PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
APRIL 14, 2005

The Board of Directors of H.B. Fuller Company is soliciting proxies to be used at the Annual Meeting of Shareholders to be held on April 14, 2005, and at any adjournment and reconvening of the meeting. We began mailing this Proxy Statement and the enclosed form of proxy on March 11, 2005.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What is the purpose of the meeting?

At our annual meeting, Shareholders will act upon the matters disclosed in the Notice of Annual Meeting that preceded this Proxy Statement. These include the election of three directors and ratification of the appointment of our independent auditors.

We will also consider any other business that may properly be presented at the meeting, and management will report on H.B. Fuller's performance during the last fiscal year and respond to questions from Shareholders.

How does the Board recommend that I vote?

The Board of Directors recommends a vote for all of the nominees for director and for the ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 3, 2005.

Who is entitled to vote at the meeting?

If you were a *shareholder of record* at the close of business on February 25, 2005, you are entitled to vote at the meeting.

As of the record date, 28,692,342 shares of Common Stock were outstanding and eligible to vote.

What is the difference between a Shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the *shareholder of record* with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, such as the H.B. Fuller 401(k) Thrift Plan, you are considered the beneficial owner of those shares, and your shares are held in *street name*. If you are a *street name* holder, you will receive a voting instructions card which appears very similar to a proxy card. Please complete that card as directed in order to ensure your shares are voted at the meeting.

What are the voting rights of the Shareholders?

Holders of Common Stock are entitled to one vote per share. Therefore, a total of 28,692,342 votes are entitled to be cast at the meeting. There is no cumulative voting for the election of directors.

Table of Contents

How many shares must be present to hold the meeting?

A quorum is necessary to hold the meeting and conduct business. The presence of Shareholders who can direct the voting of at least a majority of the outstanding shares of Common Stock as of the record date is considered a quorum. A Shareholder is counted as present at the meeting if the Shareholder is present and votes in person at the meeting or the Shareholder has properly submitted a proxy by mail, telephone or via the Internet.

How do I vote my shares?

If you are a *shareholder of record*, you can give a proxy to be voted at the meeting either:

over the telephone by calling 1-800-560-1965;

electronically, using the Internet at www.eproxy.com/ful/; or

by mailing in the enclosed proxy card.

The telephone and Internet voting procedures have been set up for your convenience. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a *shareholder of record* and you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the enclosed proxy card. If you wish to vote using the paper proxy card, please return your signed proxy card to us before the meeting. You may also vote in person at the meeting.

If you hold your shares in *street name*, you must vote your shares following the procedures indicated to you by your broker or nominee on the enclosed voting instructions card.

What does it mean if I receive more than one proxy card or voting instructions card?

It means you hold shares of H.B. Fuller stock in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or, if you vote by telephone or via the Internet, vote once for each proxy card you receive. If you would like to consolidate your accounts please contact our stock transfer agent, Wells Fargo Bank, at 1-800-468-9716.

Can I vote my shares in person at the meeting?

Edgar Filing: FULLER H B CO - Form DEF 14A

Yes. If you are a *shareholder of record*, you may vote your shares at the meeting by completing a ballot at the meeting. However, even if you currently plan to attend the meeting, we recommend that you submit your proxy ahead of time so that your vote will be counted if, for whatever reason, you later decide to not attend the meeting.

If you hold your shares in *street name*, you may vote your shares in person at the meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote such shares at the meeting.

What vote is required for the proposals to be approved?

With respect to the election of directors, the three director nominees receiving the most votes for their election will be elected directors. With respect to approval of all other matters to come before the meeting, including the ratification of the appointment of KPMG LLP as the independent auditors of the Company, the affirmative vote of a majority of the shares of Common Stock represented and entitled to vote on each matter is required.

Table of Contents

How are votes counted?

Shareholders may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. Shareholders may vote FOR, AGAINST or ABSTAIN on the ratification of the appointment of KPMG LLP.

If you vote ABSTAIN or WITHHOLD, your shares will be counted as present at the meeting for the purposes of determining a quorum. If you ABSTAIN from voting on a proposal, your abstention has the same effect as a vote against that proposal. If you WITHHOLD authority to vote for one or more of the nominees for director, this will have no effect on the election of any director from whom votes are withheld.

If you hold your shares in *street name* and do not provide voting instructions to your broker or nominee, your shares may not be voted. In this situation, a broker non-vote may occur. Shares that constitute broker non-votes will be present at the meeting for the purpose of determining a quorum, but are not considered as entitled to vote on the proposal in question, and, therefore, will not affect the outcome of the vote with respect to that proposal.

What if I do not specify how I want my shares voted?

