2015 ANNUAL MEETING OF SHAREHOLDERS

GENERAL INFORMATION

Forward-Looking Information

This Proxy Statement contains forward-looking statements that involve known and unknown risks, significant uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed, or implied, by those forward-looking statements. You can identify forward-looking statements by the use of the words such as "expects", "anticipates", "intends", "plans", "believes", "seeks", "estimates", "may", "will", "should", "could", "predicts", "potential", "proposed", or "continue" or the negative of those terms. These statements are only predictions. In evaluating these statements, you should consider various factors which may cause our actual results to differ materially from any forward-looking statements. Although we believe that the exceptions reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. Therefore, actual results may differ materially and adversely from those expressed in any forward-looking statements due to numerous factors, including, but not limited to, availability of financing for operations, successful performance of operations, impact of competition and other risks detailed below as well as those discussed elsewhere in this Proxy Statement and from time to time in the Company's Securities and Exchange Commission filings and reports. In addition, general economic and market conditions and growth rates could affect such statements. We undertake no obligation to revise or update publicly any forward-looking statements for any reason.

Why am I receiving these materials?

Acacia Diversified Holdings, Inc. (the "Company") has made these materials available to you in connection with the Company's solicitation of proxies for use at the 2015 annual meeting of shareholders (the "Annual Meeting") to be held on Friday, October 23, 2015 at 10:00 a.m. Central Standard Time, and at any postponement(s) or adjournment(s) thereof. The Annual Meeting will be held at the Renaissance Dallas Richardson Hotel, 900 East Lookout Drive, Richardson, TX 75082.

You are invited to attend the Annual Meeting and requested to vote on the proposals described in this proxy statement (the "Proxy Statement").

What is included in these proxy materials?

These proxy materials include:

- The Notice of 2015 Annual Meeting of Shareholders;
- This Proxy Statement for the Annual Meeting; and
-

Edgar Filing: Acacia Diversified Holdings, Inc. - Form PRE 14A

The Company's Annual Report on Form 10-K for the year ended
December 31, 2014 as filed with the Securities and Exchange
Commission (the "SEC") on May 20, 2015 (the "Annual Report").

If you requested printed versions by mail, these proxy materials also include the proxy card or voting instruction form
for the Annual Meeting.

Table of Contents

What items will be voted on at the Annual Meeting?

The Company is aware of four items that shareholders may vote on at the Annual Meeting:

- The election to the Company's Board of Directors (the "Board") of the four nominees named in this Proxy Statement (Proposal No. 1);
- Ratification of the appointment of KWCO, PC as the Company's independent registered public accounting firm for 2015 (Proposal No. 2);
- An advisory resolution to approve executive compensation (Proposal No. 3); and,
- A resolution granting authority to the Company's Board of Directors to act in all matters of review and completion of any potential merger opportunities for the next 12 months without further shareholder approval. (Proposal No. 4).

Will any other business be conducted at the meeting?

Other than the proposals referred to in this Proxy Statement, the Company knows of no other matters to be submitted to the shareholders at the Annual Meeting. If any other matters properly come before the shareholders at the Annual Meeting or any adjournment(s) or postponement(s) thereof, it is the intention of the person named on the proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

What are the Board's voting recommendations?

The Board recommends that you vote your shares:

- "FOR" election of each of the nominees named in this Proxy Statement to the Board (Proposal No. 1);
- "FOR" ratification of the appointment of KWCO, PC as the Company's independent registered public accounting firm for 2015 (Proposal No. 2);
- "FOR" approval of the advisory resolution to approve the Company's executive compensation (Proposal No. 3); and,
- "FOR" granting authority to the Company's Board of Directors to act in all matters of review and completion of any potential merger opportunities for the next 12 months without further shareholder approval. (Proposal No. 4).

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the SEC, the Company uses the Internet as the primary means of furnishing proxy materials to shareholders. Accordingly, the Company is sending a Notice of Internet Availability of Proxy Materials

(the “Notice”) to the Company’s shareholders. All shareholders will have the ability to access the proxy materials on the website referred to in the Notice or request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or how to request a printed copy may be found in the Notice. In addition, shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages shareholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of its annual meetings, and reduce the cost to the Company associated with the physical printing and mailing of materials.

Table of Contents

I share an address with another shareholder, and we received only one paper copy of the proxy materials. How can I obtain an additional copy of the proxy materials?

The Company has adopted an SEC-approved procedure called “householding.” Under this procedure, the Company may deliver a single copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to multiple shareholders who share the same address unless the Company has received contrary instructions from one or more of the shareholders. This procedure reduces the environmental impact of the Company’s annual meetings, and reduces the Company’s printing and mailing costs. Shareholders who participate in householding will continue to receive separate proxy cards. Upon written or oral request, the Company will deliver promptly a separate copy of the Notice and, if applicable, this Proxy Statement and the Annual Report to any shareholder at a shared address to which the Company delivered a single copy of any of these documents.

To receive free of charge a separate copy of the Notice and, if applicable, this Proxy Statement or the Annual Report, or separate copies of any future notice, proxy statement or annual report, shareholders may write or call the Company at the following:

Broadridge Client Services
51 Mercedes Way
Edgewood, NY 11717
(631) 254-7067

If you are receiving more than one copy of the proxy materials at a single address and would like to participate in householding, please contact the Company using the mailing address or phone number above. Shareholders who hold shares in “street name” (as described below) may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to use the Internet to:

- View the Company’s proxy materials for the Annual Meeting; and
- Instruct the Company to send future proxy materials to you by email.

The Company’s proxy materials are also available on the “SEC” tab of the Company’s website at www.acacia.bz. This website address is included for reference only. The information contained on the Company’s website is not incorporated by reference into this Proxy Statement.

Choosing to receive future proxy materials by email will reduce the impact of the Company’s annual meetings on the environment and will save the Company the cost of printing and mailing documents to you. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Who may vote at the Annual Meeting?

Each share of the Company’s common stock has one vote on each matter. Only shareholders of record as of the close of business on August 31, 2015 (the “Record Date”) are entitled to receive notice of, to attend, and to vote at the Annual Meeting. As of the Record Date, there were 12,955,406 shares of the Company’s common stock issued and

outstanding, held by 377 shareholders of record. In addition to shareholders of record of the Company's common stock, beneficial owners of shares held in street name as of the Record Date can vote using the methods described below.

Table of Contents

What is the difference between a shareholder of record and a beneficial owner of shares held in street name?

Shareholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Pacific Stock Transfer Company ("PST"), or if you are listed as a non-objecting beneficial owner ("NOBO") shareholder, you are considered the shareholder of record with respect to those shares, and the Notice was sent directly to you by the Company. As a NOBO shareholder, you have the right to instruct your broker, bank, trustee, or nominee how to vote your shares.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization as an objecting beneficial owner ("OBO") shareholder, then you are the "beneficial owner" of shares held in "street name," and a Notice was forwarded to you by that organization. As an OBO shareholder, you have the right to instruct your broker, bank, trustee, or nominee how to vote your shares.

If I am a shareholder of record of the Company's shares, how do I vote?

