ITEM 8.01. OTHER EVENTS

On December 20, 2005, The Coast Distribution System, Inc. issued a press release reporting that its Board of Directors had held a special meeting to consider the unsolicited proposal publicly disclosed by Bell Industries on the morning of December 15, 2005, and received by Coast Distribution late that day. Although the Board discussed the proposal, it decided not to take any action until it selects and retains an investment banking firm to support the Board in its deliberative process.

In the press release, the Company also stated that its Board has just begun this process; no decisions have been made by the Board respect to the Company's response, if any, to Bell's proposal; and that the Board will proceed in a timely and orderly manner to consider the proposal and its implications. The Company also said that it does not intend to comment on the proposal until it completes its review and will not speculate as to any future course of action it might take.

The foregoing description of the contents of the press release is qualified by reference to that press release, in its entirety, a copy of which is attached hereto as Exhibit 99.1 and which, by this reference, is incorporated in full into this report.
