PROXY STATEMENT

ANNUAL MEETING AND PROXY SOLICITATION INFORMATION

This Proxy Statement is first being sent to shareholders on or about March 31, 2006 in connection with the solicitation of proxies by the Board of Directors of Brown & Brown, Inc., to be voted at the Annual Meeting of Shareholders to be held in Atlantic Room of The Shores Resort, 2637 South Atlantic Avenue, Daytona Beach, Florida at 9:00 a.m. (ET) on Wednesday, May 10, 2006, and at any adjournment thereof (the "Meeting"). The close of business on March 10, 2006 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. At the close of business on the record date, we had outstanding 139,397,938 shares of \$.10 par value common stock, entitled to one vote per share.

Shares represented by duly executed proxies in the accompanying form that we receive prior to the Meeting will be voted at the Meeting. If you specify in the proxy a choice with respect to any matter to be acted upon, the shares represented by such proxy will be voted as specified. If your proxy card is signed and returned without specifying a vote or an abstention, the shares represented by such proxy will be voted according to the recommendation of the Board of Directors. The Board of Directors recommends a vote FOR the election of the directors. The Board of Directors knows of no other matters that may be brought before the Meeting. However, if any other matters are properly presented for action, it is the intention of the named proxies to vote on them according to their best judgment.

If you hold your shares in a stock brokerage account, or by a bank or other nominee, you have the right to provide instructions on voting as requested by your bank or broker. Under the rules of the New York Stock Exchange, your broker is permitted to vote your shares on the proposal concerning the election of directors even if your broker has not been given specific voting instructions as to this matter.

After you have returned a proxy, you may revoke it at any time before it is voted by taking one of the following actions: (i) giving written notice of the revocation to our Secretary; (ii) executing and delivering a proxy with a later date; or (iii) voting in person at the Meeting. Votes cast by proxy or in person at the Meeting will be tabulated by our transfer agent, American Stock Transfer & Trust Company, and by one or more inspectors of election appointed at the Meeting, who will also determine whether a quorum is present for the transaction of business.

The ten nominees for election as directors who receive the highest number of "FOR" votes will be elected as directors. This number is a plurality. Abstentions and broker non-votes will have no effect on the outcome of the voting to elect directors. Broker non-votes will be treated as shares entitled to vote but not as votes cast.

Proxies may be solicited by our officers, directors, and regular supervisory and executive employees, none of whom will receive any additional compensation for their services. Also, The Altman Group, Inc. may solicit proxies on our behalf at an approximate cost of \$4,000, plus reasonable expenses. Such solicitations may be made personally, or by mail, facsimile, telephone, messenger, or via the Internet. We will pay persons holding shares of common stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks, and other fiduciaries, for the expense of forwarding solicitation materials to their principals. We will pay all of the costs of solicitation of proxies.

Our executive offices are located at 220 South Ridgewood Avenue, Daytona Beach, Florida 32114 (telephone number (386) 252-9601) and 3101 West Martin Luther King Jr. Boulevard, Ste. 400, Tampa, Florida 33607 (telephone number (813) 222-4100).

Board and Board Committee Matters

During 2005, our Board of Directors held four regular meetings and four special telephonic meetings. Each incumbent director serving during 2005 attended at least 75% of the total number of Board meetings, and at least 75% of the total number of meetings of committees of which such director is a member. The Board expects, but does not require, all directors and director nominees to attend the Annual Shareholders' Meeting. All members of the Board attended the 2005 Annual Shareholders' Meeting. The Board conducts executive sessions of non-management directors in connection with each regularly scheduled meeting of the Board. The executive sessions are presided over by the Chairman of the Nominating/Corporate Governance Committee, Bradley Currey, Jr. The majority of the 10 members of the Board attended accredited director education programs in 2004 or 2005.

The New York Stock Exchange ("NYSE") has adopted listing standards relating to director independence. In addition to requiring that directors satisfy certain "bright line" standards in order to be deemed "independent," as that term is defined in the listing standards for the NYSE, the NYSE listing standards permit the Board to adopt categorical standards to assist it in affirmatively determining that the Company's directors have no material relationship with the Company that would impair such directors' independence. To date, the Board has not adopted such categorical standards. Rather, the Board has considered and applied the following in reaching each of its independence determinations: (1) the NYSE "bright line" standards; (2) standards set forth in the Company's Corporate Governance Principles; and (3) the relationships of each of the directors, and such directors' immediate family members, as disclosed in this Proxy Statement, to us. The Board has applied the foregoing standards and considerations to each member of the Board and to such Board members' immediate family members, and has affirmatively determined that the following eight of the ten directors have no material relationship with us other than service as a director, and are therefore independent: Samuel P. Bell, III, Hugh M. Brown, Bradley Currey, Jr., Theodore J. Hoepner, David H. Hughes, John R. Riedman, Jan E. Smith and Chilton D. Varner.

