-

Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Accelerated Share Repurchase Agreement

On March 6, 2006, Northrop Grumman Corporation (the Company) entered into a \$750 million accelerated share repurchase (ASR) agreement with Credit Suisse, New York Branch (CSNY). Under the ASR agreement, the Company will purchase 11,577,647 shares of its common stock at a price per share of \$64.78. This ASR agreement is entered into pursuant to the Company's previously announced \$1.5 billion stock repurchase program and follows the settlement on March 1, 2006 of the prior \$500 million share repurchase agreement with CSNY dated November 4, 2005 under which approximately 9.1 million shares of common stock were acquired.

Under the ASR agreement, CSNY plans to purchase an equivalent number of shares of common stock in the open market from time to time until it has acquired that number. At the end of this period, the Company may receive or be required to remit a price adjustment based upon the volume weighted average price of its common shares purchased by CSNY during the period. The purchase price adjustment can be settled, at the option of the Company, in cash or in shares of its common stock.

The foregoing description of the ASR agreement does not purport to be complete. For an understanding of the terms and provisions, reference should be made to the ASR agreement, attached as Exhibit 10.1 to this Report.

Section 9 Financial Statements and Exhibits

Item 9.01 Financial Statements and Exhibits.
