These questions and answers may not address all questions that may be important to you as a stockholder of Sono Resources, Inc. Please refer

to the more detailed information contained elsewhere in this Proxy Statement. In this Proxy Statement, the terms "Company," "we," "our," "ours," and "us" refer to Sono Resources, Inc.

Q: Why am I receiving this Proxy Statement?

A: The Company's Board of Directors has determined that it is in the Company's best interests to amend the Company's Articles of Incorporation to increase the Company's authorized share capital. The Company needs the approval of at least a majority of the voting power of the outstanding shares of our common stock in order to amend its Articles of Incorporation. Our Board of Directors is providing this Proxy Statement to give you information for use in determining how to vote on the proposals submitted to the stockholders at the Special Meeting of our stockholders. You should read this Proxy Statement carefully. The enclosed Proxy Card allows you, as our stockholder, to vote your shares without attending the Special Meeting.

Q: When and where is the Special Meeting?

A: The Special Meeting of stockholders will take place at the offices of McMillan LLP, located at Suite 1500, 1055 West Georgia Street, Vancouver, British Columbia, Canada, V6E 4N7, on Thursday, January 19, 2012 at 10:00 a.m. Pacific Time.

Q: What matters will be voted on at the Special Meeting?

A: You will vote on a proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital and a proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies, if necessary or appropriate.

Q: Who can vote or submit a Proxy to vote and attend the Special Meeting?

A: All stockholders as of the close of business on December 19, 2011, the record date for the Special Meeting, are entitled to receive notice of and to attend and vote or submit a Proxy to vote at the Special Meeting. If you want to attend the Special Meeting and your shares are held in an account at a brokerage firm, bank or other nominee, you will need to bring a copy of your voting instruction card or brokerage statement reflecting your stock ownership as of the record date.

Q: What approval of the stockholders of Sono Resources, Inc. is required?

A: The proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital must be approved by the holders of at least a majority of our outstanding shares of common stock. The proposal to adjourn the Special Meeting to solicit additional proxies must be approved by the holders of a majority of the voting power represented at the Special Meeting, provided that a quorum, which, pursuant to our Bylaws, consists of a majority of our outstanding shares entitled to vote at any meeting, is present in person or by proxy.

Q: How does our Board of Directors recommend that I vote?

A: Our Board of Directors recommends that you vote "FOR" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital and "FOR" the proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies, if necessary or appropriate.

Q: Why is our Board of Directors recommending that I vote "FOR" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital?

A: The purpose of the proposed increase in the Company's authorized share capital is to make available additional shares of common stock for issuance for general corporate purposes, including financing activities, without the requirement of further action by the shareholders of the Company. The Board of Directors believes that increasing the authorized number of shares of the common stock of the Company will provide the Company with greater flexibility and allow the issuance of additional shares of common stock in most cases without the expense or delay of seeking further approval from the shareholders. The Company is at all times investigating additional sources of financing which the Board of Directors believes will be in the Company's best interests and in the best interests of the shareholders of the Company.

Q: How many votes am I entitled to cast for each share of Sono Resources, Inc. stock I own?

A: For each share of our common stock that you own on December 19, 2011, the record date for the Special Meeting, you are entitled to cast one vote on each matter voted upon at the Special Meeting.

Q: I don't hold a significant number of Sono Resources, Inc. shares; do I still need to vote my shares?

A: Yes, your vote is important. Since we need the approval of a majority all of our outstanding shares to approve the amendment of the Company's Articles of Incorporation to increase the Company's authorized share capital, your vote is important.

Q: How do I cast my vote?

A: Before you vote, you should read this Proxy Statement in its entirety and carefully consider how the proposed amendment to the Company's Articles of Incorporation to increase the Company's authorized share capital may affect you. Then, if you were a holder of record at the close of business on December 19, 2011, you may vote by submitting a Proxy for the Special Meeting. You can submit your Proxy by completing, signing, dating and returning the enclosed Proxy Card in the accompanying preaddressed envelope. You may also attend the Special Meeting and vote your shares in person whether or not you sign and return your Proxy Card.

-3-

Q: What will happen if I abstain from voting or fail to vote on the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital or the proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies, if necessary?

A: If you abstain from voting, fail to cast your vote in person or by Proxy or fail to give voting instructions to your broker, bank or nominee, it will have the same effect as a vote against the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital and the proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies.

If you sign, date and send your Proxy Card and do not indicate how you want to vote, your Proxy will be voted "FOR" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital and "FOR" the proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies, if necessary, provided that no Proxy that is specifically marked "AGAINST" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital will be voted in favor of the adjournment proposal, unless it is specifically marked "FOR" the adjournment proposal.