In the case of Messrs. Hugh Brown, Hughes and Smith, the Board considered the Company's relationship with SunTrust Banks, Inc. and its subsidiaries ("SunTrust"), and concluded that this relationship is not material based upon the fact that payments made to, and received from, SunTrust total less than 1% of either entity's total consolidated revenues. In the case of Mr. Bell, the Board's determination that the Company's relationship with Pennington, Moore, Wilkinson, Bell & Dunbar, P.A. is not material was based upon the fact that the total amount of fees paid or expected to be paid to that firm by the Company and its subsidiaries in 2005 and 2006, and the total amount reimbursed to a client of that firm for services rendered to that entity in 2005 was in each case significantly less than 1% of either entity's total revenues. In the case of Mr. Riedman, the Board's determination that the Company's relationship with Riedman Corporation, the landlord for offices of one of our subsidiaries in Rochester, New York, is not material was based upon the fact that the rent payable under that lease is less than 5% of Riedman Corporation's total revenues, and less than 1% of the Company's total consolidated revenues. For a more detailed discussion related to these relationships, see "Certain Relationships and Related Transactions" and "Executive Compensation - Compensation Committee Interlocks and Insider Participation."

Our Board of Directors has an Audit Committee, Compensation Committee, and Nominating/Corporate Governance Committee. The charters of each of these Board committees are available in the "Investor Relations" section of our website (www.bbinsurance.com), and are available in print to any shareholder who requests a copy from the Corporate Secretary. The current members of the Audit Committee are Jan E. Smith (Chairman), Hugh M. Brown, Bradley Currey, Jr. and David H. Hughes, each of whom is independent as defined within the listing standards for the NYSE. The duties of the Audit Committee, which held four regular meetings during 2005 and one special telephonic meeting, are to recommend to the Board of Directors the selection of independent certified public accountants, to meet with our independent certified public accountants to review and discuss the scope and results of the annual audit, and to consider various accounting and auditing matters related to the Company, including our system of internal controls and financial management practices. The Audit Committee includes at least one audit committee financial expert, Bradley Currey, Jr., among its members.

The Compensation Committee currently consists of Samuel P. Bell, III (Chairman), Hugh M. Brown, Bradley Currey, Jr., David H. Hughes, Jan E. Smith and Chilton D. Varner, each of whom is independent, as defined in the listing standards for the NYSE. The Compensation Committee recommends to the Board base salary levels and bonuses for our Chief Executive Officer, and approves the guidelines used to determine salary levels and bonuses for our other executive officers, including the Named Executive Officers. See "Executive Compensation - Board Compensation Committee Report on Executive Compensation." The Compensation Committee also reviews and makes recommendations with respect to our existing and proposed compensation plans, and is responsible for administering our 1990 Employee Stock Purchase Plan, our Stock Performance Plan, and our 2000 Incentive Stock Option Plan for Employees. The Compensation Committee held four regular meetings in 2005 and one special telephonic meeting.

The Nominating/Corporate Governance Committee currently consists of Bradley Currey, Jr. (Chairman), Samuel P. Bell, III, Jan E. Smith and Chilton D. Varner, each of whom is independent, as defined in the listing standards for the NYSE. This Committee's duties include duties associated with corporate governance, as well as the nomination of persons to stand for election to the Board at our Annual Shareholders' Meeting and recommendation of nominees to the Board of Directors to fill vacancies on, or as additions to, the Board. The Nominating/Corporate Governance Committee held four regular meetings in 2005.