If you are a shareholder of record, there are four ways to vote:

- **In person.** You may vote in person at the Annual Meeting by requesting a ballot from an usher when you arrive. You must bring valid picture identification such as a driver's license or passport and may be requested to provide proof of stock ownership as of the Record Date.
- **Via the Internet.** You may vote by proxy via the Internet by following the instructions provided in the Notice.
- **By Telephone.** If you request printed copies of the proxy materials by mail, you will receive a proxy card and you may vote by proxy by calling the toll free number found on the proxy card.
- **By Mail.** If you request printed copies of the proxy materials by mail, you will receive a proxy card and you may vote by proxy by filling out the proxy card and returning it in the envelope provided.

If I am a beneficial owner of shares held in street name, how do I vote?

If you are a beneficial owner of shares held in street name, there are four ways to vote:

- **In person.** If you are a beneficial owner of shares held in street name and wish to vote in person at the Annual Meeting, you must obtain a "legal proxy" from the organization that holds your shares. A legal proxy is a written document that will authorize you to vote your shares held in street name at the Annual Meeting. Please contact the organization that holds your shares for instructions regarding obtaining a legal proxy.

You must bring a copy of the legal proxy to the Annual Meeting and ask for a ballot from an usher when you arrive. You must also bring valid picture identification such as a driver's license or passport. In order for your vote to be counted, you must hand both the copy of the legal proxy and your completed ballot to an usher to be provided to the inspector of election.

- Via the Internet. You may vote by proxy via the Internet by visiting www.proxyvote.com and entering the control number found in your Notice. The availability of Internet voting may depend on the voting process of the organization that holds your shares.
- By Telephone. If you request printed copies of the proxy materials by mail, you will receive a voting instruction form and you may vote by proxy by calling the toll free number found on the voting instruction form. The availability of telephone voting may depend on the voting process of the organization that holds your shares.
- By Mail. If you request printed copies of the proxy materials by mail, you will receive a voting instruction form and you may vote by proxy by filling out the voting instruction form and returning it in the envelope provided.

Table of Contents

What is the quorum requirement for the Annual Meeting?

A majority of the shares entitled to vote at the Annual Meeting must be present at the Annual Meeting in person or by proxy for the transaction of business. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum if you:

- Are entitled to vote and you are present in person at the Annual Meeting;
or
- Have properly voted by proxy on the Internet, or by submitting a proxy card or voting instruction form by mail.

If a quorum is not present, we may propose to adjourn the Annual Meeting to solicit additional proxies.

How are proxies voted?

All shares represented by valid proxies received prior to the taking of the vote at the Annual Meeting will be voted and, where a shareholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the shareholder's instructions.

What happens if I do not give specific voting instructions?

Shareholders of Record. If you are a shareholder of record and you:

- Indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board; or
- Sign and return a proxy card without giving specific voting instructions, then the person named as proxy holders, Steven L. Sample, will vote your shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions then, under applicable rules, the organization that holds your shares may generally vote on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

Which proposals are considered "routine" or "non-routine"?

The ratification of the appointment of KWCO, PC as the Company's independent registered public accounting firm for 2015 (Proposal No. 2) is considered a routine matter under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected in connection with Proposal No. 2.

Each of the other proposals, including the election of directors (Proposal No. 1); the advisory resolution approving the Company's executive compensation (Proposal No. 3); and, the proposal to authorize the Board of Directors to approve a merger with another entity (Proposal No. 4) are considered non-routine matters under applicable rules. A broker or

other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposals No. 1, No. 3, and No. 4.

In the case of non-discretionary items that are currently unknown but which may be added to the meeting agenda, the shares will be treated as “broker non-votes.”

Table of Contents

What is the voting requirement to approve each of the proposals?

Holders of Acacia Common Stock are entitled to one vote for each share held as of the Record Date on all matters to be voted on. The Company's Bylaws provide that except as otherwise provided in the Company's Certificate of Incorporation, in the Bylaws, the rules or regulations of any stock exchange applicable to the Company or by applicable law or regulation, all matters will be decided by the vote of a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on the matter. In the election of directors, the Bylaws provide that the persons receiving the greatest number of votes, up to the number of directors then to be elected, will be the persons elected. Otherwise, the affirmative vote of a majority of the shares of Common Stock outstanding on the Record Date is required to approve Proposals 2, 3, and 4.

This means that, with respect to the uncontested election of directors (Proposal No. 1): (i) the persons receiving the greatest number of votes, up to the number of directors then to be elected, will be the persons elected; and, (ii) a majority of the shares required to constitute a quorum.

With respect to the approvals of Proposals 2 through 4: (i) a majority in voting power of the shares present in person or by proxy and entitled to vote at the Annual Meeting and on the matter; and, (ii) a majority of the shares required to constitute a quorum.

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present. Only "FOR" and "AGAINST" votes are counted for purposes of determining the votes received in connection with each proposal. Broker non-votes and abstentions will have no effect on determining whether the affirmative vote constitutes a majority of the shares present or represented by proxy and voting at the Annual Meeting. However, in each case, the affirmative vote of a majority of the shares necessary to constitute a quorum is also required for approval, and therefore broker non-votes and abstentions could prevent the approval of a proposal because they do not count as affirmative votes.

In order to minimize the number of broker non-votes, the Company encourages you to vote or to provide voting instructions with respect to each proposal to the organization that holds your shares by carefully following the instructions provided in the Notice or voting instruction form.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the taking of the vote at the Annual Meeting. Prior to the applicable cutoff time, you may change your vote using the Internet or telephone methods described above, in which case only your latest Internet or telephone proxy submitted prior to the Annual Meeting will be counted. You may also revoke your proxy and change your vote by signing and returning a new proxy card or voting instruction form dated as of a later date, or by attending the Annual Meeting and voting in person. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you properly vote at the Annual Meeting or specifically request that your prior proxy be revoked by delivering a written notice of revocation to the Company's Secretary at 3512 East Silver Springs Boulevard - #243, Ocala, FL34470 prior to the Annual Meeting.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

- as necessary to meet applicable legal requirements or to assert or defend claims for or against the Company;
- to allow for the tabulation and certification of votes; and
- to facilitate a successful proxy solicitation.

If you write comments on your proxy card or ballot, the proxy card or ballot may be forwarded to the Company's management and the Board to review your comments.

Table of Contents

Where can I find the voting results of the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be tallied by the inspector of election after the taking of the vote at the Annual Meeting. The Company will publish the final voting results in a Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the Annual Meeting.

Who is paying the costs of this proxy solicitation?

The Company is paying the costs of the solicitation of proxies. The Company has retained Broadridge Financial Solutions, Inc. to assist in the distribution of proxy materials and the solicitation of proxies from brokerage firms, banks, broker-dealers or other similar organizations representing beneficial owners of shares for the Annual Meeting. Broadridge may be contacted at (631) 254-7067.

The Company must also pay brokerage firms, banks, broker-dealers or other similar organizations representing beneficial owners of shares held in street name certain fees associated with:

- Forwarding the Notice to beneficial owners;
- Forwarding printed proxy materials by mail to beneficial owners who specifically request them; and
- Obtaining beneficial owners' voting instructions.

In addition to solicitations by mail, the proxy solicitor and certain of the Company's directors, officers, and employees, without additional compensation, may solicit proxies on the Company's behalf in person, by telephone, or by electronic communication.

What is the Company's fiscal year?

The Company's fiscal year is the 52- or 53-week period that ends on December 31st each year. Unless otherwise stated, all information presented in this Proxy Statement is based on the Company's fiscal calendar.