If you do not specify on your returned proxy card (or when giving your proxy by telephone or via the Internet) how you want to vote your shares, we will vote them:

FOR all of the nominees for director;

FOR the ratification of the appointment of KPMG LLP as the Company's independent auditors for the 2005 fiscal year, and;

with respect to such other matters that may properly come before the meeting, in accordance with the judgment of the persons named as proxies in the enclosed proxy card or voting instructions card.

Can I change my vote?

Yes. If you are a *shareholder of record*, you may change your vote and revoke your proxy at any time before it is voted at the meeting in any of the following ways:

by sending a written notice of revocation to the Corporate Secretary of the Company;

Edgar Filing: FULLER H B CO - Form DEF 14A

by submitting another properly signed proxy card at a later date to the Corporate Secretary;

by submitting another proxy by telephone or via the Internet at a later date; or

by voting in person at the meeting.

If you are a *street name holder*, please consult your broker, trustee or nominee for instructions on how to change your vote.

Who pays for the cost of proxy preparation and solicitation?

The Company pays for the cost of proxy preparation and solicitation, including the charges and expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners of shares held in *street name*.

We are soliciting proxies primarily by mail. In addition, proxies may be solicited by telephone or facsimile, or personally by directors, officers and regular employees of the Company. These individuals will receive no compensation (other than their regular salaries) for these services.

The Company expects Cardinal Health to continue to purchase the Company's products during the 2005 fiscal year. In addition, the Company paid U.S. Bank National Association approximately \$362,000, plus interest payments on outstanding debt owed, for certain credit, trustee and credit card services provided to the Company and its subsidiaries during the 2004 fiscal year. How can a Shareholder suggest a candidate for election to the Board?

The Corporate Governance and Nominating Committee of the Board nominates all candidates for election to the Board. Generally, current directors or management have identified candidates for consideration by the Committee. For this annual meeting, non-management directors identified all the nominees and no fees were paid to any third party with respect to the identification of any nominee for election at the meeting. If appropriate in the future, the Committee could engage a third person for a fee to assist in the process of identifying potential nominees. The Committee also will consider candidates put forward by any Shareholder. No Shareholder identified any candidate during fiscal year 2004. Any Shareholder interested in suggesting a candidate for election to the Board should contact the Corporate Governance and Nominating Committee through the Corporate Secretary.

The Committee assesses candidates to identify persons with the judgment, experience, independence and other attributes that the Committee concludes are pertinent in light of the Board's current needs. The Board believes that its membership should reflect a diversity of experience, skills, geography, gender and ethnicity.

Who are the remaining directors?

The directors not standing for election at the meeting and whose service will continue until the end of their respective terms also provided the following information about themselves as of January 31, 2005.

What is the Board's policy with respect to attendance?

Directors are expected to attend the annual meeting of Shareholders and all meetings of the Board and each committee on which they serve. The Board of Directors is responsible for the overall affairs of the Company. The Board conducts its business through meetings of the Board and three standing committees: Audit; Compensation; and Corporate Governance and Nominating. The Board has adopted a written charter for each committee. The Audit Committee charter is attached as Appendix A to this Proxy Statement. In addition, the charters for each of these committees are available for review at [hbfuller.com/Shareholder relations/Board of Directors](http://hbfuller.com/Shareholder%20relations/Board%20of%20Directors). Table of Contents***How are directors compensated?***

The form and amount of compensation for each director is determined and reviewed at least annually by the Compensation Committee. Such compensation reflects the philosophy and practice for boards of similar public companies and is comprised of cash and H.B. Fuller Common Stock (or its equivalents). H.B. Fuller has and maintains goals for stock ownership by all non-employee directors.

The following fees are paid to all directors who are not employees of the Company:

Annual Board retainer	\$ 32,000
Annual retainer for Committee Chair	\$ 5,000
Daily attendance fee for each Board meeting	\$ 1,000
Attendance fee for each Committee in person meeting	\$ 1,000
Attendance fee for each Committee telephone meeting	\$ 500

The Company also reimburses each director for any out-of-pocket expenses related to attendance at any meeting or arising from other Company business.

Mr. Stroucken, as the Company's President and Chief Executive Officer, does not receive separate compensation for serving as Chairman of the Board of Directors nor for attendance at any meeting.

In addition to the retainer, meeting and attendance fees described above, the Board believes it is important that each director have an economic stake in the Company's Common Stock. As a result, the Compensation Committee typically makes an annual grant of shares of restricted Common Stock or restricted Common Stock units to each non-employee director. During fiscal year 2004, the Compensation Committee made a discretionary grant of 1,500 H.B. Fuller Common Stock units to each non-employee director (other than Mr. Marcantonio) under the Directors' Deferred Compensation Plan. This plan is described below.