The Nominating/Corporate Governance Committee will consider nominations of persons for election as directors that are submitted in writing by shareholders in accordance with our procedures for shareholder proposals. See "Proposals of Shareholders." Such proposals must contain all information with respect to such proposed candidate as required by the SEC's proxy rules, should address the manner in which the proposed candidate meets the criteria described below, and must be accompanied by the consent of such proposed candidate to serve as a director, if elected. The Nominating/Corporate Governance Committee has not established "minimum qualifications" for director nominees, because it is the view of the Committee that the establishment of rigid "minimum qualifications" might preclude the consideration of otherwise desirable candidates for election to the Board. The Nominating/Corporate Governance Committee will consider proposed candidates identified by non-management directors, the Chief Executive Officer and other executive officers, and shareholders, and will evaluate such candidates based on a number of factors, including: (a) the need or desirability of maintaining or expanding the size of the Board; (b) independence; (c) credentials, including, without limitation, business experience, experience within the insurance industry, educational background, professional training, designations and certifications; (d) interest in, and willingness to serve on, the Board; (e) ability to contribute by way of participation as a member of Board committees; (f) financial expertise and sophistication; (g) basic understanding of the Company's principal operational and financial objectives, plans and strategies, results of operations and financial condition, and relative standing in relation to the Company's competitors; and (h) willingness to commit requisite time and attention to Board service, including preparation for and attendance at regular quarterly meetings, special meetings, Committee meetings and periodic Board "retreats."

The Nominating/Corporate Governance Committee and the Board consider a variety of sources when identifying individuals as potential Board members, including other enterprises with which Board members are or have previously been involved and through which they have become acquainted with qualified candidates. The Company does not pay any third party a fee to assist in the identification or evaluation of candidates, and the Company has not rejected director candidates put forward by a shareholder or group of shareholders who beneficially owned more than five percent of the Company's stock for at least one year prior to the time of the recommendation.

The Nominating/Corporate Governance Committee has nominated those persons named in "Proposal 1 - Election of Directors" below to stand for election to the Board of Directors at the 2006 Annual Shareholders' Meeting.

Corporate Governance Principles; Code of Business Conduct and Ethics; Code of Ethics for Chief Executive Officer and Senior Financial Officers

The Board of Directors has adopted Corporate Governance Principles, a Code of Business Conduct and Ethics, and a Code of Ethics for Chief Executive Officer and Senior Financial Officers. The full text of the Corporate Governance Principles, Code of Business Conduct and Ethics, and Code of Ethics for Chief Executive Officer and Senior Financial Officers can be found in the "Investor Relations" section of our website (www.bbinsurance.com) and are available in print to any shareholder who requests a copy from the Corporate Secretary.

Communication with Directors

Interested parties, including shareholders, may communicate with our Board of Directors, or with specified members or committees of our Board, or with non-management directors as a group or with the Presiding Director of the non-management directors, Bradley Currey, Jr., by sending correspondence to our Corporate Secretary at 3101 West Martin Luther King Jr. Boulevard, Suite 400, Tampa, Florida 33607, and specifying in such correspondence that the message is for our Board or for one or more of its members or committees. Communications will be relayed to directors no later than the next regularly scheduled quarterly meeting of the Board and Board committees.

Compensation of Directors

During 2005, Directors who are not employees of ours were paid \$7,500 for each Board meeting attended in person, \$2,000 for attendance at the annual Board "retreat," \$1,500 for each Board meeting attended by telephone, and \$1,500 for each committee meeting attended if such meeting occurs other than in conjunction with regularly scheduled quarterly Board meetings. Directors who are members of a special committee of the Board received a fee of \$2,500 for special committee meetings attended in person, and \$1,500 for special committee meetings attended by phone. In addition, commencing in 2004, the Chairman of the Audit Committee is paid \$4,000 in January of each year for services associated with that office. Commencing in 2006, each of the directors who is not an employee of ours also receives \$32,000 worth of shares of our common stock in January of each year as additional compensation for such director's services. Prior to 2006, each of the directors who is not an employee of ours received 500 shares of our common stock in January of each year as additional compensation for such director's services.

All directors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board. No director who is an employee of ours receives separate compensation for services rendered as a director.

Certain Relationships and Related Transactions

Effective January 1, 2001, we acquired all of the insurance agency business-related assets of Riedman Corporation ("Riedman"), based in Rochester, New York. Since January 2001, John R. Riedman, Chairman of Riedman Corporation, has served as one of our directors. From January 2001 until August of 2002, he was employed as Vice Chairman of Brown & Brown of New York, one of our subsidiaries.

Riedman is the landlord under a lease agreement with a subsidiary of the Company, as tenant, with respect to office space in Rochester, New York. The lease provides for payment of annual rent of \$255,000 for the first three years of a five-year lease term that commenced January 1, 2006, and 3.0% of the total revenues of the Rochester office for the remaining two years of the term. Riedman was previously the landlord under a lease agreement with us for the same office space in Rochester, New York, and in 2005, annual rent of \$300,000 was paid pursuant to that lease, which was first effective in January 2001.

