Report of Independent Registered Public Accounting Firm

Stockholders and Board of Directors

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the Wildwood Buildings for the year ended December 31, 2003. This statement is the responsibility of the Wildwood Buildings management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the Wildwood Buildings revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Wildwood Buildings for the year ended December 31, 2003, in conformity with U.S. generally accepted accounting principles.

The Wildwood Buildings

Notes to Statements of Revenues Over Certain Operating Expenses

For the year ended December 31, 2003

and the nine months ended September 30, 2004 (unaudited)

1. Description of Real Estate Property Acquired

On September 20, 2004, Wells Operating Partnership II, L.P. (Wells OP II), through three wholly-owned subsidiaries, acquired the Wildwood Buildings (the Buildings), four multi-story office buildings containing approximately 832,000 square feet located in Atlanta, Georgia, from Wildwood Associates. Total consideration for the acquisition was approximately \$172.2 million. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. (Wells REIT II), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

2. Basis of Accounting

The accompanying statements of revenues over certain operating expenses are presented in conformity with U. S. generally accepted accounting principles and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Buildings after their acquisition by Wells OP II.

3. Significant Accounting Policies

Rental Revenues

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$0.4 million for the year ended December 31, 2003 and increased revenue by approximately \$0.4 million for the nine months ended September 30, 2004.

Use of Estimates

Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K/A

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Statements of Revenues Over Certain Operating Expenses (continued)

For the year ended December 31, 2003

and the nine months ended September 30, 2004 (unaudited)

4. Description of Leasing Arrangements

The Buildings are 100% leased, with General Electric Company (GE), Coca-Cola Enterprises, Inc. (Coca-Cola) and BlueLinx Corporation (BlueLinx) leasing approximately 89% of the Building s rentable square footage under long-term lease agreements. GE, Coca-Cola and BlueLinx contributed 37%, 27% and 27%, respectively, of rental income for the year ended December 31, 2003. Under the terms of the GE, Coca-Cola and BlueLinx leases each tenant is required to reimburse to the landlord all operating expenses. The remaining rentable square footage is leased to various office and retail tenants under lease agreements with terms that vary in length and with various reimbursement clauses.

5. Future Minimum Rental Commitments

Future minimum rental commitments for the years ended December 31 are as follows (in thousands):

2004	\$ 11,321
2005	11,773
2006	12,072
2007	11,532
2008	11,445
Thereafter	67,217
	<hr/>
	\$ 125,360
	<hr/>

Subsequent to December 31, 2003, GE, Coca-Cola, BlueLinx and will contribute approximately 42%, 33% and 22%, respectively, of the future minimum rental income from the leases in place at that date.

6. Interim Unaudited Financial Information

The statement of revenues over certain operating expenses for the nine months ended September 30, 2004 is unaudited, however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the financial statement for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full

fiscal year.