In addition, each director typically receives a one-time grant of H.B. Fuller Common Stock (or its equivalent) upon his/her initial election to the Board. During 2004, Mr. Marcantonio received a grant of 1,300 shares of restricted Common Stock under the Directors' Stock Incentive Plan. This plan is described below. These shares vest four years from the date of grant subject to continued service during that period.

Directors' Deferred Compensation Plan. Under this plan, directors may elect to defer all or a percentage of their retainer, attendance or meeting fees. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. As described above, during fiscal year 2004, the Committee exercised this discretion and granted each non-employee director, other than Mr. Marcantonio, 1,500 H.B. Fuller Common Stock units under this plan.

Deferred amounts are credited with gains and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock as elected by the director prior to deferring any retainer or fees. Directors who elect their retainer, attendance or meeting fees

Edgar Filing: FULLER H B CO - Form DEF 14A

to be deferred into H.B. Fuller Common Stock units as an investment are credited with phantom stock units that will be paid out in shares of Common Stock. Phantom stock units are credited with dividend equivalents equal to the amount of dividends, if any, paid on an equal number of shares of H.B. Fuller Common Stock. The dividend equivalents are converted into additional phantom stock units based on the fair market value of H.B. Fuller Common Stock on the dividend payment date. If a participant elects to defer retainer, attendance or meeting fees to the H.B. Fuller Common Stock account in this plan, the Company makes a 10% matching contribution of additional phantom stock units to the amount invested in H.B. Fuller Common Stock by the director. The phantom stock units credited to the directors' accounts do not have voting rights.

Table of Contents

Any amounts deferred under this plan are paid in shares of H.B. Fuller Common Stock or cash at the earliest to occur of:

the last date on which the director serves as a director (that is, the date of resignation or removal from the Board or the end of the director's elected term) or on the first, second, third, fourth or fifth anniversary of such date, as may be elected by the director in advance;

disability;

death; or

the date of a change in control of the Company.

Directors' Stock Incentive Plan. Under this plan, the Company may issue to non-employee members of the Board of Directors restricted stock, restricted stock units, options, stock appreciation rights, performance awards or other stock-based instruments. Shares of H.B. Fuller Common Stock are also issued under this plan to satisfy any requirements under the Directors' Deferred Compensation Plan. The Compensation Committee determines the type, amount and other terms and conditions of any award under this plan.

Physical Examinations. Non-employee directors are reimbursed for an annual physical examination. During the 2004 fiscal year, H.B. Fuller paid reimbursements of \$23,573 for director physical examinations and related expenses.

Matching Gifts to Education Program. Under this program, H.B. Fuller matches a non-employee director's contributions (up to \$1,000) to eligible educational institutions. During the 2004 fiscal year, H.B. Fuller matched \$2,000 of eligible contributions.

How can a Shareholder contact the Board of Directors?

The Corporate Secretary reviews all communication, but will forward all such correspondence to the directors for their information and consideration.

Who is the Corporate Secretary?

The Corporate Secretary is Patricia L. Jones. The mailing address is the Office of the Corporate Secretary, P.O. Box 64683, St. Paul, Minnesota 55164-0683.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF AUDITORS

Audit Committee Report

Pursuant to its charter, the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of H.B. Fuller's independent auditors. In the exercise of that authority, we, the members of the Audit Committee, determined to engage KPMG LLP to serve as the Company's independent auditor for the year ending December 3, 2005.

The Audit Committee of the Board is composed solely of independent directors who satisfy all applicable requirements of federal law, the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines. Except in our capacity as directors, no member of the Committee receives, directly or indirectly, any consulting, advisory or other compensatory fee from the Company, and no member is otherwise affiliated with the Company or any subsidiary, as such term is

defined by applicable federal law and regulations. In addition to the foregoing, Mr. J. Michael Losh, Chair of the Committee and Mr. John C. van Roden, Jr., based upon their experience in the preparation and auditing of the financial statements of comparable companies and their understanding of generally accepted accounting principles, internal accounting controls and audit committee functions, are deemed to satisfy the requirements of an *audit committee financial expert* as such term is defined under applicable federal law and regulation.

Management is responsible for the financial reporting process, accounting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable law and regulation. Management represented to us that H.B. Fuller's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

KPMG LLP, as the Company's independent auditors for fiscal year 2004, was responsible for performing an independent audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report.

We have reviewed and discussed the audited consolidated financial statements with management and KPMG LLP. We have also discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), and they have discussed with us their independence and provided to us the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We have also considered and determined that the provisions of non-audit services by KPMG LLP during the 2004 fiscal year were compatible with maintaining their independence.

Based upon our discussions and our review of the representations of management and the report of the independent auditors, and in reliance upon such information, representations, reports and opinions, we recommended to the Board of Directors that the audited consolidated financial statements be included in H.B. Fuller's Annual Report on Form 10-K for the fiscal year ended November 27, 2004 filed with the SEC.