J. Powell Brown, who is the son of J. Hyatt Brown, is employed by us as a Regional Executive Vice President and received compensation of \$732,209 for services rendered to us in 2005. P. Barrett Brown, who is also the son of J. Hyatt Brown, is employed by Brown & Brown of California, Inc., one of our subsidiaries, as the profit center manager for the Orange, California retail office and received compensation of \$168,148 for services rendered to that subsidiary in 2005.

Brian Henderson, who is the son of Jim W. Henderson, is employed by Peachtree Special Risk Brokers, LLC, one of our subsidiaries, as a vice president and profit center manager in Boca Raton, Florida and received compensation of \$293,008 for services rendered to that subsidiary in 2005.

Joanne B. Penny, who is the mother of J. Scott Penny, is employed by us as a producer in our Daytona Beach, Florida retail office and received compensation of \$203,678 for services rendered in 2005.

Richard A. Freebourn, Jr., who is the son of Richard A. Freebourn, is employed by us as a bond manager in our Daytona Beach, Florida retail office and received compensation of \$72,108 for services rendered in 2005.

Until his retirement effective June 30, 2005, Theodore Hoepner served as Vice Chairman of SunTrust Bank Holding Company. J. Hyatt Brown is a director of SunTrust Banks, Inc., an affiliate of SunTrust Bank Holding Company. J. Powell Brown is a member of the Board of the SunTrust Bank/Central Florida. We have a \$75 million revolving credit facility and a \$25.7 million outstanding term loan balance at December 31, 2005 with SunTrust Banks, Inc., and SunTrust Banks, Inc. also acts as escrow agent with respect to accounts related to certain acquisitions we have made. We expect to continue to use SunTrust Banks, Inc. during 2006 for most of our cash management requirements. Additionally, SunTrust Robinson Humphrey Capital Markets, a division of SunTrust Capital Markets, Inc., the investment banking subsidiary of SunTrust Banks, Inc., provided services to us in 2004 with respect to the private placement of \$200 million of unsecured senior notes, and may provide investment banking services to us from time to time. Trusco Capital Management, Inc., a subsidiary of SunTrust Banks, Inc., managed the outstanding balance on the unsecured senior notes referenced above in 2005. Two of our subsidiaries provide insurance-related services to subsidiaries of SunTrust Banks, Inc., and a number of our offices provide services with respect to premium financing to another such subsidiary.

For other transactions involving management and us, see "Executive Compensation - Compensation Committee Interlocks and Insider Participation."

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors, officers, and persons who own more than 10% of our outstanding shares of common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Directors, officers and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of such reports furnished to us and written representations from certain reporting persons that no SEC Form 5s were required to be filed by those persons, we believe that during 2005, our directors, officers and 10% beneficial owners timely complied with all applicable filing requirements, except for C. Roy Bridges, who, due to an administrative oversight, was one day late in filing one Form 4 with respect to one transaction, Robert Iocco, who, due to an oversight, failed to list derivative securities granted to him on the Form 3 initially filed when he became an officer, and Richard Freebourn, who was late in filing two Form 4s with respect to two grants of stock made under our Stock Performance Plan (each of the subject transactions has since been reported).

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The closing market price of our stock underlying the stock options granted under our 2000 Incentive Stock Option Plan for Employees was \$30.54 per share as of December 31, 2005. The resulting difference between the year-end market price and the adjusted exercise price per share of \$4.84 for options granted in 2000 is \$25.70 per share, and the adjusted exercise price per share of \$15.78 for options granted in 2003 is \$14.76 (per share exercise prices are adjusted to reflect the two-for-one common stock splits that become effective November 28, 2005, November 21, 2001 and August 23, 2000, respectively). Therefore, the values at fiscal year-end of unexercised "in-the-money" options granted to the Named Executed Officers are as set forth in the table below:

NAME	SHARES ACQUIRED ON EXERCISE		NUMBER OF SECURITIES UNDERLYING UNEXERCISED OPTIONS AT DECEMBER 31, 2005		VALUE OF UNEXERCISED IN-THE-MONEY OPTIONS AT DECEMBER 31, 2005

Long-Term Incentive Plans - Awards in Last Fiscal Year

No shares of stock under our Stock Performance Plan were granted to the Named Executive Officers in 2005.

Employment and Deferred Compensation Agreements

Effective July 29, 1999, J. Hyatt Brown entered into an Employment Agreement that superseded Mr. Brown's prior agreement with us. The agreement provides that Mr. Brown will serve as Chairman of the Board and Chief Executive Officer. The agreement also provides that upon termination of employment, Mr. Brown will not directly or indirectly solicit any of our clients or employees for a period of three years.