How can I attend the Annual Meeting?

Only shareholders as of the Record Date are entitled to attend the Annual Meeting. Admission will be on a first-come, first-served basis. Admission will begin at 12:30 p.m. Central Standard Time on the date of the Annual Meeting, and each shareholder must present valid picture identification such as a driver's license or passport and, if asked, provide proof of stock ownership as of the Record Date. The use of mobile phones, pagers, recording or photographic equipment, tablets, or computers is not permitted at the Annual Meeting except by Directors and Executive Officers of the Company and their designees.

What is the deadline to propose actions for consideration or to nominate individuals to serve as directors at the 2016 annual meeting of shareholders?

In order to be included in Acacia's proxy materials for the 2016 annual meeting, any proposal must be received by January 31, 2016 and otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act.

For nominations or other business to be properly brought before the meeting by a stockholder, a stockholder must provide written notice delivered to the Secretary of Acacia no less than ninety (90) nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting. The notice must contain specified information and representations concerning the stockholder (and the beneficial owner, if any, on whose behalf the nomination or proposal is made), the nominee(s) or other business. However, in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, the stockholder must deliver the notice not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company. Notwithstanding compliance with the foregoing advance notice provisions, unless required by applicable law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting, to present the nomination or other business, the nomination will be disregarded and other business will not be transacted, notwithstanding that proxies in respect of the nomination or other business may have been received by the Company. All notices of nominations or proposals by stockholders, whether or not to be included in the Company's proxy materials, should be mailed to the current mailing address of the Company, Attention: Secretary.

Steven L. Sample, age 68, became a director and officer of the Company in August 2006 when he was named as a Director and Chief Executive Officer. From January 2004 through December 2005, he served as Executive Director of Sales for ADESA Corporation, the second-largest automobile auctions conglomerate in North America, at which time he left ADESA to draft the business plan for his Acacia Automotive concept. From January 2002 through December 2003, he was the General Sales Manager of ADESA's Ocala, Florida Auto Auction where he was credited for a loss-to-profit turnaround of approximately \$1.75 million in the first ten months 2002 versus 2001, followed by continually growing profitability in ensuing years. From September 1990 through December 2001, he was employed by Mid-America Auto Auction, an Anglo-American Auto Auctions company (later being acquired by ADT and renamed ADT Automotive Auctions), which was again acquired by Manheim Auctions in 2000, with Mr. Sample serving as General Sales Manager and in other strategic capacities. Prior to that time, Mr. Sample managed a number of automotive dealerships in various capacities representing the big three U.S. automakers and such notable imports as Lamborghini, Maserati, Volkswagen, AMG, and others.

Most recently, Mr. Sample led the Company to its 2007 acquisition and subsequent sale of its auto auction assets in 2012 and the 2013 acquisition and subsequent sale of its food ingredient manufacturing and transport subsidiary assets in 2015.

Mr. Sample continues to reside in Florida with his wife of 40 years, Gwendolyn, a certified public accountant. They have two grown sons.

Danny R. Gibbs, age 58 was reappointed to the Board of Directors on September 1, 2013 after originally serving from October of 1984 through September 29, 2011. Mr. Gibbs was the President of Gibbs Construction, Inc. (later becoming Acacia Automotive, Inc. and ultimately Acacia Diversified Holdings, Inc.) and a charter member of the Company's Board of Directors beginning with its formation in October of 1984 until April of 2000, and in February of 2007 Mr. Gibbs agreed to serve on Acacia's new board, where he served until September 29, 2011. The Company was most pleased to welcome Mr. Gibbs' return to its Board of Directors as he brings decades of experience in the public domain. From 2000 through 2003, Mr. Gibbs served as Senior Project Manager for TOC Companies in the Dallas, Texas area. From the beginning of 2004 through the present, he has served in a similar capacity with Dimensional Construction, Inc. Both companies were located in Garland, Texas where Mr. Gibbs resides with his family.

V. Weldon Hewitt, age 78 was reappointed to the Board of Directors on September 1, 2013 after originally serving from February 1, 2007 through September 29, 2011. Mr. Hewitt has served as President and CEO of Hewitt Marketing since 1985, where he has been instrumental in establishing numerous OEM supplier contracts providing radios and other media devices and electronics, mobile cellular telephones, power-actuated equipment and accessories to many major vehicle manufacturers. Prior to that time, Mr. Hewitt founded and served as CEO of a manufacturing concern with annual sales of more than \$20 Million in audio sound systems for the luxury car market. His extensive experience in providing a wide variety of products and services to the automotive industry spans more than four decades. Mr. Hewitt resides near Louisville, Kentucky with his family.

Dan L. Rigdon, age 66. On September 1, 2013, Mr. Rigdon was appointed to the Company's Board of Directors. For the past 32 years Mr. Rigdon has served as Senior Pastor and most recently, Pastor Emeritus, in the Dallas Metroplex and has held numerous officer and director positions with a variety of organizations. At the age of 24, Reverend Rigdon was elected Executive Vice President of Christian Life College in Stockton, California after which he was elected Director of Promotions and Publications for the Youth Division of the United Pentecostal Church International ("UPCI"). Following that assignment, Reverend Rigdon was elected to the position of General Youth Secretary of UPCI, an organization of more than 9,800 ministers, ultimately being elected to General Youth President of that organization. Following his tenure as General Youth President of UPCI, Reverend Rigdon was elected President of

Christian Life College, Stockton, California. Reverend Rigdon was also a major contributor in the envisioning and formation of "Compassion Services International", serving as a driving force in the development of its philosophy and scope of endeavor and served as Chairman of its first Board of Directors in the early 1980's. For the past six years Reverend Rigdon has served on the Board of Directors of Natural Citrus Products Corporation.

Corporate Governance

Board Leadership Structure

The Board believes its current leadership structure best serves the objectives of the Board's oversight of management, the Board's ability to carry out its roles and responsibilities on behalf of the shareholders, and the Company's overall corporate governance.

Board Committees

The Board has a standing Audit Committee, Compensation Committee, Nominating Committee and Primary Committee that oversees, approves, and directs the issuance of shares, options, and warrants for compensation and services. The Board has determined that the Chairs and all non-employee committee members are independent under applicable NASDAQ, NYSE, and SEC rules for committee memberships. The members of the committees are shown in the table below. The Company's CEO is the only director considered to be "not independent".

The table below reflects each of the directors and the committee(s) on which they serve. A committee member who is also the chair of that committee is designated as "Chair" rather than as "Member".

Director Name	Audit Committee	Compensation Committee	Nominating Committee	Primary Committee
Steven L. Sample	—	—	Member	Member
Danny R. Gibbs	Chair	Member	—	Chair
V. Weldon Hewitt	Member	Chair	Member	Member

Audit Committee

As a result of the untimely passing of Director David Sadler on June 2, 2014 as reported in an 8-K dated June 13, 2014, and as a further result of the fact that Dr. Sadler was a member of the Company's Audit Committee and its Chairman and Financial Expert, we considered that committee to be incomplete and ineffective and as such we did not have an audit committee until appointment of his replacement at a meeting of the Board of Directors on June 9, 2015, after which the full Audit Committee and chairman was empowered to sit. As such, the Audit Committee did not meet in 2014. Therefore, shareholders were made to rely on the entire board of directors to perform those functions during that period.