Q: How do I cast my vote if my Sono Resources, Inc. shares are held in "street name" by my bank, broker or another nominee?

A: If you hold your shares in "street name," which means your shares are held of record by a broker, bank or nominee, you must provide the record holder of your shares with instructions on how to vote your shares in accordance with the voting directions provided by your broker, bank or nominee. If you do not provide your broker, bank or nominee with instructions on how to vote your shares, it will not be permitted to vote your shares. This will have the same effect as voting against the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital. Please consult your broker, bank or nominee to determine how to submit your voting instructions to the record holder of your shares.

Q: Can I change my vote after I have delivered my Proxy?

A: Yes, you may revoke and change your vote at any time before your Proxy Card is voted at the Special Meeting. You can do this in one of three ways:

- first, you can provide a written notice to us prior to the Special Meeting stating that you would like to revoke your Proxy;
- second, you can complete and submit a later dated Proxy in writing; or
- third, if you are a holder of record, you can attend the Special Meeting and vote in person, which will automatically cancel any Proxy previously given, or you may revoke your Proxy in person; your attendance alone, however, will not revoke any Proxy that you have previously given.

-4-

If you have instructed a broker, bank or other nominee to vote your shares, you must follow the directions received from your broker, bank or other nominee to change those instructions.

Q: What should I do if I receive more than one set of voting materials?

A: You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple Proxy Cards. For example, if you hold your shares in more than one brokerage account, you may receive a set of voting materials for each brokerage account in which you hold shares. If you are a holder of record and your shares are registered in more than one name, you will receive more than one Proxy Card. Please complete, sign, date and return each Proxy Card that you receive.

The Procedure

The proposed amendment to the Company's Articles of Incorporation to increase the Company's authorized share capital requires approval of the Company's shareholders under Nevada corporate law. Pursuant to the Company's Articles of Incorporation and Bylaws and Nevada corporate law, the approval of at least a majority of the voting power of the outstanding shares of our common stock is required in order to approve the amendment to the Company's Articles of Incorporation to effectuate the increase in authorized share capital. The Company will hold a Special Meeting of its stockholders at the offices of McMillan LLP, located at Suite 1500, 1055 West Georgia Street, Vancouver, British Columbia, Canada, V6E 4N7, on Thursday, January 19, 2012 at 10:00 a.m. Pacific Time for the purpose of:

1. considering and voting on a proposal to amend the Company's Articles of Incorporation to increase the Company's authorized shares of common stock from 50,000,000 shares of common stock to 1,000,000,000 shares of common stock with the same par value of \$0.001 per share; and
2. approving the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional Proxies if there are insufficient votes at the time of the Special Meeting to approve the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital.

If you were a holder of record of the Company's shares at the close of business on December 19, 2011, you may vote on these matters by submitting a Proxy for the Special Meeting. You can submit your Proxy by completing, signing, dating and returning the enclosed Proxy Card in the accompanying preaddressed envelope. You may also attend the Special Meeting and vote your shares in person whether or not you sign and return your Proxy Card. -6-

The Record Date

The Board of Directors has fixed the close of business on December 19, 2011, as the record date (the "**Record Date**") for the determination of shareholders entitled to vote on the matters described herein. Only shareholders of the Company as of the Record Date are entitled to tender and submit to the Company written Proxies. As of December 19, 2011, there were **36,153,278** shares of the Company's common stock issued and outstanding. The common stock constitutes the sole outstanding class of voting securities of the Company. Each share of common stock entitles the holder thereof to one vote on all matters submitted to shareholders.

Solicitation of Proxies

Solicitation of Proxies by the Board of Directors will initially be made by mail, but may also be made in person or by mail, telephone, telecopy, telegram, facsimile or other means of communication by directors, officers and regular employees of the Company for no additional or special compensation. In addition, brokerage houses, banks, nominees, trustees, custodians and other fiduciaries may be requested by the Company to forward Proxy solicitation materials for shares of common stock held of record by them to the beneficial owners of such shares, and such fiduciaries will, upon request, be reimbursed by the Company for their reasonable out of pocket expenses incurred in connection therewith. The cost of solicitation of written Proxies to approve and consent to the corporate actions described herein will be borne by the Company.

Effectiveness and Revocation of Proxies

The corporate action authorizing the amendment of our Articles of Incorporation to increase our authorized share capital will be adopted when properly completed, unrevoked Proxies are signed by shareholders of record of Company representing at least a majority of the voting power of the outstanding shares of common stock and submitted to the Company; provided, however, that all Proxies will expire, unless delivered and present to the Company, by the date and time of the Special Meeting, which is Thursday, January 19, 2012 at 10:00 a.m. Pacific Time.

