Item 4. Purpose of Transaction.

The Reporting Persons acquired their shares of Common Stock for investment. The Reporting Persons plan to continuously evaluate, among other factors, the financial condition, results of operations, business and prospects of the Corporation, the securities markets in general and the market for the Common Stock in particular, prevailing economic conditions and expected trends, all with a view to determining whether to hold, decrease or increase their investment in the Common Stock, through open market, privately negotiated or any other transactions.

The Reporting Persons purchased shares of Common Stock because they believed that the shares may present significant opportunities for realization of increased stockholder value. Specifically, the Reporting Persons believe the shares are materially undervalued by the market, especially relative to a reasonable valuation of the sum of the Corporation's component parts.

Moreover, the Reporting Persons believe the significant market price discount associated with the Common Stock is a result of the Corporation's poor corporate disclosure, dearth of shareholder communications and absence of cogent business strategy. In this vein, by letter dated December 12, 2011, the Reporting Persons conveyed their view of these issues to the Corporation's board of directors. A copy of the board letter is attached as Exhibit 99.1 hereto.

By letter dated December 22, 2011, the Corporation responded to the Reporting Persons' December 12, 2011 letter. A copy of the Corporation's response letter is attached as Exhibit 99.2 hereto. Finding the Corporation's response lacking, the Reporting Persons offered their response by letter of January 31, 2012. A copy of the Reporting Persons' response letter is attached as Exhibit 99.3 hereto.

Except as set forth herein, including the exhibits hereto, the Reporting Persons have no present plans or proposals which relate to or would result in:

- (a) the acquisition by any person of additional securities or the disposition of securities of the Corporation;
- (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Corporation or any of its subsidiaries;
- (c) a sale or transfer of a material amount of assets of the Corporation or any of its subsidiaries;
- (d) any change in the present Board of Directors or management of the Corporation, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board;
- (e) any material change in the present capitalization or dividend policy of the Corporation;

SCHEDULE 13D

CUSIP No. 05453N100

- (f) any other material change in the Corporation's business or corporate structure, changes in the Corporation's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Corporation by any person;
- (g) causing a class of securities of the Corporation to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (h) a class of equity securities of the Corporation becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- (i) any action similar to any of those enumerated above.

The Reporting Persons may in the future take such actions with respect to their investment in the Common Stock as they deem appropriate, including, without limitation, increasing or decreasing their investment in the Common Stock or otherwise changing their intention with respect to any and all matters referred to in this Item 4.

Item 5. Interest in Securities of the Issuer.

(a) As of the date of this filing, the Reporting Persons beneficially own an aggregate 838,029 shares of Common Stock (the "Shares"), or approximately 4.1% of the outstanding Common Stock of the Corporation. For further information, see the cover pages hereto which are hereby incorporated by reference. All percentages of outstanding Common Stock are calculated based on information included in the Form 10-Q filed by the Corporation for the quarterly period ended September 30, 2011, which reported that 20,582,906 shares of Common Stock were outstanding as of October 21, 2011.

(b) Privet Fund Management LLC is the Managing Partner of Privet Fund LP, and Ryan Levenson is the sole managing member of Privet Fund Management LLC. Accordingly, Privet Fund Management LLC and Mr. Levenson may be deemed to hold shared voting power and dispositive power with respect to the Shares held by Privet Fund LP, and Mr. Levenson may be deemed to hold shared voting and dispositive power with respect to the Shares held by Privet Fund Management LLC.

As a result of the formation of a group constituted hereby, each of the Reporting Persons could be deemed to beneficially own all the Shares; however, each of the Reporting Persons disclaims beneficial ownership of the Shares held by other Reporting Persons except as expressly set forth herein.

Except as set forth on the cover pages hereto and under this paragraph (b), each Reporting Person has the sole power to vote or direct the vote and to dispose or direct the disposition of the Shares reported herein as owned by each such Reporting Person.

(c) Except as set forth on Schedule 1 hereto, no transactions in the Common Stock were effected in the last 60 days by the Reporting Persons, or, to the best of the knowledge of the Reporting Persons, by any of the other persons named in response to Item 2, if any.

(e) Not applicable.