The Audit Committee has not yet adopted a written charter. However, the Audit Committee has (i) reviewed and discussed the audited financial statements with management; (ii) discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board ("PCAOB"); (iii) received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented; (iv) discussed with the independent accountant the independent accountant's independence; and (v) recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K.

The Company believes the Audit Committee should be responsible primarily for assisting the Board in fulfilling its oversight and monitoring responsibility of reviewing the financial information provided to shareholders and others, appointing the independent registered public accounting firm, reviewing the services performed by the Company's independent registered public accounting firm, evaluating the Company's accounting policies and the system of

internal controls established by management and the Board, and reviewing significant financial transactions, and will review those functions following the Annual Meeting. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements.

Primary Committee

Further to Dr. Sadler's passing, the Company considered the loss of his sitting on the Primary Committee for administration of its 2012 Stock Incentive Plan to have rendered that committee incomplete and ineffective, and as such we did not have a Primary Committee for administration of our 2012 Stock Incentive Plan until the same meeting of the Board of Directors on June 9, 2015. Additionally, in 2014 there was no business for the Primary Committee to review. As such, the Primary Committee did not meet in 2014. Therefore, shareholders were also made to rely on the entire board of directors to perform those functions during that period.

The Corporation's Board of Directors determined that it is in the best interests of the Corporation to discontinue its Acacia Diversified Holdings, Inc. 2012 Stock Incentive Plan in its entirety, continuing to honor any shares, options, or warrants heretofore issued under the Plan. The Corporation's Primary Committee has full authority to issue shares, options, and warrants as it deems necessary without the Acacia Diversified Holdings, Inc. 2012 Stock Incentive Plan, and unanimously approved those actions in a meeting of the Board of Directors on June 9, 2015. Those actions were ratified in a Special Meeting of Shareholders of the Corporation by the written consent of more than 66.67% of the shareholders on June 29, 2015.

Compensation Committee

The Compensation Committee is responsible primarily for reviewing the compensation arrangements for the Company's executive officers, including the CEO, and reviewing the Board's compensation. It is authorized by the Board of Directors to approve compensation arrangements and employment agreements. The only employment agreement currently in place is that of the Company's CEO, which agreement was also ratified by the shareholders of the Company in a Special Meeting of June 29, 2015. That agreement expires on December 31, 2019. The Compensation Committee had no business to conduct in 2014, and as such did not meet.

Nominating Committee

The Nominating Committee assists the Board in identifying qualified individuals to become directors and can make recommendations to the Board concerning the size, structure and composition of the Board and its committees. In evaluating potential nominees to the Board, the Nominating Committee considers, among other things, independence, character, ability to exercise sound judgment, demonstrated leadership skills, and experience in the context of the needs of the Board.. The Nominating Committee can consider candidates proposed by shareholders and would evaluate them using the same criteria as for other candidates. The Nominating Committee in a meeting of the Board of Directors held on June 9, 2015, recommended to the full Board each of the nominees named in this Proxy Statement for election to the Board, after which the full Board of Directors unanimously ratified the committee's recommendations. The Nominating Committee had no business to conduct in 2014, and as such did not meet.

During 2014, each member of the Board attended or participated in 100% of the aggregate of (i) the total number of meetings of the Board (held during the period for which such person has been a director) and (ii) the total number of meetings held by each committee of the Board on which such person served (during the periods that such person served), whether telephonically or in person, and whether in meetings or by unanimous written consent in lieu of meetings.

There are no family relationships among the Company's executive officers and directors.

Board Oversight of Risk Management

The Company believes that evaluating how the executive team manages the various risks confronting the Company is one of its most important areas of oversight. As such, the Company anticipates its Board of Directors will assume this critical responsibility by designating one of its committees with primary responsibility for overseeing enterprise risk management at its annual meeting following the Annual Meeting of Shareholders. In fulfilling its oversight responsibilities with regard to risks inherent in the Company's business, including the identification, assessment, management, and monitoring of those risks, and risk management decisions, practices and activities of the Company, that Committee may be appoint and/or be assisted by a Risk Oversight Committee consisting of key members of management, currently being the Company's Chief Executive Officer who also acts as the Company's Principal Financial Officer.

In accordance with this responsibility, the Company will propose that the assigned committee monitor the Company's major financial, operational, privacy, security, business continuity, legal and regulatory, and reputational exposures, and review the steps management has taken to monitor and control these exposures. With respect to privacy and data security, that committee's oversight may include, among other things: (i) review of reports from a Chief Compliance Officer that may be appointed and other members of the proposed Risk Oversight Committee; and (ii) review of management's report on the results of the Company's annual privacy assessment. The Company will propose that the assigned committee discusses these topics with the full Board at appropriate meetings.

In establishing and reviewing the Company's executive compensation program, the Compensation Committee will consider whether the program encourages unnecessary or excessive risk-taking. Executives' base salaries are fixed in amount and thus do not encourage risk-taking. Cash bonuses are currently capped, and if incentive bonuses are implemented, they will be tied to individual and/or overall corporate performance. The Compensation Committee believes that such awards would not encourage unnecessary or excessive risk-taking.

Code of Ethics

Given that the Company has had only limited operating history, the Company has not adopted a Code of Ethics for the principal executive officer, principal financial officer, or principal accounting officer.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon the Company's review of forms filed by directors, officers and beneficial owners of more than ten percent of the Company's Common Stock ("Section 16 Reporting Persons") pursuant to Section 16 of the Securities Exchange Act and written representations, the Company is not aware of any failures by the Section 16 Reporting Persons to file on a timely basis the forms required to be filed by them pursuant to Section 16 of the Securities Exchange Act during the most recent fiscal year, except that due to technical issues and administrative oversight on the part of the Company, Steven L. Sample, the Company's CEO, did not timely report his September 3, 2014 gifting of shares to family members and one other person or the purchase of 765 shares of Acacia Common stock for the aggregate purchase price of \$428.35 between January 6 and May 28 of this year, which oversight and error was determined and corrected on July 16, 2015.

Transactions with Related Persons

From 2007 through the end of its fiscal 2010, the Company granted 10,000 common stock purchase options to each of its outside directors upon their appointment in accordance to the Acacia Automotive, Inc. 2007 Stock Incentive Plan. Additionally, 15,000 common share purchase options were granted to each eligible director for each year of elected annual service to the Company, as well as other options for services on committees of the board of directors or for acting as chairs thereof. On December 30, 2010, the Company's board of directors voted to temporarily suspend director compensation, including the issuance of common stock purchase options, to its members effective January 1, 2011. That suspension of director compensation has not yet been terminated. As such, the Company did not issue any common stock purchase options in 2014 and 2013.

The Company has determined that all Board members, excluding Mr. Sample, are independent under the applicable NASDAQ, NYSE, and SEC rules. In making these determinations, the Company considered the types and amounts of the commercial dealings between the Company and the companies and organizations with which the directors are affiliated.

Attendance of Directors at Meetings in Fiscal 2014 and at the 2015 Annual Meeting of Shareholders

In 2014 the Company held three meetings of the board of directors in the form of unanimous written consents in lieu of meetings. Texas law allows that the execution of such written consents and any resolutions adopted thereby shall then be consented to, approved of and adopted to the same extent and to have the same force and effect as if adopted at a meeting of the board of directors duly called and held for the purpose of acting upon proposals to adopt such resolutions. At each of those meetings, all members of the board of directors attended. As such, the Company considers the attendance of its directors at meetings to be 100%.