The Company has a policy of avoiding the engagement of its independent auditors except for audit, audit-related and tax compliance services. Proposal

On October 1, 2003, the Audit Committee of the Board of Directors of H.B. Fuller Company, after a comprehensive review of proposals for audit services from several public accountants, determined to engage KPMG LLP as principal accountant of the Company for the fiscal year commencing November 30, 2003 and ending November 27, 2004. PricewaterhouseCoopers LLP was dismissed by the Audit Committee of the Board of Directors of H.B. Fuller Company as of October 1, 2003 but was retained to audit the Company's consolidated financial statements as of and for the fiscal year ended November 29, 2003.

The reports of PricewaterhouseCoopers LLP, including that for fiscal years 2003 and 2002, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with its audits of the Company's consolidated financial statements for fiscal years 2003 and 2002, there were no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers LLP would have caused them to make reference thereto in their report on the Company's consolidated financial statements for fiscal years 2003 and 2002. Also, during those years, there have been no reportable events as such term is used in Item 304(a)(1)(v) of Regulation S-K as promulgated by the SEC.

The Audit Committee has appointed KPMG LLP, certified public accountants, as the Company's independent auditors for the fiscal year ending December 3, 2005, subject to Shareholder approval. KPMG LLP first acted as the Company's independent auditors during the fiscal year ended November 27, 2004. If the Shareholders, by an affirmative vote of a majority of the shares of Common Stock of the Company represented and entitled to vote at the annual meeting, do not ratify the Audit Committee's appointment of KPMG LLP as the Company's independent auditors, the Audit Committee intends to reconsider that appointment. However, because of the difficulty and expense of making any change in independent auditors so long after the beginning of the current fiscal

year, it is likely that the appointment would stand for fiscal year 2005 unless there were compelling reasons for making an immediate change.

Table of Contents

Representatives of KPMG LLP will be present at the meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions from Shareholders.

We will vote your shares as you specify when providing your proxy. If you submit your proxy without voting instructions, we will vote your shares FOR the ratification of the appointment of KPMG LLP.

The affirmative vote of a majority of the outstanding shares of Common Stock represented and entitled to vote on this matter is required to approve this proposal.

**The Board of Directors recommends a vote FOR
ratification of the appointment of KPMG LLP.**

Fuller's Proxy Statement for such meeting, he/she must provide notice to the Company no later than November 11, 2005. EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Introduction. The Compensation Committee of the Board of Directors establishes, monitors and administers compensation policies and plans in an effort to ensure the Company's ability to attract, retain and motivate qualified directors and executive officers. We, the members of the Compensation Committee, review and approve base salary, short-term incentives and long-term incentives for executive officers of the Company. Each year, we review national and regional compensation surveys to determine and establish competitive levels of compensation. Certain of these surveys include comparable companies from the specialty chemical peer group referred to in the Total Shareholder Return Graph in this Proxy Statement. From time to time, we also hire experienced outside consultants to review the Company's compensation programs. The purpose of these reviews is to satisfy ourselves that H.B. Fuller's compensation programs meet our goals.

Compensation of the Chief Executive Officer. As the Company's chief executive officer, Mr. Stroucken's total compensation package is designed to be competitive with compensation provided to chief executive officers at chemical manufacturing and allied products companies with total revenues comparable to H.B. Fuller's net revenues. Since coming to the Company in 1998, Mr. Stroucken's employment compensation has been governed by his employment agreement. His original employment agreement was replaced by a new employment agreement during fiscal year 2004. This new employment agreement is described under the heading, "Executive Compensation Employment Agreements" in this Proxy Statement and is filed with the SEC. Since the components of Mr. Stroucken's total compensation package (base salary, short-term incentives and long-term incentives), are the same as those for all other executives, the specifics of his fiscal year 2004 compensation are discussed under each heading.

Compensation for Fiscal Year 2004.

Base Salary. Generally, base salary reflects an executive's job grade. Job grades are set to reflect the complexity and importance of a position as well as the market rate paid for such positions. Merit increases in base salary are tied to annual performance reviews and are generally subject to salary ranges based on market surveys of companies with total revenues comparable to H.B. Fuller's net revenues. We review and consider the annual performance of and proposed merit increase for each executive officer. For fiscal year 2004, the budget guideline for base salary merit increases was 3.0%. Base salary merit increases for executives named in this Proxy Statement (other than the CEO) averaged 3.2% for fiscal year 2004. Pursuant to Mr. Stroucken's new employment agreement, the Committee increased Mr. Stroucken's base salary 3.0% from fiscal 2003 to 2004.

