial portion of the property or stock of which is acquired by, the Company or one of its Affiliates. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in the Plan to such extent as the Committee may deem appropriate to conform, in whole or part, to the provisions of the awards in substitution for which they are granted. Substitute Awards granted hereunder shall not be counted toward the Share limit imposed by Section 4.1, except to the extent the Committee determines that counting such Awards is required for Awards granted hereunder to be eligible to qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

12.4. Effect on Outstanding Awards. No such amendment, modification or termination of the Plan pursuant to Section 12.1 above, amendment or modification of an Award pursuant to Section 12.2 above, or substitution of awards pursuant to Section 12.3 above shall materially adversely alter or impair any outstanding Awards without the consent of the Participant affected thereby.

Article 15

Withholding

Notwithstanding any other provision of the Plan to the contrary, the Company's obligation to issue or deliver Shares or pay any amount pursuant to the terms of any Award granted hereunder shall be subject to satisfaction of applicable federal, state, local and foreign tax withholding requirements (including the Participant's FICA obligation), and the Company and any of its Affiliates shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company or any of its Affiliates, an amount sufficient to satisfy such federal, state, local and foreign taxes required by law to be withheld with respect to any grant, exercise, or payment made under or as a result of the Plan. No later than the date as of which an amount first becomes includible in the gross income of a Participant for federal income tax purposes with respect to any Award under the Plan, such Participant shall pay to the Company, or make arrangements satisfactory to the Company regarding the payment of, any federal, state, local or foreign taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Company, withholding obligations may be settled with Common Stock, including Common Stock that is part of the Award that gives rise to the withholding requirement, having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes. Article 16

General Provisions

16.1. The establishment of the Plan shall not confer upon any Eligible Person any legal or equitable right against the Company, any Affiliate or the Committee. Except as expressly provided in the Plan, neither the Company nor any of its Affiliates shall be required or be liable to make any payment under the Plan. Participation in the Plan shall not give an Eligible Person any right to be retained in the service of the Company or any Affiliate.

16.2. Neither the adoption of the Plan nor its submission to the Company's shareholders shall be taken to impose any limitations on the powers of the Company or its Affiliates to issue, grant, or assume options, warrants, rights, or restricted stock, or other awards otherwise than under the Plan, or to adopt other stock option, restricted stock, or other plans, or to impose any requirement of shareholder approval upon the same.

16.3. The interests of any Eligible Person under the Plan or Awards granted hereunder are not subject to the claims of creditors and may not, in any way, be transferred, assigned, alienated or encumbered, except to the extent provided in an Award Agreement.

16.4. Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively and who may include a trustee under a will or living trust) to whom any benefit under the Plan is to be paid in case of his death before he receives any or all of such benefit. Each designation will revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Committee during his lifetime. In the absence of any such designation or if all designated beneficiaries predecease the Participant, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

16.5. Except as otherwise provided under the Plan, a Participant or beneficiary thereof shall have no rights as a holder of Shares with respect to Awards hereunder, unless and until Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

16.6. This Plan shall be governed, construed and administered in accordance with the laws of the State of New York without giving effect to the conflict of laws principles. The captions of the Plan are not part of the provisions hereof and shall have no force or effect.

16.7. The Committee may require each person acquiring Shares pursuant to Awards granted hereunder to represent to and agree with the Company in writing that the person is acquiring the Shares without a view to distribution thereof. The certificates for the Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates for Shares issued pursuant to the Plan shall be subject to such stock transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the U.S. Securities and Exchange Commission, the New York Stock Exchange (or such other stock exchange upon which the Common Stock is then listed or interdealer quotation system upon which the Common Stock is then quoted), and any applicable federal or state securities laws. The Committee may place a legend or legends on certificates for Shares to make appropriate reference to the restrictions.

16.8. The Company shall not be required to issue any certificate or certificates for Shares with respect to Awards granted under the Plan, or record any person as a holder of record of Shares, without obtaining, to the complete satisfaction of the Committee, the approval of all regulatory bodies the Committee deems necessary, and without complying to the Board's or Committee's complete

satisfaction, with all rules and regulations, under federal, state or local law the Committee deems applicable.

16.9. To the extent that the Plan provides for issuance of stock certificates to reflect the issuance of Shares, the issuance may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of the New York Stock Exchange (or such other stock exchange or automated dealer quotation system on which the Shares are traded). No fractional Shares shall be issued or delivered pursuant to the Plan or any award. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in lieu of any fractional Shares or whether any fractional Shares or any rights thereto shall be rounded down, forfeited or otherwise eliminated.

16.10. All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business and/or assets of the Company.

16.11. It is presently intended that the Plan constitute an unfunded plan for incentive and deferred compensation. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or make payments; provided, however, that unless the Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan; provided, further, that with respect to any Awards that constitute a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, in no event shall any assets be transferred to any such rabbi trust with respect to any Participant during any period in which any plan maintained by the Company and its Affiliates are in a Restricted Period, within the meaning of Section 409A(b)(3) of the Code.

16.12. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that constitutes a nonqualified deferred compensation plan within the meaning of Section 409A of the Code, any payments (whether in cash, Shares or other property) to be made with respect to such Award upon the Participant's Termination of Service shall be delayed if the Participant is a Specified Employee until the earlier of (a) the first day of the seventh month following the Participant's Termination of Service and (b) the Participant's death.

16.13. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting other or additional compensation arrangements for its employees.

16.14. The Plan shall not constitute a contract of employment, and adoption of the Plan shall not confer upon any employee any right to continued employment, nor shall it interfere in any way with the right of the Company or any Affiliate to terminate the employment or services of any individual at any time.