The Company expects and anticipates all of its directors will attend its 2015 Annual Meeting of Shareholders.

Compensation Committee Interlocks and Insider Participation

Mr. Hewitt, Mr. Rigdon, and Mr. Gibbs were the members of the Compensation Committee during 2014. None of the members of the Compensation Committee is or has been* an executive officer of the Company, nor did they have any relationships requiring disclosure by the Company under Item 404 of Regulation S-K. None of the Company's executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, an executive officer of which served as a director of the Company or member of the Compensation Committee during 2014.

* Mr. Gibbs served as an executive officer of the Company from 1984 through 2000 when it operated as Gibbs Construction, Inc. The Company does not believe that past service with the Company serves as a bar to his current independence with the Board of Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Performance Highlights

The Company continues to review opportunities for mergers or acquisitions in an effort to bring share value. 2014 was a favorable year for operations at its subsidiaries, but still failed to generate sufficient revenues to provide a consolidated profit to the Company. However, the Company narrowed its consolidated loss to about \$152,000 in 2014 from about \$683,000 in 2013. The 2013 loss was larger than usual due to the absence of revenue producing operations until July 10, 2013, when it acquired the assets to start its Citrus Extracts, Inc. ("CEI") subsidiary. In 2014, the Company generated a net income of about \$406,000 from CEI before charging intracompany management fees compared to a net loss of about \$147,000 in 2013. In mid-2014, the also started its Acacia Transport Services, Inc. ("ATS") subsidiary that had a net loss of about \$35,000 for the year.

In the six months ended June 30, 2015 the Company generated a consolidated net income about \$993,000 based in large part from the gain on discontinued operations following a beneficial cash sale of certain assets and the related businesses of CEI and ATS while enjoying a positive net cash flow of about \$875,000 in the same period.

The Company believes the compensation program for the named executive officers has been instrumental in helping the Company continue forward as a going and functioning concern.

Executive Summary

The Company's goal for its executive compensation program is to attract, motivate, and retain a talented, entrepreneurial, and creative team of executives who will provide leadership for the Company's success in dynamic and competitive markets. The Company seeks to accomplish this goal in a way that rewards performance and is aligned with its shareholders' long-term interests.

The Company's named executive officers for 2014 were:

Steven L.
Sample

Chief Executive Officer

Patricia Ann
Arnold

Secretary

In 2014, the Compensation Committee did not conduct a comprehensive review of the Company's executive compensation program, since its only compensated executive officer was its CEO, and the CEO was under an Employment Agreement ratified in 2012 by the Board of Directors and approved by the shareholders of the Company at a Special Meeting on July 26, 2012. In June of 2015 the Compensation Committee determined to extend the term of the CEO's Employment Agreement by two years with all other conditions unchanged, now set to expire on December 31, 2019. Following those actions by the Compensation Committee, the CEO's compensation was approved by the shareholders of the Company in a Special Meeting of June 29, 2015.

Discretion and Judgment of the Compensation Committee

The Compensation Committee determines all compensation for the named executive officers. While the Company's only current paid executive officer is under an Employment Agreement until 2019, the Compensation Committee may

elect to conduct an evaluation of him (and any newly-hired executive officer) to determine if any changes in the officer's compensation would be appropriate based on the considerations described below.

The Role of Peer Companies and Benchmarking. Insofar as the Company is considered small, has had limited operations during the years 2012 through 2014, is currently without revenue-producing operations following the sale of its subsidiaries in June of 2015, and cannot reasonably compare itself to publicly traded peer companies for compensation purposes, the Compensation Committee does not believe it can reasonable rely upon peer company comparisons for benchmarking its compensation decisions. As such, it relies upon other factors in its decisions regarding executive compensation.

Table of Contents

General Compensation Philosophy and Objectives. The role of the Compensation Committee of the Company's Board of Directors is to determine the salaries and other compensation of the executive officers (including the named executive officers listed in the 2014 Executive Compensation table included in this Proxy Statement).

The Company's compensation philosophy relates in particular to one executive officer, its CEO. That philosophy is to relate compensation to corporate performance and efforts to increase stockholder value, while providing a total compensation opportunity that is competitive and enables the Company to attract, motivate, reward and retain key executives and employees. Accordingly, our Chief Executive Officer's compensation package as included in his Employment Agreement is comprised of the following elements:

- base annual salary that is designed primarily to reflect individual responsibilities and be competitive with base annual salary levels at which the Company competes for executive personnel; and,
- annual bonus awards at a guaranteed minimum level but further tied to the achievement of performance goals, financial or otherwise.
- perquisites incidental to salary and bonus compensations

Additionally, the Company's Chief Executive Officer may also be entitled to severance payments in the event of termination of employment and other benefits and perquisites, which are discussed below.

Compensation decisions are designed to promote the Company's business objectives and strategy and enable the Company to attract, retain and motivate qualified executive officers who are able to contribute to the Company's long-term success. Among the factors considered by the Company in determining executive officer compensation are the ability to recruit individuals with the necessary talents and the need to retain and motivate the Company's employees. The Company considers the competitive market for executives in setting each element of compensation indicated above. However, the Company does not attempt to set each compensation element within a particular range related to levels provided by comparable companies. Rather, the Company uses market comparisons as one factor in making compensation decisions. The Company also considers other factors in making individual executive compensation decisions, including individual contribution and performance, management skills, internal pay equity, the undertaking of new roles and responsibilities, importance of the executive's role and responsibilities to the Company's future success and the executive's experience, including prior work experience, length of service to the Company, leadership and growth potential. The Company also takes into consideration such things as the Chief Executive Officer's role in seeking and completing acquisitions; negotiating and finalizing the sales of assets; arranging for or directly providing liquidity to the Company through his personal capital infusions, personal financial guarantees, deferral of his earned compensations, and other pertinent actions.

Under the Company's executive compensation structure, the mix of base annual salary, annual bonus awards and perquisites is considered necessary to assure the continued participation of dedicated, skilled, and knowledgeable management in key positions. In allocating compensation among these elements, the Company believes that the compensation of members of senior management who have the greatest ability to influence the Company's performance should have the potential to keep and retain them in their position(s). The mix of compensation determined by the Company between base annual salary compensation, incentive compensation, and perquisites is determined separately and may contain arbitrary assumptions the Board of Directors finds beneficial or acceptable to its mission.

For 2014 the Company determined the compensation of the Company's named executive officers, as identified below in the "Summary Compensation Table", to be in accordance with the compensation description above. These decisions

were made in the context of an improving economy in general and the specific success of the Company's CEO in bringing its initial Augusta Auto Auction subsidiary to profitability and then arranging for a beneficial cash sale in 2012, as well as bringing its Citrus Extracts, Inc. and Acacia Transport Services, Inc. subsidiaries to joint profitability and then arranging for a beneficial cash sale of certain assets and the related businesses of those subsidiaries. The Company generated a consolidated net income of about \$993,000 for the six months ended June 30, 2015 following the combined operating profitability at its CEI and ATS subsidiaries coupled with profits related to discontinued operations from the sale of assets of those subsidiaries on June 29, 2015.

