Report of Independent Auditors

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the Weatherford Center Houston Building for the year ended December 31, 2003. This statement is the responsibility of the Weatherford Center Houston Building's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the Weatherford Center Houston Building's revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Weatherford Center Houston Building for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States.

Notes to Statement of Revenues Over Certain Operating Expenses

For the year ended December 31, 2003

1. Description of Real Estate Property Acquired

On February 10, 2004, Wells Operating Partnership II, L.P. (Wells OP II), acquired the Weatherford Center Houston Building (the Building), a 12-story office building containing approximately 260,000 square feet located in Houston, Texas, from The Realty Associates Fund V, L.P. (Realty Associates). Total consideration for the acquisition was approximately \$39.9 million. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc., a Maryland corporation.

2. Basis of Accounting

The accompanying statement of revenues over certain operating expenses is presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statement will not be comparable to the statements of operations of the Building after its acquisition by Wells OP II.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$0.5 million for the year ended December 31, 2003.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Table of Contents**Weatherford Center Houston Building****Notes to Statement of Revenues Over Certain Operating Expenses (continued)****For the year ended December 31, 2003****4. Description of Leasing Arrangements**

The Building is 100% occupied, with Weatherford International Ltd. (Weatherford) leasing 96% of the rentable square footage under a long-term lease agreement (the Weatherford Lease). Under the terms of the Weatherford Lease, Weatherford is required to reimburse its pro-rata share of operating expenses in excess of a base year amount. The remaining rentable square footage is leased to tenants under lease agreements with terms that vary in length and with various reimbursement clauses.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2004	\$ 4,781
2005	5,068
2006	5,466
2007	6,032
2008	6,110
Thereafter	19,965
	<hr/>
	\$ 47,422
	<hr/>

Weatherford contributed approximately 95% of the rental income for the year ended December 31, 2003. Subsequent to December 31, 2003, Weatherford will contribute approximately 99% of the future minimum rental income from the leases in place at that date.