The Company plans to present the results of a successful solicitation with respect to the corporate actions proposed herein as soon as possible. Shareholders are requested to tender and submit their completed Proxy Card to the Company at the following address:

Sono Resources, Inc.

2533 N. Carson Street, Suite 125, Carson City, Nevada 89706
Telephone: (604) 662-7666 and Facsimile: (604) 662-7866

Abstentions and "broker non-votes" (shares held of record by brokers or nominees which are not voted on a particular matter because the broker or nominee has not received voting instructions from the beneficial owner of such shares and does not have discretionary voting power with respect to that matter) will be treated as votes against the corporate actions described herein.

If a Proxy Card is properly signed and returned to the Company on or before the date and time of the Special Meeting, which is Thursday, January 19, 2012 at 10:00 a.m. Pacific Time, unless properly revoked, the shares represented by that Proxy Card will be voted in accordance with the instructions specified thereon. If a Proxy Card is properly signed and returned to the Company

without voting instructions, it will be voted "FOR" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital and "FOR" the proposal to adjourn the Special Meeting for the purpose of soliciting additional Proxies, if necessary, provided that no Proxy that is specifically marked "AGAINST" the proposal to amend the Company's Articles of Incorporation to increase the Company's authorized share capital will

be voted in favor of the adjournment proposal, unless it is specifically marked "FOR" the adjournment proposal.

You may revoke your Proxy Card or change your vote at any time before your Proxy Card is voted at the Special Meeting. You can do this in one of three ways:

- first, you can provide a written notice to us prior to the Special Meeting stating that you would like to revoke your Proxy;
- second, you can complete and submit a later dated Proxy in writing; or
- third, if you are a holder of record, you can attend the Special Meeting and vote in person, which will automatically cancel any Proxy previously given, or you may revoke your Proxy in person; your attendance alone, however, will not revoke any Proxy that you have previously given.

If you have instructed a broker, bank or other nominee to vote your shares, you must follow the directions received from your broker, bank or other nominee to change those instructions.

PROPOSED INCREASE IN AUTHORIZED SHARE CAPITAL

The Board of Directors is seeking shareholder approval to amend the Company's Articles of Incorporation to increase the Company's authorized shares of common stock from 50,000,000 shares of common stock to 1,000,000,000 shares of common stock with the same par value of \$0.001 per share. The purpose of this proposed increase in authorized share capital is to make available additional shares of common stock for issuance for general corporate purposes, including financing activities, without the requirement of further action by the shareholders of the Company. The Board of Directors has considered potential uses of the additional authorized shares of common stock, which may include the seeking of additional equity financing through public or private offerings, establishing additional employee or director equity compensation plans or arrangements or for other general corporate purposes. Increasing the authorized number of shares of the common stock of the Company will provide the Company with greater flexibility and allow the issuance of additional shares of common stock in most cases without the expense or delay of seeking further approval from the shareholders. The Company is at all times investigating additional sources of financing which the Board of Directors believes will be in the Company's best interests and in the best interests of the shareholders of the Company.

The shares of common stock do not carry any pre-emptive rights. The adoption of the amendment to the Company's Articles of Incorporation to increase the Company's authorized share capital will not of itself cause any changes in the Company's capital accounts.

The increase in authorized share capital will not have any immediate effect on the rights of existing shareholders. However, the Board of Directors will have the authority to issue

-8-

authorized shares of common stock without requiring future approval from the shareholders of such issuances, except as may be required by applicable law or exchange regulations. To the extent that additional authorized shares of common stock are issued in the future, they will decrease the existing shareholders' percentage equity ownership interests and, depending upon the price at which such shares of common stock are issued, could be dilutive to the existing shareholders. Any such issuance of additional shares of common stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of common stock of the Company.

One of the effects of the proposed increase in authorized share capital, if adopted, however, may be to enable the Board of Directors to render it more difficult to or discourage an attempt to obtain control of the Company by means

of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board of Directors would, unless prohibited by applicable law, have additional shares of common stock available to effect transactions (including private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company. Such action, however, could discourage an acquisition of the Company which the shareholders of the Company might view as desirable.

The Company has no current plans, proposals or arrangements to issue any of the additional shares that will become authorized share capital of the Company pursuant to the proposed increase in authorized share capital described herein.

Under Nevada law the Company's shareholders are not entitled to appraisal rights with respect to the increase in authorized share capital.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of December 19, 2011, concerning: (i) each person who is known by the Company to be the beneficial owner of more than 5% of the Company's outstanding common stock as well as by each of our current directors and executive officers; and (ii) the beneficial ownership of the Company's outstanding common stock by the Company's directors and officers as a group.