Table of Contents

The Role of Salary, Bonuses, Equity Compensation, Perquisites, and Benefits

Base Annual Salary. The objective of base salary is to secure and retain the services of the Company's executive officers and reflect job responsibilities, individual performance, market competitiveness, the value of such services to the Company's business and the size of the Company's business. Salaries for executive officers are determined on an individual basis by evaluating each executive's scope of responsibility, performance, prior experience and salary history, as well as other information. The Compensation Committee also considers the recommendations of the Chief Executive Officer. The Chief Executive Officer is not present during any voting or deliberations by the Compensation Committee with respect to his own compensation.

Annual Non-Equity Bonus Compensation. The Company's compensation structure provides for the opportunity for its executive officers to be awarded annual bonus incentive compensation pursuant to the Employment Agreement of the officer(s). Annual Incentive Bonus awards are ultimately made at the sole discretion of the Compensation Committee. The objective of the annual incentive compensation awards under these plans is to enhance retention and motivate executives to achieve specific goals that may be established by the Compensation Committee. As a result of the CEO's determination to not seek additional bonus compensations at this stage in the Company's development, the Compensation Committee has not yet set performance goals relating to bonus opportunities. At such time as the committee does determine to establish these goals, they may consist of any or all of the following: (i) Company-wide performance goals; (ii) specific individual goals that are intended to advance the Company's business and create long-term stockholder value and (iii) overall individual performance. The Compensation Committee may from time to time also consider various other discretionary, retention, or incentive compensation alternatives for the Company's executive officers.

Equity Compensation. Common stock purchase options typically had been granted to Directors in lieu of cash compensations, and have been granted to employees, and certain officers. In addition, the Company sometimes awards common stock purchase options or restricted shares of its Common stock for services. The Primary Committee of the Board of Directors oversees the issuance of options and stock awards. This was originally performed under the Acacia Automotive, Inc. 2007 Stock Incentive Plan, and subsequently under the newer Acacia Diversified Holdings, Inc. 2012 Stock Incentive Plan. However, the 2012 Stock Incentive Plan was discontinued following the recommendation of the Company's Board of Directors and the ratification and approval thereof by the Company's shareholders at the Special Meeting thereof held on June 29, 2015. The Company, its auditors, and its legal counsel had determined that it could effect the issuances of Common stock purchase options, Common stock purchase warrants, and Shares of its capital stock without the need for a stock incentive plan. The Company's CEO has, by his own choice, been excluded from equity compensation programs since he joined the Company on January 1, 2006.

Executive Perquisites and Benefits. Except as discussed below, full-time executive officers are typically eligible to participate in employee benefit plans that are generally available to all full-time employees of the Parent Company on the same terms.

The Company's CEO has been the only full-time executive officer employed by the Parent Corporation since the latter part of 2010. Being the only employee in the covered class, he has been awarded with benefits pursuant to his Employment Agreement and the approval of the Board of Directors effective as of January 1, 2011 and continuing through the present.

Under the terms of his Employment Agreement with the Company, Mr. Sample receives or is eligible to receive certain perquisites and benefits in which he is to generally be entitled to all ordinary and customary perquisites afforded generally to executive employees of a small public Company as well as certain other benefits set forth in the agreement, including: medical and other benefits, insurance, business expenses, relocation expenses, memberships, legal reimbursements, certain travel benefits, and paid vacations. The Company also provided automobiles, or

allowances in lieu thereof, to Mr. Sample in 2014 and 2013, the value of which was less than \$10,000 per year.

The terms of Mr. Sample's Employment Agreement also call for him to be recommended for continuous service on the Board by the Board and/or the Board's Corporate Governance and Nominations Committee and shall be placed on the ballot and recommended for nomination to re-election by the Company's stockholders consistent with and subject to the Company's certificate of incorporation.

Table of Contents

The following table sets forth certain information concerning the compensation earned and accrued during the years ended December 31, 2014 and 2013 by the Company's Chief Executive Officer, for whom disclosure is required:

To again assist with the Company's liquidity, Mr. Sample agreed to defer portions of his salary and employment bonus compensation in 2014 and 2013 pending an outcome that would provide sufficient capital to the Company such that it could settle past due compensation obligations. All accrued compensation due to Mr. Sample was paid in July of 2015, and an additional amount was paid to him on August 4, 2015 as a special bonus to correct for errors in accruals from 2010 until that time. (See Note 2 to Summary Compensation Table above.) The Company has not paid any compensation to Mr. Sample in the form of common or preferred stock or stock options, and there is currently no plan to do so.

Grants of Plan-Based Awards

In actions of June 29, 2015 the Company eliminated its 2012 Acacia Diversified Holdings, Inc. Stock Incentive Plan. Prior to dissolution of that Plan, the Company had issued certain grants of options to its Executive Officer, namely its Secretary, but none to its CEO or others. In addition, no new options have been issued since 2010. The following tables set forth summaries of those grants.

Those warrants have a weighted average exercise price of \$3.00 per share and are set to expire December 30, 2016.

(2) These options remain outstanding as of the date of the 2015 Annual Meeting.

No new options have been issued since 2010.

EMPLOYMENT AGREEMENTS

The Company currently has one employment agreement with its CEO, Steven L. Sample (the “Executive”). In January 2011, the Compensation Committee, in seeking to protect the Company’s interests by retaining his future services, awarded its CEO with an employment agreement. That change was intended to recognize the responsibilities assigned to him, the special efforts he made to assist the Company, and to incentivize him to continue leading the Company into the future.

General Terms

Under the terms of the Employment Agreement, the Executive is entitled to all customary benefits afforded generally to executive officers of the Company, including any qualified or non-qualified pension, profit sharing and savings plans, any death benefit and disability benefit plans, life insurance coverages, any medical, dental, health and welfare plans or insurance coverages and any stock purchase programs that are approved in writing by the Board of Directors. The Company will pay or reimburse the Executive for all reasonable business expenses incurred while employed by the Company. The Employment Agreement with the Executive also provides for specified payments and continuation of benefits in the event of a termination of the his employment with the Company by the Company without cause or by the Executive for good reason, including any such termination in connection with a change in control of the Company.

That original Employment Agreement was amended as of July 26, 2012, becoming the First Amended Employment Agreement. The term of the First Amended Employment Agreement was extended by two additional years as of June 29, 2015. Mr. Sample’s current Employment Agreement is referred to in this Proxy Statement as the “Employment Agreement”.

The First Amended Employment Agreement was approved by the Board of Directors and ratified by the shareholders of the Company in a Special Meeting thereof held on July 26, 2012 extended the term of the agreement to expire on

December 31, 2017. In June of 2015 the Compensation Committee voted unanimously to extend the term of the First Emended Employment Agreement by an additional two years, now set to expire on December 31, 2019, with all other terms and conditions unchanged. Following those actions, the shareholders of the Company ratified the CEO's Employment Agreement in a Special Meeting of Shareholders on June 29, 2015 by a majority of more than 66.67% of the votes eligible to be cast.

Table of Contents

Salary and Bonus

Mr. Sample's first Employment Agreement of January 1, 2011 initially increased his base annual salary from \$150,000 to \$185,000, with an annual increase to his base salary of \$10,000. The 2011 change was the first increase to Mr. Sample's salary since he joined the Company January 1, 2006. The Employment was modified and extended by the Company's Compensation Committee on July 26, 2012

Under the terms of the First Amended Employment Agreement, the current agreement under which Mr. Sample serves, he was entitled to an annual base salary of \$205,000 and \$215,000 for the years ending December 31, 2013 and 2014, respectively. That information, together with other related information, is reflected in the Summary Compensation Table above.

