PROXY STATEMENT

2006 ANNUAL MEETING OF STOCKHOLDERS

Corcept Therapeutics Incorporated (the "Company") is furnishing this Proxy Statement and the enclosed proxy in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board") for use at the Annual Meeting of Stockholders to be held on June 6, 2006 at 10:00 a.m. local time, at the Company's headquarters located at 149 Commonwealth Drive, Menlo Park, California 94025 and at any adjournments thereof (the "Annual Meeting"). These materials are being mailed to stockholders on or about May 4, 2006.

Only holders of the Company's common stock as of the close of business on April 20, 2006 (the "Record Date") are entitled to vote at the Annual Meeting. Stockholders who hold shares of the Company's common stock in street name may vote at the Annual Meeting only if they hold a valid proxy from their broker. As of the Record Date, there were 22,718,414 shares of common stock outstanding.

A majority of the outstanding shares of common stock entitled to vote at the Annual Meeting must be present in person or by proxy in order for there to be a quorum at the meeting. Stockholders of record who are present at the meeting in person or by proxy and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, will be included in the number of shares present at the meeting for purposes of determining whether a quorum is present.

Each stockholder of record is entitled to one vote at the Annual Meeting for each share of common stock held by such stockholder on the Record Date. Stockholders do not have cumulative voting rights. Stockholders may vote their shares by using the proxy card enclosed with this Proxy Statement. All proxy cards received by the Company which are properly signed and have not been revoked will be voted in accordance with the instructions contained in the proxy cards. If a signed proxy card is received which does not specify a vote or an abstention, the shares represented by that proxy card will be voted for the nominees to the Board listed on the proxy card and in this Proxy Statement and for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. The Company is not aware, as of the date hereof, of any matters to be voted upon at the Annual Meeting other than those stated in this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders. If any other matters are properly brought before the Annual Meeting, the enclosed proxy card gives discretionary authority to the persons named as proxies to vote the shares represented by the proxy card in their discretion.

Under Delaware law and the Company's Amended and Restated Certificate of Incorporation and Bylaws, if a quorum exists at the Annual Meeting, (a) the nominees for director who receive the greatest number of votes cast will be elected to the Board and (b) the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006 will be approved if it receives the affirmative vote of the majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. Abstentions and broker non-votes will have no impact on the election of directors since they have not been cast in favor of or against any nominee, nor will they have any effect on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006, because approval of that proposal is based solely on the number of votes actually cast.

A stockholder of record may revoke a proxy at any time before it is voted at the Annual Meeting by (a) delivering a proxy revocation or another duly executed proxy bearing a later date to the Secretary of the

Company at 149 Commonwealth Drive, Menlo Park, California 94025 or (b) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not revoke a proxy unless the stockholder actually votes in person at the meeting.

The proxy card accompanying this Proxy Statement is solicited by the Board. The Company will pay all of the costs of soliciting proxies. In addition to solicitation by mail, officers, directors and employees of the Company may solicit proxies personally, or by telephone, without receiving additional compensation. The Company, if requested, will pay brokers, banks and other fiduciaries that hold shares of common stock for beneficial owners for their reasonable out-of-pocket expenses of forwarding these materials to stockholders.

DIRECTOR NOMINATION

The information below describes the criteria and process that the Nominating and Corporate Governance Committee uses to evaluate candidates to the Board.

Nominating and Corporate Governance Committee. The Company's Nominating and Corporate Governance Committee consists of Mr. Wilson and Drs. Schatzberg and Marduel. Mr. Wilson is the Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee held two meetings in 2005, and has held one meeting in 2006. The Nominating and Corporate Governance Committee is responsible for identifying individuals qualified to serve as members of the Board of the Company, recommending to the independent members of the Board nominees for election as directors of the Company and providing oversight with respect to corporate governance and ethical conduct. Although Mr. Wilson is an employee of the Company and therefore not an independent director for NASDAQ purposes, the Company's director nomination process meets applicable NASDAQ requirements because the Company's director nominees are selected by the independent members of the Board.

The information below describes the criteria and process that the Nominating and Corporate Governance Committee uses to evaluate candidates to the Board.

Board Membership Criteria. The Nominating and Corporate Governance Committee is responsible for assessing the appropriate balance of experience, skills and characteristics required of the Board. Nominees for director are selected on the basis of depth and breadth of experience, knowledge, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, the willingness to devote adequate time to Board duties, the interplay of the candidate's experience and skills with those of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any Committees of the Board. In addition, the Nominating and Corporate Governance Committee seeks to ensure that at least a majority of the directors are independent under the rules of the NASDAQ Stock Market, that the Audit Committee and Compensation Committee is composed entirely of independent directors, and that members of the Audit Committee possess such accounting and financial expertise as the principal stock exchange or quotation service on which the Company's shares are listed or quoted require.

