The Board of Directors

Owens & Minor, Inc.:

We have audited the accompanying statements of net assets available for benefits of the Owens & Minor 401(k) Savings and Retirement Plan (the Plan) as of December 31, 2004 and 2003, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Owens & Minor 401(k) Savings and Retirement Plan as of December 31, 2004 and 2003, and the changes in net assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**401(k) SAVINGS AND RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2004 and 2003

**(1) Summary of Significant Provisions of the Plan**

The following brief description of the Owens & Minor 401(k) Savings and Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

**(a) General**

The Plan is a defined contribution plan that is available to substantially all full-time and certain part-time teammates of Owens & Minor, Inc. (the Employer) who have completed one month of service and have attained age 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**(b) Contributions**

The Plan allows participants to contribute up to 50% of their eligible compensation, with the Employer matching 50% of the first 6% of compensation that a participant contributes to the Plan. Also under the Plan, the Employer contributes 1% of compensation (subject to certain limitations as defined in the plan document) to each participant actually employed on the last day of the plan year who has worked at least 1,000 hours during the year. The Employer may increase or decrease its contributions by providing notice of the change to the participants no later than 90 days prior to the beginning of the plan year in which the change will take effect.

**(c) Participant Accounts**

Each participant's account is credited with the participant's contribution, the Employer's matching contribution and an allocation of earnings thereon. Allocations are based on account balances as defined by the Plan. Forfeited balances of terminated participants' nonvested accounts are used to reduce current year employer contributions. Employer contributions were reduced by approximately \$602,094 and \$50,300 from forfeited nonvested accounts in 2004 and 2003, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**(d) Investment Options**

Participants in the Plan currently have 19 investment options available to them with respect to how their participant and employer contributions are invested. Participants can elect to have contributions allocated in 1% increments to the following funds or investment funds: Owens & Minor, Inc. common stock fund, one collective trust fund, and seventeen mutual funds. These options provide for a range of investment objectives, including growth, growth and income, and income and capital stability. Investment in the Owens & Minor, Inc. common stock fund

is limited to 20% of the employee's account balance.

*(e) Vesting and Withdrawals*

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Effective January 1, 2004, employer matching contributions and the earnings on those contributions are immediately vested, provided that the participant performs at least one hour of service on or after January 1, 2005. Prior to January 1, 2004, employer matching contributions and the earnings on those contributions vested after one year of credited service. Employer 1% contributions are fully vested after five years of credited service. The Plan allows certain terminated participants to become 100% vested in their account.

**OWENS & MINOR, INC.**

**401(k) SAVINGS AND RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2004 and 2003

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or payment in annual installments not to extend past the lives or life expectancies of the participant and spouse as determined in accordance with Internal Revenue Code (IRC) Section 401(a)(9)(A). In the case of hardship, a participant may apply for a distribution as described in the Plan agreement.

***(f) Participant Loans***

Participants may borrow from their vested interests in the Plan for a minimum of \$1,000 and a maximum of 50% of their vested balance or \$50,000, whichever is less.

A loan's term may not exceed five years or 15 years if the proceeds are used exclusively to purchase a principal residence. The interest rate charged is the Prime Rate plus 1%.

***(g) Interfund Transfers***

Under the provisions of the Plan, a participant may elect to have the value of his or her participant account attributable to a particular investment fund liquidated and transferred to any of the other available investment funds in 1% increments.

***(h) Plan Termination***

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**(2) Summary of Significant Accounting Policies**

The following are the significant accounting policies followed by the Plan:

***(a) Basis of Presentation***

## Edgar Filing: OWENS & MINOR INC/VA/ - Form 11-K

The accompanying financial statements have been prepared on the accrual basis of accounting, except for benefit distributions, which are recorded when paid. Contributions to the Plan and interest and dividend income are recognized as earned; administrative expenses are recognized when incurred; and realized gains and losses and unrealized appreciation and depreciation of investments are recognized as they occur.

### *(b) Use of Estimates*

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *(c) Investments*

The Plan's investments are stated at fair value. The values of investments stated at fair value are determined based upon quoted market prices, except for participant loans receivable, which are valued at cost, which approximates fair value. Purchases and sales are recorded on

**Table of Contents****OWENS & MINOR, INC.****401(k) SAVINGS AND RETIREMENT PLAN**

Notes to Financial Statements

a settlement date basis. The recording of these transactions on a trade date basis would not have a material impact on the accompanying financial statements. Cost of investments sold is determined on the first-in, first-out (FIFO) method. The Plan's investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. In addition, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**(d) Administrative Expenses**

Substantially all of the administrative expenses are paid by the Plan.

**(3) Investments**

The following presents investments that represent 5% or more of the Plan's assets:

**(4) Federal Income Taxes**

In a determination letter dated October 15, 2002, the Internal Revenue Service (IRS) has ruled that the Plan is a qualified trust under Sections 401(a) and 401(k) of the IRC and is exempt from taxation under the provisions of Section 501(a). The letter states that the Plan complies in form with the series of tax law changes collectively referred to as GUST. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The plan administrator believes that the Plan has been operated in accordance with applicable requirements of the IRC.

Under present federal income tax laws and regulations, participants will not be taxed on employer contributions allocated to their accounts or on investment earnings on such contributions or investment earnings on their own contributions at the time such contributions and investment earnings are received by the trustee under the Plan; but they may be subject to tax thereon at such time as they receive actual distributions from the Plan. Under normal circumstances, the Plan will not be taxed on its dividend and interest income or any capital gains realized by it or any unrealized appreciation on investments.

**(5) Related Party Transactions**

The Plan owned 235,930 shares of Owens & Minor, Inc. common stock as of December 31, 2004, with a cost basis of \$3,323,785 and a fair value of \$6,646,148. During 2004, 22,906 shares of Owens & Minor, Inc. common stock were purchased at a total cost of \$570,869 and 6,480 shares, with a cost basis of \$83,703, were sold for \$176,215.

As of December 31, 2003, the Plan owned 219,504 shares of Owens & Minor, Inc. common stock, with a cost basis of \$2,836,619 and a fair value of \$4,809,333. During 2003, 20,399 shares of Owens & Minor, Inc. common stock were purchased at a total cost of \$395,087 and 2,833 shares, with a cost basis of \$30,303, were sold for \$49,029. Because Owens & Minor is the plan sponsor, the transactions qualify as party-in-interest transactions.

Certain Plan investments are shares of common collective and mutual funds managed by American Express Trust Company (American Express) and Fidelity Investments (Fidelity). American Express was the trustee until September 30, 2004, and Fidelity became the trustee effective October 1, 2004, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$5,536 and \$3,628 for the years ended December 31, 2004 and 2003, respectively.