Mr. Sample is also to receive an annual incentive bonus compensation opportunity targeted at a minimum of 35% of his annual base salary and larger amounts based upon annual performance goals and the achievement of those goals, as may be established and determined by the Compensation Committee.

In June of 2015 the Compensation Committee further extended Mr. Sample's current Employment Agreement to now expire on December 31, 2019, with all other terms and conditions unchanged. The shareholders of the Company ratified those actions in a Special Meeting of Shareholders June 29, 2015.

Mr. Sample has not been granted any equity compensation except that on January 1, 2011, in accordance with the terms of his Employment Agreement, he was to be granted 200,000 Common stock purchase options 39 months after the effective date of the agreement. However, Mr. Sample declined the issuance thereof.

Potential Payments Upon Termination or Change in Control

As described under "Executive Compensation", "Cause" and "Good Reason" are defined in Mr. Sample's Employment Agreement. "Cause" generally means an act of fraud or material dishonesty; gross misconduct; failure to follow the lawful direction of the CEO or Board; failure to perform material duties for the Company; or material breach of a Company policy. "Good Reason" generally means a material change in duties or responsibilities; a change in the reporting structure such that Mr. Sample is placed in a different position with the Company; a material change in primary work location; or a breach by the Company of any of its material commitments in connection with Mr. Sample's employment.

Aside from the arrangements with Mr. Sample, which were offered to encourage him to stay with the Company on a long-term basis, the Company does not maintain any similar plans or arrangements with others that provide for cash severance or other cash payments in connection with a termination of the of employment with the Company or a change in control of the Company.

Risk Considerations. The Compensation Committee considers, in establishing and reviewing executive compensation, whether the program encourages unnecessary or excessive risk taking and has concluded that it does not.

Tax Deductibility of Compensation Expense. Section 162(m) of the Internal Revenue Code (the "Code") places a \$1 million limit on the amount of compensation the Company can deduct in any one year for compensation paid to the chief executive officer and the three most highly-compensated executive officers employed by the Company at the end of the year. However, the \$1 million deduction limit generally does not apply to compensation that is performance-based and provided under a shareholder-approved plan. While the Compensation Committee would consider the deductibility of awards as one factor in determining executive compensation, the Compensation Committee also would look at other factors in making its decisions, as noted above, and retains the flexibility to grant

awards it determines to be consistent with the Company's goal for its executive compensation program even if the award is not deductible by the Company for tax purposes.

The Company has never paid \$1 million or more compensation to any employee, and has no plans to do so, and does not therefore give consideration to the absence of tax deductibility of its awards.

Consideration of Say-on-Pay Vote Results. Publicly traded companies subject to the federal proxy rules are required to provide shareholders with an advisory vote on executive compensation. In particular, these say-on-pay votes are required at least once every three years beginning with the first annual shareholders' meeting taking place on or after implementation of the rule. January 21, 2011. Prior to submission of the Say-on-Pay proposal at this meeting, the Employment Agreement of the Company's CEO, its only employee falling under the purview of executive compensation disclosures, was approved by a majority of the shareholders of the Company at a Special Meeting of Shareholders on July 26, 2012. In June of 2015 the Company's Compensation Committee and its Board of Directors extended the CEO's Employment Agreement by an additional two years, with all other terms and conditions unchanged, following which the Company again received the approval by a majority of its shareholders in a Special Meeting thereof on June 29, 2015. As such, the Company believes it has been compliant in its obligations by its voluntary and preemptive actions with regard to executive compensation. Beginning with this Annual Meeting of Shareholders, the Company will provide its shareholders with the opportunity to cast an advisory vote on executive compensation. The Compensation Committee will consider the results of the Company's Say-on-Pay votes at this Annual Meeting when making future compensation decisions for its executive officers. As a result of the Company's small size and limited operations, it has elected to provide the Say-on-Pay vote opportunity to its shareholders triennially rather than annually, with the next scheduled inclusion to be at the Annual Meeting of Shareholders in 2018.

FUTURE STOCKHOLDER NOMINATIONS AND PROPOSALS

In order to be included in Acacia's proxy materials for the 2016 annual meeting, any proposal must be received by January 31, 2016 and otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act.

For nominations or other business to be properly brought before the meeting by a stockholder, a stockholder must provide written notice delivered to the Secretary of Acacia no less than ninety (90) nor more than one hundred twenty (120) days prior to the anniversary date of the immediately preceding annual meeting. The notice must contain specified information and representations concerning the stockholder (and the beneficial owner, if any, on whose behalf the nomination or proposal is made), the nominee(s) or other business. However, in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, the stockholder must deliver the notice not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Company. Notwithstanding compliance with the foregoing advance notice provisions, unless required by applicable law, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting, to present the nomination or other business, the nomination will be disregarded and other business will not be transacted, notwithstanding that proxies in respect of the nomination or other business may have been received by the Company. All notices of nominations or proposals by stockholders, whether or not to be included in the Company's proxy materials, should be mailed to the current mailing address of the Company, Attention: Secretary.

NO DISSENTERS RIGHTS

Under Texas law, shareholders are not entitled to dissenters' rights with respect to any of the transactions described in this Proxy Statement.

Acacia reserves the right to reject, rule out of order, or take other appropriate action with respect to any nominations or proposals that do not comply with these and other applicable requirements.

PROPOSALS

Overview of Proposals

This Proxy Statement contains four proposals requiring shareholder action:

1. To elect four (4) Directors;
2. To ratify the appointment of KWCO, PC as the Company's independent registered public accounting firm for 2015;
3. To vote on an advisory resolution to approve executive compensation;
4. To approve for twelve months any potential future merger of the Company with another qualified entity as determined and approved solely by the Company's Board of Directors; and,

The Company may also transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Each proposal is discussed in more detail in the pages that follow.

Proposal No. 1 – Election of Directors

The Board has nominated directors Sample, Gibbs, Hewitt, and Rigdon to be elected to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified.

At the Annual Meeting, proxies cannot be voted for a greater number of individuals than the four nominees named in this Proxy Statement. Holders of proxies solicited by this Proxy Statement will vote the proxies received by them as directed on the proxy card or, if no direction is made, for the election of the Board's four nominees. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxy holders may vote for any nominee designated by the present Board to fill the vacancy.

The Board recommends that shareholders vote FOR the election of directors Sample, Gibbs, Hewitt, and Rigdon.

Vote Required

In the election of directors, the Bylaws provide that the persons receiving the greatest number of votes, up to the number of directors then to be elected, will be the persons elected. Accordingly, in an uncontested election of directors the affirmative vote for the director nominees of (i) the greatest number of votes for each director of the shares present or represented by proxy and voting at the Annual Meeting, so long as at least one vote is cast in favor of that director; and, (ii) a majority of the shares required to constitute a quorum is required to elect a director.

Proposal No. 2 – Ratification of Appointment of Independent Registered Public Accounting Firm

KWCO, PC, 1931 East 37th Street – Suite 7, Odessa, Texas 79762 (fka/Killman, Murrell, and Company, PC)(“KWCO”) has served as the Company's principal independent public accounting firm since 1996, including the fiscal years ended December 31, 2014 and 2013. The Company has re-appointed KWCO as its independent registered public accounting

firm for 2015. The Board recommends that you ratify this appointment. Even if this appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its shareholders. Representatives of KWCO, PC are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they desire to do so, and will be available to respond to questions.