Short-Term Incentive Awards. Consistent with our overall philosophy and objectives, aggregate short-term incentive awards are set for each executive so that the expected payout at *target* performance levels, together with the executive's base salary, would result in base salary and short-term incentive compensation at least equal to the compensation for similar positions at comparable companies. Under the Company's short-term incentive program, the *target* award opportunity for each executive named in this Proxy Statement (other than the CEO) was 56% of base salary for fiscal 2004. The *maximum* opportunity was 84%. Mr. Stroucken's *target* award opportunity was 85% of his base salary for fiscal year 2004, with a *maximum* opportunity of 150%.

Pursuant to the Company's Annual and Long-Term Incentive Plan, the pool of available funds for short-term incentive awards for fiscal year 2004 was based on the Company's net operating income. However, the Committee exercises discretion to decrease the pool if the Company fails to achieve its pre-established financial targets. In fiscal 2004, the Company failed to meet its established

financial objectives for short-term incentive awards under the Annual and Long-Term

Table of Contents

Incentive Plan. However, due to the performance of certain business units of the Company during fiscal year 2004, and in order to recognize individual performance, the Committee determined to pay short-term incentive awards to each of Mr. Feenan, Mr. Large and Ms. Jones in the amounts set forth in the Summary Compensation Table in this Proxy Statement.

Long-Term Incentive Awards. The Company has also established a long-term incentive program. In fiscal 2004, the long-term incentive program included annual grants of cash-based performance units and non-qualified stock options. The aggregate amount of these long-term incentive awards was set for each executive so that the expected payout would result in compensation at least equal to competitive market levels of such compensation for similar positions at comparable companies. Stock-based awards under this long-term incentive program are authorized by the Company's Year 2000 Stock Incentive Plan.

Performance Units. Since 1999 and through fiscal 2004, each annual award of performance units specifies a three-year measurement period for determining the amount to be paid with respect to each award. The performance measurement for the performance units compares the Company's percentage improvement in return on invested capital (ROIC) against a peer group of companies. These peer companies are identified under the Total Shareholder Return Graph in this Proxy Statement. For example, the performance units awarded during fiscal year 2004 are based upon the Company's performance from 2004 through 2006. For detailed information regarding the performance units awarded to Mr. Stroucken and the other executives named in this Proxy Statement for fiscal year 2004, please refer to the table under the heading "Long Term Incentive Plan Awards in Last Fiscal Year" in this Proxy Statement. In December 2004, the Compensation Committee decided to replace performance units with restricted stock or restricted stock unit grants for awards made under the Company's long-term incentive program for fiscal 2005. The awards of restricted stock made to Mr. Stroucken and the other executives named in this Proxy Statement for fiscal year 2005 are included in the amounts set forth in the share ownership table under the heading "Security Ownership of Certain Beneficial Owners and Management" in this Proxy Statement.

Stock-Based Programs. The Committee believes that ownership of H.B. Fuller Common Stock by executives encourages long-term, strategic decision-making that is in the balanced best interests of H.B. Fuller's constituents. Goals for recommended levels of executive stock ownership were established several years ago. An executive's stock ownership goal ranges in dollar amount from one to five times their annual salary, depending on job grade. To foster stock ownership by executives, in addition to cash based performance units, 50% of each executive's long-term incentive award is provided through the grant of nonqualified stock options. For detailed information regarding the options awarded to Mr. Stroucken and the other executives named in this Proxy Statement for fiscal 2004, please refer to the table under the heading "Option Grants in Last Fiscal Year" in this Proxy Statement.

Independence. No member of the Compensation Committee is a current or former employee of the Company. The membership of the Committee satisfies all applicable requirements for a corporation listed on the New York Stock Exchange (the "NYSE") and all members are considered *independent* as that term has been defined by the NYSE and the Company's Corporate Governance Guidelines.

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code generally limits the tax deductibility of compensation paid by a public company, like H.B. Fuller, to its chief executive officer and other executive officers. We consider the deductibility of compensation arrangements in executive compensation decisions, but deductibility is not the only factor used in determining the appropriate level of compensation. The Company's Annual and

Table of Contents

Long Term Incentive Plan and the Company's Year 2000 Stock Incentive Plan have each been approved by the Company's Shareholders as required by Section 162(m). Therefore, cash incentive awards and compensation attributable to stock options and other stock-based awards under these plans may be tax deductible. The Compensation Committee, along with the Company, will continue to evaluate the Company's compensation plans and programs in view of the Section 162(m) limitations.

Conclusion. We believe that the policies and programs described in the report maintain an appropriate balance between motivating achievement of short-term goals and strategically leading the Company in a direction to provide long-term success and therefore serve the interests of the Shareholders and the Company.

