Forward-Looking Statements

Statements in this Current Report on Form 8-K may be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to the company or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors. Any forward-looking statements speak only as of the date on which they are made, and the Company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this release. Information on the Acacia, MariJ Pharmaceuticals, Inc. or Eufloria Medical of Tennessee, Inc. or websites does not constitute a part of this Current Report.

Section 5 – Corporate Governance and Management

Item 5.02 Appointment of Directors

On July 13, 2018, Acacia Diversified Holdings, Inc. appointed Dr. Richard Paula, age 50, to the Board of Directors. Dr. Paula has over 20 years' experience in the medical field. From March 2010 through January 2014, Dr. Paula was employed by Tampa General Hospital as the Chief Medical Information Officer and Vice President. From January 2014 through the present, Dr. Paula has been employed by the Shriners Hospitals for Children in Tampa, Florida. He currently serves as the Chief Medical Information Officer at the Shriners Hospitals for Children. We believe that Dr. Paula's substantial experience in the medical field will be of great benefit to the Company as we explore and determine the various uses, including potential medical applications, for our industrial hemp oil products.
