## SECTION 7 - REGULATION FD

### Item 7.01 Regulation FD Disclosure.

Uranium Energy Corp. (the "Company") is a Nevada company with its shares of common stock registered under Section 12(g) of the United States *Securities Exchange Act of 1934*, as amended. The Company files annual and other reports with the United States Securities and Exchange Commission (the "SEC"). The Company also became a reporting issuer in the Province of British Columbia, Canada, on March 5, 2007, and since then is required to file with the British Columbia Securities Commission (the "BCSC"), the securities regulatory authority in the Province of British Columbia, Canada, the continuous disclosure documents that it files with the SEC. At 5:30 p.m. (PST) on June 7, 2007, the Company received a cease trade order (the "CTO") from the BCSC, which is limited to the Province of British Columbia, for not filing a technical report under Canadian National Instrument 43-101 *Standards of Disclosure for Mineral Projects* ("NI 43-101") respecting its material property interests and for not disclosing historical mineral resources in its annual report. Under SEC rules, disclosure of historical resources in an annual or other report is prohibited. As a consequence of the CTO the Company is now in communication with the BCSC in order to determine the exact manner in which the Company is able to satisfy the requirements of NI 43-101, as required by the parameters as set forth for foreign issuers under Canadian National Instrument 71-102 *Continuous Disclosure and Other Exemptions relating to Foreign Issuers*.