The options vest earlier upon retirement or a change in control of the Company. Change in control circumstances are defined as certain changes in H.B. Fuller's Board of Directors, certain concentrations of voting power, certain mergers, sales of corporate assets, statutory share exchanges or similar transactions, or a liquidation or dissolution of the Company.

(2) The assumed 5% and 10% annual rates of appreciation over the terms of the options are shown in accordance with rules and regulations of the Securities and Exchange Commission and do not represent H.B. Fuller's estimates of stock price appreciation.

Table of Contents**Long Term Incentive Plan Awards in Last Fiscal Year**

As described in the Compensation Committee's report on Executive Compensation, historically, the Company has made an annual award of performance units whose cash payout is determined at the end of a specified three-year period. Such awards are designed to represent 50% of each executive's targeted long-term compensation. Such annual awards have resulted in a series of overlapping three-year performance periods.

The following table shows performance unit awards made by the Company during fiscal year 2004 to the executives listed in the Summary Compensation Table. Any payout for units awarded in 2004 will be made in 2007 and will be based upon the Company's relative percentage improvement in return on invested capital (ROIC) in comparison to an established peer group of 19 specialty chemical companies. The average performance in fiscal years 2004 through 2006 will be compared to the average performance in fiscal years 2001 through 2003. The ROIC improvement for each company will be ranked from 1 to 20, highest to lowest. If H.B. Fuller falls within the first quartile of ranking (positions 1-5) the performance units will be paid at the Maximum level. If the Company falls within the second quartile of ranking (positions 6-10), the performance units will be paid at the Target level. If the Company falls within the third or fourth quartiles (positions 11-20), no amounts will be paid under the performance units.

Name	Number of Units ⁽¹⁾	Performance or Other Period Until Maturation or	Estimated Future Payouts Under Non-Stock	
		Payout	Price-Based Plan	
		Fiscal Years	Target	Maximum
Albert P.L. Stroucken	8,000	2004-2006	\$ 800,000	\$ 1,200,000
John A. Feenan	1,750	2004-2006	\$ 175,000	\$ 262,500
Stephen J. Large	1,750	2004-2006	\$ 175,000	\$ 262,500
Patricia L. Jones	1,750	2004-2006	\$ 175,000	\$ 262,500
James R. Conaty	1,750	2004-2006	\$ 175,000	\$ 262,500

(1) The performance units are payable in cash. After performance for a designated period is determined and prior to payment, the performance units are converted to a dollar value.

Before awarding the 2002 performance units, the Compensation Committee decided that the performance units granted in years prior to fiscal year 2002 were unlikely to pay out. As a result, the next possible incentive payment would not be until April, 2005 unless the Committee made special provisions in 2002. Therefore, as part of the performance units awarded in fiscal year 2002, in addition to an award based upon the full three-year measuring period covering fiscal years 2002-2004, there was an opportunity to receive an incentive payment for the fiscal years 2002 and 2003 separately. The incentive payment opportunities for fiscal year 2002 and 2003 are equal to 1/3 and 2/3 of the potential award for the 2002-2004 measuring period. After the date of last year's Proxy Statement, it was determined that the Company's performance did not satisfy the requirements for a payment for the fiscal year 2003 measuring period. As of the date of this Proxy Statement, the Company is not yet able to calculate the amount, if any, for the fiscal year 2002-2004 measuring period. If any amount is paid for the fiscal year 2002-2004 period, it will be disclosed in next year's Proxy Statement.

Retirement Plans

Edgar Filing: FULLER H B CO - Form DEF 14A

H.B. Fuller's Retirement Plan is a defined benefit, tax qualified plan that provides benefits for U.S. employees and is sometimes referred to as a pension plan. Employees do not make contributions to this plan. The plan provides an annual benefit equal to a percentage of the employee's average annual compensation (including short term incentive compensation up to the annual IRS limit) during the highest five years of compensation in the final ten years of an employee's service, based on the employee's length of service with the Company.

Table of Contents

H.B. Fuller has established a Supplemental Executive Retirement Plan to provide additional benefits to executives who may be affected by limits that are imposed by the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 on the amount of benefits that may be paid from tax qualified pension plans. This supplemental plan provides an annual benefit equal to a percentage of the executive's average annual compensation (including short term incentive compensation) during the highest five years of compensation in the final ten years of an executive's service, based on the executive's length of service with H.B. Fuller. This supplemental amount is offset by retirement income from certain other sources. The supplemental plan is an unfunded plan. However, the Company has placed funds in a trust that is intended to provide plan benefits. The funds are subject to the claims of H.B. Fuller's creditors.

The following table shows the estimated annual benefits on a straight-line annuity basis payable to the executives listed in the Summary Compensation Table who have 15 or more years of credited service upon normal retirement (age 65 or later) under the pension plan and the Supplemental Executive Retirement Plan. In accordance with the plans, the annual compensation considered in determining the benefits payable to any executive is the salary and short-term incentive compensation disclosed in the Summary Compensation Table.