Stockholders Proposals for Nominees. The Nominating and Corporate Governance Committee will consider written proposals from stockholders for nominees for director. Any such nominations should be submitted to the Nominating and Corporate Governance Committee c/o the Secretary of the Company and should include (at a minimum) the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the name(s) and address(es) of the stockholder(s) making the nomination and the number of shares of the Company's common stock which are owned beneficially and of record by such stockholder(s); and (c) appropriate biographical information and a statement as to the qualifications of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, **STOCKHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING** below.

Process for Identifying and Evaluating Nominees. The Nominating and Corporate Governance Committee initiates the process for identifying and evaluating nominees to the Board by identifying a slate of candidates who meet the criteria for selection as nominees and have the specific qualities or skills being sought based on input from members of the Board, management and, if the Nominating and Corporate Governance Committee deems appropriate, a third-party search firm. Candidates are evaluated by the Nominating and Corporate Governance Committee on the basis of the factors described above under *Board Membership Criteria*.

With respect to candidates for initial election to the Board, the Nominating and Corporate Governance Committee also reviews biographical information and qualifications and checks the candidates' references.

Qualified candidates are interviewed by at least one member of the Nominating and Corporate Governance Committee. Once screened, continuing candidates meet, either in person or by telephone, with all members of the Nominating and Corporate Governance Committee and as many other members of the Board as practicable.

Using the input from interviews and the information obtained by the Nominating and Corporate Governance Committee, the Nominating and Corporate Governance Committee evaluates which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the independent members of the Board that the Board nominate, or elect to fill a vacancy, with the final prospective candidate(s). Candidates recommended by the Nominating and Corporate Governance Committee are presented to the independent members of the Board for selection as nominees to be presented for the approval of the stockholders or for election to fill a vacancy. The Nominating and Corporate Governance Committee expects that a similar process will be used to evaluate nominees recommended by stockholders. However, to date, the Company has not received any stockholder proposal to nominate a director.

Nominees to the Board of Directors for the Annual Meeting. The nominees for the Annual Meeting were recommended for selection by the Nominating and Corporate Governance Committee and were selected by the independent members of the Board.

DIRECTOR COMPENSATION

Non-employee directors receive a director fee from the Company for their services as members of the Board in the amount of \$15,000 per year. Directors receive an initial stock option grant of 60,000 shares of the Company's common stock in connection with their initial election to the Board. Such options will vest with respect to 25% of the shares on the first anniversary of the date of the grant and with respect to the remaining shares in 36 equal monthly installments thereafter. In 2005, non-chair members of the Audit Committee received an additional \$5,000 per year and the chair of the Audit Committee received an additional \$10,000. In 2006, all Audit Committee members will receive an additional \$10,000 per year and the chairman of the Audit Committee will receive an additional stock option grant of 10,000 shares of the Company's common stock. Directors are reimbursed for certain expenses in connection with attending Board and committee meetings.

Pursuant to the Company's non-employee director compensation policy, on March 2, 2006, the Company granted David L. Mahoney, the chair of the Audit Committee, an option to purchase 10,000 shares of common stock at an exercise price of \$4.95 per share. This option vests with respect to 25% of the shares on the first anniversary of the date of the grant and with respect to the remaining shares in 36 equal monthly installments thereafter.

The Board met five times during fiscal 2005, and took action via unanimous written consent once. The Audit Committee met six times and the Compensation Committee met four times. The Nominating and Corporate Governance Committee met two times during fiscal 2005. Each member of the Board attended 75% or more of the total number of Board meetings and meetings of Board committees on which such Board member served, other than Alix Marduel, M.D. who attended 73% of such meetings. The Board has determined that the following directors are independent under current NASDAQ rules:

Joseph C. Cook, Jr.

James A. Harper

David L. Mahoney

Alix Marduel, M.D.

Alan F. Schatzberg, M.D.

David B. Singer

The Board has standing Audit, Compensation and Nominating and Corporate Governance Committees.

The Board has determined that David L. Mahoney qualifies as an Audit Committee financial expert as defined by the rules of the Securities and Exchange Commission (the SEC). The purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and audits of its financial statements. The responsibilities of the Audit Committee include appointing and providing the compensation of the independent accountants to conduct the annual audit of the Company's accounts, reviewing the scope and results of the independent audits, reviewing and evaluating internal accounting policies, and approving all professional services to be provided to the Company by its independent accountants.

Compensation Committee. The Compensation Committee currently consists of G. Leonard Baker, Jr. (chairman), James A. Harper and Alix Marduel, M.D. The Board has determined that all members of the Compensation Committee are independent directors under the rules of the NASDAQ Stock Market. The Compensation Committee administers the Company's benefit plans, reviews and administers all compensation arrangements for executive officers, and establishes and reviews general policies relating to the compensation and benefits of the Company's officers and employees.

