-

Section 4 - Matters Related to Accountants and Financial Statements

Item 4.01 Changes in The Registrant's Certifying Accountant.

The Audit Committee of the Board of Directors of Elite Pharmaceuticals, Inc (“Company”) regularly reviews the selection of the Company’s independent registered public accounting firm. On January 14, 2010, after an extensive evaluation process the Audit Committee engaged Demetrius & Company, LLC (“Demetrius”) as its new independent registered public accounting firm and dismissed Rosen Seymour Shapss Martin & Company LLP (“Rosen”) as the Company’s independent registered public accounting firm.

The reports of Rosen on the Company’s consolidated financial statements for the fiscal year ended March 31, 2009 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal year ended March 31, 2009, and in the subsequent interim period from April 1, 2009 through and including January 14, 2010, there were no disagreements with Rosen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Rosen’s satisfaction, would have caused Rosen to make reference to the subject matter of the disagreement in connection with its report. During the fiscal year ended March 31, 2009, and in the subsequent interim period from April 1, 2009 through and including January 14, 2010, there were no “reportable events” as that term is described in Item 304(a)(1)(v) of Regulation S-K.

The Company has requested Rosen to furnish a letter addressed to the Securities and Exchange Commission stating whether Rosen agrees with the above statements. A copy of that letter, dated January 14, 2010, is filed as Exhibit 16.2 to this Form 8-K.

During the fiscal year ended March 31, 2009, and in the subsequent interim period from April 1, 2009 through and including January 14, 2010, the Company did not consult Demetrius with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements.