750,000	353,100	1,425,000	690,600
825,000	390,600		

Each of the executive officers listed in the Summary Compensation Table participate in the pension plan and the Supplemental Executive Retirement Plan. As of November 27, 2004, Mr. Conaty, who retired on December 31, 2004, had 19 years of service, Mr. Feenan had one year of service, Mr. Large had 12 years of service and Ms. Jones had two years of service. At the time of his hiring, Mr. Stroucken was credited with years of service under the Supplemental Executive Retirement Plan for the number of years served with his prior employer and had 35 years of service as of November 27, 2004.

Key Employee Deferred Compensation Plan

H.B. Fuller's Key Employee Deferred Compensation Plan permits eligible employees to defer annually a portion of their base salary and any annual incentive payment or payments made under outstanding performance units. Deferred compensation is payable on the earlier of the participant's termination of employment, reaching age 65, disability, death or the date(s) for payment selected by the participant or as required by law. Amounts deferred under the plan are credited with interest based on the prime rate, or gains

Edgar Filing: FULLER H B CO - Form DEF 14A

and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock, all as elected by the participant. If a participant elects to defer amounts to the H.B. Fuller Common Stock account, the Company makes a matching contribution equal to 10% of the value of such amount. H.B. Fuller also makes matching contributions to a participant's stock account to restore certain matching contributions under the H.B. Fuller Thrift Plan (a 401(k) plan) that are limited

Table of Contents

by tax regulations. The value of these matching contributions is disclosed in the Summary Compensation Table. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. For fiscal year 2004, no discretionary grants were made to any executives listed in the Summary Compensation Table.

Employment Agreements

Albert P.L. Stroucken. Mr. Stroucken's employment as President and Chief Executive Officer of the Company is governed by the terms of an employment agreement dated March 30, 2004. This agreement was negotiated during the 2004 fiscal year and replaced Mr. Stroucken's prior employment agreement with the Company dated April 16, 1998. The new employment agreement addresses Mr. Stroucken's base salary, annual and long-term incentive compensation, specified perquisites and participation in the Company's employee benefit plans. The term of the employment agreement is for a period of three years terminating on March 31, 2007. The agreement provides for a base salary of \$779,000 per annum and the right to participate in the Company's annual incentive compensation plan under which Mr. Stroucken will have the opportunity to earn up to 150% of his base salary during each applicable year. Pursuant to the agreement, Mr. Stroucken was also granted 8,334 shares of restricted common stock of the Company, which shares are included in the amounts set forth in the share ownership table under the heading "Security Ownership of Certain Beneficial Owners and Management" in this Proxy Statement. The agreement also provides that Mr. Stroucken will be entitled to participate in the Company's retirement and welfare benefit plans and to receive other benefits and perquisites as may be available generally to executives and employee directors of the Company. Mr. Stroucken's new employment agreement is filed with the SEC and can be reviewed by any Shareholder at [www.hbfuller.com/Shareholder Relations/SEC Filings](http://www.hbfuller.com/Shareholder%20Relations/SEC%20Filings).

Pursuant to Mr. Stroucken's employment agreement, in the event of Mr. Stroucken's death or disability during the term of the agreement, the Company agrees to pay his spouse or estate for the following three years an annual amount equal to the sum of his average base salary during the two years preceding his death or disability plus his average annual bonus during the preceding two years. The Company will pay a similar amount for three years following his termination of employment if the Company terminates his employment without cause, Mr. Stroucken terminates his employment for "good reason" (as defined in the agreement), or his employment terminates on March 31, 2007. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding on the death, disability or termination immediately vest in full. Also, in the event of Mr. Stroucken's death, disability or termination of employment without cause or for good reason, the Company will provide him and/or his spouse with (a) certain retirement and welfare benefits and certain perquisites during the following three-year period, (b) health insurance coverage for the lifetime of Mr. Stroucken and/or his spouse, and (c) credit to Mr. Stroucken of an additional five years of age and service for purposes of his participation in, and calculation of his benefits under, the Company's Supplemental Executive Retirement Plan. Pursuant to the terms of his agreement, Mr. Stroucken is prohibited from disclosing confidential information and engaging in certain activities competitive with H.B. Fuller for a period following his employment with the Company.