Table of Contents

Fees Paid to Auditors

Aggregate fees for professional services rendered by KWCO for the years ended December 31, 2014 and 2013 were as follows:

	2014	2013
Audit fees	\$ 16,239	\$ 130,314
Tax preparation fees	—	16,381
Total fees	\$ 16,239	\$ 146,695

Audit Fees. Audit fees consist of professional services rendered in connection with the audits of the Company's annual consolidated financial statements, reviews of the Company's internal accounting and reporting controls under Section 404 of the Sarbanes-Oxley Act, and reviews of interim consolidated financial statements included in the Company's Quarterly Reports on Form 10-Q.

Tax Preparation Fees. Tax preparation fees include preparation of federal and state tax returns.

The Board of Directors has determined that the services rendered above were compatible with maintaining KWCO's audit independence.

The Company has appointed KWCO, PC, 1931 East 37th Street – Suite 7, Odessa, Texas 79762 ("KWCO") as the Company's independent registered public accounting firm for 2015.

The Board requests the shareholders vote to approve the following resolution at the Annual Meeting:

"RESOLVED, that the appointment of KWCO, PC as the independent registered public accounting firm for this Company for the year 2015 is hereby approved."

The Board recommends a vote FOR Proposal No. 2.

Vote Required

Approval of Proposal No. 2 requires the affirmative vote of (i) a majority of the shares present or represented by proxy and voting at the Annual Meeting; and, (ii) a majority of the shares required to constitute a quorum.

Proposal No. 3 – Advisory Vote to Approve Executive Compensation

Beginning with this Annual Meeting of Shareholders, the Company will provide its shareholders with the opportunity to cast an annual advisory vote to approve the compensation of its named executive officers as disclosed pursuant to the SEC's compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and the narrative disclosures that accompany the compensation tables) (a "say-on-pay proposal"). The Company believes it is appropriate to seek and take into account the views of shareholders on the design and effectiveness of the Company's executive compensation program.

The Company's goal for its executive compensation program is to attract, motivate, and retain a talented, entrepreneurial, and creative team of executives who will provide leadership for the Company's success in dynamic and competitive markets. The Company seeks to accomplish this goal in a way that rewards performance and is aligned with its shareholders' long-term interests. The Company believes its executive compensation program has been

instrumental in helping the Company achieve its goals and to weather difficult financial periods.

In 2011, the Compensation Committee approved an Employment Agreement for its CEO, believing that it was important to maintaining continuing management expertise , control, and guidance for the future. In 2012, the Compensation Committee approved certain minor amendments to that Employment Agreement and extended it for two additional years. In 2015 the Compensation Committee approved an additional two year extension to that Agreement with all other terms and conditions unchanged. In 2012 and 2015, more than 66.67% of the shareholders of the Company approved the terms and conditions of those Employment Agreements. The discussion regarding Executive Compensation that begins on Page 20 of this Proxy Statement more fully describes the Company's executive compensation program and the Employment Agreement of the Company's Chief Executive Officer.

Table of Contents

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, the Board requests the shareholders vote to approve the following resolution at this Annual Meeting:

RESOLVED, that the compensation paid to the named executive officers, as disclosed in this Proxy Statement pursuant to the SEC's executive compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables, and the narrative disclosures that accompany the compensation tables), is hereby approved.

As an advisory vote, this proposal is not binding on the Company, the Board, or the Compensation Committee, and will not be construed as overruling a decision by the Company, the Board, or the Compensation Committee or creating or implying any additional fiduciary duty for the Company, the Board, or the Compensation Committee. However, the Compensation Committee and the Board value the opinions expressed by shareholders in their votes on this proposal and will consider the outcome of the vote when making future compensation decisions regarding executive officers.

As a result of the Company's size as a smaller reporting company, its policy shall hereafter be to provide shareholders with an opportunity to approve the compensation of the named executive officers triennially at the annual meeting of shareholders. It is therefore expected that the next say-on-pay vote will occur at the 2018 annual meeting of shareholders.

The Board recommends a vote FOR Proposal No. 3.

Vote Required

Approval of Proposal No. 3 requires the affirmative vote of (i) a majority of the shares present or represented by proxy and voting at the Annual Meeting and (ii) a majority of the shares required to constitute a quorum.

PROPOSAL NO. 4 – AUTHORITY FOR THE COMPANY'S BOARD OF DIRECTORS TO ENGAGE IN MERGER(S) OR BUSINESS COMBINATION(S) WITH OTHER ENTITY(S) WITHOUT FURTHER SHAREHOLDER APPROVAL FOR THE NEXT TWELVE MONTH PERIOD

Following the sale of the assets of its operating subsidiaries on June 29, 2015, the Company is now without revenue-producing operations. In order to provide for continuing operations, the Company must find new sources of revenues.

The Board of Directors of the Company is seeking voter approval to allow it to review candidates for merger with the Company, determine the suitability of any such candidates for merger with the Company, and in the case of finding a suitable candidate, to take such actions as are necessary as to give effect to a merger with one or more entities. The Company may seek to enter into any such business combinations without cost to the qualified merger candidate(s), and may develop plans that will provide immediate voting control and ultimate ownership control for the new merger partner(s).

While the Company has experience in evaluating and negotiating acquisitions and disposals, there can be no assurance that the Company can successfully identify any suitable acquisition or merger candidate, or if successful in identifying a candidate that it can be successful in completing any acquisition or merger, or if successful in completing any acquisition or merger that the Company could be successful in meeting its financial and operational goals with the new combined entity.

If the Company were to be successful in identifying and successfully completing a merger with one or more other entities, the Board of Directors of the Company would have broad discretion in the terms of any agreements related to the acquisition(s), and may adjust the terms and conditions in order to address changed circumstances and opportunities. As such, the Board of Directors will have full control over the financial aspects of any such transactions, including the disbursements of cash and/or new securities in fulfillment of the agreement(s).

Table of Contents

As a result of the foregoing, the success of the Company in effecting any merger(s) and the successful operations of the newly-combined entities will be substantially dependent upon the discretion and judgment of the Board of Directors and management of the Company. In addition, the texture of the Board of Directors and management of the Company could change substantially following any such business combination(s).

The Board of Directors believes it is important that the Company be prepared to move quickly with regard to any merger opportunity it may deem to be favorable, and seeks the approval of the shareholders to make the decisions necessary. Accordingly, for a period beginning with the date of this Annual Meeting and continuing for 12 months thereafter, the Company recommends the Shareholders approve authority for it to act in seeking and consummating new merger(s) and/or business combination(s).

The Board requests the shareholders vote to approve the following resolution at the Annual Meeting:

“RESOLVED, that the granting of authority to the Company’s Board of Directors to have and to use full discretionary powers to represent its shareholders in the selection, approval, engagement of candidates for and the completion of one or more business combinations (“Mergers”) with the Company during the next twelve months without the requirement for further shareholder voting approval is hereby approved.”

The Board recommends a vote FOR Proposal No. 4.

Vote Required

Approval of Proposal No. 4 requires the affirmative vote of (i) a majority of the shares present or represented by proxy and voting at the Annual Meeting and (ii) a majority of the shares required to constitute a quorum.