Nominating and Corporate Governance Committee. The Company's Nominating and Corporate Governance Committee consists of James N. Wilson (chairman), Alan F. Schatzberg, M.D., and Alix Marduel, M.D. The Nominating and Governance Committee is responsible for identifying individuals qualified to serve as members of the Board, recommending to the independent members of the Board nominees for election as directors of the Company and providing oversight with respect to corporate governance and ethical conduct. Although Mr. Wilson is an employee of the Company and therefore not an independent director for NASDAQ purposes, the Company's director nomination process meets applicable NASDAQ requirements because the Company's director nominees are selected by the independent members of the Board.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16(a) of the Exchange Act and SEC rules, the Company's directors, executive officers and beneficial owners of more than 10% of any class of equity security are required to file periodic reports of their ownership, and changes in that ownership, with the SEC. Based solely on its review of copies of these reports and representations of such reporting persons, the Company believes that during fiscal 2005, such SEC filing requirements were satisfied except that Joseph K. Belanoff, M.D. reported a disposition of Company securities that occurred on March 22, 2005 on a Form 4 that was filed on March 25, 2005, one day after it was due.

These amounts represent assumed rates of appreciation, and are not intended to

forecast future appreciation of the Company's common stock.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General Compensation Philosophy

The purpose of the Compensation Committee under a written charter adopted by the Board is to assist the Board in the discharge of its responsibilities relating to executive and director compensation, and to oversee incentive, equity-based and other compensatory plans in which executive officers and key employees of the Company participate. The current members of the Compensation Committee are G. Leonard Baker, Jr., James A. Harper and Alix Marduel, M.D. each of whom is a non-employee director within the meaning of Section 16 of the Exchange Act and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. In performing its duties, the Compensation Committee reviews reports and recommendations presented by management, and from time to time considers information obtained from outside firms or consultants to assist it in the review of compensation levels, structure and design. The Compensation Committee recommends the compensation of executive officers to the Board for approval. The Company's compensation policy for executive officers is to offer a total compensation package that aligns compensation with business objectives and performance and enables the Company to attract, retain and reward executive officers, whose contributions are necessary for the long-term success of the Company. Accordingly, each executive officer's compensation package consists of: (i) base salary; (ii) cash bonus tied to specific business achievements; and (iii) long-term stock-based incentive awards.

Executive Compensation Base Salary

Salaries for executive officers were generally determined on an individual basis at the time of hire and as part of each executive's annual performance review by evaluating each executive's scope of responsibility, prior experience, salary history and the executive's personal performance, as well as the salaries for similar positions at comparable companies. During fiscal 2005, the Compensation Committee reviewed the base salaries for the executive officers by evaluating the factors described above and considering the recommendations of the Chief Executive Officer.

Cash Bonus

As part of its philosophy of offering a compensation package that aligns compensation with business objectives and performance, for 2005, the Company did not have a formal bonus program, but had the ability to award, on an ad hoc basis, cash bonuses to all employees, including executive officers. Although the Company met important objectives in 2005, in light of the Company's focus on completing its clinical programs and the Company's cash position, management did not recommend the payment of bonuses to employees, including executive officers, and no cash bonuses were awarded.

For 2006, the Company has adopted a Company-wide bonus plan tied to specific clinical and financial milestones.

Stock Options and Other Equity Compensation

The Compensation Committee believes that equity-based compensation in the form of stock options aligns the interests of executives with the long-term interests of the Company's stockholders by encouraging executive

officers to acquire a proprietary interest in the Company. The Compensation Committee further believes that the use of vesting periods encourages retention of executive officers, and accordingly stock options granted to executive officers generally vest over time. The stock options are granted to executive officers on a discretionary basis, at varying times and in varying amounts, with an exercise price that is equal to the market price of the Company's common stock at the time of grant. The size and the timing of each grant are based on a number of factors, including the Company's achievement of specific milestones, the individual's level of responsibility, the amount, exercise price and term of options already held by the individual, the individual's contributions to the achievement of the Company's financial and strategic objectives, and industry practices and norms.

In accordance with this policy, during fiscal 2005 the existing equity-based compensation of the executive officers was reviewed and the Compensation Committee made one new grant of stock options each to the President and to the Chief Financial Officer.

Chief Executive Officer Compensation

The base salary for Dr. Belanoff, the Company's Chief Executive Officer, for 2005 was \$379,233 and it was based on the factors described above for all executive officers. The Committee believes that Dr. Belanoff's base salary is currently in the mid-range of salaries for chief executive officers of other public technology-based companies of similar size and in the same geographic region as the Company. In 2005, Dr. Belanoff provided strong leadership to the Company in its achievement of strategic and financial objectives. However, as described above, no bonuses were paid to executive officers in 2005. For fiscal 2006, the independent directors will continue to evaluate Dr. Belanoff's compensation consistent with the factors described above for all executive officers.