Mr. Stroucken's employment agreement contains provisions that may trigger a lump-sum payment in the event of a change in control of the Company. This payment is triggered if within three years after a change in control, Mr. Stroucken is disabled, the Company terminates Mr. Stroucken's employment without cause, or Mr. Stroucken terminates his employment for "good reason" (as defined in the agreement). The payment is equal to three times the sum of Mr. Stroucken's base salary plus his target annual incentive compensation in effect immediately prior to the change in control. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding immediately prior to the change in control will vest in full and the Company will provide Mr. Stroucken with certain retirement and welfare benefits and certain perquisites for a three-year period following the termination of employment. The Company will adjust these payments and benefits in the event that

Table of Contents

they are subject to an excise tax imposed by the Internal Revenue Code and do not exceed 330% of Mr. Stroucken's base amount. Under these circumstances, the payments and benefits will be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits are subject to an excise tax and exceed 330% of Mr. Stroucken's base amount, the Company has agreed to reimburse Mr. Stroucken for the amount of the excise tax and for any taxes imposed upon the reimbursement.

Other Executive Officers. The Company has agreements with Mr. Feenan, Mr. Large, Ms. Jones and Mr. Conaty that prohibit disclosure of confidential information and prohibit each of them from competing with the Company for a period of time after termination of employment. In certain circumstances the agreements require the Company to pay the executive during any non-competition period the difference between his or her monthly income and his or her monthly income immediately prior to leaving the Company.

Change in Control Arrangements

H.B. Fuller has a change in control arrangement with each of Mr. Feenan, Mr. Large and Ms. Jones (Mr. Stroucken's arrangement is described above). The initial three-year term of these agreements automatically extends for an additional year on each subsequent anniversary of the agreement, unless H.B. Fuller's Board of Directors gives notice of non-renewal prior to an anniversary date. A protected period of 24 months follows each and every change in control of the Company under the terms of these agreements. If during this protected period, H.B. Fuller terminates the executive's employment for any reason other than cause or disability, or the executive terminates his or her employment for good reason (as defined in the agreement), the executive is entitled to receive a lump sum payment from H.B. Fuller. The payment is equal to three times the sum of the executive's highest base salary, on an annualized basis, established by the Company during the period commencing three months prior to the occurrence of the change in control and ending on the date of the executive's termination of employment plus the executive's target annual incentive compensation established by the Company and in effect immediately prior to the change in control. In addition, the executive is entitled to medical and dental benefits and certain perquisites for a three-year period following the termination of employment. H.B. Fuller will adjust the payments and benefits in the event that they are subject to an excise tax imposed by the Internal Revenue Code and do not exceed 330% of the executive's base amount. Under these circumstances, the payments and benefits will be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits are subject to an excise tax and exceed 330% of the executive's base amount, the Company has agreed to reimburse the executive for the amount of the excise tax and for any taxes imposed upon the reimbursement.

H.B. Fuller has other compensatory arrangements with its executives that will result from a change in control. H.B. Fuller's Supplemental Executive Retirement Plan provides that if within three years after a change in control, H.B. Fuller terminates a participant's employment without cause or the participant terminates his or her employment for good reason (as defined in this plan), or if the participant terminates his or her employment for any reason during the 90-day period following the first anniversary of the change in control, then five years shall be added to both the participant's age and years of credited service for purposes of determining benefits under this plan. If a participant's employment terminates as described above and the participant is not entitled to a benefit under the supplemental retirement plan, then the participant will be paid an annual benefit equal to 25% of his or her final average compensation, regardless of age or years of credited service.

In addition, in the event of a change in control, all shares of restricted stock, all restricted stock units and any unvested stock options outstanding under H.B. Fuller's stock incentive plans immediately vest in full.

Executive Stock Purchase Loan Program

In July 2000, the Board of Directors adopted the Executive Stock Purchase Loan Program. Under the program, H.B. Fuller arranged for U.S. Bank to provide full-recourse, personal loans to eligible management employees to purchase shares of H.B. Fuller Common Stock in the open market. Each eligible employee was allowed to obtain a loan equal to the dollar amount of the participant's stock ownership goal plus capitalization of interest for the term of the loan. An executive's stock ownership goal ranges in dollar amount from one to five times his or her annual salary, depending on the executive's position with the Company. The loans bear interest at the Applicable Federal Rate and mature in five years, with principal and interest due at that time. The loans are guaranteed by H.B. Fuller only in the event of the participant's default. The Company pays the premiums on a term life insurance policy for each participant in an amount necessary to repay the outstanding loan in the event of the participant's death. H.B. Fuller also pays the administrative fees and expenses of the program. During fiscal year 2004, five active management employees participated in the program, and the aggregate amount of loans outstanding under the program for those five employees on November 27, 2004 was \$5,427,156. As of November 27, 2004, executives listed in the Summary Compensation Table participated in the Executive Stock Purchase Loan Program as follows:

	Loan Amount
Albert P.L. Stroucken	\$ 3,782,639
James R. Conaty	\$ 559,747

This program ended during fiscal year 2001. In accordance with applicable law, the Company will not extend, directly or indirectly, any similar loans in the future.