The agreement requires us to make a payment to an escrow account upon a Change of Control (as defined in the agreement). If, within three years after the date of such Change of Control, Mr. Brown is terminated or he resigns as a result of certain Adverse Consequences (as defined in the agreement), the amount in the escrow account will be released to Mr. Brown. The amount of the payment will be equal to two times the following amount: three times the sum of Mr. Brown's annual base salary and most recent annual bonus, multiplied by a factor of one plus the percentage representing the percentage increase, if any, in the price of our common stock between the date of the agreement and the close of business on the first business day following the date the public announcement of the Change of Control is made. Mr. Brown will also be entitled to receive all benefits he enjoyed prior to the Change of Control for a period of three years after the date of termination of his employment.

As defined in the agreement, a "Change of Control" includes the acquisition by certain parties of 30% or more of our outstanding voting securities, certain changes in the composition of the Board of Directors that are not approved by the incumbent Board, and the approval by our shareholders of a plan of liquidation, certain mergers or reorganizations, or the sale of substantially all of our assets. The "Adverse Consequences" described above generally involve our breach of the agreement, a change in the terms of Mr. Brown's employment, a reduction in our dividend policy, or a diminution in Mr. Brown's role or responsibilities.

We entered into the agreement with Mr. Brown after determining that it was in our best interests and our shareholders' best interests to retain his services in the event of a threat or occurrence of a Change of Control and thereafter, without alteration or diminution of his continuing leadership role in determining and implementing our strategic objectives. We also recognized that, unlike our other key personnel who participate in our Stock Performance Plan, Mr. Brown does not participate in that plan and would not enjoy the benefit of the immediate vesting of stock interests granted pursuant to that plan in the event of a Change of Control. The same is true of the subsequently adopted 2000 Incentive Stock Option Plan for Employees. Brown & Brown or Mr. Brown may terminate his employment at any time with 30 days' notice.

Jim W. Henderson, Thomas E. Riley, Linda S. Downs, C. Roy Bridges, J. Powell Brown, Robert F. Iocco, Kenneth D. Kirk, Charles H. Lydecker, J. Scott Penny, Cory T. Walker, Laurel L. Grammig Richard A. Freebourn and Thomas M. Donegan, Jr. have each entered into standard employment agreements with us. These agreements may be terminated by either party (in the case of Ms. Downs and Messrs. Henderson and Kirk, upon 30 days' advance written notice). Compensation under these agreements is at amounts agreed upon between us and the employee from time to time. Additionally, for a period of two years following the termination of employment (three years in the case of Ms. Downs and Messrs. Henderson, Powell Brown, Kirk, and Riley), these agreements prohibit the employee from directly or indirectly soliciting or servicing our clients, or soliciting our employees to leave employment with us.

We expect to continue to use SunTrust Banks, Inc. during 2006 for most of our cash management requirements. Additionally, SunTrust Robinson Humphrey Capital Markets, a division of SunTrust Capital Markets, Inc., the investment banking subsidiary of SunTrust Banks, Inc., provided services to us in 2004 with respect to the private placement of \$200 million of unsecured senior notes, and may provide investment banking services to us from time to time. Trusco Capital Management, Inc., a subsidiary of SunTrust Banks, Inc., managed the outstanding balance on the unsecured senior notes referenced above in 2005.

Two of our subsidiaries provide insurance-related services to subsidiaries of SunTrust Banks, Inc., and a number of our offices provide services with respect to premium financing to another such subsidiary.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Board Compensation Committee Report on Executive Compensation and the Performance Graph shall not be incorporated by reference into any such filings.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors (the "Compensation Committee" or the "Committee") establishes the Company's general compensation philosophy and oversees the development and implementation of compensation programs. The principal recurring responsibilities of the Committee are (1) to annually evaluate the performance of the Chief Executive Officer in light of relevant corporate goals and objectives and set the compensation level of the Chief Executive Officer based on this evaluation; (2) make recommendations to the Board with respect to the Company's existing and proposed incentive compensation plans and equity-based plans and oversees the administration of these plans; and (3) make recommendations to the Board on the non-employee directors' compensation. The Compensation Committee consists of independent, non-employee Directors, who are appointed by the Board of Directors. The Compensation Committee operates pursuant to a charter, which can be found in the "Investor Relations" section of the Company's website at www.bbinsurance.com.