Effect of Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code limits to \$1,000,000 per person the amount that the Company may deduct in any taxable year for compensation paid to the Chief Executive Officer and any of the four other most highly compensated officers. Under the Treasury Regulations corresponding to Section 162(m) of the Internal Revenue Code, compensation received through the exercise of an option will not be subject to the \$1,000,000 limit if it qualifies as qualified performance-based compensation within the meaning of Section 162(m). The Company's 2000 Equity Incentive Plan and the 2004 Equity Incentive Plan were approved by the Company's stockholders in order for stock options with an exercise price equal to the fair market value of the option shares on the grant date granted under such plans to meet the Section 162(m) requirements for qualified performance-based compensation and therefore be exempted from the limitation on deductibility. The Compensation Committee believes that the best interests of the Company and its stockholders will be served if the Company's stock-based long-term incentives qualify as qualified performance-based compensation. It is the Compensation Committee's intention that, so long as it is consistent with the Company's overall compensation objectives, virtually all executive compensation will be deductible by the Company for federal income tax purposes.

REPORT OF THE AUDIT COMMITTEE

Under the guidance of a written charter adopted by the Board and enclosed with this Proxy Statement as Appendix A, the purpose of the Audit Committee is to oversee the accounting and financial reporting processes of the Company and audits of its financial statements on behalf of the Board. The responsibilities of the Audit Committee include appointing and providing for the compensation of the Company's independent registered public accounting firm. Each of the members of the Audit Committee meets the independence requirements of NASDAQ.

Management has primary responsibility for the system of internal controls and the financial statements and reporting process. The independent registered public accounting firm has the responsibility to express an opinion on the financial statements based on an audit conducted in accordance with generally accepted auditing standards.

In this context and in connection with the audited financial statements contained in the Company's Annual Report on Form 10-K, the Audit Committee:

reviewed and discussed with the Company's management and the independent registered public accounting firm the audited financial statements as of and for the fiscal year ended

December 31, 2005 including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures.

discussed with Ernst & Young LLP, the Company's independent registered public accounting firm, the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended by Statement of Auditing Standards No. 90, Audit Committee Communications;

discussed with the Company's independent auditors the overall scope and plans for their respective audits and, with and without management present, discussed the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting;

reviewed the written disclosures and the letter from Ernst & Young LLP required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with Ernst & Young LLP their independence, and concluded that the non-audit services performed by Ernst & Young LLP are compatible with maintaining their independence;

in reliance on the foregoing reviews and discussions, recommended to the Board that the audited financial statements be included in the Company's 2005 Annual Report on Form 10-K for the fiscal year ended December 31, 2005 filed with the SEC; and

instructed Ernst & Young LLP that the Audit Committee expects to be advised if there are any subjects that require special attention.

Principal Accountant Fees and Services

The Audit Committee has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006.

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Ernst & Young LLP for fiscal 2005 and 2004.

	2005	2004
Audit Fees ⁽¹⁾	\$ 177,000	\$ 141,000
Audit-Related Fees ⁽²⁾	0	0
Tax Fees	0	0
All other Fees ⁽³⁾	0	217,000
Total	\$ 177,000	\$ 358,000

The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve audit-related and non-audit services not prohibited by law to be performed by the Company's independent registered public accounting firm and associated fees, provided that the Chair shall report any decision to pre-approve such audit-related or non-audit services and fees to the full Audit Committee at its next regular meeting.

(1) Audit fees represent fees for professional services provided in connection with the audit of the Company's financial statements and review of the Company's quarterly financial statement and audit services provided in connection with other statutory or regulatory filings.

(2) Audit-related fees consisted primarily of accounting consultations.

- (3) All other fees include those related to the filing of Registration Statements on Form S-1 (\$211,000) and Form S-8 (\$6,000) with the SEC.

PERFORMANCE GRAPH

The rules of the SEC require that the Company include in this Proxy Statement a line-graph presentation comparing cumulative stockholder returns on the Company's common stock with the NASDAQ Composite Index (which tracks the aggregate price performance of equity securities of companies traded on NASDAQ) and either a published industry or line-of-business standard index or an index of peer companies selected by the Company. The Company has elected to use the NASDAQ Biotechnology Index (consisting of a group of approximately 130 companies in the biotechnology sector, including the Company) for purposes of the performance comparison that appears below.

The graph shows the cumulative total stockholder return assuming the investment of \$100.00 and the reinvestment of dividends and is based on the returns of the component companies weighted according to their market capitalizations as of the end of the period for which returns are indicated. No dividends have been declared on the Company's common stock.

The stockholder return shown on the graph below is not necessarily indicative of future performance, and the Company does not make or endorse any predictions as to future stockholder returns.

* \$100 invested on 4/14/04 including reinvestment of dividends. Fiscal year ending December 31.
