Item 1.01. Entry into a Material Definitive Agreement.

On December 3, 2004, Material Sciences Corporation, Engineered Materials and Solutions Group, Inc, a wholly-owned subsidiary of Material Sciences Corporation, entered into a commercial lease for approximately 56,000 square feet of new space located in the Detroit, MI metropolitan area. Once construction is completed, the new space will be used as the testing and research center for products in MSC's Engineered Materials and Solutions segment. The term of the lease commences when the construction on the new center is complete (approximately December 2005) and expires on the last day of the calendar month which is 150 months after the commencement date occurs. MSC has the option to renew the lease for five additional periods of five years. The average annual base rent is approximately \$472,236. MSC currently intends to sublease to a third party approximately 10,000 square feet of the new center.

The above description does not purport to describe all of the terms of the Commercial Lease. You should read the complete text of the Commercial Lease, which is being filed as Exhibit 10(a) to this report and incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.

<u>Exhibit No.</u>	<u>Document</u>