The Company's overall compensation philosophy is as follows:

- Attract and retain high-quality people, which is crucial to both the short-term and long-term success of the Company;
- Reinforce strategic performance objectives through the use of incentive compensation programs; and
- Create a mutuality of interest between the executive officers and shareholders through compensation structures that promote the sharing of the rewards and risks of strategic decision-making.

Base Compensation. Salary levels for the executive officers other than the Chief Executive Officer, including the Named Executive Officers, are recommended by the Chief Executive Officer, and reviewed by the Compensation Committee during the first quarter based upon the qualitative performance of each officer during the previous year and guidelines approved by the Compensation Committee. If an officer has had no change in duties, the percentage of annual salary increases for such officer generally is expected to be approximately 3-5% of the officer's base salary. Exceptional performance or a change in the officer's responsibilities may merit a larger increase.

Annual Bonuses. The bonuses for the executive officers other than the Chief Executive Officer, including the Named Executive Officers, are recommended by the Chief Executive Officer and reviewed by the Compensation Committee based primarily on objective criteria, such as the earnings growth of the Company as a whole and/or the performance of the offices for which such executive officer is responsible, as well as a subjective analysis of the officer's duties and performance.

Bonuses for managers of the Company's Retail Division profit centers are established by the profit center manager from a bonus pool allocated to that manager's profit center based upon a pre-determined formula. For 2005, in each Retail Division profit center, the aggregate annual bonuses to be

allocated among the employees of that profit center ranged from 0% to 8% of that profit center's operating profit before interest, amortization and profit center bonus. The highest bonus percentage level is not met until the profit center's operating profit percentage is equal to or greater than 28%. Other divisions of the Company have similar objective measures of bonus potential based on achievement of targeted operating profit goals.

Long-Term Compensation. The Committee may also grant shares of performance stock to officers and other key employees based upon salary levels, sales production levels and performance evaluations. Grants of performance stock were made in 2005 to certain executive and non-executive employees of the Company other than the Named Executive Officers. In addition, the Committee may grant stock options to officers and other key employees. See "Executive Compensation - Long-Term Incentive Plans - Awards in Last Fiscal Year."

CEO Compensation. With respect to the salary and bonus of J. Hyatt Brown, the Chairman and Chief Executive Officer of the Company, the Compensation Committee annually sets these amounts by reference to the general operating performance of the Company. The performance criteria most closely examined by the Committee are improvements in the Company's earnings per share and net income, as well as the continuing growth of the Company's business. The Committee also considers the annual Board evaluations of the performance of the Chief Executive Officer, and the salary levels of chief executive officers in companies competitive with the Company and makes adjustments believed appropriate based upon the differences in size of the peer companies as compared with the Company. The Committee reports the salary and bonus amounts recommended for the Chief Executive Officer to the full Board of Directors (excluding Mr. Hyatt Brown) and responds to questions, if any.

The \$1,123,566 bonus recommended by the Compensation Committee and approved by the Board (excluding Mr. Hyatt Brown) reflects the increase of more than 16.1% in the Company's earnings per share over 2004.

Policy on Tax Deductibility. The Committee considers the anticipated tax treatment to the Company in its review and establishment of compensation programs and payments, including the potential impact of Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). Section 162(m) disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for the Chief Executive Officer and the Named Executive Officers, other than compensation that is performance-based under a plan that is approved by the shareholders and that meets certain other technical requirements. The deductibility of compensation payments can depend upon numerous factors, including the nature of the payment and the time that income is recognized under various awards. Interpretations of, and changes in, applicable tax laws and regulations as well as other factors beyond the control of the Committee also can affect deductibility of compensation. Our general policy is to preserve the tax deductibility of compensation paid to our Chief Executive Officer and the Named Executive Officers. The Committee will continue to monitor developments and assess alternatives for preserving the deductibility of compensation payments and benefits to the extent reasonably practicable, consistent with its compensation policies and as determined to be in the best interests of the Company and its shareholders.

Each member of the Audit Committee qualifies as "independent" (as that term is defined in Sections 303.01(B)(2)(a) and (3) of the listing standards of the NYSE, as currently in effect).

With respect to the fiscal year ended December 31, 2005, the Audit Committee:

- (1) has reviewed and discussed the Company's audited financial statements with management and the independent auditor;
- (2) has discussed with the independent auditor of the Company the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect; and

It is not the duty or responsibility of the Audit Committee to conduct auditing or accounting reviews or procedures. In performing its oversight responsibility, members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles in the United States of America.

Based on the review and discussions with management and the independent auditors referenced above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission.
